ABOUT ROCKETSHIP

Rocketship Public Schools is a network of public elementary charter schools serving students in under-resourced neighborhoods where access to excellent schools is limited. We believe that truly transformative schools do more than educate students; they empower teachers, engage parents, and inspire communities. Rocketship strives to meet the unique needs of each and every student through a blend of traditional instruction, adaptive technology, targeted tutoring, and enrichment opportunities. Together, we can eliminate the achievement gap in our lifetime.

OUR STORY

In 1999, Father Mateo Sheedy, Pastor of Sacred Heart Parish, created the Juan Diego Scholarship for Santa Clara University. He was surprised to discover that, of the hundreds of children in his parish, none of them met the basic academic requirements that would qualify them to attend their hometown college, or any other top-tier university.

Father Mateo Sheedy reached out to his community and started creating a plan to improve high-quality educational options in Washington Guadalupe, a neighborhood within greater San Jose.

Unfortunately, Father Mateo Sheedy passed away too soon, but his movement lived on. In 2006, his parishioners approached John Danner and Preston Smith—two educational entrepreneurs who were developing a new model for schools in under-resourced neighborhoods. John Danner, a former software engineer, was interested in the ways technology could help personalize education. Preston Smith was a young principal at a promising elementary school in San Jose who recognized the impact that empowered teachers and engaged parents can have on student success.

Rocketship Mateo Sheedy Elementary opened soon after and our students quickly showed strong results in academic achievement. As more families joined the waiting list, we realized the need for even more high quality schools in the San Jose community, and beyond. Parent demand and parent organizing has played a strong role in opening new Rocketship schools all across the country.

Today, Rocketship Public Schools is a non-profit organization that operates all Rocketship schools and is governed by a Board of Directors. There are thirteen Rocketship schools in California, including San Jose, Redwood City, Antioch, and Concord; two in Nashville; two in Milwaukee; and three in Washington, DC.

OUR MISSION

Our mission at Rocketship Public Schools is to eliminate the achievement gap by graduating all students at or above grade level in reading and math. All Rocketeers will learn to take initiative, be respectful, be responsible, show empathy, and be persistent in attaining excellence.

The purpose of schooling is for all students to learn to use their minds and hearts well. Students learn best in schools where they are known well, where expectations are high, support is strong, and where their voices and their parents' voices are valued. The mission of Rocketship is to recognize all of these values and ensure that the students are empowered to learn, lead, and be positive and productive members of their community.

At Rocketship, our goals include the following:

- Students will develop a deep love of learning.
- Rocketship will provide parents with a path for their children to take in order to have the best chance to attend a four-year college.
- Rocketship will encourage our alumni to become leaders in their community.

OUR MODEL

Our model is based on the following three core pillars:

1. **Excellent teachers and leaders create transformational schools.** Rocketship invests deeply in training and development to ensure teachers and leaders have a profound impact on students and communities.
2. **Every child has a unique set of needs.** Rocketship meets these needs by customizing each child's schedule with a combination of traditional instruction, technology and tutoring.
3. **Engaged parents are essential in eliminating the achievement gap.** Rocketship develops parent leaders in our schools and communities to become powerful advocates for their children.

OUR POLICIES

Rocketship maintains a comprehensive set of Board-approved policies, some of which are referenced in this Handbook, that govern our student services and operations. The full text of these policies are all included in our Rocketship Policy Manual, which is available on all school websites. Families may also request a copy at any time from the school's front office.

ADMISSIONS AND ENROLLMENT

Charter schools run independently of local school districts, but they must be approved by a local school board to open.

Charter schools are public schools that are tuition-free and open to any student who wishes to attend. They allow parents, organizations, and communities to restore, reinvent, and re-energize our public school system.

Rocketship will not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student's race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

Please see the Policy Manual for a copy of Rocketship's full Admissions and Enrollment Policy.

CALENDAR AND ATTENDANCE

During Launch, the school may also promote a particular successful student habit, teach a new school management system, discuss progress toward achievement goals, and foster school culture and pride. The whole school, including the staff, may also learn a song or a dance together or celebrate a particular student or classroom's recent accomplishment.

OFFICE HOURS

Our front office opens at 8 am at the start of school and closes 30 minutes after the end of the instructional day.

Regular Day: 8:00 am – 4:00 pm

The front office is closed on the days when students do not have school. These include holidays, staff professional development days, family conference days, winter vacation, and spring break.

ATTENDANCE AND TRUANCY

Tardiness and absences can be detrimental to a student's academic and social progress. Rocketship makes every effort to ensure that students are on time and present every school day. This policy addresses excused and unexcused absences, late arrivals and early departures, and the definitions and consequences of truancy.

I. Excused and Unexcused Absences and Tardies

All students are expected to be on time and present in school every day. A student arriving during the first 30 minutes of school is considered late. That student will be marked late on that day's attendance.

A student arriving to class 30+ minutes after the start of school is considered tardy. That student will be marked tardy on that day's attendance. Tardy students are missing significant portions of the school day.

Proper notification and/or documentation is required for a student’s absence, tardiness, or early dismissal from school to be marked as excused on the student’s attendance record. Such notification must be submitted within **24 hours** of the student’s absence. If Rocketship does not receive verification within this window, the student’s absence will be considered unexcused and cannot be changed.

Excused Absences

The charts below explain the type of notification and/or documentation required to excuse absences, in accordance with Education Code § 48205.

Reason for Absence	Documentation Needed	Other Notes
Illness.	Written notice from parent/guardian (less than three consecutive days).	If a student is out sick for more than two consecutive days, a doctor’s note is required beginning on the third day and beyond.
Health-related appointments/treatments (i.e. medical, dental, optometrical, chiropractic).	Signed note from physician’s office.	
Attending funeral services for a family member.	Written notice from parent/guardian.	Absence may not be more than one day if the service is held in California and not more than three days if the service is held outside of California.
Head lice.	Written documentation of head lice.	Return to school subject to note and inspection under Rocketship’s Head Lice Policy.
Exclusion due to quarantine under the direction of a county or city health officer.	As directed by local health department.	
Immediate family member serving in the armed forces.	Written notice from parent/guardian. For longer absences, additional documentation may be required.	The family member must be an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from, deployment. The length of absence shall be determined at the discretion of the Principal.

Lawful suspension.	Documentation of suspension pursuant to Rocketship Suspension & Expulsion Policy.	
Court appearances.	Documentation from Court.	
Justifiable personal reasons.	Written notice from parent/guardian; additional documentation as determined by Principal.	This includes, but is not limited to, observance of a holiday or religious ceremony and extra-curricular activities approved at the discretion of the Principal. The Principal may require advance approval for justifiable personal reasons that are known about in advance.

Note that the use of Independent Study for extended time away from the classroom is governed by Rocketship’s Independent Study Policy.

Unexcused Absences

Some kinds of absences may not be considered excused, even with proper documentation. These include, but are not limited to, the following: non-documented appointments, sick days with no parent notification of the school, oversleeping, car problems, cutting classes, errands, babysitting, and vacationing outside of scheduled school breaks. The Principal, in consultation with his/her supervisor when necessary, has the discretion to determine whether an absence should be excused or unexcused.

Notifying Parents of Unexcused Absences

Rocketship will make reasonable and diligent attempts to contact with a student’s parent/guardian on the same day and each time a student has an unexcused absence, with daily follow-ups as necessary.

II. Leaving School During the Day

Under no circumstances may a student go home without the permission of a parent or guardian. We expect that parents/guardians will make every effort to schedule appointments after school. However, if an appointment during the school day is unavoidable, the student must bring a signed note from his/her parent/guardian at the beginning of the day that includes the reason for the partial absence, the time of departure from school, and the estimated time of the student’s return to school. If the student has a doctor’s appointment, the student must bring a note from the doctor upon return. Whenever possible, students are expected to return to school after the appointment.

Early departures for reasons that do not directly involve the student (i.e. appointment for another family member) are generally not allowed but may be approved at the discretion of the Principal.

Students who become ill at school must check in at the office and remain at school until the child's parent/guardian arrives or gives permission for the student to leave campus in accordance with Rocketship's Student Release Policy.

If a parent/guardian shows up to take a child home early and it is within 10 minutes of the school's regularly-scheduled dismissal time, the student will not be released early and the parent/guardian will be asked to participate in the regular dismissal process.

III. Vacations

Rocketship builds vacations into its school calendar. Family vacations should be planned around these dates. Students who take additional vacation time are not assured make-up work or credit.

IV. Chronic Absences/Late Arrivals and Truancy

Recurrent Late Arrivals

Recurrent late arrivals may subject families to interventions. After a student accumulates five late arrivals (excused or unexcused), the family will be asked to participate in an Attendance Expectations Meeting at the school. After a student accumulates ten late arrivals (excused or unexcused), the family will be asked to attend a meeting with a School Leader and to sign an attendance contract. The Principal has the discretion to waive the intervention requirement in rare cases, depending on the circumstances. If a parent/legal guardian does not show up or refuses to attend an attendance meeting when ample time has been provided, an intervention plan may still be enacted. A copy of the contract will be sent or delivered to the student's home on file.

Chronic Absenteeism

Chronic absenteeism may also subject families to interventions, at the discretion of the Principal in consultation with other members of the School Leadership team. Students who are chronically absent may also be subject to other consequences, such as missing out on field trip privileges.

