Independent Auditors' Report

The Board of Directors
Rocketship Southside Community Prep
Milwaukee, Wisconsin

Report on the Financial Statements

We have audited the accompanying financial statements of Rocketship Southside Community Prep (“RSCP”)(a non-profit organization), which comprise the statement of financial position as of June 30, 2015, the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of RSCP as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Other Matters

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state awards, as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and by the Wisconsin 2r Charter School Audit Manual issued by the Wisconsin Department of Public Instruction, is presented for purposes of additional analysis and is not a required part of the financial statements.

The schedule of expenditures by category on page 9 is presented for purposes of additional analysis and is not a required part of the financial statements.

The financial information listed in the table of contents as supplementary information, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 06, 2015 on our consideration of RSCP’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering RSCP’s internal control over financial reporting and compliance.

  Prepaid expenses 46,671
  Accounts payable 27,071
  Related party liabilities 212,873
  Payroll and related liabilities 30,799
  Accrued vacation (551)
  Deferred rent liability 6,071

  Net cash used by operating activities (180,808)

Cash Flows From Financing Activities:
Proceeds from related party loan payable 850,000

Net change in cash 669,192

Cash and Equivalents - Beginning of year -

Cash and Equivalents - End of year $ 669,192

Supplemental Cash Flow Information:
  Interest paid $ 19,793

The accompanying notes to financial statements
are an integral part of these statements.
1. Summary of Significant Accounting Policies

A. Nature of Activities

Rocketship Education Wisconsin, Inc. ("RSEW") is a nonprofit public benefit organization which was incorporated in October 2012 to hold the charter for its first Elementary School in Wisconsin, Rocketship Southside Community Prep ("RSCP"). The City of Milwaukee Common Council approved RSCP as a separate charter in November 2011. The Organization is an affiliate of Rocketship Education ("RSED") which is organized to manage, operate, guide, direct, and promote a network of public elementary charter schools.

B. Basis of Accounting

The financial statements of RSCP have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

C. Basis of Presentation

Under accounting principles generally accepted in the United States of America, RSCP is required to report information regarding the financial position and activities according to three classes of net assets, defined as follows:

- Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations
- Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met by actions of RSCP and/or passage of time
- Permanently restricted net assets - Net assets subject to donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of RSCP

D. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are for specific use in future periods are reported as temporarily restricted. When the restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets for expenditure.

E. Income Tax Status

RSCP is exempt from federal and state income taxes on related exempt-function income under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization other than a private foundation. RSCP does not consider any of its support and revenues to be unrelated business income and, accordingly, no provision for income taxes has been provided in the accompanying financial statements. RSCP files a consolidated federal tax return with its parent (a non-profit entity).

Generally, for United States Federal income taxes, the Organization is only subject to examination for the current year’s tax return and the preceding three years’ returns. Generally, for Wisconsin income taxes, the Organization is only subject to examinations for current year’s tax return and the preceding four years’ returns.
1. Summary of Significant Accounting Policies (continued)

F. Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

G. Accounts Receivable

Accounts receivable consist primarily of funds due from various governmental, nonprofit corporations and private individuals. Management believes all of these amounts are collectible; therefore no provisions for uncollectible accounts were recorded.

H. Property, Plant and Equipment

Property, plant and equipment are stated at cost if purchased or at estimated fair market value if donated. Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful life of the assets ranging from three to thirty-five years. RSCP capitalizes all expenditures of land, buildings and equipment in excess of $5,000. As of June 30, 2015, no individual items were purchased in excess of $5,000.

I. Subsequent Events

RSCP has evaluated subsequent events for potential recognition and/or disclosure in the financial statements through the date that the financial statements were available to be issued (October 06, 2015). There were no subsequent events that required recognition or disclosure.

2. Related Party Transactions

On June 30, 2015, RSCP amended the original line of credit dated June 30, 2014 and drew additional principal with RSED for $850,000. The line of credit has quarterly interest payments at Libor + 250 bps not to exceed 4% with a maturity date of June 30, 2019. For the year ended June 30, 2015, the total amount of related party long-term liabilities was $1,500,000. For the year ended June 30, 2015, total interest paid was $19,793.

RSCP entered into a contract to receive management and support services from RSED for which they pay management fees. For the year ended June 30, 2015, the total amounts expensed and accrued for management fees were $480,782 and $354,162, respectively.

RSCP entered into a building lease agreement with Launchpad Development Milwaukee One LLC (a division of Launchpad Development Company, a supporting organization of RSED). The lease expires June 30, 2023 and requires monthly payments. Total rental expense and deferred rent liability for the year ending June 30, 2015 was $610,321 and $78,486, respectively.
2. Related Party Transactions (Continued)

The future estimated minimum required lease payments are as follows:

<table>
<thead>
<tr>
<th>Year Ending</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>June 30,</td>
<td></td>
</tr>
<tr>
<td>2016</td>
<td>$ 522,312</td>

<td>1,792,932</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$ 4,527,024</strong></td>
</tr>
</tbody>
</table>

3. Concentrations

RSCP received $3,003,900 in revenue from one grant from the Wisconsin Department of Public Instruction during the year ended June 30, 2015 which represented 80% of RSCP’s total revenue.

4. Operating Leases

RSCP leases a copier under non-cancelable operating leases. Total costs for such leases were $13,731 for the year ended June 30, 2015. The future minimum lease payments for the leases are as follows:

<table>
<thead>
<tr>

<td>2018</td>
<td>450</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$ 11,258</strong></td>
</tr>
</tbody>
</table>

5. Commitments and Contingencies

RSCP has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, management believes all compliance requirements have been met.

