ABOUT ROCKETSHIP

Rocketship Futuro Academy is part of Rocketship Education, a network of public elementary charter schools serving students in under-resourced neighborhoods where access to excellent schools is limited. We believe that truly transformative schools do more than educate students; they empower teachers, engage parents, and inspire communities. Rocketship strives to meet the unique needs of each and every student through a blend of traditional instruction, adaptive technology, targeted tutoring, and enrichment opportunities. Together, we can eliminate the achievement gap in our lifetime.

OUR STORY

In 1999, Father Mateo Sheedy, Pastor of Sacred Heart Parish, created the Juan Diego Scholarship for Santa Clara University. He was surprised to discover that, of the hundreds of children in his parish, none of them met the basic academic requirements that would qualify them to attend their hometown college, or any other top-tier university.

Father Mateo Sheedy reached out to his community and started creating a plan to improve high-quality educational options in Washington Guadalupe, a neighborhood within greater San Jose.

Unfortunately, Father Mateo Sheedy passed away too soon, but his movement lived on. In 2006, his parishioners approached John Danner and Preston Smith—two educational entrepreneurs who were developing a new model for schools in under-resourced neighborhoods. John Danner, a former software engineer, was interested in the ways technology could help personalize education. Preston Smith was a young principal at a promising elementary school in San Jose who recognized the impact that empowered teachers and engaged parents can have on student success.

Rocketship Mateo Sheedy Elementary opened soon after and our students quickly showed strong results in academic achievement. As more families joined the waiting list, we realized the need for even more high quality schools in the San Jose community, and beyond. Parent demand and parent organizing has played a strong role in opening new Rocketship schools all across the country.

Today, Rocketship Education is a non-profit organization that operates all Rocketship schools and is governed by a Board of Directors. There are twelve Rocketship schools in California, including San Jose, Redwood City, and Concord; three in Nashville, TN; one in Milwaukee, WI; and two in Washington, DC.

OUR MISSION

Our mission at Rocketship Education is to eliminate the achievement gap by graduating all students at or above grade level in reading and math. All Rocketeers will learn to take initiative, be respectful, be responsible, show empathy, and be persistent in attaining excellence.

The purpose of schooling is for all students to learn to use their minds and hearts well. Students learn best in schools where they are known well, where expectations are high, support is strong, and where their voices and their parents' voices are valued. The mission of Rocketship Futuro Academy is to recognize all of these values and ensure that the students are empowered to learn, lead, and be positive and productive members of their community.

At Rocketship, our goals include the following:

- Students will develop a deep love of learning.
- Rocketship will provide parents with a path for their children to take in order to have the best chance to attend a four-year college.
- Rocketship will encourage our alumni to become leaders in their community.

OUR MODEL

Our model is based on the following three core pillars:

1. **Excellent teachers and leaders create transformational schools.** Rocketship invests deeply in training and development to ensure teachers and leaders have a profound impact on students and communities.
2. **Every child has a unique set of needs.** Rocketship meets these needs by customizing each child's schedule with a combination of traditional instruction, technology and tutoring.
3. **Engaged parents are essential in eliminating the achievement gap.** Rocketship develops parent leaders in our schools and communities to become powerful advocates for their children.

Instructionally, Rocketship uses what is called an enhanced **rotational school model** where students rotate between literacy and integrated mathematics classrooms and a **Learning Lab**, which is a larger room with computers where students learn by using online programs in math and literacy and also focus on key technology literacy skills like typing. Tutors are present in the Learning Lab to track students' online learning progress and work with small groups of students who are behind grade level. Students also have opportunities to engage with technology in their classrooms.

WEBSITES

Rocketship Education's website is rsed.org. Here, you can find general information about Rocketship, including our educational model, our management team, and other schools in our network.

Futuro Academy's website is www.rsed.org/futuro. Here you can find school staff contact information; parent resources, including an electronic version of this Handbook; school calendars; and other informational materials about the school.

ADMISSIONS AND ENROLLMENT

Futuro Academy is a charter school. Charter schools run independently of local school districts, but they must be approved by a local school board to open. Generally, every five years, each charter school in California must be re-approved by a vote of the school board that initially approved the school. Charter schools are public schools that are tuition-free and open to any student who wishes to attend. They allow parents, organizations, and communities to restore, reinvent, and re-energize our public school system.

Rocketship will not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student's race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

Please see the Appendix for a copy of Rocketship's [Admissions and Enrollment Policy](#).

After-school programming may be available for some students. Information on afterschool opportunities will be shared with families over the summer and at the beginning of the school year.

LAUNCH

Each Rocketship campus begins the school day with Launch, which is a period of time for the whole school to come together and talk about a school-wide focus. During Launch, the school may also promote a particular successful student habit, teach a new school management system, discuss progress toward achievement goals, and foster school culture and pride. The whole school, including the staff, may also learn a song or a dance together or celebrate a particular student or classroom's recent accomplishment.

OFFICE HOURS

Our front office opens 30 minutes before the start of school and closes 30 minutes after the end of the instructional day.

Regular Day: 7:40 am – 4:40 pm

Minimum Day: 7:40 am – 2:40 pm

The front office is closed on the days when students do not have school. These include holidays, staff professional development days, parent conference days, winter vacation, and spring break.

ATTENDANCE AND TRUANCY

Tardiness and absences can be detrimental to a student's academic and social progress. Rocketship makes every effort to ensure that students are on time and present every school day. Students will be marked late if they arrive within the first 30 minutes of the school day. Students will be marked tardy if they arrive more than 30 minutes late.

Rocketship must receive proper documentation within three days of the student's return or the absence/tardy will be considered unexcused. **Students who are chronically absent or truant may become subject to consequences, including (but not limited to) interventions, loss of field trip privileges, and/or retention.**

Please see the Appendix for a copy of Rocketship's [Attendance and Truancy Policy](#).

SCHOOL CANCELLATION, LATE START, AND EARLY DISMISSAL

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions.

Please see the Appendix for a copy of Rocketship's **School Closure Policy**, which covers procedures for closing school due to weather conditions and other hazardous conditions; the procedure for notifying families of school closure; policies for salaried and hourly staff members; and implications of school closure on the instructional calendar in each region. Please see the Appendix for a copy of this policy.

CAMPUS OPERATIONS AND SECURITY

ARRIVAL AND DISMISSAL PROCEDURES

Transportation

All parents/guardians are responsible for securing the transportation for of their child to and from school. In addition, parents must provide contact information for any person authorized to pick up their student. Parents/guardians must inform the front office if a child has permission to walk home.

Drop-Off

Students may be dropped off as early as **7:15 AM**.

[INSTRUCTIONS FOR ENTERING CAMPUS]

[INSERT MAP WITH DROP-OFF ROUTE]

If your child is dropped off late (after 7:55 AM) they MUST go to the front office first and get a pass from the Office Manager before heading to Launch or class. Students will be marked late in our records if he/she arrives after 7:55 AM.

If your child arrives 30 minutes after the start of school, your child will be marked tardy. If your child is marked tardy, you may be subject to disciplinary procedures for tardy students. Please see the Attendance and Truancy Policy in this document for more details.

Pick-Up

If you need to pick up your child before 3:30 PM for an appointment or any other reason, you will need to (INSTRUCTIONS FOR WHERE TO PARK OR BEST PRACTICE FOR EARLY RELEASE)

[INSTRUCTIONS FOR ENTERING CAMPUS DURING DISMISSAL]

[INSERT MAP FOR PICK-UP PROCEDURES]

Walker/Rider Cards

At the beginning of the school year, parents/guardians are given a **Walker/Rider Card** with the student's name, grade, and homeroom. During dismissal, the child's parent/guardian (or other authorized individual) must present this card to school staff to pick up the child. If you lose your Walker/Rider Card, authorized individuals will be required to show ID in the front office to obtain a temporary pick pass.

Reminders to Parents/Guardians for Arrival and Dismissal

- Treat all other Rocketship families, students, and staff members with courtesy and respect at all times. Do not take any actions that may endanger the health or safety of anyone on campus. Disruptive, disrespectful and/or unsafe behavior during arrival and dismissal may result in parents/guardians losing privileges to be on the school campus.
- Do not conference with teachers or school leaders during arrival and dismissal time; make an appointment instead.
- Do not let your child out on the sidewalk outside or near our campus. YOU MUST enter our campus and let your child out in the designated drop-off zone.
- With very limited exceptions, animals are not allowed on campus during drop-off or pick-up. If you have an animal in your car, it must remain completely inside the vehicle at all times while on campus.
- Students may only exit cars on the passengers' side.
- Display your Walker/Rider card when picking up your child.
- Please remember to leave adequate space between cars to avoid collision
- Please DO NOT talk or text on your phone during this time. We need to be able to communicate with you for the safety of the children.

STUDENT RELEASE

Rocketship will make every effort to ensure that all students get home safely when they leave school each day.

At the beginning of the year, parents/guardians must complete a Walker/Rider Card that they must display when picking up their child (described above). Parents/guardians must also complete an Emergency Contact Card that includes the names of individuals to be contacted in case of an emergency if attempts to contact the parent/guardian fail.

Please see the Appendix for a copy of Rocketship's [Student Release Policy](#).

LATE PICK-UP

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasional family emergencies may cause a child to be picked up late from school, but consistently failing to pick up students on time is costly to the school, burdensome to the school staff, and disruptive to students' daily routines.

Please see the Appendix for a copy of Rocketship's [Late Pick-Up Policy](#).

CAMPUS ACCESS AND VISITORS

At Rocketship, we strive to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. At all times during the school day, the front office to each Rocketship campus will be manned by a Rocketship staff member. All visitors must sign in at the front office immediately upon arriving on campus and sign out before leaving. The Principal or designee may withdraw consent for an individual to be on campus whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.

Please see the Appendix for a copy of Rocketship's [Campus Access and Visitor Policy](#).

ELECTRONIC SURVEILLANCE

Electronic surveillance may be used at Rocketship campuses where deemed necessary. The use of electronic surveillance at our schools is solely for the purposes of controlling theft, ensuring the safety of Rocketship students and staff, and facilitating the identification of individuals who behave in a disruptive manner or commit a crime. Rocketship will abide by all state laws regarding electronic recording.

Rocketship requests that other than during designated school events (such as school plays, graduation,

and other events open to the Rocketship community) parents and other visitors to campus refrain from taking photographs and or making audio/video recording of students and staff without first obtaining written consent from the parent of the student. In the event that a parent or campus visitor does capture an image of a student, Rocketship requests that the individual refrain from posting any such image to a personal social media account. Such photography and audio recording is intrusive and may be in violation of state privacy laws.

FAMILY CUSTODY

Rocketship will make every effort to ensure compliance, on the part of school staff as well as parents/guardians, with legal custody arrangements. Updated Court Orders should be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary. **Rocketship does not have the right to limit the rights of a parent of a Rocketship student without a Court Order.** If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a Court Order limiting the other parent's rights.

Please see the Appendix for a copy of Rocketship's [Family Custody Policy](#).

VOLUNTEER CLEARANCE

Because Rocketship is deeply committed to ensuring the safety of all students, any parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer and undergo any necessary background check procedures required for the volunteer position. In Tennessee, all prospective volunteers who may interact with students in an unsupervised capacity must undergo a criminal background check in accordance with the procedures outlined this policy. This includes individuals who plan to volunteer in classrooms on a regular basis and individuals who wish to chaperone a field trip.

Please see the Appendix for a copy of Rocketship's [Volunteer Clearance Policy](#).

FIELD TRIPS

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end. When applicable, parents who wish to chaperone a field trip must comply with all of Rocketship's volunteer clearance and transportation requirements.

Please see the Appendix for a copy of Rocketship's [Field Trip Policy](#).

SCHOOL MEALS

Free and Reduced Lunch Forms

Rocketship participates in the National School Lunch Program. All families must either fill out and submit a federal free/reduced lunch (FRL) application or indicate that they do not wish to submit an FRL application during Orientation, the summer before school starts. Families that qualify will get free/reduced pricing for lunch provided by the school after their application has been processed. All families are encouraged to complete the application form in order to include as many eligible students as possible.

If a family submits an FRL form late (after Orientation), benefits will take place once the application is processed. Forms are typically processed within 5-10 days after they are submitted. Families will have to pay full price for any meals eaten before the reduced price or free meal benefit takes effect.

Paying for School Lunch

Our school lunch program is supported by Rocketship funds, government reimbursement, and payment from parents. We need parents to pay what they owe for student meals in advance in order to keep this program running.

If a student is going to eat a lunch provided by the school, parents will need to pre-order and pre-pay for these meals. Parents will receive information on how to pre-pay and pre-order over the summer. Credit/debit card is our preferred form of payment.

Families will be charged according to their FRL status. (“Paid” families will pay full price for their lunches; “reduced” families will pay a reduced rate for lunches; “free” families will not need to pay for lunch).

Even if you think your child will not eat school lunch, please pre-pay some amount to cover the cost of incidental meals. At the end of the year, you can be refunded whatever is left in your child’s account.

If you have questions or concerns about lunch billing, please reach out to Erin Maravilla, Business Operations Manager.

Breakfast

Our school participates in universal breakfast, meaning that every student present at school will receive a meal. Studies have shown that students who eat breakfast have more energy, do better in school, and eat healthier throughout the day. Students are *not* required to eat the breakfast provided by the school.

Food Allergies

If your child has a known food allergy or dietary restriction, parents/guardians should let school staff know. In some cases, it may be possible to accommodate a child’s dietary needs in Rocketship lunch

orders, but a doctor's note will be required. Parents/guardians should work with the school's Business Operations Manager to make arrangements.

Under California law, schools are required to stock emergency epinephrine to be used by trained personnel on anyone suffering or reasonably believed to be suffering from an anaphylactic reaction. For more information, please see Rocketship's [Medication Administration Policy](#).

Food Brought From Home

Rocketship partners with our local food vendor to provide our Rocketeers a healthy lunch every day. Students are allowed to bring their own food from home for lunch or snack, but junk food is not allowed on campus.

Foods that are NOT ALLOWED (and may be confiscated):

- Chips (unless included in a complete lunch, i.e. along with a sandwich, fruits, vegetables, etc.)
- Cookies
- Gum
- Candy
- Fast Food
- Soda

Foods that are encouraged:

- Salads
- Carrots Celery Sticks
- Apple slices and peanut butter
- Fresh fruits and vegetables
- Whole Grains
- Healthy snack packs

Classroom Birthday Parties will happen 1x a month for each month. If your child has an early day in the month or later day, parents may choose in which month they would prefer to celebrate. Celebrating birthdays one time a month allows students to focus on academics and minimizes interruptions. It also ensures that all students' birthdays are celebrated by peers in their class. Parents are encouraged to sign up to bring food and treats for students during this time. Student birthday parties will be held between 3:45-4:10. This is so that instruction is not disrupted.

ACADEMICS

CURRICULUM

Students will be exposed to a well-rounded curriculum that includes reading, writing, English language development, mathematics, science and technology, and social studies. Students will also take Physical Education and enrichment courses in areas such as art, music, theater, or gardening.

The Rocketship curriculum follows all required state performance standards for what students should know and be able to do at each grade level. This includes the Common Core State Standards for English/Language Arts, English Language Development, and Mathematics.

Teachers will use regular assessments to measure how well students are progressing toward mastery. Rocketship shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress.) Notwithstanding any other provision of law, a parent's or guardian's written request to school officials to excuse his or her child from any or all parts of the state assessments shall be granted.

We use knowledge about student skills to shape whole class instruction, small group work, and small group tutoring. Using individual student data, instruction can be targeted to better meet individual student needs.

Teachers will give students and parents ongoing feedback about student performance. Teachers will often send work home for parents/guardians to sign, and teachers will contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home. Parents/guardians will also regularly receive progress reports and report cards. You should feel free to contact any of your child's teachers regarding his/her progress at any time.

HOMEWORK

Parents and students should expect homework each weekday evening.

Students who do not complete homework will follow the following trajectory:

1x= Parent Inquiry Phone Call- The teacher will call to ask how they can support you in ensuring your students homework is done.