"No Shows"

If a student misses 15+ consecutive school days without notifying the school of the reason for the absence, and Rocketship is unable to get in touch with the student's parent/guardian after reasonable and good faith efforts, Rocketship will drop the student from the school's roster and his/her space will be given to a student on the waitlist. For extended absences, Independent Studies may be available and arranged by the principal in accordance with Rocketship's Independent Study Policy and procedures.

If a student fails to show up to school during the entire first week of the instructional school year, and the family does not notify Rocketship in advance, the student may forfeit his/her seat at the school and be placed on the waitlist.

Truancy Procedures for Unexcused Absences and Unexcused Tardies

<p>Truant Student (three unexcused absences and/or unexcused tardies, under EC § 48260(a))</p>	<p>After a student has accumulated three or more unexcused dismissalrivaabsences and/or tardies, Rocketship will notify the student’s parent/guardian that the student is truant and that a failure to compel the student’s attendance at school could result in the parent/guardian being found guilty of an infraction under California law. The notification must include all requirements outlined in EC § 48260.5.</p>
<p>Habitual Truant (student reported as a truant three or more times in one school year, under EC § 48262)</p>	<ul style="list-style-type: none"> • The student’s parent/guardian must attend a meeting at the school. • The student may become subject to a School Attendance Review Board (SARB) under EC § 48263 or a district attorney mediation program under EC § 48263.5 for the purposes of providing intensive guidance to meet the needs of students with school attendance problems <p>Habitual truancy may also result in the risk of retention in accordance with Rocketship’s Attendance and Truancy Policy.</p>
<p>Chronic Truant (unexcused absences constituting 10% or more of the school days in a school year, under EC §48263.6)</p>	<p>Under CA Penal Code § 270.1(a), a parent of a chronic truant who has failed to reasonably supervise and encourage the student’s attendance and who has been offered support services to address the truancy problem, is guilty of a misdemeanor punishable by a fine of up to \$2000 or by imprisonment of up to one year in a county jail.</p> <p>Chronic truancy may also result in the risk of retention in accordance with Rocketship’s Retention and Promotion Policy.</p>

Please note that any student who participates in a Rocketship distance learning program, as arranged by the school, will be required to attend all components of that program in the manner designated by the school and will incur unexcused absences if they do not adhere to the distance learning attendance requirements.

Note that under certain circumstances, independent studies may be available for students who are not able to physically be present in the classroom for a period of time during the academic year. An independent study is an alternative education program designed to teach the knowledge and skills of the core curriculum. Families wishing to enter into an independent study arrangement must first complete all required documentation and be approved by the school Principal. If you are interested in pursuing an Independent Study at any time during the school year, please contact the school Principal to obtain more information about the requirements.

SCHOOL CANCELLATION, LATE START, AND EARLY DISMISSAL

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions. Rocketship recognizes that closing school or shortening the instructional day is disruptive for students, staff, and families and will only make this decision when it is necessary for the safety of our school community. Whenever possible, Rocketship will provide families and staff with advance notice of the decision or possible decision to shorten the instructional day or close school.

Please see the Policy Manual for a copy of Rocketship's full School Closure Policy.

COMMUNICATION

This year, all Rocketship schools will be using a system called Alert Solutions to send messages to families. These messages may include information about upcoming school events, emergency notifications, attendance issues, or other things that the school feels are important for families to be aware of. The messages will be sent via text message, email, or phone calls using the contact information that you provide upon registration. Please contact your child's school if you wish to opt out of receiving such communications.

CAMPUS OPERATIONS AND SECURITY

STUDENT RELEASE

Rocketship will make every effort to ensure that all students get home safely when they leave school each day.

At the beginning of the year, parents/guardians must complete a Walker/Rider Card that they must display when picking up their child (described above). Parents/guardians must also complete

an Emergency Contact Card that includes the names of individuals to be contacted in case of an emergency if attempts to contact the parent/guardian fail.

Parents/guardians may authorize Rocketship to release their child to a relative who is a minor (between the ages of 14-18 years old) by completing the Authorization to Pick Up form *and* a Release to Minor waiver form. A duplicate Dismissal Card with printed authorization for the release to the minor relative must be printed for the minor relative, and the minor relative must bring this authorization each day they will pick up the Rocketeer.

If you need to pick up your student early on any day it **MUST** be an hour or more before the dismissal time.

Please see the Policy Manual for a full copy of Rocketship's Student Release Policy.

LATE PICK-UP

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasional family emergencies may cause a child to be picked up late from school, but consistently failing to pick up students on time is costly to the school, burdensome to the school staff, and disruptive to students' daily routines.

Please see the Policy Manual for a copy of Rocketship's Late Pick-Up Policy.

CAMPUS ACCESS AND VISITORS

Rocketship strives to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. This policy addresses management of the campus access points; prohibitions against loitering; procedures for visitor registration; procedures to follow when arranging for a campus visit; and barring an individual from campus. "Campus" in this policy is defined as the entire indoor and outdoor premises, including the school building(s), sidewalks, parking lots, driveways, playgrounds, and courtyards.

I. Campus Access Points

At all times whenever students are in the building, the front office and all controlled access points to each Rocketship campus will be supervised by a Rocketship staff member. At all times whenever students are in the building, the front office and all controlled access points to each Rocketship campus will be supervised by a Rocketship staff member. Visitors will also be required to undergo an ID check, a registered sex offender check, and adhere to any other security measures (i.e. sign-in/sign-out sheets) that the school has implemented. The school will inform visitors of any specific follow-up that may be required for visitors who are not able to provide proper identification or who are flagged with a sex offender offense.

Ensuring that the front office is manned at all times is a primary responsibility of the school's Office Manager. If the Office Manager is unable to be at the front desk for some reason, he/she is responsible for finding another Rocketship staff member to be present. Individuals who are not Rocketship staff members should NOT be asked to cover the front desk.

All doors leading into school buildings should remain closed and locked at all times and only opened by authorized staff members.

II. Loitering

Parents/guardians and other visitors, including children who are not students at the school, shall not loiter on the school premises, including in the parking lot and outside school buildings. This includes children of staff members who are students at another school. The parking lot shall be used for picking up and dropping off students, and while conducting business.

Parents/guardians and other visitors are expected to leave the campus premises upon the conclusion of any business matters or after dropping their student off at school. If a parent or guardian wishes to visit the school to view the educational program, the visitor must adhere to the following procedures, which have been developed to ensure the safety of students and staff as well as to minimize interruption of the instructional program.

III. Visitor Registration and Passes/Badges

- All visitors (including Rocketship Public Schools regional and national staff members) are required to register with the front office immediately upon entering any school building or grounds at any time that students are in the building. Schools will be required to provide a sign-in sheet for any event held on campus.
- The Principal, or designee, may refuse to register an outsider if he or she has a reasonable basis for concluding that the visitor's presence or acts would disrupt the school, its students, its teachers, or its other employees; would result in damage to property; or would result in the distribution or use of unlawful or controlled substance.
- Visitors in disguise or costume will not be allowed entrance onto campus without prior agreement with the school administration.
- After registering in the front office, visitors who are not Rocketship employees will be issued a Visitor's Pass that they must display at all times while on campus. Rocketship regional/national staff ("Network Support") will receive personal identification badges from the Rocketship Human Resources department. Network Support staff must display their badge on their persons at all time while at a school site. If a Network Support staff member forgets his/her badge, he/ she will need to obtain a Visitor's Pass from the front office.
- All visitors must also sign out when leaving the campus.
- Any visitor may be asked to provide personal identification at any time.
- The Principal or designee may withdraw consent for an individual to be on campus, even if the visitor has a right to be on campus, whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.
- The Principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if he/she reenters the school without following the posted requirements, law enforcement may be notified and he/she may be guilty of a misdemeanor.

IV. Arranging for a Campus Visit

Visits during school hours by non-Network Support or other Rocketship staff members should be arranged with the teacher and Principal (or designee) in advance. Teacher conferences should be arranged by appointment in advance and must be scheduled to take place during non-instructional time. Parent/guardians who want to visit a classroom during school hours should first obtain approval from the classroom teacher and the Principal or designee. Classroom observations should be requested in advance and are approved at the Principal or designee's discretion.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher's and Principal's written permission. Failure to abide by this is a violation of this Policy and may subject a visitor to losing his/her privilege to be on campus in accordance with Section III above.

V. Visitor Conduct

All visitors, regardless of their reason for being on campus, are expected to act in accordance with all Rocketship rules and policies while on the school premises. Visitors are strictly prohibited from having any physical contact with any student for any reason, including touching, grabbing, or holding a student. Visitors are also strictly prohibited from scolding, disciplining, or yelling at any student. If a visitor has a concern about a student's conduct, the visitor should promptly alert a Rocketship staff member.

This policy also applies to conduct during virtual programming (i.e. virtual instruction, events, etc.). Individuals who appear at a virtual event with a Rocketship student and whose conduct violates this policy will receive consequences in accordance with Sections III and VI herein.

VI. Barring Individuals From Campus

Rocketship recognizes that situations could arise where it may become necessary for the Principal and/or the Principal's supervisor to prohibit an individual from entering or remaining on a Rocketship campus. Such situations may include an individual engaging in violence, threats of violence, harassment, or any other behavior that the Principal deems to be disruptive of the learning environment. Such actions will comply with any relevant state law requirements.