RSCP has not fully complied with certain requirements applicable to its financial awards program in the previous year. Consequently, costs were considered to be disallowed by the affected funding agency, requiring reimbursement of $32,547 for the year ended June 30, 2015, of which $32,547 was recorded as a payable.

6. Employee Retirement Plan

RSCP employees are eligible to participate in RSED’s sponsored 403(b) plan. RSED matches the lesser of 3% of salary or $2,500. During the year ended June 30, 2015, RSED contributed $26,050 to the plan.

** Total Wisconsin DPI aidable expenditures for the year ended June 30, 2015 were $217,187.

See Independent Auditors' Report.
1. General

The accompanying schedule of expenditures of federal and state awards represents the activity of all federal and state financial award programs of RSCP. All federal and state awards received directly from federal and state agencies as well as federal and state awards passed through other government agencies are included on the schedule.

2. Basis of Accounting

The accompanying schedule of expenditures of federal and state awards is presented using the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recorded as liabilities when incurred.
INDEPENDENT AUDITORS’ REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Rocketship Southside Community Prep
Milwaukee, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Rocketship Southside Community Prep ("RSCP") (a non-profit organization), which comprise the statement of financial position as of June 30, 2015, the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 06, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered RSCP’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RSCP’s internal control. Accordingly, we do not express an opinion on the effectiveness of RSCP’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether RSCP's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of RSCP’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering RSCP’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

October 06, 2015
Milwaukee, Wisconsin

Board of Directors
Rocketship Southside Community Prep
Milwaukee, Wisconsin

Report on Compliance for Each Major Federal and State Program

We have audited Rocketship Southside Community Prep’s (“RSCP”) compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement and Wisconsin State Single Audit Guidelines that could have a direct and material effect on each of RSCP’s major federal and state programs for the year ended June 30, 2015. RSCP’s major federal and state programs are identified in the summary of auditors’ results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for the compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

Auditors’ Responsibility

Our responsibility is to express an opinion on compliance for each of RSCP’s major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and Wisconsin State Single Audit Guidelines. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about RSCP’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination on RSCP’s compliance.

Opinion on Each Major Federal and State Program

In our opinion, RSCP complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its federal and state programs for the year ended June 30, 2015.
Report on Internal Control Over Compliance

Management of RSCP is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered RSCP internal control over compliance with the types of requirements that could have a direct and material effect on each major federal or state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and Wisconsin State Single Audit Guidelines, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RSCP’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for other purposes.

Milwaukee, Wisconsin
ROCKETSHIP SOUTHSIDE COMMUNITY PREP  
Milwaukee, Wisconsin

Schedule of Prior Year Audit Findings 
Year Ended June 30, 2015

Reference Number: 2014-001  
Description: 10.555 & 10.553 Eligibility

Condition and Criteria: Federal award guidelines state that free and reduced lunch applications must be complete, accurate, up-to-date and verified by an employee prior to approval. RSCP was unable to provide sufficient application for three students in our sample of twenty applications that were funded in full, or part, by a federal program. Two applications were filled out listing a school other than RSCP and one application not only had the wrong school but was also outside the granting period.

Questioned Costs: Undeterminable.

Cause: RSCP staff did not verify that applications were accurate and current prior to approval.

Effect: RSCP is not in compliance with the federal requirement of eligibility in relation to Federal programs.

Auditors’ Recommendation: We recommend that RSCP implement a process to verify applications for free and reduced lunches are complete, accurate and performed, at a minimum, on a yearly basis that coincides with RSCP’s fiscal year and granting period.

RSCP’s Response: We have discussed this issue extensively with our school operations team and are immediately auditing all current year NSLP applications. Any current year errors will be revised by parents before any lunch claims are made. In addition, we are revising our NSLP collection and review process documentation and training plan to ensure that all Rocketship employees involved understand the requirements and are trained in accepting and reviewing these forms. For further inquiries regarding this finding please contact Margaret Diesel at 877-806-0920.

Status: For the 2014-2015 school year, RSCP qualified for the Community Eligibility Provision and therefore was not required to verify applications.

Reference Number: 2014-002  
Description: 84.282 & 255.109 Unallowable Costs

Condition and Criteria: RSCP charged an employee to the federal and state grant that did not have a valid administrator’s license and was therefore unqualified in that position.

84.282 Questioned Costs: $10,541 ($8,769 in salaries and $1,772 in benefits).

Cause: The RSCP staff did not follow-up with Wisconsin Department of Public Instruction for outstanding items communicated with the staff member.

Effect: RSCP is not in compliance with requirement of allowable costs in relation to these programs.

Auditors’ Recommendation: We recommend that RSCP verify that all staff has the appropriate license.
Reference Number: 2014-002 (Continued)
Description: 84.282 & 255.109 Unallowable Costs

RSCP’s Response: While there was some initial follow-up on transferring the administrator’s license, a delay in getting transcripts caused the process to halt. We have restarted efforts to get this license transferred and expect to resolve it quickly as it requires only the submission of existing documentation to complete the application process. This administrator has completed all the educational and experience requirements for transfer of this license. We will also be doing a thorough review of all staff members to ensure that all staff have the appropriate licenses. For further inquiries regarding this finding, please contact Margaret Diesel at 877-806-0920.

Status: For the 2014-2015 school year these programs were tested again and no questioned costs were noted.
A. Summary of Auditors’ Results

Financial Statements

1. Type of auditors’ report issued: Unmodified

2. Internal control over financial reporting:

   A. Material weakness(es) identified? No
   
   B. Significant deficiency(ies) identified that are not considered to be material weakness? No

3. Noncompliance material to financial statements? No

Federal Awards

4. Internal control over major programs:

   A. Material weakness(es) identified: No