2x= Effort Academy- You will be notified that your student will be supported in a same day after school program called Effort Academy. This will teach your child skills that are needed to be successful.

3x= Parent Conference- You must come to the school for a parent conference to ensure the importance of homework is understood and create a solution to homework not being completed.

RETENTION AND PROMOTION

Rocketship's instructional model is organized so that each student's learning plan is individualized in order to account for individual differences and promote academic and social growth. Upon a student's enrollment at Rocketship, schools will typically not make decisions to allow a new Rocketship student to repeat or skip a grade. Schools are expected to enroll all students in the next consecutive grade level and then assess students objectively as needed. Furthermore, believe that retention should only be used in rare and exceptional circumstances, when the student's family is given notice well in advance and is fully in support of the retention decision.

Please see the Appendix for a copy of Rocketship's [Retention and Promotion Policy](#).

CHILD FIND ACTIVITIES

Rocketship Education provides a free, appropriate public education to students with disabilities according to state and federal mandates. To be eligible for special education services, the child must be of school-age, need specially designed instruction, and meet eligibility criteria for one or more of the following disabilities as set forth in the Individuals with Disabilities Education Improvement Act (the federal law which outlines legal responsibilities related to special education):

- Autistic-like Behaviors
- Blindness/Visual Impairment
- Deaf Blindness
- Deafness/Hearing Impairment
- Emotional Disturbance
- Intellectual Disability
- Multiple Disabilities
- Orthopedic Impairment
- Other Health Impairment
- Physical Disability
- Specific Learning Disability
- Speech and Language Impairment
- Traumatic Brain Injury

Rocketship has adopted an inclusive model, which means that students with disabilities are educated in general education classrooms. Each student with a disability has a case manager, who is a credentialed special education teacher that works with classroom teachers to design the student's education plan. The extent of special education services and the location for the delivery of such services are determined by

the IEP team (which includes parents). Rocketship Education also provides any related services, such as physical therapy, adapted physical education, occupational therapy, etc. that are required to enable the student to derive educational benefits.

Rocketship has systems in place that assist the school in determining whether a student may have a disability. These include a specific “Child Find” form that is completed by parents upon enrollment in a Rocketship school. This also includes an SST, or pre-referral, process in which school teams identify students who are struggling academically, socially, or behaviorally and develop interventions to support the student. Rocketship has additional interventions that are made available to students who require it; these include both differentiated instruction in the classroom and supplemental interventions in the learning lab and classroom. School teams monitor the progress of every child who receives intervention services in order to be able to identify any student who is not responding to interventions. Our model makes every effort to support the student within the general education setting while at the same time monitoring student progress to identify students who may have disabilities.

If you have a concern regarding your child’s academic or social functioning, contact his or her classroom teacher, or a school leader at your school site.

Revocation of Consent

Parents of children who have been identified with a disability have the right to revoke consent for special education services, meaning that they no longer want the school to provide special education services to their child. If a parent withdraws their consent for special education and related services by notifying the Rocketship in writing, the district still has the responsibility to identify, locate, and evaluate a child who is suspected of having a disability and in need of special education and related services. As part of our Rocketship’s child find obligations in regards to your child, please know that you maintain the right to subsequently request an evaluation to determine if your child is a child with a disability who needs special education and related services.

Rocketship cannot proceed with an evaluation or with the initial provision of special education and related services without the written consent of the parents. Giving written consent is voluntary. You can withdraw your written consent at any time by notifying the school in writing.

BEHAVIORAL EXPECTATIONS AND DISCIPLINE

ROCKETEER CODE OF CONDUCT

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence
- Adherence to the Rocketship Five **Core Values**: Respect, Responsibility, Persistence, Empathy, and Purpose
- Adherence to the **Rocketship Creed**:

I am a Rocketship Rocketeer at home, at school, and in my community

I show respect to myself, my neighbors, and the environment

I take responsibility for my learning and actions

I have empathy, supporting others in need

I show initiative by solving the problems I see

And I am persistent in attaining excellence.

Together, we are all Rocketship Rocketeers.

STUDENT DISCIPLINE

Rocketship promotes positive behavior at school and aims to create learning environments that are more consistent, predictable, positive and safe. We clearly define behavioral expectations and consequences, create systems for recognizing and reinforcing positive behaviors, and provide our students with social-emotional learning.

Students will be subject to disciplinary action if they engage in prohibited conduct while on school property, when attending any school-sponsored activity or while in transit going to or coming from a Rocketship campus. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

If students do not respond to our positive behavior supports or classroom management systems, Rocketship may take alternative in-school disciplinary action. Please see the Appendix for a copy of Rocketship's [Student Discipline Policy](#), which lists conduct that is prohibited at Rocketship schools and that could subject a student to disciplinary action; types of action that Rocketship may take, including in-school suspension.

SUSPENSION AND EXPULSION

We believe that our students are best served when they are present at school every day. However, we recognize that situations may occur when a student commits a behavioral offense that is so severe that the student may become subject to suspension or expulsion.

A student may be disciplined, suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at a Rocketship school or at any other school or a school-sponsored event at any time including but not limited to: while on school grounds; while going to or coming from school; during the lunch period, whether on or off the school campus; and during, going to, or coming from a school-sponsored activity. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program..

Please see the Appendix for a copy of Rocketship's [Suspension and Expulsion Policy](#) , which outlines the offenses that could lead to a student being suspended or expelled from school; procedures that Rocketship will follow in the case of a suspension or a recommendation for expulsion. The policy also outlines special considerations for the suspension or expulsion of a student with disabilities.

PROHIBITION AGAINST DISCRIMINATION, HARASSMENT, INTIMIDATION, AND BULLYING

Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. Bullying at Rocketship is strictly prohibited and will not be tolerated. "Bullying" includes discrimination; harassment; intimidation; and bullying based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, or perceived characteristics. All alleged incidents of bullying will be promptly investigated by designated Rocketship staff members. In addition, Rocketship prohibits retaliation against people who report incidents of bullying.

Please see the Appendix for a copy of Rocketship's **Discrimination, Harassment, Intimidation, and Bullying [Policy](#)**.

STUDENT DRESS CODE

Student uniforms help minimize disruption during the school day, promote respect for oneself and others, and foster school/community spirit.

All students are expected to wear the Rocketship uniform to school every day. The Rocketship uniform consists of a khaki bottom (pants, shorts, dress, skirt, or skorts) and a dark purple collared shirt. The Principal has the discretion to set additional dress code requirements. Students may also wear a Rocketship polo shirt or t-shirt, which can be acquired through a designated vendor. Shirts must be tucked in at all times, which Rocketship considers being "dressed for success."

Students should also wear black closed toe shoes. Sandals are not considered to be safe or appropriate for school.

Students sweaters or jackets must be solid black and or from a Rocketship vendor.

The following are considered to be dress code violations and are NOT permitted on any Rocketship campus:

- Dresses and shorts which are shorter than mid-thigh
- Spaghetti straps (smaller than two inches, or the width of a credit card)
- Tank tops (including white, ribbed undershirts)
- Clothing or accessories that are sexually provocative
- Clothing or accessories that identify a student with non-school clubs, profanity, obscenity, references to drugs, alcohol, tobacco, gangs (red or blue color) or prison culture name insignia
- Attire with writing that degrades individuals or groups Body piercings that create a safety hazard are not acceptable; moderate sized earrings are acceptable
- Platform shoes or high heels over 2.5 inches high
- Underwear or undergarments that are visible
- Tops that show the midriff area
- Pants that sag around the waist
- Intentionally torn pants or jeans
- Untied shoelaces
- Bandanas, hairnets, headbands, doo rags, and non-Marshall hats (also includes beanies, baseball caps, etc.)
- Sunglasses or Marshall hats may not be worn in the building, but may be worn outside to protect from the sun

Students who repeatedly do not come to school in uniform may lose privileges. In addition, Rocketship may contact the student's parent/guardian to discuss the dress code violation.

Students who use a phone without permission from a teacher will be subject to disciplinary procedures.

HEALTH AND SAFETY

MEDICATION ADMINISTRATION

Rocketship is committed to supporting the health of its students and meeting the needs of students with medical conditions, in compliance with state laws and regulations.

Before medication can be kept or administered at Rocketship, a student's parent/guardian must complete and submit a medication authorization form. Parents/guardians should contact the Office Manager for a copy of this form. Any medication that will be stored at Rocketship must be in the original manufacturer packaging and appropriately labeled. Rocketship staff will administer all medication in accordance with state law.

Please see the Appendix for a copy of Rocketship's [Medication Administration Policy](#).

IMMUNIZATIONS

To ensure a safe learning environment for all students, Rocketship follows and abides by the health standards set forth by the State of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet California's guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the School.

The California Department of Health requires that all students receive the following immunizations:

- Polio
- Diphtheria, Tetanus, and Pertussis (DTaP, DTP, or DT)
- Measles, Mumps, and Rubella (MMR)
- Hepatitis B
- Varicella (chicken pox)

Vaccinations must be administered according to the schedules and doses required by Department of Health guidelines.

A student who lacks documentation of having received all required vaccine doses may be admitted conditionally if he/she has commenced receiving doses, is not currently due for any doses at the time of admission, and the parent/guardian is notified of the date by which the student must complete all the required immunizations. A student may also be granted conditional admission if he/she has obtained a valid temporary medical exemption and the parent/guardian is notified of the date by which the student must complete all the required immunizations once the temporary medical exemption terminates.

Under California law, a student will be exempt from the immunization requirements if the parent/guardian files a written statement by a licensed physician stating that the child's physical condition renders immunization unsafe. The statement will indicate the specific nature and probable duration of the medical condition or circumstances for which the physician does not recommend immunization.

Under a new California law, Rocketship will *no longer accept exemptions related to personal beliefs* against immunization. Students who have a letter or affidavit on file as of January 1, 2016, stating beliefs against immunization, will be allowed to remain enrolled until the student enrolls in the next grade span. For the purposes of this policy, "grade spans" are as follows: (1) birth to preschool; (2) kindergarten and grades 1-6, inclusive, including TK; (3) grades 7-12, inclusive.

HEALTH EXAMINATIONS AND SCREENINGS

In accordance with California law, Rocketship requires students to undergo various health examinations and screenings prior to entering or during their time at school.

Health Certificate

All students must provide a certificate approved by the California Department of Health Services documenting that within the prior 18 months, the child has received the appropriate health screening and evaluation services as provided by CA Health and Safety Code § 124040.

Hearing and Vision Screenings

In accordance with California law, Rocketship will provide for hearing and vision tests for all students enrolled in its California schools upon initial enrollment and at least every three years thereafter. The tests will be administered only by duly licensed health professionals authorized to perform these services in the school district where the Rocketship campus is located.

A parent/guardian may file a statement, signed and in writing, with the school Principal stating that he/she will not consent to a screening. The student will then be exempt, but Rocketship will inform the parent/guardian if the school suspects a vision or hearing problem based on observation of appearance, behavior, or complaints of the student.

Oral Health Assessment

Under California law, students enrolled in kindergarten, or in 1st grade if the student did not attend kindergarten in the public schools, must present proof of having received an oral health assessment by a licensed dentist or other registered dental health professional that was performed no earlier than 12 months prior to the student's initial enrollment date.

HEAD LICE

If student is suspected of having head lice (i.e. constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household. If a student is positive for live head lice, the student is to be promptly sent home with information to the parents regarding treatment and control measures. Please see the Appendix for a copy of Rocketship's [Head Lice Policy](#).

EMERGENCY CONTACT CARDS

Over the summer, parent/guardians complete and submit an Emergency Contact/Authorization to Pick-Up Card. This card is kept on file at the school in the Front Office. This card contains the names and phone numbers of individuals who can be contacted if a child has an emergency and the child's parent/guardian cannot be reached.

SAFETY PLANS

Safety is our first priority. To make sure our staff and students know what to do in case of an emergency, we follow a rigorous calendar of staff trainings, safety team meetings, campus walkthroughs, and safety drills. Every school is equipped with a detailed Health and Safety Plan that contains our emergency response plans, including plans for earthquakes, fire, severe weather, and lockdowns.

Primary and Secondary Evacuation Sites

Our school has two evacuation sites. Our primary evacuation site is located on campus [describe where your primary evacuation site is]. We will use this evacuation site when it is safe to remain on campus.

Our secondary evacuation site is located off campus at [describe where the secondary site is located] (see map below). If there is a disaster at the school site or the campus is unsafe for some reason, we will evacuate to this site. *During an emergency dismissal, we may ask parents to meet us at this secondary evacuation site. Please be familiar with this location so you know where to go in case of an emergency dismissal.*

[Insert map of secondary (off-site) evacuation site]

Emergencies

In order for us to keep our campus safe during an emergency, we need our families to understand the following:

- In the event of an emergency, we will share information with families via our automated calling system. Please make sure your updated contact information is in our system.
- If there is an incident on or near our campus, please stay at home and wait for instructions from our school leaders. We need the public to stay away while we secure our campus and account for all students. When it is safe to come to the school, you will be contacted.
- After an emergency incident, we may need to change the way we dismiss students. You may be asked to present a photo ID in addition to your child's Walker/Rider card. Please wait for instructions from school leaders before coming to campus.
- If the school campus is not safe, we may need to dismiss students from our secondary (off-campus) evacuation sites. It is important that you know where this secondary evacuation site is located (see above).

WEAPONS AND FIREARMS

Rocketship Education prohibits any weapons, imitation firearms or dangerous objects of any kind in school buildings, on school grounds or buses, or at off campus school-related or school sponsored activities.

DRUGS, ALCOHOL, AND TOBACCO

Rocketship Education is committed to maintaining campuses free of alcohol, smoke, and illegal drugs. Do not smoke on campus and do not bring alcohol or illegal substances of any kind to our school. If a student is found in possession of drugs, alcohol, or tobacco products, he/she will be subject to discipline and possible suspension or expulsion under Rocketship's discipline policies.

INTERNET SAFETY

Rocketship uses advanced education technology to support personalized instruction for all students. Rocketship adheres to the federal requirements and guidelines set forth in the Children's Internet Protection Act (CIPA).

Rocketship's Internet system is limited to educational purposes. Acceptable activities include classroom activities and high-quality research. Rocketship computers are not to be used for entertainment purposes unless specifically authorized by a staff member in accordance with this policy.

Please see the Appendix for a copy of Rocketship's [Internet Safety Policy](#).

CHILD ABUSE AND NEGLECT

All school personnel are mandated reporters of suspected abuse and/or neglect. Under California law, mandated reporters must file a report when they have a “reasonable suspicion” of any of the following: physical abuse, sexual abuse (including both sexual assault and sexual exploitation), willful cruelty or unjustified punishment, unlawful corporal punishment or injury, and neglect (including both acts and omissions).

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who fails to report suspected incidents of child abuse or neglect is subject to punishment under California law.

PARENT PARTNERSHIP

Engaged parents are a core pillar of Rocketship's model and critical to our Rocketeers and their long-term success. By actively being included and involved in our schools and their Rocketeers' learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship's model and are positioned to reinforce Rocketship's core values at home.

Rocketship asks that families participate in 30 Parent Partnership Hours each year per family by supporting or participating in various school activities. Participating in Parent Partnership Hours is encouraged, but NOT required. If families do not realize 30 Parent Partnership Hours annually, there is no consequence or penalty.

Please see the Appendix for a copy of Rocketship's [Parent Partnership Policy](#).

HOME VISITS

Studies have shown that meaningful parental involvement in the education of their children can have dramatic effects on student achievement. Home visits help parents and teachers come together as equal partners to form a trusting relationship centered on student learning, establish goals for the individual child and the parent-teacher relationship, and invest families in the Rocketship community.

Each Rocketship student will receive a home visit from their core classroom teachers during the beginning of each school year. Teachers will reach out to families to schedule the home visit in advance. Home visits typically last for about one hour.

