ABOUT ROCKETSHIP

Rocketship Nashville Northeast is part of Rocketship Education, a network of public elementary charter schools serving students in under-resourced neighborhoods where access to excellent schools is limited. We believe that truly transformative schools do more than educate students; they empower teachers, engage parents, and inspire communities. Rocketship strives to meet the unique needs of each and every student through a blend of traditional instruction, adaptive technology, targeted tutoring, and enrichment opportunities. Together, we can eliminate the achievement gap in our lifetime.

OUR STORY

In 1999, Father Mateo Sheedy, Pastor of Sacred Heart Parish, created the Juan Diego Scholarship for Santa Clara University. He was surprised to discover that, of the hundreds of children in his parish, none of them met the basic academic requirements that would qualify them to attend their hometown college, or any other top-tier university.

Father Mateo Sheedy reached out to his community and started creating a plan to improve high-quality educational options in Washington Guadalupe, a neighborhood within greater San Jose. Unfortunately, Father Mateo Sheedy passed away too soon, but his movement lived on. In 2006, his parishioners approached John Danner and Preston Smith—two educational entrepreneurs who were developing a new model for schools in under-resourced neighborhoods. John Danner, a former software engineer, was interested in the ways technology could help personalize education. Preston Smith was a young principal at a promising elementary school in San Jose who recognized the impact that empowered teachers and engaged parents can have on student success.

Rocketship Mateo Sheedy Elementary opened soon after and our students quickly showed strong results in academic achievement. As more families joined the waiting list, we realized the need for even more high quality schools in the San Jose community, and beyond. Parent demand and parent organizing has played a strong role in opening new Rocketship schools all across the country. Today, Rocketship Education is a non-profit organization that operates all Rocketship schools and is governed by a Board of Directors. There are twelve Rocketship schools in California, including San Jose, Redwood City, and Concord; three in Nashville; one in Milwaukee; and two in Washington, DC. Rocketship Nashville Northeast is part of the Metropolitan Nashville Public Schools (MNPS) district in Tennessee.

OUR MISSION

Our mission at Rocketship Education is to eliminate the achievement gap by graduating all students at or above grade level in reading and math. Rocketeers will learn to take initiative, be respectful, be responsible, show empathy, and be persistent in attaining excellence.

The purpose of schooling is for all students to learn to use their minds and hearts well. Students learn best in schools where they are known well, where expectations are high, support is strong, and where their voices and their parents' voices are valued. The mission of Rocketship Nashville Northeast is to recognize all of these values and ensure that the students are empowered to learn, lead, and be positive and productive members of their community.

At Rocketship, our goals include the following:

- Students will develop a deep love of learning.
- Rocketship will provide parents with a path for their children to take in order to have the best chance to attend a four-year college.
- Rocketship will encourage our alumni to become leaders in their community.

OUR MODEL

Our model is based on the following three core pillars:

1. **Excellent teachers and leaders create transformational schools.** Rocketship invests deeply in training and development to ensure teachers and leaders have a profound impact on students and communities.
2. **Every child has a unique set of needs.** Rocketship meets these needs by customizing each child's schedule with a combination of traditional instruction, technology and tutoring.
3. **Engaged parents are essential in eliminating the achievement gap.** Rocketship develops parent leaders in our schools and communities to become powerful advocates for their children.

Instructionally, Rocketship uses what is called an enhanced **rotational school model** where students rotate between literacy and integrated mathematics classrooms and a **Learning Lab**, which is a larger room with computers where students learn by using online programs in math and literacy and also focus on key technology literacy skills like typing. Tutors are present in the Learning Lab to track students' online learning progress and work with small groups of students who are behind grade level. Students also have opportunities to engage with technology in their classrooms.

ADMISSIONS AND ENROLLMENT

Rocketship Nashville Northeast is a charter school. Charter schools run independently of local school districts, but they must be approved by a local school board to open.

Charter schools are public schools that are tuition-free and open to any student who wishes to attend. They allow parents, organizations, and communities to restore, reinvent, and re-energize our public school system.

Rocketship will not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student's race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

Please see the Appendix for a copy of Rocketship's [Admissions and Enrollment Policy](#).

CALENDAR AND ATTENDANCE

SCHOOL SCHEDULE

Kindergarten Schedule Regular Day Schedule: 7:45 a.m. to 4:00 p.m.