Barring is specific to each individual Rocketship campus and its related activities. Principals generally have the authority to bar a disruptive individual, but they must follow Rocketship's internal protocol and comply with all applicable state laws. Principals may not bar an individual beyond his/her particular campus, unless specific authorization is granted by the Director of Schools or the legal department. It is the responsibility of the Business Operations Manager, Office Manager, and school security to:

- Enforce photo identification verification 100% of the time to ensure no barred individuals enter the building.
- Document and maintain procedures for pick-up, drop-off and any documentation related to the barring notice at the front desk.

- Determine, at the time of the incident and in collaboration with the Principals, whether the local police must be contacted.
- Maintain an accurate and current list of individuals who have been issued a barring notice.
- Enforce the barring notice by escorting individuals out of the building and off school grounds in a peaceful, quiet, and orderly fashion.
- Not engage any barred individual off school grounds using combative language, tone, or action.
- Contact the local police department in the event that an individual becomes physically confrontational or refuses to comply with the barring notice.

VII. Refusal to Leave Campus

Anyone who refuses to leave after being asked by the Principal, or who enters the premises (including parking lots, playground, sidewalks, and school building) without proper authorization in accordance with this policy, may become subject to the local criminal laws regarding trespass and unlawful entry.

Further conduct of this nature by the visitor may lead to the School's pursuit of a restraining order against such visitor which would prohibit him/her from coming onto school grounds or attending School activities for any purpose for a statutorily prescribed period.

The Principal or designee may seek the assistance of the police in dealing with or reporting any visitor in violation of this policy.

ELECTRONIC SURVEILLANCE

Video surveillance may be used at Rocketship campuses where deemed necessary. The use of video surveillance at our schools is solely for the purposes of controlling theft, ensuring the safety of Rocketship students and staff, and facilitating the identification of individuals who behave in a disruptive manner or commit a crime. Rocketship will abide by all state laws regarding electronic recording.

Rocketship requests that other than during school events (such as school plays, graduation, and other events open to the Rocketship community) parents and other visitors to campus refrain from taking photographs and or making audio/video recordings of students and staff without first obtaining written consent from the parent of the student. Such photography and audio recording is intrusive and may be in violation of state privacy laws.

FAMILY CUSTODY

Rocketship will make every effort to ensure compliance, on the part of school staff as well as parents/guardians, with legal custody arrangements. This policy addresses custody records; student release to custodial parents; the rights of non-custodial parents; and Rocketship's role in custody disputes.

I. Definitions

For the purposes of this policy, Rocketship will adhere to the following definitions:

“Court Order”: An order issued by a court following a judicial proceeding to determine the custody rights of the parties. A court order will typically state the legal and/or physical custodial rights that the court has granted to each parent.

“Joint Custody”: Both parents have legal and physical custodial rights.

“Legal Custody”: The parent with Legal Custody has the right to make decisions about a child's upbringing. These types of decisions typically involve the child's education, religion, and medical care.

“Noncustodial Parent”: The Noncustodial Parent does not have legal or physical custody of a child.

“Physical Custody”: The right to have physical control of where the child lives and who may care for the child.

II. Custody Records

Rocketship seeks to maintain accurate and updated custody records for all students. It is the responsibility of the parent/guardian of a student to provide the Rocketship Office Manager with accurate and updated court orders involving the custody rights of their children. Updated Court Orders should be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary.

In the absence of a Court Order, Rocketship will assume that separated or divorced parents of a child have Joint Custody.

Without a Court Order or proof of adoption that affirmatively grants custodial rights, step-parents will not be considered to have Physical or Legal Custody of a child. Absent similar evidence, Rocketship will also assume that siblings, aunts/uncles, grandparents, cousins and others do not have Legal or Physical Custody of a child.

III. Student Release

Any parent or guardian who has Physical Custody of a child, or retains specific custody rights granted via a Court Order that extends to after-school hours, may pick the student up from school as well as authorize Rocketship to release the student to any other person; provided that, such arrangements are consistent with the terms of the Court Order. At the beginning of the school year, parents/guardians will be asked to complete an Authorization to Release form.

Please see Rocketship's Student Release Policy for more information. At any time, either parent/guardian that has Physical Custody has the ability to add individuals to the Authorization to Release form.

Rocketship does not have the right to limit the rights of a parent of a Rocketship student without a Court Order. If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a Court Order limiting the other parent's rights.

IV. Rights of Non-Custodial Parents

Inspection of Records

All parents, regardless of custodial rights, have the right to inspect, though not make changes to, copies of their child's educational records, unless a Court Order specifically limits the parent's rights in this regard. (Any inspection of records must be in accordance with Rocketship's FERPA regional Student Records policies.)

School Visitation

Parents without Physical Custody may not remove their children from class or visit them in school without the consent of the parent with the custodial rights or a Court Order.

V. Rocketship's Role in Custody Disputes

It is the policy of Rocketship schools to remain impartial during custody disputes between family members of a Rocketship student. For this reason, Rocketship teachers, administrators, and school staff will refrain from taking any action which may be considered adverse to one parent or family member. These actions include, but are not limited to, writing letters of support for any adversarial proceeding and serving any person with court documents.

Furthermore, Rocketship shall not be responsible for, nor participate in, the monitoring or enforcement of any parental obligations or duties under a court order (i.e. sending a message to remind a parent of his/her designated pick-up days).

The previous paragraph notwithstanding, Rocketship will comply with requirements imposed by the State and local jurisdictions thereof. Rocketship will enforce any certified Court Orders

presented to the school. When presented with a court subpoena or request for information by a public agency, Rocketship teachers, administrators and staff will comply and respond with information of which they have personal knowledge.

Rocketship will not deny a parent of any of their parental rights without being provided a Court Order indicating the State's desire to limit that parent's rights.

VOLUNTEER CLEARANCE

Because Rocketship is deeply committed to ensuring the safety of all students, any parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer and undergo any necessary background check procedures required for the volunteer position. Volunteers must also sign the Volunteer Code of Conduct.

Please see the Policy Manual for a copy of Rocketship's full Volunteer Clearance Policy.

FIELD TRIPS

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end. When applicable, parents who wish to chaperone a field trip must comply with all of Rocketship's volunteer clearance and transportation requirements.

It is important to note that chaperones may not bring along other children (i.e. siblings of students attending the field trip) without advance permission from the supervising principal or assistant principal. Additionally, parents who serve as chaperones on field trips are expected to use the same transportation to and from the field trip as the class that they are chaperoning.

Please see the Policy Manual for a full copy of Rocketship's Field Trip Policy, which includes additional guidelines for chaperones.

SCHOOL MEALS

NOTE: We are currently operating under a special COVID-19 waiver put in place by the USDA which allows all students to receive meals for FREE for the entirety of 2021-2022. However, our school relies on families completing the Free and Reduced Price Meal Application for educational funding throughout the year. Families who qualify for free or reduced price meals may also be able to use their status to access discounts on cable, internet, etc.

Free and Reduced Lunch Forms

Rocketship participates in the National School Lunch Program. All families must either fill out and submit a federal free/reduced lunch (FRL) application or indicate that they do not wish to submit an FRL application during Orientation, the summer before school starts. Families that qualify will get free/reduced pricing for lunch provided by the school after their application has been processed. All families are encouraged to complete the application form in order to include as many eligible students as possible.

Application for Free and Reduced Price Meals

Rocketship participates in the National School Lunch Program and offers meals to families who qualify for free or reduced rates. All families are encouraged to submit an application for free and reduced meals by the first week of school. Families can at any time submit a new application if there is a change in the household income or family household number. Applications can be received in the front office of your school or online at www.mymealtime.com with a student's identification number.

Nondiscrimination Statement

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (AD-3027), found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. Breakfast

Our school participates in universal breakfast, meaning that every student present at school will receive a meal. Studies have shown that students who eat breakfast have more energy, do better in school, and eat healthier throughout the day. Students are *not* required to eat the breakfast provided by the school.

Food Allergies

If your child has a known food allergy or dietary restriction, parents/guardians should let school staff know. In some cases, it may be possible to accommodate a child's dietary needs in Rocketship lunch orders, but a doctor's note will be required. Parents/guardians should work with the school's Business Operations Manager to make arrangements.

Under California law, schools are required to stock emergency epinephrine to be used by trained personnel on anyone suffering or reasonably believed to be suffering from an anaphylactic reaction. For more information, please see the Policy Manual for Rocketship's Medication Administration Policy.

Food Brought From Home

Rocketship partners with our local food vendor to provide our Rocketeers a healthy lunch every day. Students are allowed to bring their own food from home for lunch or snack, but junk food is not allowed on campus.

Foods that are NOT ALLOWED (and may be confiscated):

- Chips & cookies (unless included in a complete lunch, i.e. along with a sandwich, fruits, vegetables, etc.)

- Fast Food
- Soda
- **Peanut butter** (we are a peanut-free campus to maintain safety for Rocketeers with allergies)

Foods that are encouraged:

- Salads
- Carrots
- Celery Sticks
- Apple slices and almond butter
- Fresh fruits and vegetables
- Whole Grains

- Healthy snack packs

Birthday Celebrations:

We understand how important birthdays are for most of our students. We all want to celebrate and make our Rocketeers birthday feel special. We must not forget their academics have to come first.