What happens during home visits may vary according to both parent and teacher preference, but typically home visits include:

- Collaborative academic and personal goal-setting for the student
- Discussion of the student's (and the family's) hopes and dreams
- Discussion of the student's interests both inside and outside of the classroom
- Discussion about communication preferences during the school year

- Explanation about Rocketship’s policies and procedures that parents have questions about
- Talking about the history of Rocketship and the mission of the network and school
- Conversations about why the family chose Rocketship, how long they have lived in their community, etc.
- Invitation to an upcoming event at the school (i.e. Back to School Night, community meeting)
- Conversation about the teacher’s background
-

Home visits may also include a tour of the house, including the space where the child will do homework; a performance by the student; a shared meal; and show-and-tell of an artifact that is important to the student (i.e. a photo, trophy, favorite shirt).

PARENT OPPORTUNITIES ON CAMPUS

We provide many different opportunities for you to stay involved with your child’s education. These include (but are not limited to):

- **Orientation.** Before school begins each year, parents will receive an invitation to an Orientation. All parents must attend this event.
- **Conferences.** A parent/guardian must attend conferences to meet with teachers to go over student’s progress report and/or report card.
- **Exhibition Nights.** All parents/guardians should attend the scheduled Exhibition Nights. If you cannot attend, a family representative can attend in your place. During these meetings, parents have the opportunity to see student presentations and discover what their child has learned for the past 9-12 weeks.
- **Community Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Community Meetings. These meetings will help you stay informed regarding your school procedures and policies and become actively involved in further developing the school’s mission.
- **Parent/Family Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Parent/Family Meetings to maintain an active role in their child’s learning. These meetings are open to the entire family and typically take place on the weekends or on a weeknight.
- **Leadership groups at the school.** This may include a Parent Leadership group, a School Site Council, or other parent groups organized at the school.

NOTIFICATIONS OF RIGHTS AND ASSURANCES

PUPIL RECORDS

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- (1) The right to inspect and review the student's education records within 5 days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
- (3) Parents or eligible students who wish to ask the School to amend a record should write the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- (4) The right to provide written consent before the School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

- (5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student —

- (1) To other School officials, including teachers, within the educational agency or institution whom the School has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).
- (2) To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
- (3) To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).
- (4) In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).
- (5) To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7)).
- (6) To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8)).
- (7) To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9)).

(8) To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10)).

(9) Information the School has designated as “directory information” under §99.37. (§99.31(a)(11)).

“Directory Information” is information that is generally not considered harmful or an invasion of privacy if released. In its discretion, the School may disclose directory information without a parent’s prior written consent. The School has designated the following information as directory information:

- Student’s name
- Student’s address
- Date and place of birth
- Dates of attendance
- Degrees, honors, and awards received

If you do not want the School to disclose directory information without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment.

EDUCATION OF HOMELESS CHILDREN

The McKinney- Vento Homeless Assistance Act (“the McKinney-Vento Act”) is a federal law that ensures educational rights and protections for children and youth experiencing homelessness. (42 U.S.C. 11431 et seq.) This policy is written in compliance with the requirements under the McKinney-Vento Act.

Definitions

“Homeless children and youth” means children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Living in a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings, such as cars, parks, public spaces, abandoned buildings or substandard housing (for example, condemned buildings or garages), bus or train stations, or other similar settings.
- Living in motels, hotels, trailer parks (does not include trailers or mobile homes in a mobile home park), or camping grounds due to a lack of alternative adequate accommodations.
- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Living in emergency or transitional shelters.
- Abandoned in hospitals or awaiting foster care placement.
- Migratory children who qualify as homeless because they are living in circumstances described above.
- Unaccompanied youth includes a youth not in the physical custody of a parent or guardian.
- A child or unaccompanied youth shall be considered homeless for as long as he/she is in a living situation described above.

Designated Homeless Liaison

The Rocketship Education Homeless Liaison serves Rocketship students in all regions.

Current Liaison

Leydi Cottrill

350 Twin Dolphin Drive, Suite 109

Redwood City, CA 94065

lcottrill@rsed.org

1-877-806-0920 ext. 300

The Homeless Liaison is required to:

- Ensure that homeless children and youth are identified by school personnel and through coordination with other entities and agencies.
- Ensure that homeless students enroll in, and have full and equal opportunity to succeed in, Rocketship schools.
- Ensure that homeless families, children, and youth receive educational services for which they are eligible.
- Ensure that parents and guardians are informed of educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
- Ensure that public notice of the educational rights of homeless students is disseminated where children and youth receive services under the McKinney-Vento Act.
- Ensure that enrollment disputes are mediated in accordance with the dispute resolution provisions.
- Ensure that the parent/guardian of a homeless child or youth, or any unaccompanied youth, is fully informed of all transportation services and is assisted in accessing transportation services, if available and feasible.
- Assist unaccompanied youth in placement/enrollment decisions.
- Ensure that unaccompanied youth are immediately enrolled in school pending resolution of disputes that might arise over school enrollment or placement.
- Assist homeless children and youth who do not have immunizations, or immunization or medical records, to obtain necessary immunizations, or immunization or medical records
- Collaborate and coordinate with state coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youth.

General Assurances

Rocketship provides the following general assurances:

- Homeless children and youth shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way.
- Homeless children and youth shall be provided services comparable to those received by other students in the school, including transportation services, and education programs for which students meet eligibility criteria, such as services provided under Title 1 or similar state and local programs; programs for students with disabilities; programs for students with limited English proficiency; vocational or technical programs; gifted and talented programs; and school nutrition programs.

- Homeless children and youth will have access to district administrative level reservation of funds (set- asides) for serving homeless students.
- Rocketship shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.
- Rocketship shall provide and post notices of the educational rights of homeless children and youth.

Identification and Reporting

Homeless children and youth will be identified through:

- The application process for enrollment (self- identification)
- School personnel recommendations
- Coordinated activities with other entities and agencies

Rocketship will comply with all federal, state, county, and other data collections and reporting requirements regarding homeless children and youth.

School Selection

Homeless students have a right to select from the following schools:

- The school he/she attended when permanently housed (School of Origin)
- The school in which he/she was last enrolled (School of Origin)
- The school in the attendance area in which the student currently resides (School of Residency)

A homeless child or youth's right to attend their school of origin extends for the duration of homelessness. If a child or youth becomes permanently housed during the academic year, he/she is entitled to stay in the school of origin for the remainder of the academic year.

Enrollment and Records

Homeless students may be identified at the time of enrollment (through self- reports). As all Rocketship schools are independent charter schools, and therefore schools of choice rather than assigned district schools, placement decisions are based solely on parent request through the application process. In order to provide equal access to its schools, the Rocketship annual student recruitment plan shall include efforts to reach homeless families, children, and youth via free public events, community centers, and local homeless service providers.

Homeless youth will not be discriminated against in the application process. Homeless children and youth will be allowed to apply for enrollment in accordance with current Rocketship enrollment policies even if the parent/guardian is unable to provide the school with the records normally required for enrollment such as previous academic records, birth certificate, medical records, proof of residency, or other documentation. The Rocketship designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the designee shall refer the parent/guardian to the homeless liaison. The liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student.

In the case of an unaccompanied youth, the Designated Homeless Liaison shall assist in the enrollment process. Unaccompanied youth shall be immediately enrolled if space is available even if unable to provide the school with the records normally required for enrollment (as above), and despite lack of parent or legal guardian's supervision or permissions, or "power of attorney" by supervising adult. In accordance with current Rocketship enrollment policies and state regulations regarding charter schools, if the grade level for which a homeless child or youth has applied has more applicants than spaces available, a random public lottery will take place in order to determine enrollment for the following school year. An "in- district" or "in-county" (depending on the type of school the student has applied to) priority will apply during the lottery to homeless youth who self- identify as homeless during the application process so as to not discriminate against homeless children or youth due to lack of permanent housing. If a homeless child or youth applies for admission after the annual random public lottery, he or she will be placed on the wait list in the order in which the application was received, even if the application is incomplete at the time of submission.

Any confidential record ordinarily kept by the school, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, of each homeless child or youth will be maintained so that the records are available, in a timely fashion, when a child or youth enters a new school or school district.

Transportation

Per the McKinney- Vento Act, Rocketship must provide services to homeless children and youth that are comparable to those received by other students in the school selected, including transportation. In addition, schools must provide transportation for homeless students to and from their school of origin, if feasible.

Rocketship, where feasible, at the request of the parent/guardian and/or in the best interest of the homeless child or youth, shall provide transportation to students experiencing homelessness to ensure the students are able to stay at the Rocketship school of their choice for the duration of their homelessness. Rocketship may work with the youth's district of residence or other agencies to provide transportation services.

Enrollment Dispute Resolution Process

As required by 42 USC § 11432(g)(1)(C), schools must develop and implement written procedures for the receipt and resolution of complaints alleging violations of law with regards to enrollment and school placement as covered by the McKinney-Vento Act. The State Coordinator for the Education for Homeless Children and Youth Program will provide technical assistance to interested parties as requested and as necessary.

If a dispute arises over enrollment or school placement:

- the child or youth must be immediately enrolled in the school requested by the individual or organization submitting the complaint;
- the parent/guardian of the affected student(s) must be provided a written explanation of the school's decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision;

- the child, youth, parent, or guardian must be referred to the McKinney-Vento Homeless Education Liaison for the corporation, who shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute; and
- in the case of an unaccompanied youth, the Homeless Education Liaison shall ensure that the youth is immediately enrolled in school pending resolution of the dispute.

Rocketship Dispute Resolution Process

Disputes may arise between a Rocketship school and a homeless student or homeless parent/guardian regarding, among other things, enrollment or transportation. At such a time, the Homeless Education Liaison immediately becomes involved, and Rocketship must follow a procedure that includes these steps:

- (1) A student must be allowed to attend or enroll in the school that is challenging the student's right to attend until a final decision is made regarding the dispute. The challenging school must provide transportation and other school services as needed to the student until the dispute is resolved.
- (2) The dispute resolution process begins at the time a school challenges the right of either a parent or guardian, or in the case of an unaccompanied youth, to enroll a child or youth in school, to continue enrollment in school, or to receive services such as transportation assistance.
- (3) When Rocketship challenges the enrollment or services of the child or unaccompanied youth, Rocketship must:
 - Provide notice of the challenge to the parent, guardian, or unaccompanied youth, through the Homeless Education, on the day of the challenge.
 - Provide notice of the right to appeal the challenge to the parent, guardian, or unaccompanied youth. This notice must include a form to be completed by the parent, guardian, or unaccompanied youth should he or she decide to appeal Rocketship's decision.
- (4) The Homeless Education Liaison will provide the parent, guardian, or unaccompanied youth with written notice in clear, easy-to-understand language detailing the dispute resolution process.
- (5) Rocketship will have three working days to review its initial decision and make a final decision as to the position taken (i.e. whether it will continue to challenge the right of the student to be enrolled). The decision must state all factual information upon which it is based and the legal basis in support thereof.

UNIFORM COMPLAINT PROCESS

Rocketship Education is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. Pursuant to this policy, persons responsible for conducting investigations shall be knowledgeable about the laws and programs which they are assigned to investigate. This complaint procedure is adopted to provide a uniform system of complaint processing for certain types of complaints.

I. Scope

This policy applies to the following types of complaints:

- (1) Complaints of unlawful discrimination, harassment, intimidation or bullying against any protected group, including actual or perceived discrimination, on the basis of the actual or perceived characteristics of age, ancestry, color, physical disability, mental disability, ethnic group identification, gender expression, gender identity, gender, medical condition, genetic information, nationality, national origin, race or ethnicity, religion, marital status, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any Charter School program or activity.
- (2) Complaints of violations of state or federal law and regulations governing the following programs including but not limited to: Federal Title I-VII programs, including improving academic achievement, compensatory education, English learner programs, and After School Education and Safety; Child Care and Development Programs; Child Nutrition Programs; Special Education Programs; Safety Planning Requirements; Physical Education; Instructional Minutes; and Pupil Instruction.
- (3) A complaint may also be filed alleging that a pupil enrolled in a public school was required to pay a pupil fee for participation in an educational activity as those terms are defined below.
 - “Educational activity” means an activity offered by a school, school district, charter school or county office of education that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
 - “Pupil fee” means a fee, deposit or other charge imposed on pupils, or a pupil’s parents or guardians, in violation of Section 49011 of the Education Code and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families’ ability or willingness to pay fees or request special waivers, as provided for in *Hartzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following: (1) A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit; (2) a security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment; (3) a purchase that a pupil is required to make to obtain materials, supplies, equipment or uniforms associated with an educational activity.

- (4) Complaints of noncompliance with the requirements governing the Local Control Funding Formula or Sections 47606.5 and 47607.3 of the Education Code, as applicable.

Rocketship acknowledges and respects every individual's rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects, to the greatest extent reasonably possible, the confidentiality of the parties and the integrity of the process. Rocketship cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, Rocketship will attempt to do so as appropriate. Rocketship may find it necessary to disclose information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Vice President of Schools or designee on a case-by-case basis.

Rocketship prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of unlawful discrimination, harassment, intimidation or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

II. Investigators

The Board of Directors designates the Compliance Officer to receive and investigate complaints and to ensure Rocketship's compliance with law:

Compliance Officer
350 Twin Dolphin Drive, Suite 109
Redwood City, CA 94065
compliance@rsed.org

The Compliance Officer or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Compliance Officer or designee.

III. Notifications

Rocketship shall annually provide written notification of the Charter School's uniform complaint procedures to employees, students, parents and/or guardians, advisory committees, private school officials and other interested parties.

The annual notice shall be in English, and when necessary, in the primary language, pursuant to section 48985 of the Education Code if fifteen (15) percent or more of the pupils enrolled in Rocketship speak a single primary language other than English.

Rocketship shall make available copies of the Charter School's uniform complaint procedures free of charge.

The annual notice shall include the following:

- A statement that the Charter School is primarily responsible for compliance with federal and state laws and regulations.
- A statement that a pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.
- A statement identifying the responsible staff member, position, or unit designated to receive complaints.
- A statement that the complainant has a right to appeal the Charter School's decision to the CDE by filing a written appeal within 15 days of receiving the Charter School's decision.
- A statement advising the complainant of any civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable, and of the appeal pursuant to Education Code § 262.3.
- A statement that copies of the local educational agency complaint procedures shall be available free of charge.

IV. Procedures

The following procedures shall be used to address all complaints which allege that Rocketship has violated federal or state laws or regulations governing educational programs. Rocketship shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the Rocketship

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.

Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the compliance officer, who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Rocketship staff shall assist him/her in the filing of the complaint.

Step 2: Mediation

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend Rocketship's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide Rocketship's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

Rocketship's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of Rocketship's investigation and decision, as described in Step #5 below, within sixty (60) days of Rocketship's receipt of the complaint.

Step 5: Final Written Decision

Rocketship's decision shall be in writing and sent to the complainant. Rocketship's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

- The findings of fact based on evidence gathered.
- The conclusion(s) of law.
- Disposition of the complaint.
- Rationale for such disposition.
- Corrective actions, if any are warranted.
- Notice of the complainant's right to appeal Rocketship's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
- For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
- For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that disciplinary action was taken and that the employee was informed of Rocketship's expectations. The report shall not give any further information as to the nature of the disciplinary action.

V. Appeals to the California Department of Education

If dissatisfied Rocketship's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving Rocketship's decision. Complainants should mail appeals to:

**California Department of Education
Categorical Programs Complaints Management Office
1430 N Street
Sacramento, CA 95814-5901**

For questions, complainants can also contact the CDE's Complaints Management Office at 916-319-0929.

When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of Rocketship's decision.

Upon notification by the CDE that the complainant has appealed Rocketship's decision, the compliance officer or designee shall forward the following documents to the CDE:

- A copy of the original complaint.

- A copy of the decision.
- A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
- A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
- A report of any action taken to resolve the complaint.
- A copy of the Charter School's complaint procedures.
- Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by Rocketship when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which Rocketship has not taken action within sixty (60) days of the date the complaint was filed with Rocketship.