After-school programming may be available for some students. Information on afterschool opportunities will be shared with families over the summer and at the beginning of the school year.

LAUNCH

Each Rocketship campus begins the school day with Launch, which is a period of time for the whole school comes together and talk about a school-wide focus. During Launch, the school may also promote a particular successful student habit, teach a new school management system, discuss progress toward achievement goals, and foster school culture and pride. The whole school, including the staff, may also learn a song or a dance together or celebrate a particular student or classroom's recent accomplishment.

OFFICE HOURS

Our front office opens 15 minutes before the start of school and closes 30 minutes after the end of the instructional day.

Regular Day: 7:30 am – 4:30 pm

Minimum Day: 7:30 am – 2:30 pm

The front office is closed on the days when students do not have school. These include holidays, staff professional development days, parent conference days, winter vacation, and spring break.

ATTENDANCE AND TRUANCY

Tardiness and absences can be detrimental to a student's academic and social progress. Rocketship makes every effort to ensure that students are on time and present every school day. In Tennessee, students must attend at least 3.5 hours of the instructional school day to be considered present. Rocketship must receive proper documentation within three days of the student's return or the absence will be considered unexcused. **Students who are chronically absent or truant may become subject to consequences, including (but not limited to) interventions, loss of field trip privileges, and/or retention.**

Please see the Appendix for a copy of Rocketship's [Attendance and Truancy Policy](#).

SCHOOL CANCELLATION, LATE START, AND EARLY DISMISSAL

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions.

Please see the Appendix for a copy of Rocketship’s **School Closure Policy** covers procedures for closing school due to weather conditions and other hazardous conditions; the procedure for notifying families of school closure; policies for salaried and hourly staff members; and implications of school closure on the instructional calendar in each region. Please see the Appendix for a copy of this policy.

CAMPUS OPERATIONS AND SECURITY

ARRIVAL AND DISMISSAL PROCEDURES

Transportation

All parents/guardians are responsible for securing the transportation for of their child to and from school. In addition, parents must provide contact information for any person authorized to pick up their student. Parents/guardians must inform the front office if a child has permission to walk home.

Students will be offered the option to obtain bus service to and from the school. Please contact the Business Operations Manager if you have questions about bus transportation. Our bus protocol is included below.

Drop-Off

Students may be dropped off as early as **7:00 AM**.

1. All cars enter from Lemuel Street. Make sure driver cards are visible on dashboard.
2. Cars enter the driveway and go through parking lot. Cars enter left lane if they need to make eventual left turn onto Dickerson. Cars enter right lane if they need to make eventual right turn onto Dickerson.
3. Cars are placed in "park" as students are escorted from cars (for arrival) or escorted to cars (for dismissal). After signal, cars may slowly exit driveway.
4. Cars in right lane take right onto Rock to make their right turn on Dickerson. Cars in left lane make a left onto Rock and go around to Lemuel to make left onto Dickerson.

If your child is dropped off late after **7:45 AM** they **MUST** go to the front office first and get a pass from the Office Manager or staff member before heading to Launch or class. Students will be marked late in our records if he/she arrives after **7:45 AM**.

If your child arrives 30 minutes after the start of school, your child will be marked tardy. If your child is marked tardy, you may be subject to disciplinary procedures for tardy students. Please see the Attendance and Truancy Policy in this document for more details.

Pick-Up

If you need to pick up your child before **dismissal** for an appointment or any other reason, you will need to report to the school 1 hour before dismissal. If you would like to change your child from a bus rider to a car rider, you must inform the front office by 3:00 pm on regular days and by 1:00 pm on minimal

days or log into the PIKMYKID online application and make the necessary changes. Please note: If a child is changing from car rider to bus rider, the change **may not** be granted until the bus company is given the opportunity to check availability before approving the change. Not all changes will be granted.

Walker/Rider Cards

At the beginning of the school year, parents/guardians are given a **Walker/Rider Card** with the student's name and PikMyKid code. During dismissal, the child's parent/guardian (or other authorized individual) must present this card or their PikMyKid app to school staff to pick up the child. If you lose your

Walker/Rider Card, and can't remember your student's PikMyKid number then authorized individuals will be required to show ID in the front office to obtain a temporary pick pass.