Here are a few rules in regards to celebrating birthdays:

1. You must give teachers and the office manager **AT LEAST 48 HOUR** notice
2. Celebrations have to be done during their literacy block or the end of the day
3. No balloons, flowers, or stuffed animals are allowed to stay at school
4. Any food brought to the school has to be **store bought, pre-packaged, and individually wrapped, not homemade.**

ACADEMICS

CURRICULUM

Students will be exposed to a well-rounded curriculum that includes reading, writing, English language development, mathematics, science and technology, and social studies. Students will also take Physical Education and enrichment courses in areas such as art, music, theater, or gardening.

The Rocketship curriculum follows all required state performance standards for what students should know and be able to do at each grade level. This includes the Common Core State Standards for English/Language Arts, English Language Development, and Mathematics. Teachers will use regular assessments to measure how well students are progressing toward mastery. Rocketship shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress.) Notwithstanding any other provision of law, a parent's or guardian's written request to school officials to excuse his or her child from any or all parts of the state assessments shall be granted.

We use knowledge about student skills to shape whole class instruction, small group work, and small group tutoring. Using individual student data, instruction can be targeted to better meet individual student needs.

Teachers will give students and parents ongoing feedback about student performance. Teachers will often send work home for parents/guardians to sign, and teachers will contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home. Parents/guardians will also regularly receive progress reports

and report cards. You should feel free to contact any of your child's teachers regarding his/her progress at any time.

STUDENT TECHNOLOGY

Each Rocketship Public School student will be assigned a chromebook for school work. Parents must sign Rocketship's technology agreement ahead of receiving technology stating that they understand that the Chromebook is property of Rocketship and they agree to be responsible stewards. Families are responsible for keeping their Chromebook intact and working while in their care. Students are required to return the Chromebook at the end of the school year.

HOMEWORK

Families and students should expect OLPs as homework starting Week 4 of school.

If students do not complete OLPs at home, they will make up the remaining minutes during the Learning Lab, working toward meeting all goals.

RETENTION, ACCELERATION, AND PROMOTION

Rocketship's instructional model is organized so that each student's learning plan is individualized in order to account for individual differences and promote academic and social growth. Schools will typically allow students to progress to the next grade. Furthermore, we believe that retention should only be used in rare and exceptional circumstances, when the student's family is given notice well in advance and is fully in support of the retention decision.

Please see the Policy Manual for a full copy of Rocketship's Retention and Acceleration Policy.

CHILD FIND ACTIVITIES

Rocketship provides a free, appropriate public education to students with disabilities according to state and federal mandates. To be eligible for special education services, the child must be of school age, need specially designed instruction, and meet eligibility criteria for one or more of the following disabilities as set forth in the Individuals with Disabilities Education Improvement Act (the federal law which outlines legal responsibilities related to special education):

- Autistic-like Behaviors
- Blindness/Visual Impairment
- Deaf Blindness

- Deafness/Hearing Impairment
- Emotional Disturbance
- Intellectual Disability
- Multiple Disabilities
- Orthopedic Impairment
- Other Health Impairment
- Physical Disability
- Specific Learning Disability
- Speech and Language Impairment
- Traumatic Brain Injury

Rocketship has systems in place that assist the school in determining whether a student may have a disability. These include a specific “Child Find” form that is completed by parents upon enrollment in a Rocketship school. This also includes a Student Study Team (SST), or pre-referral, process in which school teams analyze data to identify students who are struggling academically, socially, or behaviorally and develop interventions to support the student. Rocketship has additional evidence-based interventions that are made available to students who require it; these include both differentiated instruction in the classroom and supplemental interventions in the learning lab and classroom. School teams monitor the progress of every child who receives intervention services in order to be able to identify any student who is not responding to interventions. Students who don’t respond adequately to pre-referral interventions are referred for a more intensive level of support, which may include a formal evaluation to determine if the student is eligible to receive special education services as a child with a disability.

If you have a concern regarding your child’s academic or social functioning, contact his or her classroom teacher, or a school leader at your school site.

BEHAVIORAL EXPECTATIONS AND DISCIPLINE

ROCKETEER CODE OF CONDUCT

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence
- Adherence to the Rocketship Core Values: Respect, Responsibility, Persistence, Empathy

- Adherence to the **Rocketship Fuerza Creed:**

*I am a Rocketship Rocketeer at home, at school, and in my community.
I am RESPECTFUL of myself, others, and the environment.
I am RESPONSIBLE for my learning, actions, and achievement.
With GANAS and confidence, I achieve excellence every minute of my day.
I am EMPATHETIC to my world.
I am PERSISTENT in attaining excellence.
Together, we are all Rocketship Rocketeers!*

STUDENT DISCIPLINE

Rocketship promotes positive behavior at school and aims to create learning environments that are more consistent, predictable, positive and safe. We clearly define behavioral expectations and consequences, create systems for recognizing and reinforcing positive behaviors, and provide our students with social-emotional learning.

Students will be subject to disciplinary action if they engage in prohibited conduct while on school property, when attending any school-sponsored activity or while in transit going to or coming from a Rocketship campus. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

If students do not respond to our positive behavior supports or classroom management systems, Rocketship may take alternative in-school disciplinary action.

Please see the Policy Manual for a copy of Rocketship's Student Discipline Policy.

SUSPENSION AND EXPULSION

We believe that our students are best served when they are present at school every day. However, we recognize that situations may occur when a student commits a behavioral offense that is so severe that the student may become subject to suspension or expulsion.

A student may be disciplined, suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at a Rocketship school or at any other school or a

school-sponsored event at any time including but not limited to: while on school grounds; while going to or coming from school; during the lunch period, whether on or off the school campus; and during, going to, or coming from a school-sponsored activity. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

Please see the Policy Manual for a copy of Rocketship's Suspension and Expulsion Policy.

BULLYING PREVENTION

Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. Bullying at Rocketship is strictly prohibited and will not be tolerated. "Bullying" includes discrimination; harassment; intimidation; and bullying based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, or perceived characteristics. In addition, Rocketship prohibits retaliation against people who report incidents of bullying.

Please see the Policy Manual for a copy of Rocketship's Discrimination, Harassment, Intimidation, Bullying and Title IX Policy.

Students may not use any school phone without permission from a teacher. Students will only be allowed to use the school phone in case of emergency or to inform a parent/ guardian regarding a specific need. A teacher must dial the number for students. Students who use a phone without permission from a teacher will be subject to disciplinary procedures.

HEALTH AND SAFETY

MEDICATION ADMINISTRATION

Rocketship is committed to supporting the health of its students and meeting the needs of students with medical conditions, in compliance with state laws and regulations.

Before medication can be kept or administered at Rocketship, a student's parent/guardian must complete and submit a medication authorization form. Parents/guardians should contact the Office Manager for a copy of this form. Rocketship staff will administer all medication in accordance with state law.

Please see the Policy Manual for a copy of Rocketship's full Medication Administration Policy.

IMMUNIZATIONS

To ensure a safe learning environment for all students, Rocketship follows and abides by the health standards set forth by the State of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet California's guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the School.

The California Department of Health requires that all students receive the following immunizations:

- Polio
- Diphtheria, Tetanus, and Pertussis (DTaP, DTP, or DT)
- Measles, Mumps, and Rubella (MMR)
- Hepatitis B
- Varicella (chicken pox)

Vaccinations must be administered according to the schedules and doses required by Department of Health guidelines.

A student who lacks documentation of having received all required vaccine doses may be admitted conditionally if he/she has commenced receiving doses, is not currently due for any doses at the time of admission, and the parent/guardian is notified of the date by which the student must complete all the required immunizations. A student may also be granted conditional admission if he/she has obtained a valid temporary medical exemption and the parent/guardian is notified of

the date by which the student must complete all the required immunizations once the temporary medical exemption terminates.

Under California law, a student will be exempt from the immunization requirements if the parent/guardian files a written statement by a licensed physician stating that the child's physical condition renders immunization unsafe. The statement will indicate the specific nature and probable duration of the medical condition or circumstances for which the physician does not recommend immunization.

Under a new California law, Rocketship will *no longer accept exemptions related to personal beliefs* against immunization. Students who have a letter or affidavit on file as of January 1, 2016, stating beliefs against immunization, will be allowed to remain enrolled until the student enrolls in the next grade span. For the purposes of this policy, "grade spans" are as follows: (1) birth to preschool; (2) kindergarten and grades 1-6, inclusive, including TK; (3) grades 7-12, inclusive.

HEALTH EXAMINATIONS AND SCREENINGS

In accordance with California law, Rocketship requires students to undergo various health examinations and screenings prior to entering or during their time at school.

Health Certificate

All students must provide a certificate approved by the California Department of Health Services documenting that within the prior 18 months, the child has received the appropriate health screening and evaluation services as provided by CA Health and Safety Code § 124040.

Hearing, Dental, and Vision Screenings

In accordance with California law, Rocketship will provide for hearing and vision tests for all students enrolled in its California schools upon initial enrollment and at least every three years thereafter. Our district is partnered with Healthier Kids Foundation to:

- a. provide health screenings (hearing, dental, and vision);
- b. connect parents to appropriate preventative and intervention health services based on the outcome of their child's screening result;
- c. assist parents with enrolling their children into health coverage as needed;
- d. and provide classes that offer the education and tools to live a healthier lifestyle.

A parent/guardian may file a statement, signed and in writing, with the school Principal stating that he/she will not consent to a screening. The student will then be exempt, but Rocketship will inform the parent/guardian if the school suspects a vision or hearing problem based on observation of appearance, behavior, or complaints of the student.