VI. Civil Law Remedies

A complainant may pursue available civil law remedies outside of Rocketship's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if Rocketship has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

GENERAL COMPLAINT PROCESS

Rocketship values the concerns of our parents, staff, students, and community and takes all concerns and complaints seriously. The following complaint procedure should be employed to ensure that complaints receive full consideration.

I. Use of General Complaint Process

Rocketship's complaint process should be used as follows:

- (1) to deal with complaints and concerns pertaining to the educational environment, employment arrangements, or interpersonal conflicts;
- (2) to allege violations of federal or state law, or of the school's charter;
- (3) for personnel to resolve complaints against other personnel pertaining to discrimination and harassment based upon race, color, national origin, sex, disability, age, religion, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, political affiliation, source of income, or membership in another protected class arising under federal or state law.

III. Confidentiality

All documentation and information related to an investigation conducted as a result of a complaint is considered confidential and is not to be revealed or discussed by any participant with persons not involved with the complaint or decision-making process.

IV. Informal Complaints

The complainant is not required to discuss his/her complaint with the alleged harasser or perpetrator in any manner or for any reason prior to initiating a formal complaint.

V. Complaint Process Regarding School Site Procedures, Practices, and Policies

- (3) The Principal will prepare a final report with a recommendation for resolving the complaint. The final report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution, and the reasons for recommendation.

- (6) If the complainant is not satisfied with the supervisor's resolution, he/she may file a final appeal with the Vice President of Schools. The Vice President of Schools will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The Vice President of Schools will issue a written resolution within 10 days of receiving the appeal.
- (7) Rocketship Education's Chief Executive Officer (CEO) has the discretion to hear complaints beyond the Vice President of Schools' resolution. If the complainant is not satisfied with the Vice President of Schools' response, he/she may appeal to have the CEO hear the complaint. Note that the CEO is not required to entertain the complaint. Any resolution by the CEO shall be final.

If the original complaint pertains to the school Principal, complainants should begin by filing their complaint with the Principal's direct supervisor as described in Steps 4-5 above. Appeals will go to the Vice President of Schools as described in Step 6.

The investigation will be concluded within 10 school days of receiving the complaint unless "exceptional circumstances" justify a more expedited response. The amount of time granted for an exceptional circumstance will be determined on an individual case basis.

- (3) Human Resources will prepare a final report with a recommendation for resolving the complaint. The final report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution, and the reasons for recommendation.

The supervisor will issue a written resolution within 10 days of receiving the appeal. Any decision of the Review Committee shall be final.

VII. Prohibition Against Retaliation

Rocketship will not retaliate against any person who files a complaint in accordance with this policy, or any person who participates in proceedings related to this policy.

In addition, Rocketship will not tolerate any form of retaliation against any person who makes a good faith report or complaint about perceived acts of harassment, discrimination, or concern, or who cooperates in an investigation of harassment, discrimination, or a concern. Any person who is found to be engaging in any kind of retaliation will be subject to appropriate disciplinary action.

VIII. Modification

Rocketship may approve modification of the foregoing procedures in a particular case if the modification is for good cause and does not violate the due process rights or the complainant or any policies of Rocketship.

IX. Contact Information

The contact information for the school principal can be found on the school's website.

The contact information for the Vice President of Schools is as follows:

This complaint process does not bar complainants from filing claims in other forums to the extent permitted by state and federal law.

NONDISCRIMINATION STATEMENT

Rocketship does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual

orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

Rocketship adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (“ADA”), and the Individuals with Disabilities Education Improvement Act of 2004.

Rocketship is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. Rocketship prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. Rocketship does not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor or other person with which the Rocketship does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. Rocketship will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

STUDENT SEXUAL HARASSMENT POLICY

Rocketship Education is committed to making all Rocketship schools free from sexual harassment and discrimination. Sexual harassment is a form of sex discrimination under Title IX of the Education Amendments of the Civil Rights Act of 1972 and is prohibited by both federal and state laws. Rocketship prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. Sexual harassment is defined to mean unwelcome sexual advances; requests for sexual favors; or verbal, visual, or physical conduct of a sexual nature, made by someone from or in the educational setting. The Vice President of Schools or his/her designee shall ensure that Rocketship students receive age-appropriate instruction about their rights to be free from sexual harassment, and Rocketship’s procedure for reporting and investigating complaints of sexual harassment including with whom a complaint should be filed.

Rocketship prohibits conduct that has the purpose or effect of having a negative impact on the individual’s work or academic performance, or that is sufficiently severe, persistent, or pervasive to create an intimidating, hostile, or offensive educational environment. Rocketship further prohibits sexual harassment that conditions a student's status, progress, benefits, services, honors, program or activities based on submission to such conduct.

Any student who feels that he/she is being, or has been, sexually harassed by a school employee, another student, or a non-school employee at school or at a school-related event, shall immediately contact his/her teacher or any other Rocketship employee. An employee who receives such a complaint shall report it in accordance with administrative procedures.

Employees who violate this policy shall be subject to discipline up to and including dismissal. Any disciplinary action shall be in accordance with applicable federal and state laws.

Students who violate this policy may be subject to discipline, up to and including expulsion, in accordance with Rocketship policy, administrative procedure and state law.

- 1. Filing a complaint:** A complaint may be filed by a student or parent/guardian by obtaining a copy of the Complaint Form from the school office. Remedies available outside of Rocketship are listed in this procedure.
- 2. Investigation:** In accordance with the procedures outlined in Rocketship’s complaint policies, Rocketship will immediately undertake an effective, thorough, and objective investigation of the harassment and/or discrimination allegations and provide a written report within the specified time frame. The Vice President of Schools or his/her designee shall ensure that any complaint received is investigated in accordance with Rocketship administrative procedures and that school personnel take immediate steps to intervene, when safe to do so, when they witness any act of harassment.
- 3. Action:** When an allegation of sexual harassment is validated by the investigation and disciplinary action is necessary, the Vice President of Schools will determine the appropriate course of action, to prevent reoccurrence and follow up with the harassed student, depending upon whether the harasser is a student, staff member or agent of Rocketship. If the complaint of sexual harassment is validated the Vice President of Schools and/or designee shall take prompt, appropriate action to end the harassment and to address the effects on the victim.

Complaints will be kept confidential. The person filing the complaint may also pursue action in civil court.

Rocketship prohibits retaliation against any person who complains, testifies, assists or participates in Rocketship complaint procedures.

A student who has a complaint of sexual harassment or discrimination shall immediately contact his/her teacher or any other Rocketship employee. The student may also contact Rocketship’s Title IX Coordinator in accordance with Rocketship’s Title IX Policy.

SECTION 504

Rocketship recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of Rocketship Education. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by Rocketship. The parent/guardian of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the school Principal. A copy of Rocketship’s Section 504 policies and procedures are available upon request.

APPENDIX: SCHOOL POLICIES

ADMISSIONS AND ENROLLMENT POLICY

Rocketship schools are free, open-enrollment public schools for California children who meet our age and residence requirements, as further described below. This policy covers our admissions assurances; procedures for applications, lottery, and wait list; and registration process, including age and residency requirements.

I. Admissions Assurances

Rocketship shall not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student's race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

II. Application and Public Random Drawing

Rocketship will accept applications during a publicly-advertised open application period each year for enrollment in the following school year. Following the open application period each year, applications will be counted to determine whether any grade level has received more applications than availability.

In this event that this occurs, each Rocketship school in California will hold a public random drawing to determine enrollment for the impacted grade level, with the exception of existing students, who are guaranteed enrollment in the following school year.

Enrollment preferences in the case of a public random drawing depend on the type of charter that each school holds and will be determined in accordance with the school's charter. For district charter schools, the order of preference will be: (1) siblings of students at the school; (2) children of the paid staff of the school (not to exceed 10%); (3) residents of the local school district; and (4) other California residents.** For countywide charter schools, the order of preference will be: (1) siblings of students at the school; (2) children of the paid staff of the school (not to exceed 10%); (3) residents of Santa Clara County; and (4) other California residents.

Students qualifying for more than one preference group will be considered part of the highest preference in which they qualify.

The Rocketship application will include all Rocketship schools in California. Families are asked to select the particular Rocketship schools in which they are interested, and then rank those selections in order of preference.

III. Wait List

At the conclusion of the public random drawing, Rocketship will notify the families of all applicants to inform them of their acceptance status. All students who were not granted admission due to capacity will be given the option to put their name on a wait list in the order according to their draw in the public random drawing. This wait list will allow students the option of enrollment in the case of an opening during the school year. Students will be placed on the wait lists for all schools that they ranked in their Rocketship application. Once on the wait list, the student will remain until he/she is offered a spot in the school or the parent/guardian confirms in writing that the student no longer wishes to remain on the wait list. The wait list will not carry over from year to year.

If families from the wait list are offered a position, they must accept that position within two weeks. If a family declines or fails to respond within two weeks from the date of the offer, the child may be removed from the wait list or placed at the bottom of the wait list. Once a student accepts an offer, he/she will be removed from any wait lists

of Rocketship schools that he/she ranked lower during the application process.

IV. Enrollment

During the application process, parents are expected to correctly identify their child's age and grade level in both the current (where applicable) and upcoming school year. Upon acceptance to Rocketship, all students will be enrolled in the next consecutive grade level that follows their current grade level. Students will be admitted to Transitional Kindergarten, Kindergarten, and first grade only in accordance with the statutory age requirements described below in this policy. Schools will typically not make any retention or promotion decisions during the enrollment process. Parents are not permitted to unilaterally make any retention or promotion decisions for their child during the application process.

A student who has been expelled from another educational institution may be admitted to a Rocketship school in the discretion of the school Principal on a case-by-case basis, as further described in Rocketship's Suspension and Expulsion Policy.

No student may concurrently attend a private school that charges the student's family for tuition.

V. Registration Process

Upon selection for admission pursuant to public random drawing, the registration process will include the following:

- Proof of Immunization;
- Home Language Survey;
- Completion of Emergency Medical Information Form
- Proof of minimum age requirements (i.e. birth certificate), further described below;
- Proof of residency in the State of California (i.e. driver's license, copy of a lease, utility bill showing address of residence).

Rocketship feels strongly that success for students requires a commitment, from both students and parents, to the school's mission and vision. During the registration process, all parents/guardians will be asked to sign a commitment letter indicating that they understand Rocketship philosophy, program, and volunteer policies. Students will not be denied admission or dis-enrolled for a parent/guardian's failure to sign the commitment letter.

VI. Age Requirements

Pursuant to Ed Code § 48000(a), all students entering kindergarten at Rocketship must be five years of age on or before September 1st of the current school year. All students entering Transitional Kindergarten must have their fifth birthday between September 2 and December 2 of the current school year. In limited circumstances, exceptions may be made, but only in accordance with Rocketship's Early Admittance to Kindergarten/Transitional Kindergarten Policy. Students shall not attend more than two years of a combination of Transitional Kindergarten and Kindergarten.

All students must be at least age six by September 1 of the school year in which he/she seeks enrollment in first grade, with limited exceptions in accordance with California law.

VII. Student Withdrawals

In accordance with Ed Code § 47605(d)(3), if a student is expelled or leaves Rocketship without completing the school year for any reason, Rocketship will notify the superintendent of the school district of the student's last known address within 30 days. Upon request, Rocketship will also provide that school district with a copy of the student's cumulative record, including a transcript of grades and health information.

Note that some Rocketship schools in California may also be required to notify the charter authorizer under the

existing MOU.

***Note: Pursuant to an agreement with the State Board of Education, Rocketship's Mt. Diablo campus will adhere to the following enrollment preferences: (1) students currently attending the charter school (2nd year forward); (2) students who reside within the boundaries of the Mt. Diablo Unified School District; (3) siblings of current Rocketship students; (4) children of current employees at the school site (not to exceed 10%); (5) other California residents.*

ATTENDANCE AND TRUANCY POLICY

Tardiness and absences can be detrimental to a student's academic and social progress. Rocketship makes every effort to ensure that students are on time and present every school day. This policy addresses excused and unexcused absences, late arrivals and early departures, and the definitions and consequences of truancy.

I. Excused and Unexcused Absences and Tardies

All students are expected to be on time and present in school every day. A student arriving during the first 30 minutes of school is considered late. That student will be marked late on that day's attendance.

A student arriving to class 30+ minutes after the start of school is considered tardy. That student will be marked tardy on that day's attendance. Tardy students are missing significant portions of the school day.

Proper notification and/or documentation is required for a student's absence, tardy, or early dismissal from school to be marked as excused on the student's attendance record. Such notification must be submitted within **24 hours** of the student's absence. If Rocketship does not receive verification within this 24-hour window, the student's absence will be considered unexcused and cannot be changed.

Excused Absences

The charts below explain the type of notification and/or documentation required to excuse absences, in accordance with Education Code § 48205.

Reason for Absence	Documentation Needed	Other Notes
Illness.	Written notice from parent/guardian (less than three consecutive days).	If a student is out sick for more than two consecutive days, a doctor's note is required beginning on the third day and beyond.
Health-related appointments/treatments (i.e. medical, dental, optometrical, chiropractic).	Signed note from physician's office.

The family member must be an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from, deployment. The length of absence shall be determined at the discretion of the Principal.
Lawful suspension.	Documentation of suspension pursuant to Rocketship Suspension & Expulsion Policy.	
Court appearances.	Documentation from Court.	
Justifiable personal reasons.	Written notice from parent/guardian; additional documentation as determined by Principal.	This includes, but is not limited to, observance of a holiday or religious ceremony and extra-curricular activities approved at the discretion of the Principal.

Unexcused Absences

Some kinds of absences may not be considered excused, even with proper documentation. These include , but are not limited to, the following: non-documented appointments, sick days with no parent notification of the school, oversleeping, car problems, cutting classes, errands, babysitting, and vacationing outside of scheduled school breaks.

The Principal, in consultation with his/her supervisor when necessary, has the discretion to determine whether an absence should be excused or unexcused.

Notifying Parents of Unexcused Absences

Rocketship will make reasonable and diligent attempts to contact with a student's parent/guardian on the same day and each time a student has an unexcused absence, with daily follow-ups as necessary.

II. Leaving School During the Day

Under no circumstances may a student go home without the permission of a parent or guardian. We expect that parents/guardians will make every effort to schedule appointments after school. However, if an appointment during the school day is unavoidable, the student must bring a signed note from his/her parent/guardian at the beginning of the day that includes the reason for the partial absence, the time of departure from school, and the estimated time of the student's return to school. If the student has a doctor's appointment, the student must bring a note from the doctor upon return. Whenever possible, students are expected to return to school after the appointment.

Early departures for reasons that do not directly involve the student (i.e. appointment for another family member) are generally not allowed but may be approved at the discretion of the Principal.

Students who become ill at school must check in at the office and remain at school until the child's parent/guardian arrives or gives permission for the student to leave campus in accordance with Rocketship's Student Release Policy.

If a parent/guardian shows up to take a child home early and it is **within 10 minutes** of the school's regularly-scheduled dismissal time, the student will not be released early and the parent/guardian will be asked to participate in the regular dismissal process.

III. Vacations

Rocketship builds vacations into its school calendar. Family vacations should be planned around these dates. Students who take additional vacation time are not assured make-up work or credit.

IV. Chronic Absences/Tardiness and Truancy

Recurrent Late Arrivals

Recurrent late arrivals may subject families to interventions. After a student accumulates five late arrivals (excused or unexcused), the family will be asked to participate in an Attendance Expectations Meeting at the school. After a student accumulates ten late arrivals (excused or unexcused), the family will be asked to attend a meeting with a School Leader and to sign an attendance contract. The Principal has the discretion to waive the intervention requirement in rare cases, depending on the circumstances. If a parent/legal guardian does not show up or refuses to attend an attendance meeting when ample time has been provided, an intervention plan may still be enacted. A copy of the contract will be sent or delivered to the student's home on file.

"No Shows"

If a student misses 15+ consecutive school days without notifying the school of the reason for the absence, and Rocketship is unable to get in touch with the student's parent/guardian after reasonable and good faith efforts,

Rocketship will drop the student from the school’s roster [R6] and his/her space will be given to a student on the wait list. For extended absences, Independent Studies] may be available and arranged by the principal in accordance with Rocketship’s Independent Study Policy and procedures.

