All Regions

Title IX of the Education Amendments of 1972 states, "No person . . . shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance."

Rocketship Education (Rocketship) is committed to providing a learning and working environment in which all individuals are treated with respect and dignity. Each student and employee has a right to learn and work in an environment that is free from unlawful discrimination. No Rocketship student or employee shall be excluded from participation in, be denied the benefits of, or be subject to discrimination on the basis of sex, sexual orientation, or gender in any Rocketship educational program or activity.

I. Equal Treatment of Students in Educational Programs and Activities

  - Students have the right to be evaluated and graded without regard to their sex, sexual orientation, or gender.
  - Instructional materials and textbooks shall not contain any matter reflecting adversely upon persons because of their sex, sexual orientation, or gender.
  - Instructional materials and textbooks shall accurately portray the cultural, racial, gender, and sexual diversity of our society.
  - Students shall be provided with counseling and guidance that is not discriminatory.

- Physical Education
  - All physical education classes must be co-educational.
  - Participation in a particular physical education activity or sport, if required of students of one sex, shall be available to students of each sex.

● Athletics
○ Schools shall offer all students equal opportunities to play sports.

○ No extra-curricular activity, program, or club is to be labeled or scheduled with the result of the separation of students on the basis of sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, and mental or physical disability.

Title IX does not apply to the following:
● YMCA, YWCA, Boy Scouts, Girl Scouts, Camp Fire Girls, and voluntary youth service organizations.

II. Title IX Coordinator

The role of the Title IX Coordinator is to respond to any complaints of sex discrimination and/or sexual harassment, as well as to provide support to schools to ensure compliance. Provisions should be made to facilitate the ability of non- and limited-English speaking students to access the Title IX Coordinator and file a complaint.

The Title IX Coordinator will communicate with and ensure that staff, students, and parents are informed of Rocketship’s policy requiring the promotion of mutual respect and acceptance, as well as Rocketship policy regarding nondiscrimination and sexual harassment.
The Title IX Coordinator shall respond quickly to any complaints of sex discrimination and/or sexual harassment and take action to address the behavior, as well as provide support, information, and options to students regarding sex discrimination and/or sexual harassment. This may include providing assistance with the filing of a formal complaint in accordance with Section V below. The Title IX Coordinator will refer any complaints about discrimination or sexual harassment involving an employee to the Vice President of Human Resources immediately.

III. Notification

Rocketship’s Nondiscrimination Statement and Sexual Harassment Policy shall be provided to all Rocketship employees on an annual basis at the beginning of each school year.

All required nondiscrimination notices to students and parents are provided in the Parent/Student Handbook. All schools are required to distribute the Parent/Student Handbook to all students annually and to every student at the time of initial enrollment.

IV. Confidentiality and Nonretaliation

Complaints of discrimination and sexual harassment shall be handled in a confidential manner to respect the privacy of all parties to the fullest extent possible. Every effort shall be made to limit the distribution of information to those persons who need to know within the confines of Rocketship’s reporting procedures and investigative process.

Rocketship will not tolerate retaliation against anyone for filing a complaint or participating in the complaint investigation process. These confidentiality and nonretaliation requirements extend to all parties involved.

V. Complaint Procedures

Informal Complaints

Informal resolutions of student discrimination and sexual harassment complaints should be addressed at the school site. Complainants are encouraged to discuss their concern or complaint promptly and candidly with their immediate supervisor, student’s teacher, or the school principal. The complainant is not required to discuss his/her complaint with the alleged harasser or perpetrator in any manner or for any reason prior to initiating a formal complaint. The informal process should generally be bypassed if the complainant names a principal as a respondent or the complaint alleges school-wide discriminatory Practices. In those circumstances, the complainant may initiate a formal complaint.

Formal Complaints

Formal complaints of student discrimination and sexual harassment shall be handled in accordance with Rocketship’s complaint policies.