Vision Screenings

Healthier Kids Foundation uses a digital photo optic scan camera to screen children for undetected vision issues. If the screening indicates a potential vision issue, a Healthier Kids Foundation staff member will be assigned to help you. This staff member will walk you through your child's vision screening results in your preferred language and will assist you with using your child's insurance to receive vision care.

Dental Screenings

Healthier Kids Foundation uses licensed dentists to screen children for undetected dental issues and recommend follow-up care. If the screening indicates a dental concern, a Healthier Kids Foundation staff member will be assigned to help you. This staff member will walk you through your child's dental screening result in your preferred language and will assist you with using your child's insurance to receive appropriate treatment.

Hearing Screenings

Healthier Kids Foundation uses the AuDX Pro OAE screening device to screen children for undetected hearing issues. It is a similar system to the one used to screen your child's hearing at birth. If the screening indicates a potential hearing issue, a Healthier Kids Foundation staff member will be assigned to help you. This staff member will walk you through your child's hearing screening result in your preferred language and will assist you with using your child's insurance to receive care.

For more information about Healthier Kids Foundation, please visit www.hkidsf.org or call 408-564-5114.

HEAD LICE

If a student is suspected of having head lice (i.e. constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household. If a student is positive for live head lice, the student is to be sent home at the end of the school day with information to the parents regarding treatment and control measures.

Please see the Policy Manual for a copy of Rocketship's full Head Lice Policy.

EMERGENCY CONTACT CARDS

Over the summer, parent/guardians complete and submit an Emergency Contact/Authorization to Pick-Up Card. This card is kept on file at the school in the Front Office. This card contains the

names and phone numbers of individuals who can be contacted if a child has an emergency and the child's parent/guardian cannot be reached.

SAFETY PLANS

Safety is our first priority. To make sure our staff and students know what to do in case of an emergency, we follow a rigorous calendar of staff trainings, safety team meetings, campus walkthroughs, and safety drills. Every school is equipped with a detailed Health and Safety Plan that contains our emergency response plans, including plans for earthquakes, fire, severe weather, and lockdowns.

Emergencies

In order for us to keep our campus safe during an emergency, we need our families to understand the following:

- In the event of an emergency, we will share information with families via our automated calling system. Please make sure your updated contact information is in our system.
- If there is an incident on or near our campus, please stay at home and wait for instructions from our school leaders. We need the public to stay away while we secure our campus and account for all students. When it is safe to come to the school, you will be contacted.
- After an emergency incident, we may need to change the way we dismiss students. You may be asked to present a photo ID in addition to your child's Walker/Rider card. Please wait for instructions from school leaders before coming to campus.
- If the school campus is not safe, we may need to dismiss students from our secondary (off-campus) evacuation sites. It is important that you know where this secondary evacuation site is located (see above).

Primary and Secondary Evacuation Sites

Our school has two evacuation sites. Our primary evacuation site is located on campus in the parking lot behind Building B and the basketball court. We will use this evacuation site when it is safe to remain on campus.

Our secondary evacuation site is located off campus at Our Lady of Guadalupe (2020 E. San Antonio Street, San Jose, CA - see map below). If there is a disaster at the school site or the campus is unsafe for some reason, we will evacuate to this site. *During an emergency dismissal, we may ask parents to meet us at this secondary evacuation site. Please be familiar with this location so you know where to go in case of an emergency dismissal.*

WEAPONS AND FIREARMS

Rocketship Public Schools prohibits any weapons, imitation firearms or dangerous objects of any kind in school buildings, on school grounds, or at off campus school-related or school sponsored activities.

DRUGS, ALCOHOL, AND TOBACCO

Rocketship Public Schools is committed to maintaining campuses free of alcohol, smoke, and illegal drugs. Do not smoke on campus and do not bring alcohol or illegal substances of any kind to our school. If a student is found in possession of drugs, alcohol, or tobacco products, he/she will be subject to discipline and possible suspension or expulsion under Rocketship's discipline policies.

INTERNET SAFETY

Rocketship uses online education technology to support personalized instruction for all students. Rocketship adheres to the federal requirements and guidelines set forth in the Children's Internet Protection Act (CIPA).

Rocketship's Internet system is limited to educational purposes. Acceptable activities include classroom activities and high-quality research. Rocketship computers are not to be used for entertainment purposes unless specifically authorized by a staff member in accordance with this policy.

Please see the Policy Manual for a copy of Rocketship's Internet Safety Policy.

CHILD ABUSE AND NEGLECT

All school personnel are mandated reporters of suspected abuse and/or neglect. Under California law, mandated reporters must file a report when they have a "reasonable suspicion" of any of the following: physical abuse, sexual abuse (including both sexual assault and sexual exploitation), willful cruelty or unjustified punishment, unlawful corporal punishment or injury, and neglect (including both acts and omissions).

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who fails to report suspected incidents of child abuse or neglect is subject to punishment under California law.

FAMILY INVOLVEMENT

ROCKETSHIP'S COMMITMENT

Rocketship Commitment - At Rocketship, we fully commit to our families and students in the following ways:

- We will create a safe place to learn.
- We will respect the background, culture, and individuality of each child.
- We will communicate regularly with you about your child's progress and special needs.
- We will hold high expectations for all students.

- We will provide your child with the academic base and moral compass they need to be successful through college and the rest of their lives.
- We will provide support to you and your child as you determine the best educational path upon graduating from Rocketship.

PARENTS'/GUARDIANS' COMMITMENT

Parents'/Guardians' Commitment- We fully commit to Rocketship in the following ways:

- We will always help our child in the best way we know how, and we will do whatever it takes for him/her to learn and prepare for college and life by supporting him/her and encouraging him/her to adhere to his/her "commitment to excellence."
- We will make sure our child arrives at school on time every school day.

- We will meet regularly with teachers to discuss our child's progress and support their work to help our child excel.
- We will participate in as many school activities including parent/family meetings, exhibition nights, community meetings, open house nights, conferences, etc. as reasonably possible.
- We will strive to contribute as many partnership hours to the school community as reasonably possible.
- We, not the school, are responsible for the behavior of our child.

PARENT PARTNERSHIP

Engaged parents are a core pillar of Rocketship's model and critical to our Rocketeers and their long-term success. By actively being included and involved in our schools and their Rocketeers' learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship's model and are positioned to reinforce Rocketship's core values at home.

Rocketship asks that families participate in 30 Parent Partnership Hours each year per family by supporting or participating in various school activities. Participating in Parent Partnership Hours is encouraged, but not required. If families do not realize 30 Parent Partnership Hours annually, there is no consequence or penalty.

Please see the Policy Manual for a copy of Rocketship's Parent Partnership Policy.

HOME VISITS

Studies have shown that meaningful family involvement in the education of their children can have dramatic effects on student achievement. Home visits help parents and teachers come together as equal partners to form a trusting relationship centered on student learning, establish goals for the individual child and the parent-teacher relationship, and invest families in the Rocketship community.

Each Rocketship student will receive a home visit from their core classroom teachers during the beginning of each school year. Teachers will reach out to families to schedule the home visit in advance. Home visits typically last for about one hour.

What happens during home visits may vary according to both parent and teacher preference, but typically home visits include:

- Collaborative academic and personal goal-setting for the student
- Discussion of the student's (and the family's) hopes and dreams
- Discussion of the student's interests both inside and outside of the classroom
- Discussion about communication preferences during the school year
- Explanation about Rocketship's policies and procedures that parents have questions about
- Talking about the history of Rocketship and the mission of the network and school
- Conversations about why the family chose Rocketship, how long they have lived in their community, etc.

- Invitation to an upcoming event at the school (i.e. Back to School Night, community meeting)
- Conversation about the teacher's background

Home visits may also include a tour of the house, including the space where the child will do homework; a performance by the student; a shared meal; and show-and-tell of an artifact that is important to the student (i.e. a photo, trophy, favorite shirt).

FAMILY OPPORTUNITIES

We provide many different opportunities for you to stay involved with your child's education. These include (but are not limited to):

- **Mandatory Registration Day.** Before school begins each year, parents will receive an invitation to a Mandatory Registration Day. All parents must attend this event.
- **Conferences.** A parent/guardian must attend conferences to meet with teachers to review student progress report and/or report card.
- **Exhibition Nights.** All parents/guardians should attend the scheduled Exhibition Nights. If you cannot attend, a family representative can attend in your place. During these meetings, parents have the opportunity to see student presentations and discover what their child has learned for the past 9-12 weeks.
- **Community Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Community Meetings. These meetings will help you stay informed regarding your school procedures and policies and become actively involved in further developing the school's mission.
- **Parent/Family Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Parent/Family Meetings to maintain an active role in their child's learning. These meetings are open to the entire family and typically take place on the weekends or on a weeknight.
- **Leadership groups at the school.** This may include a Parent Leadership group, a School Site Council, or other parent groups organized at the school.

NOTIFICATIONS OF RIGHTS AND ASSURANCES

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the School decides to amend the record as requested by the parent or eligible student, the Principal must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

Note that Rocketship will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

5. The right to request that Rocketship not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student to the following parties without obtaining prior written consent of the parents or the eligible student:

1. Rocketship officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Rocketship will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. Rocketship will make a reasonable attempt to notify the parent or eligible student of the request for records at his/her last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, Rocketship will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

5. Organizations conducting certain studies for Rocketship in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non-related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by Rocketship for student and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by Rocketship; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Rocketship with respect to that alleged crime or offense. Rocketship discloses the final results of the disciplinary proceeding regardless of whether Rocketship concluded a violation was committed.