If a student fails to show up to school during the entire first week of the instructional school year, and the family does not notify Rocketship in advance, the student may forfeit his/her seat at the school and be placed on the wait list.

Truancy Procedures for Unexcused Absences and Unexcused Tardies

<p>Truant Student (three unexcused absences and/or unexcused tardies, under EC § 48260(a))</p>	<p>After a student has accumulated three or more unexcused absences and/or tardies, Rocketship will notify the student’s parent/guardian that the student is truant and that a failure to compel the student’s attendance at school could result in the parent/guardian being found guilty of an infraction under California law. The notification must include all requirements outlined in EC § 48260.5.</p>
<p>Habitual Truant (student reported as a truant three or more times in one school year, under EC § 48262)</p>	<ul style="list-style-type: none"> • The student’s parent/guardian must attend a meeting at the school.\ • The student may become subject to a School Attendance Review Board (SARB) under EC § 48263 or a district attorney mediation program under EC § 48263.5 for the purposes of providing intensive guidance to meet the needs of students with school attendance problems <p>Habitual truancy may also result in the risk of retention in accordance with Rocketship’s Attendance and Truancy Policy.</p>
<p>Chronic Truant (unexcused absences constituting 10% or more of the school days in a school year, under EC §48263.6)</p>	<p>Under CA Penal Code § 270.1(a), a parent of a chronic truant who has failed to reasonably supervise and encourage the student’s attendance and who has been offered support services to address the truancy problem, is guilty of a misdemeanor punishable by a fine of up to \$2000 or by imprisonment of up to one year in a county jail.</p> <p>Chronic truancy may also result in the risk of retention in accordance with Rocketship’s Retention and Promotion Policy.</p>

SCHOOL CLOSURE POLICY

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions. Rocketship recognizes that closing school or shortening the instructional day is disruptive for students, staff, and families and will only make this decision when it is necessary for the safety of our school community. Whenever possible, Rocketship will provide families and staff with advance notice of the decision or possible decision to shorten the instructional day or close school.

This policy covers procedures for closing school due to weather conditions and other hazardous conditions; the procedure for notifying families of school closure; and implications of school closure on the instructional calendar in each region.

I. Weather Conditions

All Rocketship schools in a particular region will coordinate the decision to close school, release students early, or start school later than usual on a given day because of weather conditions. If it is known in advance that severe weather is impending, the principals of all Rocketship schools in that region should remain on alert. Rocketship's Schools and Operations teams are responsible for monitoring the weather and discussing together whether or not school should be closed. The decision on whether to close school will be made by representatives from the Schools and/or Operations teams.

In general, Rocketship schools will observe the same decisions as local districts in case of closure or early closure due to weather conditions. Rocketship will notify families as early as possible of decisions to close school or start school late due to weather conditions will be made public. When possible, Rocketship will aim to notify families by 6:45 a.m.

Decisions to release students early due to weather conditions will be made public, whenever possible, at least one hour before the start of the early dismissal. Schools may need to alter their dismissal process or staging location in case of an emergency on campus.

II. Other Hazardous Conditions

In case of an unforeseen unsafe condition at the school campus (such as a leaking pipe or fire), the Principal of that school is responsible for informing his/her supervisor and helping the supervisor decide whether or not to close school, release students early, or start school later than usual. To the extent practicable under the circumstances, the Principal must consult and get approval from his/her supervisor as well as Rocketship's Operations team when making a decision to alter the school schedule.

With support from other school staff, and, when necessary, Rocketship's Schools and Operations teams, the Principal is responsible for notifying families, staff, vendors, and others (e.g. afterschool program coordinators) that school has been closed. This decision may be announced through email or telephone calls, by notifying a public radio or television station, and/or sending an announcement to families over the automated calling system. Families are responsible for providing the school with updated contact information so that they can be reached in case of change to the school schedule.

III. Considerations for the Instructional Calendar

Local laws in each region govern the number of instructional days per school year that students must receive. In the case of a cancellation, late start, or early dismissal, Rocketship may fall short of this minimum, in which case additional days will be added or used.

The Vice President of Achievement, in collaboration with the Schools and Operations teams, is responsible for making decisions to adjust the school instructional calendar in case of cancellation or closure, guided by the following rules:

- Rocketship schools must include at least the number of minimum instructional days.
- Rocketship schools must meet all local requirements for instructional minutes.
- Rocketship schools must aim to create as many coherent, uninterrupted weeks of instruction as possible.

To the extent possible, schools should communicate all make-up dates to families and staff by April 1st each year so families and staff can plan around any updates to the instructional calendar.

STUDENT RELEASE POLICY

Rocketship will make every effort to ensure that all students get home safely when they leave school each day. This policy addresses walker/rider cards; emergency cards; authorizing individuals to pick up a child; emergency dismissal; and student transport.

I. Walker/Rider Cards

At or before the beginning of the school year, parents/guardians shall be issued a Walker/Rider Card with the student's name, grade, and homeroom. Parent/guardians or other individuals authorized to pick up a child (see below) will display this card to school staff during dismissal. If a parent/guardian or other authorized individual forgets to bring the Walker/Rider Card to dismissal, they will need to check in with the front office and get a new Walker/Rider Card or a temporary pass.

II. Emergency Cards

At the beginning of the school year, parent/guardians shall complete and submit an Emergency Contact Card to be kept on file at the school. Parents/guardians will be asked to include the names of individuals to be contacted in case of an emergency if attempts to contact the parent/guardian fail. Any person listed as an Emergency Contact will also be considered to be authorized by the child's parent/guardian to regularly pick them up from school unless the parent/guardian indicates otherwise.

III. Authorizing Individuals to Pick Up a Child

Parents/guardians may authorize Rocketship to release their child to other people by completing the "Authorization to Pick Up" section of the Emergency Contact Card. Parents/guardians are asked to include the name, phone number and relationship to the child for each person they wish to allow their child to be released to. The "Authorization to Pick Up" section may be updated by the parent/guardian at any time by visiting the school front office. Rocketship staff may ask the authorized individuals for identification when they pick the child up from school.

Parents/guardians may authorize Rocketship to release their child to a relative who is a minor (between the ages of **14-18 years old**) by completing the Authorization to Pick Up form *and* a Release to Minor waiver form. A duplicate Dismissal Card with printed authorization for the release to the minor relative must be printed for the minor relative, and the minor relative must bring this authorization each day they will pick up the Rocketeer. Proper identification will also be required.

Rocketship recognizes that there will be situations in which a person not listed on the Emergency Contact Card will need to pick the student up from school. In these rare instances, the parent/guardian should call the school to inform school staff that they authorize school staff to release the student to another person that day. If a person that is not listed on the Emergency Contact Card form comes to pick the student up and the school has not already been contacted by the parent/guardian, the school will need to speak to the parent/guardian by phone prior to releasing the student. The person picking up the student will then need to provide photo identification prior to leaving the school with the student. In addition, whenever feasible, parents/guardians should provide the authorized person with a signed note indicating their desire to have the person pick the child up on the day in question.

IV. Emergency Dismissal

In case of an emergency dismissal, parents/guardians must wait for instructions from school leaders before coming to campus to pick up their child. School leaders will provide parents/guardians with updated information on the dismissal process using the automated calling system. Parents/guardians should expect that the dismissal location and procedures will be different than on a regular day. Parents/guardians should be prepared to present photo identification when picking up a child after an emergency on campus.

LATE PICK-UP POLICY

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasional family emergencies may cause a child to be picked up late from school, but consistently failing to pick up students on time is costly to the school, burdensome to the school staff, and disruptive to our students' daily routines. This policy addresses procedures and consequences when a child is picked up late.

I. Notifying the School

Parents/guardians are expected to make arrangements for their children to be picked up on time every day, before the end of dismissal. That said, we do understand that there may be unpredictable situations that could cause a parent/guardian to pick up a student late on a given day (i.e. car problems, traffic, issue at work). In these cases, we ask that a child's parent/guardian contact the school by phone to let the staff know that their child will be picked up late that day. The parent/guardian will still be required to complete a Late Pick-Up Incident Report when they come to collect their child, per the section below.

II. Late Pick-Ups

School staff will attempt to contact a child's parent/guardian if a child is left on campus after dismissal ends and the parent has not notified the school pursuant to the above section. Staff may also contact individuals listed on the child's emergency contact card.

A parent/guardian (or otherwise authorized individual, in accordance with Rocketship's Student Release Policy) who comes to pick up a child after the end of dismissal will need to complete a Late Pick-Up Incident Report and submit it to the staff member supervising their child before leaving campus. These reports will be kept on file at the school as a record of why the child was picked up late on that day.

III. Extremely Late Pick-Up

If a student is still on campus more than an hour after the end of dismissal and staff members have not been in contact with the student's parent/guardian in accordance with Section II above, Rocketship staff must assume that the family has suffered an emergency. The Principal or his/her designee may contact the local police and, if they have not already done so, call the individuals listed on the child's emergency contact card. The Principal or designee may release the child to an authorized individual or the police department.

IV. Recurring Late Pick-Ups

Rocketship will follow a tiered series of interventions/consequences for families who persistently pick up their children late, as described below.

Late Pick-Up (each occurrence)	Must complete a Late Pick-Up Incident Report before leaving campus, as described above.
Recurring Late Pick-Up (three occurrences)	Parent/guardian must attend a meeting with a School Leader to review Late Pick-Up Incident Reports and create a verbal agreement and plan to prevent late pick-ups in the future. The School Leader may refer the family to local counseling or truancy resources.
Habitual Late Pick-Up (six occurrences)	A letter will be sent home to the student's parent/guardian specifying the date, time, and location of a meeting with a school leader. The parent/guardian must attend meeting with a School Leader and sign an agreement to pick up their child on time.
Chronic Late Pick-Up (more than six occurrences)	Parent/guardian may become subject to an intervention workshop with the Student Support Team, comprised of at least the Principal, an Individualized Learning Specialist, and the classroom teacher. In certain extreme circumstances, Rocketship may also contact Child Protective

CAMPUS ACCESS AND VISITOR POLICY

Rocketship strives to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. This policy addresses management of the front entrance; procedures for visitor registration; procedures to follow when arranging for a campus visit; and ousting an individual from campus.

I. Front Entrance

At all times during the school day, the front office to each Rocketship campus will be manned by a Rocketship staff member.

Ensuring that the front office is manned at all times is a primary responsibility of the school's Office Manager. If the Office Manager is unable to be at the front desk for some reason, he/she is responsible for finding another Rocketship staff member to be present. Individuals who are not Rocketship staff members should NOT be asked to cover the front desk.

II. Loitering

Parents/guardians and other visitors, including children who are not students at the school, shall not loiter on the school premises, including in the parking lot and outside school buildings. The parking lot shall be used for picking up and dropping off students, and while conducting business.

Parents/guardians and other visitors are expected to leave the campus premises upon the conclusion of any business matters or after dropping their student off at school. If a parent or guardian wishes to visit the school to view the educational program, the visitor must adhere to the following procedures, which have been developed to ensure the safety of students and staff as well as to minimize interruption of the instructional program.

III. Visitor Registration and Passes/Badges

- All visitors (including Rocketship Education regional and national staff members) are required to register with the front office immediately upon entering any school building or grounds during school hours.
- The Principal, or designee, may refuse to register an outsider if he or she has a reasonable basis for concluding that the visitor's presence or acts would disrupt the school, its students, its teachers, or its other employees; would result in damage to property; or would result in the distribution or use of unlawful or controlled substance.
- Visitors in disguise or costume will not be allowed entrance onto campus without prior agreement with the school administration.
- After registering in the front office, visitors who are not Rocketship employees will be issued a Visitor's Pass that they must display at all times while on campus. Rocketship regional/national staff ("Network Support") will receive personal identification badges from the Rocketship Human Resources department. Network Support staff must display their badge on their persons at all time while at a school site. If a Network Support staff member forgets his/her badge, he/ she will need to obtain a Visitor's Pass from the front office.
- All visitors must also sign out when leaving the campus.
- Any visitor may be asked to provide personal identification at any time.
- The Principal or designee may withdraw consent for an individual to be on campus, even if the visitor has a right to be on campus, whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.
- The Principal or designee may request that a visitor who has failed to register, or whose registration

privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

IV. Arranging for a Campus Visit

Visits during school hours by non-Network Support or other Rocketship staff members should be arranged with the teacher and Principal (or designee) in advance. Teacher conferences should be arranged by appointment in advance and must be scheduled to take place during non-instructional time.

Parent/guardians who want to visit a classroom during school hours must first obtain written approval from the classroom teacher and the Principal or designee.

V. Barring Individuals From Campus

Rocketship recognizes that situations could arise where it may become necessary for the Principal and/or the Principal's supervisor to prohibit an individual from entering a Rocketship campus. Such situations may include an individual engaging in violence, threats of violence, harassment, or any other behavior that the Principal deems to be disruptive of the learning environment. Such actions will comply with any relevant state law requirements.

Barring is specific to each individual Rocketship campus and its related activities. Principals generally have the authority to bar a disruptive individual, but they must follow Rocketship's internal protocol and comply with all applicable state laws. Principals may not bar an individual beyond his/her particular campus, unless specific authorization is granted by the Director of Schools or the legal department.

It is the responsibility of the Business Operations Manager, Office Manager, and school security to:

- Enforce photo identification verification 100% of the time to ensure no barred individuals enter the building.
- Document and maintain procedures for pick-up, drop-off and any documentation related to the barring notice at the front desk.
- Determine, at the time of the incident and in collaboration with the Principals, whether the local police must be contacted.
- Maintain an accurate and current list of individuals who have been issued a barring notice.
- Enforce the barring notice by escorting individuals out of the building and off school grounds in a peaceful, quiet, and orderly fashion.
- Not engage any barred individual off school grounds using combative language, tone, or action.
- Contact the local police department in the event that an individual becomes physically confrontational or refuses to comply with the barring notice.

VI. Refusal to Leave Campus

Anyone who refuses to leave after being asked by the Principal, or who enters a campus without proper authorization in accordance with this policy, may become subject to the local criminal laws regarding trespass and unlawful entry.

Further conduct of this nature by the visitor may lead to the School's pursuit of a restraining order against such visitor which would prohibit him/her from coming onto school grounds or attending School activities for any purpose for a statutorily prescribed period.

The Principal or designee may seek the assistance of the police in dealing with or reporting any visitor in violation of this policy.

FAMILY CUSTODY POLICY

Rocketship will make every effort to ensure compliance, on the part of school staff as well as parents/guardians, with legal custody arrangements. This policy addresses custody records; student release to custodial parents; the rights of non-custodial parents; and Rocketship's role in custody disputes.

I. Definitions

For the purposes of this policy, Rocketship will adhere to the following definitions:

“Court Order”: An order issued by a court following a judicial proceeding to determine the custody rights of the parties. A court order will typically state the legal and/or physical custodial rights that the court has granted to each parent.

“Joint Custody”: Both parents have legal and physical custodial rights.

“Legal Custody”: The parent with Legal Custody has the right to make decisions about a child's upbringing. These types of decisions typically involve the child's education, religion, and medical care.

“Noncustodial Parent”: The Noncustodial Parent does not have legal or physical custody of a child.

“Physical Custody”: The right to have physical control of where the child lives and who may care for the child.

II. Custody Records

Rocketship seeks to maintain accurate and updated custody records for all students. It is the responsibility of the parent/guardian of a student to provide the Rocketship Office Manager with accurate and updated court orders involving the custody rights of their children. Updated Court Orders should be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary.

In the absence of a Court Order, Rocketship will assume that separated or divorced parents of a child have Joint Custody.

In Tennessee, pursuant to T.C.A. 36-2-303, the mother of a child born out of wedlock has default custody (both legal and physical) when the parents remain unmarried, absent a Court Order signed by a judge.

Without a Court Order or proof of adoption that affirmatively grants custodial rights, *step-parents will not* be considered to have Physical or Legal Custody of a child. Absent similar evidence, Rocketship will also assume that siblings, aunts/uncles, grandparents, cousins and others *do not* have Legal or Physical Custody of a child.

