Overview: New Title IX Regulations

May 6\textsuperscript{th} USDOE issued 2083 pages of new Title IX Regulations

Implementation date was August 14th

Each Charter School must adopt a Title IX & Sexual Harassment Policy
Title IX

- Title IX encompasses many areas – discrimination on the basis of sex, athletics, gender expression, etc.

- These new regulations only address a small portion of Title IX as it relates to sexual harassment
Reporting

All staff must report potential sexual harassment to your charter school Title IX Coordinator.
Who Reports?

• **Before**, notice was only triggered by school staff with the ability to institute disciplinary action - like principals.

• **Now**, any and all staff are responsible for reporting potential Title IX sexual harassment violations.
Definitions

• **Complainant**: alleged to be the *victim* of conduct that could constitute sexual harassment.

• **Respondent**: reported to be the *perpetrator* of conduct that could constitute sexual harassment.
Definitions: Sexual Harassment

Conduct on the basis of sex that satisfies one or more of the following:

1. A school district employee conditioning an aid, benefit, or service of an education program or activity on an individual’s participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the education program or activity; or

3. Sexual assault, dating violence, domestic violence, or stalking as defined in state and federal law.
Definition of Sexual Harassment

Severe, pervasive, and objectively offensive is a new, higher standard for harassment.

Must have all three.

Other areas of harassment use the “or” standard.
Severe, Pervasive, and Objectively Offensive

Conduct effectively denies access to education program or activity . . .

Need all three

- **Severe**: subjective analysis that looks at things like whether the act is humiliating or threatening and whether it prevents educational access
- **Pervasive**: means more than a single incident
- **Objectively offensive**: judged by what a reasonable person would find offensive or unwelcome

Examples of Sexual Harassment

- Sexually suggestive remarks
- Sexually suggestive gesturing
- Harassing or sexually suggestive or offensive messages
- Touching of a sexual nature
- Sexually suggestive pictures
- Subtle or direct propositions for sexual favors
Things to keep in mind …

Any of the previous examples could constitute sexual harassment.

Not limited to the examples on the previous slide.

Conduct can be directed toward the same or opposite sex.

Conduct could be student on student, staff on staff, staff on student, or student on staff
When to Report to Title IX Coordinator?

Hypotheticals

Likely Do Not Report
- A single instance of inappropriate name calling
- A single instance of inappropriate touching or gesturing

Likely Report
- An incident involving sexual photos or videos, particularly involving students
- Multiple instances of inappropriate touching or gesturing
No Discipline Without Investigation

**REMEMBER** - If you are considering using a sexual harassment discipline code then PAUSE and consult with your Title IX Coordinator

You cannot discipline or remove for sexual harassment without a formal investigation
Grievance Process
This process is all new …

After report, the Title IX Coordinator must assess whether conduct potentially rises to the level warranting Title IX investigation

If a Title IX investigation is necessary, the Title IX Coordinator or designee (principal) will contact the student(s), offer supportive measures, and explain the process for filing a formal complaint

If student decides to file a formal complaint, or if Title IX Coordinator signs a formal complaint, an investigator will investigate.

The investigator cannot be the Title IX Coordinator.
Grievance Process Cont.

• Emergency Removal – only if threat to safety

• Employees can be placed on admin leave or suspension without pay to investigate employee on student misconduct
Investigations

• Investigation only occurs if a formal complaint is signed by complainant or by the Title IX Coordinator

• 48 hours to initiate the investigation after formal complaint

• All parties receive investigative report and all evidence to review (no confidentiality, FERPA doesn’t apply) and have 10 days to respond

• Investigative report summarizing evidence sent to parties, guardians, and decisionmaker
Determination of Responsibility

- Decisionmakers = Must be different person from Title IX Coordinator and Investigator
- Preponderance Standard (more likely than not)
- Parties can submit written cross exam questions
- Make decision 10 days after receiving answers
- Written report on decision
- Substantiated charges can result in disciplinary action including expulsion or termination
Appeals

- Appeals officer = Must be different person from Title IX Coordinator, Investigator, and Decisionmaker
- Either party may appeal within 10 days on one of the following bases:
  1. Procedural irregularity
  2. New evidence
  3. Conflict of interest
- Written decision within 10 days of the appeal
Retaliation against any person who makes a report or complaint or assists, participates, or refuses to participate in any investigation of an act alleged in this policy is prohibited. Retaliation may result in disciplinary action.