EDUCATION FOR FOSTER YOUTH POLICY - 416.1

The Governing Board of Rocketship Public Schools (“Rocketship,” or “the Charter School”) recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such students to achieve state and charter school academic standards, Rocketship shall provide them with full access to Rocketship’s educational program and implement strategies identified as necessary for the improvement of the academic achievement of foster youth in Rocketship’s local control and accountability plan (LCAP).

I. Definitions

Foster youth means a child who has been removed from his/her home pursuant to California Welfare and Institutions Code section 309, is the subject of a petition filed under Welfare and Institutions Code sections 300 or 602, or has been removed from his/her home and is the subject of a petition filed under Welfare and Institutions Code 300 or 602.

Person holding the right to make educational decisions means a parent, guardian, or responsible person appointed by a court to make educational decisions pursuant to Welfare and Institutions Code sections 361 or 726, or Education Code 56055.

School of origin means the school that the foster youth attended when permanently housed or the school in which he/she was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that the foster youth attended within the immediately preceding 15 months, Rocketship liaison for foster youth, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, shall determine, and in the best interests of the foster youth, the school is the school of origin.

Best interests means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Charter School students.

II. Charter School Liaison

In order to help facilitate the enrollment, placement, and transfer of foster youth to Rocketship, the Governing Board shall designate a Charter School foster youth liaison. The Governing Board designates the following position as Rocketship's liaison for foster youth:

Leydi Cottrill
350 Twin Dolphin Drive, Suite 109
Redwood City, CA 94065 lcottrill@rsed.org

The liaison for foster youth shall:

- Ensure and facilitate the proper educational placement, enrollment in Rocketship, and checkout from Rocketship of students in foster care.
- Ensure proper transfer of credits, records, and grades when students in foster care transfer to or from Rocketship.
- When a student in foster care is enrolling in Rocketship, the Charter School liaison shall contact the school last attended by the student to obtain, within two business days, all academic and other records. When a foster youth is transferring to a new school, the Charter School liaison shall provide the student's records to the new school within two business days of receiving the new school's request.
- When required by law, notify the foster youth's attorney and the appropriate representative of the county child welfare agency of pending expulsion proceedings if the decision to recommend expulsion is a discretionary act under the Charter School's charter; pending proceedings to extend a suspension until an expulsion decision is rendered if the decision to recommend expulsion is a discretionary act under the Charter School's charter; and, a manifestation determination prior to a change in the foster youth's placement, when he/she is a student with a disability under state and federal special education laws.
- As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973.
- As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
- Develop protocols and procedures for creating awareness for Charter School staff, including but not limited to principals, deans, and attendance clerks, of the requirements for the proper enrollment, placement, and transfer of foster youth.
- Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help coordinate services for the Charter School's foster youth.

- Monitor the educational progress of foster youth and provide reports to the Executive Director or designee and the Governing Board based on indicators identified in the Charter School's local control and accountability plan.

This policy does not grant the Charter School liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the child pursuant to Welfare and Institutions Code sections 361 or 726, a surrogate parent, or a foster parent exercising authority under the Education Code. The role of the Charter School liaison is advisory with respect to placement options and determination of the school of origin.

III. Enrollment

A student placed in a licensed children's institution or foster family home shall attend programs operated by Rocketship unless one of the following circumstances applies: (Education Code 48853, 48853.5)

- The student has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency.
- The parent/guardian or other person holding the right to make educational decisions for the student determines that it is in the best interest of the student to be placed in another educational program and submits a written statement to Rocketship indicating that determination and that he/she is aware of the following:
 - The student has a right to attend a regular public school in the least restrictive environment.
 - The alternate educational program is a special education program, if applicable.
 - The decision to unilaterally remove the student from Rocketship and to place him/her in an alternate education program may not be financed by Rocketship.
 - Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent/guardian or other person holding the right to make educational decisions for the student.
- At the initial placement or any subsequent change in placement, the student exercises his/her right to continue in his/her school of origin, as defined above.
 - The student may continue in the school of origin for the duration of the court's jurisdiction.
 - If the court's jurisdiction over a grade K-8 student is terminated prior to the end of a school year, the student may continue in his/her school of origin for the remainder of the academic school year.
 - If the court's jurisdiction is terminated while the student is in high school, the student may continue in his/her school of origin until he/she graduates.
 - If the student is transitioning between school grade levels, he/she shall be allowed to continue in the district of origin in the same attendance area to provide him/her the benefit of matriculating with his/her peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The Charter School liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, recommend that the youth's right to

attend the school of origin be waived and he/she be enrolled in any school that students living in the attendance area of the school district in which the foster youth resides are eligible to attend or in Rocketship consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from his/her school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests.

If the liaison, in consultation with the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the youth would be served by his/her transfer to a school other than the school of origin, the principal or designee of the new school shall immediately enroll the foster youth, consistent with any enrollment procedures if the next school is a charter school. The foster youth shall be immediately enrolled even if he/she:

- Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
- Does not have clothing normally required by the school, such as school uniforms
- Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and medical records, including, but not limited to, immunization records or other documentation.

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the youth has the right to remain in the school of origin pending resolution of the dispute. The dispute shall be resolved in accordance with the existing Charter School dispute resolution process.

IV. Transportation

Rocketship will reach out to the county and/or district to determine whether they have an existing contract or agreement with the relevant agency regarding transportation for foster youth. If such a contract exists and meets the appropriate requirements, Rocketship will join the contract.

If there are no existing and acceptable agreements with other educational entities, Rocketship will work with the local child welfare agency to establish an agreement clarifying operational and financial obligations for any foster children enrolled in the school with transportation needs.

Any agreements should include a process for identifying all the resources, including no-cost and low-cost options such as public transportation; foster parent or other family members who may be willing and able to transport the student; special education services if the student is eligible; and any other public or private transportation resources either agency has at their disposal to provide transportation to the student.

Any additional costs are incurred in providing transportation should be outlined in the agreements and may include: Rocketship shall provide such transportation if the local child welfare agency agrees to reimburse Rocketship for such costs; Rocketship agrees to pay for the cost; or Rocketship and the local child welfare agency agree to share the cost.

V. Effect of Absences on Grades

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances:

- A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date he/she left school.
- A verified court appearance or related court-ordered activity.

VI. Transfer of Coursework and Credits

When a foster youth transfers into Rocketship, Rocketship shall accept and issue full credit for any coursework that the foster youth has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the foster youth to retake the course.

If the foster youth did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that he/she completed at his/her previous school. However, Rocketship may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, Rocketship finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course.

In no event shall Rocketship prevent a foster youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California.

VII. Eligibility for Extracurricular Activities

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

VIII. Complaints of Noncompliance

Complaints of noncompliance with this policy shall be governed by Rocketship's Uniform Complaint Procedures policy.

EDUCATION OF HOMELESS CHILDREN AND YOUTH

The McKinney-Vento Homeless Assistance Act ("the McKinney-Vento Act") is a federal law that ensures educational rights and protections for children and youth experiencing homelessness. (42 U.S.C. 11431 et seq.) This policy is written in compliance with the requirements under the McKinney-Vento Act. It addresses relevant definitions; Rocketship's Designated Homeless Liaison; general assurances regarding the education of homeless children and youth; procedures for identification and reporting; school selection; enrollment and records; transportation rights; and the enrollment dispute resolution process.

I. Definitions

“Homeless children and youth” means children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Living in a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings, such as cars, parks, public spaces, abandoned buildings or substandard housing (for example, condemned buildings or garages), bus or train stations, or other similar settings. In determining whether a housing arrangement may be deemed “substandard, the school may consider whether the setting lacks one of the fundamental utilities such as water, electricity, or heat; is infested with vermin or mold; lacks a basic functional part such as a working kitchen or toilet; presents unreasonable dangers to adults, children, or persons with disabilities. or is otherwise defined as “substandard” under local housing codes.
- Living in motels, hotels, trailer parks (does not include trailers or mobile homes in a mobile home park), or camping grounds due to a lack of alternative adequate accommodations.
- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Living in emergency or transitional shelters.
- Abandoned in hospitals.
- Migratory children who qualify as homeless because they are living in circumstances described above.
- Unaccompanied youth includes a youth not in the physical custody of a parent or guardian.
- A child or unaccompanied youth shall be considered homeless for as long as he/she is in a living situation described above.

II. Designated Homeless Liaisons

The Rocketship Public Schools Homeless Liaison serves Rocketship students in the designated region(s) below.

Leydi Contrill
350 Twin Dolphin Drive, Suite 109
Redwood City, CA 94065
lcontrill@rsed.org
1-877-806-0920 ext. 300

The Homeless Liaison is required to:

- Ensure that homeless children and youth are identified by school personnel and through outreach and coordination with other entities and agencies.
- Ensure that homeless students enroll in, and have full and equal opportunity to succeed in, Rocketship schools.