III. Student Release

Any parent or guardian who has Physical Custody of a child, or retains specific custody rights granted via a Court Order that extends to afterschool hours, may pick the student up from school as well as authorize Rocketship to release the student to any other person; provided that, such arrangements are consistent with the terms of the Court Order. At the beginning of the school year, parents/guardians will be asked to complete an Authorization to Release form. Please see Rocketship's Student Release Policy for more information. At any time, either parent/guardian that has Physical Custody has the ability to add individuals to the Authorization to Release form.

Rocketship does not have the right to limit the rights of a parent of a Rocketship student without a Court Order. If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a Court Order limiting the other parent's rights.

IV. Rights of Non-Custodial Parents

Inspection of Records

All parents, regardless of custodial rights, have the right to inspect, though not make changes to, copies of their child's educational records, **unless a Court Order specifically limits the parent's rights in this regard.** (Any inspection of records must be in accordance with Rocketship's FERPA regional Student Records policies.)

School Visitation

Parents without Physical Custody *may not* remove their children from class or visit them in school without the consent of the parent with the custodial rights or a Court Order.

V. Rocketship's Role in Custody Disputes

It is the policy of Rocketship schools to remain impartial during custody disputes between family members of a Rocketship student. For this reason, Rocketship teachers, administrators, and school staff will refrain from taking any action which may be considered adverse to one parent or family member. These actions include, but are not limited to, writing letters of support for any adversarial proceeding and serving any person with court

documents.

The previous paragraph notwithstanding, Rocketship will comply with requirements imposed by the State and local jurisdictions thereof. Rocketship will enforce any certified Court Orders presented to the school. When presented with a court subpoena or request for information by a public agency, Rocketship teachers, administrators and staff will comply and respond with information of which they have personal knowledge.

Rocketship will not deny a parent of any of their parental rights without being provided a Court Order indicating the State's desire to limit that parent's rights.

VOLUNTEER CLEARANCE POLICY

Engaged parents are a core pillar of Rocketship's model and critical to the long-term success of Rocketship students. By actively being included and involved in our schools and their Rocketeers' learning, parents become integrated into the fabric of the school community. Rocketship asks that families participate in 30 Parent Partnership Hours each year by supporting or participating in various school activities. (For more details, see Rocketship's [Parent Partnership Policy](#).)

Parent Partnership Hours can be realized in many ways, including through volunteering on and off campus. Because Rocketship is deeply committed to ensuring the safety of all students, any parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer and undergo any necessary background check procedures in accordance with this policy.

This policy outlines volunteer positions that require criminal background checks; standards for serving as a volunteer; procedures for obtaining a valid background check; duration of background checks; and penalties for providing false information.

I. Mandatory Background Checks

Meghan's Law Clearance

In California, pursuant to EC § 35021, individuals who have been required to register as a sex offender are prohibited from serving as a school volunteer. Thus, Rocketship will run the names of all prospective volunteers through a database for information about any past sex offenses. If the search returns no objectionable information, the volunteer will be considered to have received Meghan's Law clearance.

Criminal Background Checks

All prospective volunteers who may interact with students in an unsupervised capacity and/or who will serve on a regular and ongoing basis for more than five hours per week must undergo a criminal background check through the Department of Justice and the use of LiveScan fingerprinting technology. Rocketship will notify prospective volunteers when they have received clearance to volunteer.

The Department of Justice will provide automated updates to Rocketship on any volunteer applicant who is convicted of a crime after the initial scan.

II. Disqualification

As described above, individuals will not be allowed to serve as volunteers if they have been required to register as a sex offender.

Additionally, individuals who have undergone a criminal background check will not be allowed to serve as volunteers if the results reveal that they have been convicted of a violent or serious felony as defined in the California Penal Code.

III. Minor Volunteer Requirements

Minor Volunteers CAN ONLY serve in roles that do not allow them to be alone with or otherwise supervise Rocketship students. Minor Volunteers cannot go on field trips. The Principal at the school where the Minor Volunteer wishes to volunteer has total discretion to accept or reject a prospective Minor Volunteer. Minor Volunteers will need to complete the following requirements:

- A Volunteer Application signed by the Minor Volunteer and the Minor Volunteer’s parent/guardian.
- Rocketship alumni will need one letter of recommendation from a teacher/school leader at their current school, plus a letter of recommendation from a former Rocketship teacher or school leader.
- Minor Volunteers who are not Rocketship alumni will need two letters of recommendation from teachers/school leaders at their current school.
- A behavior contract (available from the Office Manager) signed by the Minor Volunteer, the Minor Volunteer’s parent/guardian, and the school leader at the school where the Minor Volunteer will be volunteering.

IV. Field Trips

As discussed above, any Volunteers who are attending an overnight field trip, including all Parent/Guardian Volunteers, are required to provide proof of a Background Check prior to the date of the field trip. Family and Parent/Guardian Volunteers for day field trips are NOT required to be Background Checked. Community Volunteers for day field trips MUST be Background Checked.

For more information on field trips, please see Rocketship’s Field Trip Policy.

V. Tuberculosis Testing

All Volunteers who volunteer in a Rocketship classroom for at least 10 hours each month will be required to complete a Symptom Screening Questionnaire. The results of the questionnaire will be examined by a healthcare professional and individuals with a positive symptom screen will be referred for further evaluation prior to returning to volunteer in such a role. Only volunteers with a negative symptom screen will be cleared to continue to volunteer in Rocketship classroom for over ten hours a month. Volunteers who are not required to complete the Symptom Screening Questionnaire or who fail to complete the Symptom Screening Questionnaire are restricted to 9 or fewer classroom hours per month, or an unlimited number of hours outside the classroom. All Rocketship procedures will comply with the Tuberculosis Testing requirements promulgated by the local Public Health Department.

FIELD TRIP POLICY

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end. This policy covers advance approval required to take students on field trips; permission slip requirements; chaperones; transportation; dismissal from field trips; and student behavioral expectations and consequences.

I. Advance Approval

Daytime field trips must be approved at least three weeks in advance by the school Principal. Overnight or out of state field trips must be approved by the principal’s manager at least two months in advance. Whenever a proposal for a field trip is approved, it is the responsibility of the school Principal or Assistant Principal to oversee arrangements for that field trip.

II. Permission Slips

A student must submit a verified field trip slip signed by his/her parent or guardian to participate in a field trip. Field trip slips must be created using the official Rocketship Education Field Trip templates.

The designated Principal or Assistant Principal overseeing the field trip will review field trip slips in advance to confirm that they follow the appropriate official template and are signed by the child’s parent/guardian. Verbal permission for field trip participation is not acceptable.

The designated Assistant Principal or Principal will also review the roster for the field trip with appropriate school personnel to identify any students attending the trip who regularly take medication or require access to medication while on the field trip. In collaboration with the nurse, the School Leader will ensure that a staff member attending the field trip brings along the student medication and is properly trained on how to assist in administering the medication and record the administration of that medication in accordance with Rocketship's regional Medication Administration policy.

Only Rocketship students who have submitted a valid permission slip will be allowed to attend the field trip.

III. Chaperones

Chaperones must be cleared per the requirements of Rocketship's regional Volunteer Clearance Policy. Chaperones may not bring along other children (i.e. siblings of students attending the field trip) without advance permission from the principal.

IV. Transportation

All Rocketship staff members (teachers and/or School Leaders) and parent chaperones will be expected to be present with students on all transportation provided for a field trip unless they receive prior written approval from the school Principal to make an alternative transportation arrangement. If transportation is required for a field trip, Rocketship will provide this transportation. Should staff members and/or parents drive a vehicle in conjunction with a field trip, they will do so in accordance with Rocketship's Staff and Parent Driver Policy.

V. Dismissal from Field Trips

After a field trip, students will be returned to the school site and will be dismissed according to regular dismissal procedures. All chaperones and students are expected to return to school and participate in dismissal. In exceptional cases, students may be dismissed from a field trip location with a parent/guardian chaperone, but this is subject to the discretion of the Principal or Assistant Principal supervising the field trip. If a student needs to be picked up early from a field trip due to illness or another exceptional circumstance, he or she may be dismissed from the field trip site provided that the staff supervisors get in contact with the students' parent/guardian and the parent/guardian picks the student up or designates an authorized individual over the age of 18 to do so. Any authorized individual must provide proper identification prior to leaving with the student. The staff members supervising the field trip should contact the school's Office Manager to ensure that the child is appropriately signed out for the day.

VI. Student Behavior

Students may be excluded from a field trip as a disciplinary measure. Students are expected to maintain high standards of behavior in accordance with Rocketship's Student Discipline Policy during a field trip. Students may be excluded from field trip activities or future field trips due to poor behavior.

VII. Overnights on Campus

If students wish to spend the night on campus, they must get advance approval and complete the Overnight Waiver.

RETENTION AND PROMOTION POLICY

Rocketship's instructional model is organized so that each student's learning plan is individualized in order to account for individual differences and promote academic and social growth. As such, we believe that retention should only be used in rare and exceptional circumstances, when the student's family is given notice well in advance and is fully in support of the retention decision. Rocketship's retention and promotion policy is deliberately flexible so that teams can consider each student as an individual and make recommendations based on data and identified student need.

The purpose of this policy is to provide school teams with a framework for considering retention and promotion that is consistent with our philosophy of education. Additionally, the procedures are designed to ensure that retained students receive the supplemental, targeted instruction and support that they require in order to make adequate academic gains in subsequent years.

I. Guiding Principles related to Retention and Promotion

All Rocketship schools are expected to adhere to the guidelines below when making decisions on retention and promotion.

- Students vary considerably in their rate of development. Factors that affect development include chronological age, communication skills, academic ability, social, physical, and emotional maturity, attendance, cognitive ability, etc.
- Some children may benefit from more time in a given grade level, if the curriculum is suited to their needs and they continue to be socially well-adjusted to their peer group.
- School teams must use great care when making recommendations regarding retention in order to ensure the greatest likelihood that it is an effective intervention.
- Educators must consider the academic needs of a child when determining promotion. School leaders will consider a myriad of factors including both absolute performance and growth/progress made on assessments when ascertaining whether or not students are academically prepared to move on to the next grade level.
- As described in Rocketship’s Admissions Policy, schools typically should not make decisions during the enrollment process to allow a new Rocketship student to repeat or skip a grade. Schools are expected to enroll all students in the next consecutive grade level and then assess students objectively as needed.

II. Considerations for Promotion

Students who successfully complete their grade level expectations will be considered for promotion to the next grade level. Successful completion of grade level expectations include scores of Average, High-Average or High on NWEA MAP assessments for reading and math, similar scores demonstrating proficiency on grade level benchmark assessments and/or the state assessments OR demonstration of at least one year's growth on any of the relevant assessments.

Students will be considered for promotion when they consistently attend school and maintain at least a 90% attendance rate and are not truant, as defined in Rocketship’s Attendance and Truancy Policy. Students who participate in special education will be considered for promotion when they demonstrate adequate progress toward their annual IEP goals.

Rocketship will not promote or “advance” students to a higher grade before the end of the school year. Additionally, Rocketship will abide by all state minimum age requirements.

III. Considerations for Retention

Early Identification

Students will be identified as at-risk for retention as early in the school year as is practicably feasible. Parents will be notified no later than mid-school year when a student is identified as being at risk of retention. Parents will participate in the decision-making process when considering retention, as further described below.

Indicators to Review When Considering Retention

The following indicators of academic achievement should be considered when making retention decisions:

- Consistent scores in the bottom quartile of assessments (i.e. state assessments, NWEA, math or ELA benchmarks).
- Failure to make adequate academic progress when compared to peers (i.e. data shows that rate of improvement is considerably less accelerated than class average).
- Failure to make adequate progress towards individual goals after receiving evidence-based interventions, implemented with treatment integrity.
- Severe social or emotional immaturity when compared to peers that causes harm to the student's academic, behavioral, and/or social-emotional development.
- Excessive absences (i.e. more than 20).

These indicators must be evident despite having received interventions before retention should be considered.

Procedures for Retention

Student progress will be monitored using a variety of assessments (NWEA, statewide assessments, benchmark assessments, progress monitoring data, etc.) School staff will notify parents when a student is at risk for retention, Parents should be notified of the at-risk status as early as possible, and, to the extent feasible, no later than 60 calendar days prior to the end of the school year.

If retention is being considered, a Student Study Team (SST) shall be convened consisting of at least a School Leader, the student's classroom teacher, an Individualized Learning Specialist, and the student's parent/guardian.

The SST will consult in accordance with the guiding principles described above and will arrive at a mutually agreed-upon decision. The Principal will have authority over confirmation of final retention decisions.

The parent of the student who is being considered for retention will be provided with objective evidence supporting the retention recommendation using the Retention Recommendation form. Parents must confirm their agreement with the recommendation for retention before the end of the school year in writing, via the Retention Recommendation form. Parents of students being retained in Kindergarten should fill out the [Kindergarten Continuance Agreement Form](#) in addition to the Retention Recommendation form.

Appeals

The Principal must notify parents/guardians in writing of their right to appeal a retention decision. Appeals shall be heard by a designee of the Board of Directors' Academic Affairs Committee, and if appealed again, by the Academic Affairs Committee itself.

Students with IEPs

Decisions regarding promotion and retention for a student with an IEP will be made by the IEP team according to the provisions of the student's IEP, using all available data and in consultation with the student's parent. Students with IEPs are not to be recommended for retention outside of the IEP process.

Retention Intervention Plans

For students who will be retained, the SST will develop an intervention plan which details the supplemental interventions and supports that will be made available to the student using Rocketship’s “Retention Intervention Plan” template.

During the subsequent school year, school leaders are responsible for continuing to monitor the academic progress of all retained students and reconvening the SST to make changes to the intervention plan when necessary.

Documentation

At the end of the school year, the Principal is responsible for maintaining documentation of the following information.

- The student’s name;
- The underlying reason for the retention decision;
- Whether the principal identified the student as at risk of retention;
- Whether the principal provided written notice to the student’s parents within 60 calendar days of the last day of school.

STUDENT DISCIPLINE POLICY

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

Students will be subject to disciplinary action if they engage in prohibited conduct while on school property, when attending any school-sponsored activity, or while in transit going to or coming from a Rocketship campus. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student’s ability to participate in the school program.

Some disciplinary infractions are so serious that they may subject a student to suspension and/or expulsion. A list of these infractions can be found in Rocketship’s Suspension and Expulsion Policy, along with the procedures that Rocketship will take when considering suspension or expulsion of a student. This Policy outlines the Rocketeer Creed that we expect students to follow; expectations for students; examples of prohibited conduct that will subject a student to in-school disciplinary action; and disciplinary actions that Rocketship may take in response to behavioral infractions. It applies to Rocketship schools in all regions.

I. Rocketeer Code of Conduct

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence.
- Adherence to the Rocketship Core Values: Respect, Responsibility, Persistence, Empathy, and the fifth campus-specific Value chosen by each school.
- Adherence to the **Rocketship Creed**:
I am a Rocketship Rocketeer at home, at school, and in my community
I show respect to myself, my neighbors, and the environment
I take responsibility for my learning and actions
I have empathy, supporting others in need
I show initiative by solving the problems I see
And I am persistent in attaining excellence.
Together, we are all Rocketship Rocketeers.

II. Prohibited Conduct

The following conduct is prohibited by Rocketship and may subject a student to in-class disciplinary action.