“Complainant” is an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Respondent” is an individual who is reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” is conduct on the basis of sex that satisfies one or more of the following:
1. A school district employee conditioning an aid, benefit, or service of an education program or activity on an individual’s participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the education program or activity; or

3. Sexual assault, dating violence, domestic violence, or stalking as defined in state and federal law.

Behaviors that constitute sexual harassment may include, but are not limited to:

1. Sexually suggestive remarks;

2. Verbal harassment or abuse;

3. Sexually suggestive pictures;

4. Sexually suggestive gesturing;

5. Harassing or sexually suggestive or offensive messages that are written or electronic;

6. Subtle or direct propositions for sexual favors; and

7. Touching of a sexual nature.

“Supportive measures” are non-disciplinary, non-punitive, individualized services and shall be offered to the complainant and the respondent, as appropriate. These measures may include, but are not limited to, the following:

1. Counseling;

2. Course modifications;

3. Schedule changes; and

4. Increased monitoring or supervision.

The measures offered to the complainant and the respondent shall remain confidential to the extent that maintaining such confidentiality would not impair the ability of the school district to provide the supportive measures.

GRIEVANCE PROCESS
Upon learning of an instance of alleged sexual harassment, even if no formal complaint is filed, the Title IX Coordinator shall:

1. Promptly contact the complainant to discuss the availability of supportive measures;
2. Consider the complainant’s wishes with respect to supportive measures;
3. Inform the complainant of the availability of supportive measures; and
4. Explain the process for filing a formal complaint. 

While the school district will respect the confidentiality of the complainant and the respondent as much as possible, some information may need to be disclosed to appropriate individuals. All disclosures shall be consistent with the school district’s legal obligations and the necessity to investigate allegations of harassment and take disciplinary action.

Disciplinary consequences or sanctions shall not be initiated against the respondent until the grievance process has been completed. Unless there is an immediate threat to the physical health or safety of any student arising from the allegation of sexual harassment that justifies removal, the respondent’s placement shall not be changed. \(^\text{11}\) If the respondent is an employee, he/she may be placed on administrative leave or suspension without pay consistent with Tenn. Code Ann. 49-5-511(a)(3) during the pendency of the grievance process. \(^\text{12}\) The Title IX Coordinator shall keep the Director of Schools and the Chief of Human Resources informed of any employee respondents so that he/she can make any necessary reports to the State Board of Education in compliance with state law. \(^\text{13}\)

Complaints

Any individual who has knowledge of behaviors that may constitute a violation of this policy, shall report such information to the Title IX Coordinator, within 24 hours. Nothing in this policy requires a complainant to either report or file a formal complaint within a certain timeframe. If the complaint involves the Title IX Coordinator, the complaint shall be filed with the Chief of Human Resources.

If a complaint involves allegations of child abuse, including child abuse on school grounds, appropriate notification shall be made per the board policy on reporting child abuse.

Upon receipt of a formal complaint, the Title IX Coordinator shall promptly: \(^\text{14}\)

1. Provide written notice of the allegations, and the grievance process to all known parties to give the respondent time to prepare a response before an initial interview;
2. Inform the parties of the prohibition against making false statement or knowingly submitting false information;
3. Inform the parties that they may have an advisor present during any subsequent meetings; and
4. Offer supportive measures in an equitable manner to both parties.
If the Title IX Coordinator dismisses a complaint, written notice, including the reasons for dismissal, shall be provided to both parties simultaneously.\textsuperscript{15}

\textbf{Investigations}\textsuperscript{16}

For complaints of student on student harassment the Executive Directors (Division of Schools) for the tier or the principal, as determined by the Title IX Coordinator, shall serve as the investigator and be responsible for investigating complaints in an equitable manner that involves an objective evaluation of all relevant evidence. For complaints of employee on student or employee on employee harassment, the Employee Relations Department will investigate. The burden for obtaining evidence sufficient to reach a determination regarding responsibility rests on the school district and not the complainant or respondent.