- Ensure that homeless families, children, and youth have access to and receive educational services for which they are eligible.
- Ensure that homeless families, children, and youth receive referrals to health, dental, mental health, and substance abuse services, housing services, and other appropriate services.
- Ensure that parents and guardians are informed of educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
- Ensure that public notice of the educational rights of homeless students is disseminated where children and youth receive services under the McKinney-Vento Act.
- Ensure that enrollment disputes are mediated in accordance with the dispute resolution provisions.
- Ensure that the parent/guardian of a homeless child or youth, or any unaccompanied youth, is fully informed of all transportation services and is assisted in accessing transportation services, if available and feasible.
- Ensure that school personnel receive professional development and other support.
- Assist unaccompanied youth in placement/enrollment decisions.
- Ensure that unaccompanied youth are immediately enrolled in school pending resolution of disputes that might arise over school enrollment or placement.
- Assist homeless children and youth who do not have immunizations, or immunization or medical records, to obtain necessary immunizations, or immunization or medical records
- Collaborate and coordinate with state coordinators and community and school personnel
- responsible for the provision of education and related services to homeless children and youth.

III. General Assurances

Rocketship provides the following general assurances:

- Homeless children and youth shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way.
- Homeless children and youth shall be provided services comparable to those received by other students in the school, including transportation services, and education programs for which students meet eligibility criteria, such as services provided under Title 1 or similar state and local programs; programs for students with disabilities; programs for students with limited English proficiency; vocational or technical programs; gifted and talented programs; and school nutrition programs.
- Homeless children and youth will have access to district administrative level reservation of funds (set-asides) for serving homeless students.
- Rocketship shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.
- Rocketship shall provide and post notices of the educational rights of homeless children and youth.

IV. Identification and Reporting

Rocketship will include the identification of homeless students and their unique educational needs in its targeted work to raise achievement for all students. Homeless children and youth will be identified through:

- The application process for enrollment (self-identification)
- School personnel recommendations
- Coordinated activities with other entities and agencies

Rocketship will comply with all federal, state, county, and other data collections and reporting requirements regarding homeless children and youth. Materials will be provided for students and parents in a language easily understood by families and students. If students or families are unable to read, additional support should be provided to explain student rights.

V. School Selection

Homeless students have a right to select from the following schools:

- The school he/she attended when permanently housed (School of Origin)
- The school in which he/she was last enrolled (School of Origin)
- The school in the attendance area in which the student currently resides (School of Residency)

A homeless child or youth's right to attend their school of origin extends for the duration of homelessness. If a child or youth becomes permanently housed during the academic year, he/she is entitled to stay in the school of origin for the remainder of the academic year.

VI. Enrollment and Records

Homeless students may be identified at the time of enrollment (through self-reports). As all Rocketship schools are independent charter schools, and therefore schools of choice rather than assigned district schools, placement decisions are based solely on parent request through the application process. In order to provide equal access to its schools, the Rocketship annual student recruitment plan shall include efforts to reach homeless families, children, and youth via free public events, community centers, and local homeless service providers.

Homeless youth will not be discriminated against in the application process. Homeless children and youth will be allowed to apply for enrollment in accordance with current Rocketship enrollment policies even if the parent/guardian is unable to provide the school with the records normally required for enrollment such as previous academic records, birth certificate, medical records, proof of residency, or other documentation. The Rocketship designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the designee shall refer the parent/guardian to the homeless liaison. The liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student.

In the case of an unaccompanied youth, the Designated Homeless Liaison shall assist in the enrollment process. Unaccompanied youth shall be immediately enrolled if space is available even if unable to provide the school with the records normally required for enrollment (as above), and despite lack of parent or legal guardian's supervision or permissions, or "power of attorney" by supervising adult.

In accordance with current Rocketship enrollment policies and state regulations regarding charter schools, if the grade level for which a homeless child or youth has applied has more applicants than spaces available, a random public lottery will take place in order to determine enrollment for the following school year. An "in-district" or "in-county" (depending on the type of school the student has applied to) priority will apply during the lottery to homeless youth who self-identify as homeless during the application process so as to not discriminate against homeless children or youth due to lack of permanent housing. If a homeless child or youth applies for admission after the annual random public lottery, he or she will be placed on the wait list in

the order in which the application was received, even if the application is incomplete at the time of submission.

Any confidential record ordinarily kept by the school, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, of each homeless child or youth will be maintained so that the records are available, in a timely fashion, when a child or youth enters a new school or school district.

Information about a student's living situation that is maintained by Rocketship is part of the student's record, subject to the protections of the Family Educational Rights and Privacy Act (FERPA). In general, FERPA prohibits a school from disclosing personally identifiable information ("PII) from students' educational records without parental consent. One exception to this general consent rule is for information that the school has designated as "directory information," which is information that would not generally be considered harmful or an invasion of privacy if disclosed. However, information regarding a student's living situation is not considered directory information and must be provided the same protections as other non-directory PII.

VII. Transportation

Per the McKinney-Vento Act, Rocketship must provide services to homeless children and youth that are comparable to those received by other students in the school selected, including transportation. In addition, schools must provide transportation for homeless students to and from their school of origin, if feasible.

Rocketship, where feasible, at the request of the parent/guardian and/or in the best interest of the homeless child or youth, shall provide transportation to students experiencing homelessness to ensure the students are able to stay at the Rocketship school of their choice for the duration of their homelessness. Rocketship may work with the youth's district of residence or other agencies to provide transportation services.

VIII. Enrollment Dispute Resolution Process

As required by 42 USC § 11432(g)(1)(C), schools must develop and implement written procedures for the receipt and resolution of complaints alleging violations of law with regards to enrollment and school placement as covered by the McKinney-Vento Act.. The State Coordinator for the Education for Homeless Children and Youth Program will provide technical assistance to interested parties as requested and as necessary.

If a dispute arises over enrollment or school placement:

1. the child or youth must be immediately enrolled in the school requested by the individual or organization submitting the complaint;
2. the parent/guardian of the affected student(s) must be provided a written explanation of the school's decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision;
3. the child, youth, parent, or guardian must be referred to the McKinney-Vento Homeless Education Liaison for the corporation, who shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute; and

4. in the case of an unaccompanied youth, the Homeless Education Liaison shall ensure that the youth is immediately enrolled in school pending resolution of the dispute.

Rocketship Dispute Resolution Process

Disputes may arise between a Rocketship school and a homeless student or homeless parent/guardian regarding, among other things, enrollment or transportation. At such a time, the Homeless Education Liaison immediately becomes involved, and Rocketship must follow a procedure that includes these steps:

1. A student must be allowed to attend or enroll in the school that is challenging the student's right to attend until a final decision is made regarding the dispute. The challenging school must provide transportation and other school services as needed to the student until the dispute is resolved.
2. The dispute resolution process begins at the time a school challenges the right of either a parent or guardian, or in the case of an unaccompanied youth, to enroll a child or youth in school, to continue enrollment in school, or to receive services such as transportation assistance.
3. When Rocketship challenges the enrollment or services of the child or unaccompanied youth, Rocketship must:
 - Provide notice of the challenge to the parent, guardian, or unaccompanied youth, through the Homeless Education, on the day of the challenge.
 - Provide notice of the right to appeal the challenge to the parent, guardian, or unaccompanied youth. This notice must include a form to be completed by the parent, guardian, or unaccompanied youth should he or she decide to appeal Rocketship's decision.
4. The Homeless Education Liaison will provide the parent, guardian, or unaccompanied youth with written notice in clear, easy-to-understand language detailing the dispute resolution process.
5. Rocketship will have three working days to review its initial decision and make a final decision as to the position taken (i.e. whether it will continue to challenge the right of the student to be enrolled). The decision must state all factual information upon which it is based and the legal basis in support thereof.

COMPLAINT PROCESS:

Rocketship values the concerns of our parents, staff, students, and community and takes all concerns and complaints seriously. The following complaint procedure should be employed to ensure that complaints receive full consideration.

I. Use of General Complaint Process

Rocketship's complaint process should be used as follows:

1. to deal with complaints and concerns pertaining to the educational environment, employment arrangements, or interpersonal conflicts;
2. to allege violations of federal or state law, or of the school's charter;

Please note that Rocketship will comply with its Uniform Complaint Procedures ("UCP") when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person's association with a person or group with one or more of the protected characteristics set forth in the UCP that meet the criteria for UCP complaints under state law. For

complaints related to discrimination, bullying, intimidation or harassment, including sexual harassment under Title IX, Rocketship will also follow the process set forth in its Discrimination, Harassment, Intimidation, Bullying, and Title IX Policy. Both this policy and the UCP can be found in the Policy Manual. par

II. Who May File a Complaint

The procedures set forth below may be used by complainants who are employees, students, parents, or visitors.

III. Confidentiality

All documentation and information related to an investigation conducted as a result of a complaint is considered confidential and is not to be revealed or discussed by any participant with persons not involved with the complaint or decision-making process.

IV. Informal Complaints

Because most difficulties can be resolved by communicating a concern to someone, complainants are encouraged to discuss their concern or complaint promptly and candidly with their immediate supervisor, student's teacher, or the school principal. The complainant is not required to discuss his/her complaint with the alleged harasser or perpetrator in any manner or for any reason prior to initiating a formal complaint.

V. Complaint Process Regarding School Site Procedures, Practices, and Policies

Complaints should follow the process outlined below when they wish to file a formal complaint described in Section I above. This process is available to complaints against employees, students, parents, or visitors.

1. Fill out a Complaint Form, available at the school's front office. In the Complaint Form, complainants should describe the nature of the complaint and any steps taken so far to resolve the issue. The Complaint Form should be submitted to the school Principal. Complaint Forms must be submitted within 90 days of encountering the issue that is the subject of the complaint.