- Engaging in acts of discrimination, harassment, intimidation, or bullying as defined by Rocketship's Bullying Prevention policy.
- Insubordination (including, but not limited to, refusing to follow directions, refusing to identify oneself to a staff member, running away from a staff member, talking back to a staff member).
- Fighting or engaging in behaviors that threaten the safety of oneself or others.
- Disrupting school activities.
- Playing in the hallways or bathroom.
- Dishonesty/lying to staff members.
- Theft of property.
- Academic dishonesty, including plagiarism or cheating.
- Inciting or attempting to incite others to violence or disruption.
- Aiding or abetting the infliction or attempted infliction of violence on another.
- Committing an obscene act or engaging in habitual profanity or vulgarity.
- Recording or photographing students or staff members without their prior knowledge and consent.
- Using computers for non-school related activities, including viewing or accessing prohibited sites.
- Using cell phones or other personal electronic communication devices on school property, during school hours or during school functions, except when under express permission and supervision of a staff member.
- Trespassing (including being on school grounds while school is not in session, being in unauthorized areas of the building, and use of the bathroom without permission)
- Leaving the classroom, school building, school property, or school activity without permission
- Intentionally altering, falsifying, destroying, or fabricating any official document (including 9-1-1 phone calls and setting off fire alarms).
- Repeatedly violating Rocketship's Dress Code.
- Violating Rocketship Education's Code of Conduct, as described above.

III. In-school Disciplinary Actions

Rocketship relies on proactive, preventive supports to promote positive behavior at school. Rocketship has implemented a Positive Behavior Interventions and Supports (PBIS) framework in all schools. The fundamental purpose of PBIS is to create learning environments that are more consistent, predictable, positive and safe. Key PBIS practices include clearly defined behavioral expectations and consequences, systems for recognizing and reinforcing positive behaviors, data-based decision making, multi-tiered systems of support, and the implementation of core social-emotional learning curricula.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

In the event that Rocketship's PBIS infrastructure and classroom management systems are insufficient to prevent disciplinary infraction, or a disciplinary infraction is serious enough to immediately warrant additional discipline, Rocketship may take alternative in-school disciplinary action. These actions depend on the circumstances of the offense and may include, but are not limited to, the following:

- Sending the student to the Principal's office.
- Excluding the student from classroom activities or privileges through a "time out" or temporary placement in another classroom.
- Calling or writing/emailing the student's parent/guardian.

- Arranging a conference with the student, parent, teacher and/or administrator.
- Implementing an individualized behavior plan for the student.
- Implementing counseling sessions with a designated staff member.
- Sending the student to a peer mediation.
- Requiring that the student complete a reflective essay or assignment.
- Requiring that the student take actions to counteract/ameliorate a problem (i.e. fixing something the student broke).
- Referring the student to a Student Support Team.
- Restricting the student's participation in after-school/extra-curricular activities or field trips.
- Holding the student for detention or additional instructional time during lunch or before/after school.
- Confiscating inappropriate items related to the disciplinary infraction.

Corporal punishment shall not be used as a disciplinary measure against any student. "Corporal punishment" includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, "corporal punishment" does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property. (See also Rocketship's regional Seclusion and Restraint Policy.)

As described above, severe infractions that threaten the safety or health of students, staff or others, may be cause for suspension or expulsion, as outlined in Rocketship's Suspension and Expulsion policy.

IV. In-School Suspension

In-school suspension ("ISS") provides an alternative to out-of-school suspension. ISS allows students to be counted present and provides an in-school opportunity for them to complete and receive credit for class assignments. During ISS, students will complete school work in a location separate from their class. ISS is not intended to be an alternative to or long-term replacement of the student's regularly scheduled class.

ISS may be used in the event that a student is engaging in prohibited conduct that is making the classroom environment physically or emotionally unsafe for other students or that severely disrupts a class or school-sponsored activity;

Only the Principal or Assistant Principal or his/her designee, shall assign a student to ISS. Principals and Assistant Principals must first obtain approval from their supervisor. Students assigned to ISS must have written notification of the date and duration of the ISS assignment. Assignment to ISS and the scheduling of the days assigned are at the Principal's discretion.

Principals should place the student in ISS as soon as possible after the infraction is reported. The principal will ensure that:

- Students assigned to ISS are provided a safe, positive environment
- Students assigned to ISS are properly supervised; and
- Students assigned to ISS are allowed to complete class work assigned during his/her placement in ISS.
- All class work for students is obtained, academic assistance is provided as necessary, and completed work is returned to the student's classroom teacher.
- Activities of academic value are provided for the student when the classroom teacher's work is not provided or is insufficient for ISS time assigned.

Additionally, classroom teachers will:

- Provide classwork commensurate to the work missed for a student in ISS.
- Record a student in ISS as present. There will be no attendance-related penalty for assignment to ISS.
- Evaluate the student's work completed in ISS and give credit for work completed in ISS.
- Ensure that students in ISS receive credit for attendance and full credit for work completed.

The student's parent/guardian must be notified of a student's assignment to ISS at the time that the ISS placement is

scheduled. The Principal should contact a parent/guardian by phone or in-person meeting. If the parent/guardian cannot be reached in this manner, the Principal or his/her designee may make contact through e-mail.

SUSPENSION AND EXPULSION POLICY

When disciplinary infractions occur on campus, our Principals are expected to respond in accordance with our Student Discipline Policy, which encourages positive behavioral interventions and supports and outlines available in-school disciplinary actions. Suspension should only be considered in cases of egregious behavioral infractions – and, even then, should be viewed as a last resort—as we believe that our students are best served when they are present at school every day. Recommendations for expulsion should not be pursued except in the most extreme cases, as our policy is to do whatever it takes to serve every student who enrolls in a Rocketship school.

If a situation does arise where a Principal feels that the student should be suspended or recommended for expulsion, this policy was written to guide the process. The policy has been written in accordance with relevant federal and state laws and regulations. It addresses grounds for suspension and expulsion; suspension and expulsion procedures; the maintenance of disciplinary records; student appeal rights; rehabilitation and readmission; and special procedures for the consideration of suspension and expulsion of students with disabilities.

I. Grounds for Suspension and Expulsion

A student may be disciplined, suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at a Rocketship school or at any other school or a school-sponsored event at any time including but not limited to: while on school grounds; while going to or coming from school; during the lunch period, whether on or off the school campus; and during, going to, or coming from a school-sponsored activity. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

In California, in accordance with EC §48900, a student may be suspended or expelled for any of the following acts when it is determined that the student:

- (1) Caused, attempted to cause, or threatened to cause physical injury to another person or willfully used force of violence upon the person of another, except self-defense.
- (2) Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Principal/Administrator or designee's concurrence.
- (3) Unlawfully possessed, used, sold or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code §§ 11053-11058, alcoholic beverage, or intoxicant of any kind.
- (4) Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code §§ 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.
- (5) Committed or attempted to commit robbery or extortion.
- (6) Caused or attempted to cause damage to school property or private property.

- (7) Stole or attempted to steal school property or private property.
- (8) Possessed or used tobacco or any products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel.
- (9) Committed an obscene act or engaged in habitual profanity or vulgarity.
- (10) Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code § 11014.5.
- (11) Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties. Under Education Code § 48900(k), students in grades K-3 may not be suspended for disruption or willful defiance. No student in grades K-5 may be expelled for willful defiance.
- (12) Knowingly received stolen school property or private property.
- (13) Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
- (14) Committed or attempted to commit a sexual assault as defined in Penal Code §§ 261, 266c, 286, 288, 288a or 289, or committed a sexual battery as defined in Penal Code §243.4.
- (15) Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.
- (16) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
- (17) Engaged in or attempted to engage in hazing of another. For the purposes of this subdivision, "hazing" means a method of initiation or preinitiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this section, "hazing" does not include athletic events or school-sanctioned events.
- (18) Aiding or abetting as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to suspension or expulsion.
- (19) Made terrorist threats against school officials and/or school property. For purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or

property damage in excess of \$1000, with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school property, or the personal property of the person threatened or his or her immediate family.

- (20) Committed sexual harassment, as defined in EC § 212.5. For the purposes of this section, the conduct described in § 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. Under EC § 48900.2, this does not apply to students in grades K-3.
- (21) Caused, attempted to cause, threatened to cause, or participated in an act of hate violence, as defined in subdivision (e) of Section 233 of the Education Code. Under EC § 48900.3, this does not apply to students in grades K-3.
- (22) Intentionally harassed, threatened or intimidated a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading student rights by creating an intimidating or hostile educational environment. Under EC § 48900.4, this does not apply to students in grades K-3.
- (23) Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261 of the Education Code, directed specifically toward a pupil or school personnel.

Alternatives to suspension or expulsion will first be attempted with students who are truant, tardy, or otherwise absent from assigned school activities.

II. Suspension Procedures

A suspension is a temporary dismissal of a student from the regular school program and school-sponsored events for the allotted time assigned by a school administrator. Suspensions can range from one to five school days, depending on the seriousness of the violation. Students are expected to complete all work assigned while they serve their suspension.

Suspensions at Rocketship will adhere to the following procedures:

Conference

When feasible, suspension may be preceded by a conference conducted by the Principal or designee with the student and his/her parent and, whenever practical, the teacher, supervisor, or school employee who referred the student to the Principal. The conference may be omitted if the Principal or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference in an emergency situation, both the parent/guardian and student shall be given the opportunity to conference within two school days.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her and shall be given the opportunity to present his/her version and evidence in his/her defense.

Absent an emergency situation, the conference must occur before the student is sent home on suspension.

No penalties may be imposed on a student for failure of the student's parent/guardian to attend a conference with school officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent or guardian at the conference.

Notice to Parents/Guardians

At the time that the decision is made to suspend a student, the Principal or designee shall make a reasonable effort to contact the student's parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension, the reason for the suspension, the length of the suspension, the student's right to return to school at the end of the suspension, and any conditions for that return (i.e. a return conference with the parent/guardian) and the date of return following suspension. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

A copy of this notice will also be filed in the student's cumulative folder in the school.

Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five consecutive school days per suspension. In calculating days of suspension, days served will not include days when school is not in session for students, including but not limited to school closure days, school holidays, spring break, and summer break. If the student leaves school on the day that the suspension was imposed, this day will be counted as part of the suspension if the student was denied class participation prior to 12 noon of that day. The suspension shall terminate at midnight on the day listed as the last day of the suspension.

Upon a recommendation of expulsion by the Principal or Principal's designee, the student and the student's parent/guardian or representative will be invited to a second conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Principal or designee upon either of the following determinations: (1) the student's presence will be disruptive to the education process; or (2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

Students who are suspended shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension.

III. Authority to Expel

An expulsion is the permanent dismissal of a student from the Rocketship program. If an expulsion is approved, the parent/guardian has the responsibility to place the student in another school.

The full authority of the Rocketship governing Board of Directors ("the Board") to hear and conduct expulsions shall be granted to the Academic Affairs Committee, a committee of the Board. The Academic Affairs Committee shall consist of three board members. The Academic Affairs Committee may expel any student found to have committed an expellable offense as listed in Section II above.

Instead of conducting the hearing itself, the Academic Affairs Committee may appoint an impartial administrative panel of three or more persons, none of whom is a member of the Board or employed on the staff of the school in which the student is enrolled. The Academic Affairs Committee will pre-appoint a panel of at least five certificated Rocketship staff members, each from different Rocketship school sites. Should any of the persons appointed to the panel be employed by the staff of the school in which the student is enrolled, he/she will recuse him/herself from the proceedings.

IV. Expulsion Procedures

Hearing

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 20 school days after the Principal or designee determines that the student has committed an expellable offense, unless the student requests, in writing, that the hearing be postponed.

In the event an administrative panel hears the case, it will, within 10 days of the hearing, make a recommendation to the Academic Affairs Committee for a final decision whether or not to expel. The hearing shall be held in closed session unless the student makes a written request for a public hearing three days prior to the hearing. Written notice of the hearing shall be forwarded to the student and the student's parent/guardian before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

- The date and place of the expulsion hearing;
- A statement of the specific facts, charges and offenses upon which the proposed expulsion is based, along with a summary of the evidence against the student;
- A copy of Rocketship's disciplinary rules which relate to the alleged violation;
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;
- The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- The right to inspect and obtain copies of all documents to be used at the hearing;
- The opportunity to confront and question all witnesses who testify at the hearing;
- The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Rocketship may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of a statement from the victim or witness, which shall be examined only by Rocketship or the hearing officer. Copies of these statements, edited to delete the name and identity of the witness, shall be made available to the student.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel and decision by the Board to expel must be supported by a preponderance of the evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and written declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

The decision of the Administrative Panel shall be in the form of written findings of fact and shall be made within three school days following the conclusion of the hearing.

If the expulsion hearing panel decides not to recommend expulsion, the student shall be returned to his/her educational program or become subject to discipline or suspension in accordance with this policy.

V. Written Notice to Expel

The Principal or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- notice of the specific offense committed by the student and
- notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with Rocketship.

VI. Right to Appeal

The student/family shall have the right to appeal the decision to expel the student from Rocketship directly to the Academic Affairs Committee. If the Academic Affairs Committee made the final decision on the expulsion, the appeal shall go directly to the Executive Committee of the Board. The request to appeal must be made in writing and shall be submitted to the Academic Affairs Committee or Executive Committee within five business days of being made aware of the decision to expel the student. The appeal shall be heard by the Academic Affairs Committee or Executive Committee within 15 days of receipt of the appeal.

VII. Expelled Students/Alternative Education

With the exception of students with disabilities under IDEA, students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within their school district of residence.

VIII. Rehabilitation and Readmission

At the time of the expulsion order, students who are expelled shall be given a rehabilitation plan, to be developed by the Academic Affairs Committee in conjunction with Rocketship staff, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may be reviewed for readmission to a Rocketship school.

The decision to readmit a pupil who has been expelled from a Rocketship school shall be in the sole discretion of the Board following a meeting with the Principal and the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Principal shall make a recommendation to the Board following the meeting regarding his or her determination. The pupil's readmission is also contingent upon RSED's capacity at the time the student seeks readmission.

The decision to admit a pupil who has previously been expelled from another school, school district or charter school shall be in the discretion of the Principal following a meeting with the pupil and guardian or representative to determine whether the pupil poses a threat to others or will be disruptive to the school environment. Where applicable, the Principal may also consider whether the pupil has completed any rehabilitation plan or other improvement measures prescribed by the pupil's previous school. The Principal shall make a recommendation following the meeting regarding his or her determination. The pupil's admission is also contingent upon RSED's capacity at the time the student seeks admission.

IX. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

Services During Suspension

Students with disabilities pursuant to the Individuals with Disabilities Act (“IDEA”) suspended for more than ten school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

Procedural Safeguards/Manifestation Determination

Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, a manifestation determination shall take place. “Change of Placement” includes a recommendation for expulsion, consecutive removal of more than ten school days, or a cumulative removal of more than ten school days in a school year. Rocketship, the parent, and relevant members of the IEP Team shall review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine: (1) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or (2) the conduct in question was the direct result of the local educational agency's failure to implement the IEP.

If Rocketship, the parent, and relevant members of the IEP Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If Rocketship, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team shall:

- (1) Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such child, provided that the school had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- (2) If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- (3) Return the child to the placement from which the child was removed, unless the parent and the school agree to a change of placement as part of the modification of the behavioral intervention plan.

If the school, the parent, and relevant members of the IEP team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP, then the school may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

Due Process Appeals

If the parent of a child with a disability disagrees with any decision regarding a disciplinary change in placement, or the manifestation determination, or the school believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent or school may request an expedited administrative hearing through the regional administrative hearing office.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the school, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45- day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and the school agree otherwise.

Special Circumstances

Rocketship personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than 45 days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- Carries or possesses a weapon, as defined in 18 USC § 930, to or at school, on school premises, or to or at a school function;
- Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- Has inflicted serious bodily injury upon a person while at school, on school premises, or at a school function.

Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP team.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the Rocketship's behavioral policies may assert the procedural safeguards granted under this administrative regulation only if Rocketship had knowledge that the student was disabled before the behavior occurred.

Rocketship shall be deemed to have knowledge that the student had a disability if one of the following conditions exists prior to the behavior at issue:

- The parent of the child expressed concern in writing to supervisory or administrative personnel of Rocketship, or a teacher of the child, that the child is in need of special education and related services;
- The parent of the child requested an evaluation of the child pursuant to §§ 300.300 through 300.311; or
- The teacher of the child, or other Rocketship personnel, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education of the agency or to other supervisory personnel of the agency.