Once a complaint is received, the Investigator shall initiate an investigation within forty-eight (48) hours of receipt of the complaint. If an investigation is not initiated within forty-eight (48) hours, the investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons why the investigation was not initiated within the required timeframe.

All investigations shall be completed within twenty (20) calendar days from the receipt of the initial complaint. If the investigation is not complete within twenty (20) calendar days, the investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons why the investigation has not been completed.

All investigations shall:

1. Provide an equal opportunity for the parties to present witnesses and evidence;

2. Not restrict the ability of either party to discuss the allegations under investigation or gather and present relevant evidence;

3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that seek disclosure of information protected under a legally recognized privilege unless such privilege has been waived,\textsuperscript{17}

4. Provide the parties with the same opportunities to have others present during any grievance proceeding;

5. Provide to parties whose participation is requested written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

6. Provide both parties an equal opportunity to inspect and review any evidence directly related to the allegations in the formal complaint; and

7. Result in the creation of an investigative report that fairly summarizes relevant evidence.
Prior to the completion of the investigative report, the investigator shall send to each party the evidence subject to inspection and review. All parties shall have at least ten (10) days to submit a written response which shall be taken into consideration in creating the final report.

Within the parameters of the federal Family Educational Rights and Privacy Act, the Title IX Coordinator shall keep the complainant and the respondent informed of the status of the investigation process. At the close of the investigation, a written final report on the investigation will be delivered to the parent(s)/guardian(s) of the complainant, parent(s)/guardian(s) of the respondent, and to the Director of Schools, and the Chief of Student Services (student to student investigations) or Chief of Human Resources (employee to employee; employee to student).

**Determination of Responsibility**

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The preponderance of the evidence standard shall be used in making this determination.

The Executive Director of Student Support Services or the Human Resources Legal Liaison shall act as the decision-maker. He/she shall receive the final report of the investigation and allow each party the opportunity to submit written questions that he/she wants asked of any party or witness prior to the determining responsibility.

Within 10 days of receiving answers to all written questions, the decision-maker shall make a determination regarding responsibility and provide the written determination to the parties simultaneously along with information about how to file an appeal.

A substantiated charge against a student may result in corrective or disciplinary action up to and including expulsion. A substantiated charge against an employee shall result in disciplinary action up to and including termination.

After a determination of responsibility is made, the Title IX Coordinator shall work with the complainant to determine if further supportive measures are necessary. The Title IX Coordinator shall also determine whether any other actions are necessary to prevent reoccurrence of the harassment.

**APPEALS**

Either party may appeal from a determination of responsibility based on a procedural irregularity that affected the outcome, new evidence that was not reasonably available at the time of the determination that could affect the outcome, or an alleged conflict of interest on the part of the Title IX Coordinator or any personnel chosen to facilitate the grievance process. Appeals shall be submitted to the Title IX Coordinator within ten calendar days of a determination of responsibility.

Upon receipt of an appeal, the Title IX Coordinator shall:

1. Inform the Chief of Student Services or the Chief of Human Resources] within five (5) days of receipt of the appeal; and
2. Notify the parties in writing.

During the appeal process, the parties shall have a reasonable, equal opportunity to submit written statements. Within ten (10) calendar days, the Chief of Student Services or the Chief of Human Resources shall issue a written decision describing the result of the appeal and the rationale for the result. The written decision shall be provided simultaneously to both parties.

RETAI LIATI O N

Retaliation against any person who makes a report or complaint or assists, participates, or refuses to participate in any investigation of an act alleged in this policy is prohibited. Retaliation may result in further disciplinary action being warranted.