3. The Principal will immediately initiate an adequate, reliable, and impartial investigation of the complaint. This will include interviewing witnesses, obtaining any relevant documents, and allowing parties to present evidence. The investigation is considered highly confidential and is not to be revealed or discussed by any participant with persons not directly involved with the decision-making process.
 - The investigation will be concluded within 150 school days of receiving the complaint unless "exceptional circumstances" justify a more expedited response. The amount of time granted for an exceptional circumstance will be determined on an individual case basis.
 - Upon receiving a complaint, the Principal shall also promptly notify the designated Rocketship Regional Director.

3. The Principal will prepare a final report with a recommendation for resolving the complaint. The final report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution, and the reasons for recommendation. The Principal should keep the final report on file and provide a copy of this report to the complainant. The Principal should report any incident found to be discrimination, harassment,

intimidation or bullying based on membership in a protected class, along with the results of the investigation, to compliance@rsed.org within 24 hours of the conclusion of the investigation.

4. If the complainant is not satisfied with the Principal's response, he/she may appeal to the Principal's direct supervisor. All appeals must be in writing and include the reason for appeal. Appeals must be submitted to the appropriate party within 15 school days of receiving the response.
5. The Principal's supervisor will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The supervisor will issue a written resolution within 15 school days of receiving the appeal.
6. If the complainant is not satisfied with the supervisor's resolution, he/she may file a final appeal to a Review Committee to be comprised of one Board member, the Regional Director, and the Chief Operating Officer. The Review Committee will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The Review Committee will issue a written resolution within 15 business days of receiving the appeal. Any decision of the Review Committee shall be final. The Review Committee shall hear appeals in its reasonable discretion.
7. If the original complaint pertains to the school Principal, complainants should begin by filing their complaint with the Principal's direct supervisor as described in Steps 4-5 above. Appeals will go to the review committee as described in Step 6.

VI. Prohibition Against Retaliation

Rocketship will not retaliate against any person who files a complaint in accordance with this policy, or any person who participates in proceedings related to this policy.

In addition, Rocketship will not tolerate any form of retaliation against any person who makes a good faith report or complaint about perceived acts of harassment, discrimination, or concern, or who cooperates in an investigation of harassment, discrimination, or a concern. Any person who is found to be engaging in any kind of retaliation will be subject to appropriate disciplinary action.

VII. Modification

Rocketship may approve modification of the foregoing procedures in a particular case if the modification is for good cause and does not violate the due process rights or the complainant or any policies of Rocketship.

VIII. Contact Information

The contact information for the school principal can be found on the school's website. The school principal shall assist any complainant in obtaining the proper contact information for the principal's supervisor should the complainant wish to pursue an appeal as described in Section V above.

IX. Other Remedies

This complaint process does not bar complainants from filing claims in other forums to the extent permitted by state and federal law.

NONDISCRIMINATION STATEMENT

Rocketship does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

Rocketship adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004.

Rocketship is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. Rocketship prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. Rocketship does not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor or other person with which the Rocketship does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. Rocketship will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

SECTION 504

Rocketship recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of Rocketship Public Schools. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by Rocketship. The parent/guardian of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the school Principal.

A copy of Rocketship's Section 504 policies and procedures are available in the Policy Manual.

TITLE I PARENT INVOLVEMENT

Parent involvement is one of the three pillars of Rocketship Public Schools. We work directly with parents, helping them become leaders at home, in the school, and in their communities. Our commitment to parent engagement is reinforced through our Title I Parent Involvement Policy and our other school-level parent involvement policies, including our School Site Council and English Language Advisory Committee policies and our Parent Partnership Policy. This Parent Involvement Policy was developed in accordance with Education Code §11500 et seq. and AR 6020.

I. Development and Review of Policy

In accordance with AR 6020, Rocketship will take the following actions to engage parents in the joint development and review of its Title I Parent Involvement Policy:

- Gather and disseminate to parents for review the following materials: the Title I Parental Involvement Policy and the Title I school-parent compact. These materials will be disseminated to parents during one of the school's fall community meetings or at fall parent/teacher conferences.
- Written and oral input from parents will be solicited through regularly-scheduled community meetings, parent/teacher conference feedback and regular written communications with parents.

Schools will distribute the Title I policy through the Parent/Student Handbook and/or at community meetings throughout the school year.

I. Involvement of Parents in the Title I Program

AR 6020 and Ed Code §11503 require that parents are involved in the joint development, evaluation, and review of the school's Title I program and plans. To involve parents in the Title I program at Rocketship, the following practices have been established:

- All parents are invited to participate in the annual review of the school's Title I programs. All flyers and notices about the meetings are disseminated by classroom and school newsletters, email, calls and posted on the website. Each year the school holds at least two meetings to review, elaborate, edit, and add goals to school programs and plans. The plan may also be discussed at meetings of the School Site Council.
- Rocketship schools provide the necessary coordination, technical assistance, flexibility, and other support to assist Title I schools in planning and implementing effective parental involvement activities to improve student academic achievement and school Performance. The school will offer monthly community meetings, workshops, and additional activities for parents. The parents will vote at community meetings held either at the end of the school year (for the following year) or at the beginning of the year (for current year) to give input on the content of community meetings and any additional workshops they would like to have. Parents who cannot attend the meetings will be invited to give input through a survey, letter, email or call to their Title I teacher.
- If the schoolwide plan is not satisfactory to the parents of participating children, Rocketship shall submit any parent comments on the plan when the school makes the plan available.
- Rocketship schools involve parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy using the measures described above.
- Rocketship schools provide parents of Title I students with timely information about Title I programs through school and classroom newsletters, parent-teacher home visits, parent- teacher conferences, family events and exhibition nights, and community meetings and leadership training.
- Rocketship schools build the capacity of parent/guardians for strong parent involvement. Each school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. Schools will also provide parent/guardians with assistance on how to monitor their children's progress and work with educators to improve the achievement of their children. The school shall ensure that this information is communicated to parents/guardians in a format and, to the extent practicable,

language that the parent/guardian can understand.

- Rocketship schools provide opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. This happens through community meetings, parent-teacher conferences, home visits, and school and classroom newsletters.
- If requested by parents, and to the extent not covered by any of the above options, Rocketship will provide opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.
- Rocketship Public Schools, with the assistance of its parents, will educate its teachers, school leaders and other school staff how to reach out to, communicate with and value parents as equal partners in their children's education. The school shall inform parents/guardians of the existence of parent resource centers in the state that provide training, information, and support to parent/guardians.

This policy will be updated periodically to meet changing needs of parents and the school. Rocketship shall conduct, with involvement of parents/guardians, an annual evaluation of the content and effectiveness of the parent involvement policy in improving the academic quality of the schools served by Title I.

II. School-Parent Compact

Rocketship distributes to parents of all students a school-parent compact. The compact, which has been jointly developed with parents, has been written in accordance with AR 6020 and outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

III. Building Capacity for Involvement

As described above, Rocketship schools engage Title I parents in meaningful interactions with the school. Our schools support a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices in accordance with AR 6020, which are undertaken during regular community meetings, home visits, parent-teacher conferences, and special school events.

- Rocketship provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children.
- Rocketship provides Title I parents with materials and training to help them work with their children to improve their children's achievement.
- Rocketship educates staff members about the value of parent contributions, and in how to work with parents as equal partners. Rocketship Public Schools has a Parent Leadership team, which is tasked with building parental capacity for leadership and parent involvement.
- Rocketship involves parents of all backgrounds, including those with limited English proficiency, those with disabilities, and parents of migratory students.

- Rocketship coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.

COPPA

Rocketship schools use several computer software applications and web-based services, operated not by schools in our network, but by third-party vendors. We use these tools to provide students with the most effective software and web-based services for learning. In accordance with the Children's Online Privacy Protection Act (COPPA), Rocketship consents to the vendors' collection, use, and disclosure of information obtained directly from students. Rocketship gives this consent on behalf of parents.

Under COPPA, each software provider or website operator is bound to maintain the confidentiality of the information collected, and must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. The law permits schools such as ours to consent to the collection of personal information on behalf of all of its students, thereby eliminating the need for individual parental consent given directly to the web site operator. For more information on COPPA, please visit <http://www.ftc.gov/privacy/coppafaqs.shtm>.

A complete list of the software and services used by RSED, with the privacy policy for each, can be found on our network website at: <https://www.rocketshipschools.org/<link to list of programs>>.

Upon request from Rocketship, vendors must provide the school a description of the types of personal information collected; an opportunity to review a child's personal information and/or have the information deleted; and the opportunity to prevent further use or online collection of a child's personal information.

Parents retain the right to request review of their child's personal information and/or have information deleted. Parents also have the right to opt their child out of participating in educational activities that involve the collection, use, or disclosure of personal information collected from their child.

POLICIES

As referenced throughout this Handbook, Rocketship maintains a robust set of Board-approved policies in its Policy Manual. These policies set forth parameters, requirements, and procedures for Rocketship operations and student services. Each official Rocketship policy is assigned a number upon Board approval, indicated in the parenthesis below. While this handbook serves to notify parents of policies annually, The Policy Manual may be updated throughout the school year as necessary to comply with ongoing legal requirements.

A complete and up-to-date version of the Policy Manual is available to all Rocketship families at [WEBSITE].