If the school knew or should have known the student had a disability under any of the three circumstances described above, the student may assert any of the disciplinary protections available to IDEA-eligible children with disabilities.

If the school had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline.

The school shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by Rocketship pending the results of the evaluation.

Rocketship shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

DISCRIMINATION, HARASSMENT, INTIMIDATION, AND BULLYING PREVENTION POLICY

Rocketship desires to provide a safe school environment that allows all students equal access and opportunities in our schools' academic and other educational programs, services, and activities. Rocketship prohibits, at any Rocketship school or activity, discrimination, harassment, intimidation, or bullying of any student based on the student's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. School personnel must take immediate steps to intervene when safe to do so when he or she witnesses an act of discrimination, harassment, intimidation or bullying ("DHIB"). This policy shall apply to all acts related to school activity or to school attendance occurring within a Rocketship school. It covers definitions; prohibitions against discrimination, harassment, intimidation, and bullying; free speech protection; duties of school personnel; reporting and investigating complaints; discipline; notification; and bullying prevention efforts.

I. Definitions

“Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.
- Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
- Causing a reasonable pupil to experience substantial interference with his or her academic performance.
- Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

“Cyberbullying” includes the transmission of harassing communications, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

“Electronic act” means the transmission of a communication, including, but not limited to, a message, text, sound, or image, or a post on a social network Internet Web site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer or pager.

“Reasonable pupil” means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

II. Prohibitions Against Discrimination, Harassment, Intimidation, and Bullying

Rocketship prohibits discrimination, harassment, intimidation, and bullying as defined in this policy. This includes discrimination, harassment, intimidation, or bullying of any student based on the student’s actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. Additionally, in accordance with state and federal law, Rocketship will not exclude or deny any student from any educational program or activity because of pregnancy, childbirth, false pregnancy, termination or pregnancy, or recovery therefrom. Rocketship will, as necessary, make reasonable accommodations to a lactating pupil on a school campus.

Additionally, Rocketship will adopt curriculum and instructional methods and materials, and electronic communication policies that promote a safe environment free of discrimination and harassment.

III. Free Speech Protection

This policy shall not be construed to limit pupil rights to free speech as protected by the United States Constitution, the California Constitution, EC §§ 48907 and 48950, and other applicable law.

IV. Duties and Responsibilities of School Employees

If school personnel witness an act of discrimination, harassment, intimidation, or bullying, he or she shall take immediate steps to intervene when safe to do so. (EC § 234.1(b)(1))

V. Reporting and Investigating Complaints

Students, parents or other stakeholders have the option of filing a formal complaint of DHIB through Rocketship’s Uniform Complaint Process or General Complaint Policy. If an individual wishes to file a formal complaint, the school will assist the individual in determining the appropriate type of complaint and accessing the appropriate materials. If a formal complaint is filed, Rocketship will investigate in accordance with the procedures set forth in the applicable complaint policy.

The Principal may also become aware of an alleged incident of DHIB through means other than a formal complaint.

Any employee who has knowledge of DHIB must inform the Principal of the concern as soon as possible. If the Principal becomes aware of a complaint of DHIB through means other than a formal complaint, the Principal shall investigate in accordance with this section:

Prior to the investigation of a complaint of DHIB, the Principal will take steps to ensure the safety of the alleged victim referenced in reported DHIB incident. These steps will be designed to restore a sense of safety to the victim and to protect them from further incidents if necessary. Examples of such steps taken include designating a staff member to serve as that alleged victim's "safe" person, altering the alleged bully/bullies' seating or schedule to reduce access to the alleged victim or creating a safety plan in consultation with the alleged victim. Once an investigation is concluded, further steps will be taken as needed to assure the continued safety of the victim from additional incidents of DHIB or retaliation.

Once a report of DHIB has been received by the school, the following groups will be notified as needed by the Principal so long as, in the absence of legal imperative, the parent or guardian's written consent is obtained prior to notification.

- Parents and guardians: Rocketship will notify the parents or guardians of victims, bullies, and if appropriate, witnesses to an incident of DHIB behavior about the nature of the incident and the procedures and steps in place for responding to it. The school Principal will determine if parents or guardians should be informed prior to or after the investigation of an incident.
- Law enforcement agencies: If Rocketship determines that the reported incident may involve criminal activity or the basis for criminal charges, information about the incident must be conveyed to the appropriate law enforcement authorities. As part of making this determination, the Principal may wish to consult with either a law enforcement officer or legal counsel. Law enforcement shall only be contacted if all other available remedies have been exhausted.

Rocketship will notify these groups of incidents of DHIB only to the extent allowed by law. Notification will be undertaken solely to ensure that services are provided to victims and bullies and to protect victims from further or sustained victimization. Rocketship will make every effort to protect the confidentiality of those who report bullying incidents.

The school Principal is responsible for investigating reports of DHIB. An investigation of an incident will be initiated no more than one day after the Principal receives a report of DHIB and will conclude no later than 30 days after the receipt of such a report. As part of the investigation, the Principal will interview any involved or relevant parties including alleged victims, bullies, witnesses, staff, parents or guardians.

The school Principal will provide confidentiality as far as possible to relevant parties as part of the investigation, and inform all relevant parties that retaliation for reporting acts of DHIB are prohibited. Written records of the investigation process should be maintained. Where necessary, provisions will be made to include the advice of legal counsel.

In investigating an incident of DHIB, the Principal will seek to ensure that the reported incident is one of victimization, a sign of DHIB, rather than of conflict. Thus when investigating a reported incident the Principal will attempt to determine, through interviewing the victim, what mechanisms the victim had and has access to for halting the incident that occurred, and preventing future such instances. If the victim reports a few or no mechanisms for ending the incident or constructively dealing with future instances, that information will serve as compelling, though not conclusive evidence that the reported incident was an incident of DHIB.

The Principal is charged with making determinations as to whether a reported incident constitutes a case of DHIB. These determinations will be made in consideration of the totality of the facts and the circumstances surrounding the incident. If the Principal determines that an incident of DHIB has occurred, they should take response steps to prevent the recurrence of an incident and restore the safety of a victim.

If the Principal determines that additional support is needed to conduct a thorough and equitable investigation, he/she may contact Rocketship's Legal team. If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the Principal or designee also may file a complaint with the Internet site or service to have the material removed.

Rocketship prohibits retaliation against anyone who makes a complaint.

VI. Discipline

Any student who engages in DHIB on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline, which may include suspension or expulsion, in accordance with school policies and regulations.

VII. Notifications

The policy shall be publicized, including information about the manner in which to file a complaint, to pupils, parents, employees, agents of the governing board and the general public. The information shall be translated pursuant to Education Code § 48985. This policy shall be posted in all schools and offices, including staff lounges and pupil meeting rooms. (Education Code §§ 234.1(c) and (d))

VIII. DHIB Prevention

To the extent possible, school strategies shall focus on prevention of DHIB by establishing clear rules for student conduct and strategies to establish a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of school rules related to DHIB, mechanisms available for reporting incidents or threats, and the consequences for perpetrators of DHIB.

The school may provide students with instruction, in the classroom or other educational settings, that promotes effective communication and conflict resolution skills, social skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Immediately following any changes regarding the health or treatment of the student, the parent/guardian must submit an amended Medication Authorization Form to Rocketship. All Medication Authorization Forms must be updated at least annually.

II. Staff Administration of Medication

Pursuant to 5 C.C.R. § 604, medication may be administered to students by Rocketship personnel designated by the Principal, who are legally able and has consented to administer or assist in administering medication to students.

School staff should NOT provide any over-the-counter medications or therapeutic/homeopathic remedies (i.e. cough drops, herbal teas) to students unless the student has

- a note from an authorized health care provider that prescribes the use of the remedy, including the amount or dose to be given, and the method and timing of the administration; AND
- a written statement from a parent/guardian permitting the use of the remedy at the school.

III. Self-Administration of Medication

Under Ed Code § 49423.6 and 5 C.C.R. § 605, Rocketship may allow a student to carry and self-administer medication in accordance with this policy. The medication must be labeled with the following information:

- Name of the student;
- Name of the medication;
- Dosage;
- Time of administration; and
- Duration of medication.

All medications must be in original manufacturer packaging. The labeling must be consistent with the written statement from the authorized health care provider in the Medication Authorization Form.

Rocketship will return any unused, discontinued, or outdated medication to a student's parent/guardian as soon as possible after the course of treatment is completed or the medication reaches its expiration. Any medication that cannot be returned to the student's parent/guardian will be disposed of at the end of the school year in accordance with all applicable laws.

V. Documentation Maintenance of Records

Rocketship will create and maintain a list of students with valid Medication Authorization Forms, including the emergency contact information for each student. Students who are allowed to carry and self-administer medication will be specified in this list. The Principal may distribute the list among appropriate employees or agents.

Rocketship will maintain accurate records of all its employees and agents who are certified to administer medication. Rocketship will also maintain accurate records of all incidents where medication was administered to a student at school. The log will include at least the name of the student; the name of the medication; the medication dose and route; and the time the medication was administered.

If a material or significant deviation from the authorized health care provider's written statement is discovered by Rocketship, notification of the deviation shall be given as quickly as possible to the Director of Schools, the student's parent/guardian, and the student's authorized health care provider.

VI. Emergency Situations

Designated Rocketship personnel will possess valid, up-to-date certifications in first aid and CPR. First aid will be administered whenever possible by trained staff members.

Rocketship personnel who provide life-sustaining emergency medication must receive documented training and maintain current certification in CPR from a recognized source (i.e. American Red Cross or American Heart Association).

School employees with proper training and certification are expected to respond to emergency situations without discrimination. If any student or staff member needs resuscitation, staff shall make every effort to resuscitate him/her. Staff members are prohibited from accepting or following any parental or medical "do not resuscitate" orders. School staff should not be placed in the position of determining whether such orders should be followed, and such advance directives shall not be communicated to staff.

VII. Epinephrine Auto-Injectors

Pursuant to EC § 49414, Rocketship schools in California will stock emergency epinephrine auto-injectors to be used by the school nurse or trained personnel on persons suffering or reasonably believed to be suffering from an

anaphylactic reaction. A school nurse or, if the school does not have a nurse, a volunteer trained in accordance with this policy, may administer an epinephrine auto-injector to a person exhibiting potentially life-threatening symptoms or anaphylaxis at school or at a school activity when a physician is not immediately available. The training provided to school personnel shall be in compliance with the requirements of Ed Code § 49414 and any regulations promulgated thereunder.

Rocketship will store the epinephrine auto-injectors in a secure but accessible, well-marked, unlocked location.

VIII. Asthma Inhalers

Pursuant to Ed Code § 49423.1, students who are required to take, during the regular school day, inhaled asthma medication may be permitted to carry and self-administer the inhaled asthma medication or otherwise be assisted by designated school personnel, provided that Rocketship receives the appropriate written documentation, specified below:

- In order for a student to carry and self-administer prescription inhaled asthma medication, Rocketship shall obtain both (1) a written statement from a physician detailing the name of the medication, method, amount, the time schedules by which the medication is to be taken, and confirming that the student is able to self-administer inhaled asthma medication AND (2) a written statement from the parent/guardian consenting to the self-administration, providing a release for the school nurse or other designated school personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and releasing Rocketship Education and school personnel from civil liability if the self-administering student suffers an adverse reaction by taking the medication pursuant to this policy.

These written statements must be provided at least annually, and more frequently if the medication, dosage, frequency of administration, or reason for administration changes.

IX. Misuse

A student who self-administers medication while at school, at a school-sponsored activity, or while on school-sponsored transportation for a purpose other than his or her own treatment will be subject to disciplinary action in accordance with Rocketship's Student Discipline Policy. Such disciplinary action shall not limit or restrict the access of a student to his or her prescribed medication. Rocketship will promptly notify the student's parent/guardian of any disciplinary action imposed.

HEAD LICE POLICY

Head lice are parasitic insects that are found on the head, eyebrows, and eyelashes of affected people. Head lice are spread through direct contact with the hair of an infested person and are often spread in elementary schools. This policy was created to minimize the potential for head lice outbreaks at Rocketship schools. The policy addresses examination protocols; notices to families; and the process for a student who has been infested to return to school.

I. Examination

If student is suspected of having head lice (i.e. constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household.

II. Sending a Student Home

If a student is positive for live head lice, the student is to be promptly sent home with information to the parents regarding treatment and control measures. Any absences related to head lice will be documented and counted as an excused absence in accordance with Rocketship's [Attendance and Truancy Policy](#).

III. Exposure Notice

If there are two or more students affected in any class, Rocketship will send home an exposure notice with information about head lice to all parents/guardians in that class. Rocketship will maintain the privacy of students identified as having head lice and excluded from attendance.

IV. Returning to School

Rocketship will provide parents/guardians of affected students with instructions on how to conduct post-treatment examinations on their children. Parents/guardians may send their child back to school when they believe that the child's hair is no longer infested with head lice. Parents should not withhold the child from school for any days longer than necessary; typically, no more than three days. Any absences longer than three days require a doctor's note. If the family is unable to obtain a doctor's note, the family should arrange to have a meeting with the school to discuss the length of absence. The school has the discretion to excuse additional days if school staff determine this is necessary. The school nurse or other trained staff members will reexamine the student's hair upon return. If the student shows no trace of lice or nits, the student may return to school.

ROCKETSHIP INTERNET SAFETY POLICY

Students who are found to have violated this policy or any relevant laws will be disciplined in accordance with Rocketship’s Discipline Policy. ‘

Rocketship will cooperate fully with local or federal officials in any investigation related to illegal activities conducted through the school network.

VIII. Liability

Rocketship Education is not responsible for financial obligations arising through the unauthorized use of its Internet system. A student’s parent/guardian can be held financially responsible for any harm to Rocketship’s Internet system arising from a student’s intentional misuse.

PARENT PARTNERSHIP POLICY

Engaged parents are a core pillar of Rocketship’s model and critical to our Rocketeers and their long-term success. By actively being included and involved in our schools and their Rocketeers’ learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship’s model and are positioned to reinforce Rocketship’s core values at home. This policy describes the 30-hour suggested commitment; ways to satisfy hours; monitoring and tracking of hours; and clearance requirements.

I. Thirty Hour Commitment

Rocketship asks that families participate in 30 Parent Partnership Hours each year per family by supporting or participating in various school activities. Participating in Parent Partnership Hours is encouraged, but NOT required. If families do not realize 30 Parent Partnership Hours annually, there is no consequence or penalty.

II. Satisfying Parent Partnership Hours

Parents can satisfy their Partnership Hours through any of the following participation categories:

- Academic achievement (i.e. home visits with teachers/School Leaders, teacher conferences, take-home work to assist a classroom teacher, assisting the Office Manager)
- School community (i.e. attending community meetings, helping at special events)
- Education advocacy (i.e. attending Parent Leadership meetings or school hearings)

Rocketship will ensure that opportunities for Parent Partnership Hours occur both during the school day and after hours or on weekends in order to accommodate the work and personal schedules of our families.

Families may have extended family members (i.e. grandparents, aunts/uncles, cousins, siblings, etc.) participate in the school activities and realize Parent Partnership Hours.

III. Monitoring and Tracking of Hours

Rocketship carefully tracks and monitors Parent Partnership Hours during each school year.

If the parent/family member is satisfying hours through an interaction with a classroom teacher, the teacher is responsible for tracking the time.

If the parent/family member is working at the school office, he/she must sign in with the Office Manager using the school's electronic or paper system.

If the parent/family member is attending a meeting or event (on or off campus), Rocketship will provide a sign-in sheet. The parent/family member must sign in. The school Office Manager will be responsible for inputting the relevant partnership hours.

Rocketship will implement a system to house the partnership data. Each school will provide regular status updates to help families keep abreast of their hours. Parents/families can also request this data from the Office Manager at any time.

IV. Clearance Requirements for Volunteers

The safety of our Rocketeers always comes first. Thus, every parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer, and participation is encouraged only after he or she has cleared a background check. However, other Parent Partnership Hours activities, such as attending community meetings, do not require a background check. For more information, see Rocketship's regional Volunteer Clearance Policy.