Reminders to Parents/Guardians for Arrival and Dismissal

- Treat all other Rocketship families, students, and staff members with courtesy and respect at all times. Do not take any actions that may endanger the health or safety of anyone on campus. Disruptive, disrespectful and/or unsafe behavior during arrival and dismissal may result in parents/guardians losing privileges to be on the school campus.
- Do not conference with teachers or school leaders during arrival and dismissal time; make an appointment instead.
- Do not let your child out on the sidewalk outside or near our campus. YOU MUST enter our campus and let your child out in the designated drop-off zone.
- With very limited exceptions, animals are not allowed on campus during drop-off or pick-up. If you have an animal in your car, it must remain completely inside the vehicle at all times while on campus.
- Students may only exit cars on the passenger's' side.
- Display your Walker/Rider card or have your PikMyKid numbers ready to give to a staff member when picking up your child.
- Please remember to leave adequate space between cars to avoid collision
- Please DO NOT talk or text on your phone during this time. We need to be able to communicate with you for the safety of the children

Parents who violate school rules or otherwise endanger the health or safety of Rocketship students, staff, or other families during drop-off or pick-up may lose the right to be on campus.

BUS TRANSPORTATION

It is important for all bus riders to accept and acknowledge that transportation services are a privilege which will continue only if the student's behavior on the school bus is reasonable and safe. Our number one transportation priority is to get students to and from school safe and on time. Rocketeers who choose to engage in unacceptable behaviors on a school bus create an unacceptable risk for themselves as well as other students, the bus driver, the motoring public, and pedestrians. The bus driver, working with the Rocketship teachers and Business Operations Manager, is responsible for the safety and discipline of bus riders. The school leaders, teachers, and Business Operations Manager will be available to assist the bus driver to maintain discipline and good order on bus routes through the use of appropriate discipline measures which can include the suspension or permanent removal of bus privileges.

Rocketship asks all parents/guardians to review this protocol, discuss it with your child, and sign a Bus Rider Behavior Contract prior to participating in bus transportation.

Bus Stops

All parents must be at the bus stop **10 minutes** ahead of the scheduled stop time for both AM and PM. For AM pick-up, students are to be out of their cars, standing at the bus stop when the bus arrives. This means that students must be ready to walk onto the bus when the door opens (except during heavy rain). It is imperative that students load on time so that buses arrive at school on time to allow adequate time to eat breakfast.

Alternate Bus Stops

Bus drivers are not permitted to drop students at places which are not on their scheduled bus routes.

Route Assignment

Bus routes are carefully created to maximize ridership. Based on this, students are allowed to ride only the route to which they are assigned. Students are not allowed to transfer from one bus to another due to scheduling issues. Schools will not allow a student to occasionally ride a different route. Students who purposely try to sneak onto another bus may lose their riding privileges. All changes in routes must be made by submitting a change on PikMyKid app.

Parent Bus Protocol for Students

- The safety of every student is Rocketship primary goal while riding a school bus. Accordingly, Rocketship requires parents/guardians of Kinder and 1st grade students to have a Rocketship-issued pick-up form to be shown to the driver every day in the afternoon in order for parents to receive their child from the bus driver or the parent may use the three digit code PikMyKid code in case the parent/guardian does not have the pass. Bus drivers are required by Rocketship to ensure each child is received by the appropriate adult. This is a safety issue and no exceptions will be made.
- Parents/guardians must respect our policy by complying with our Bus Pick-Up Form or Pin policy every day. Parents who disrespect, confront or harass the bus driver for any reason may cause their child to lose bus privileges.
 - If you need help with PikMyKid, please contact the school
 - All changes to transportation need to be submitted to the school through PikMyKid app.
 - If a parent/guardian does not have the proper tag or pin, **the child will be returned to the school.**
- If a parent/guardian is not at the stop on time in the PM, we have instructed the bus drivers to call their Dispatcher to provide the child's name and to continue with the route. The Dispatcher will inform the Campus Bus Coordinator, who, in turn, will attempt to get in contact with the parent to tell them how to pick up their child (i.e., meet the bus at another bus stop or back at the other school).
- It is critical that parents maintain a valid phone number with the school so that parents may be reached in a timely manner.
- If you are not at your child's bus stop at the scheduled time, it will be your responsibility to go to the next stop or last bus stop to catch up to the bus. It is important that parents know their child's entire bus route in order to be able to quickly get to the next or last stop on the route.
- If you are not at one of the remaining scheduled bus stops to receive your child with your bus pick-up form or your four digit code, **the student will be returned to school and:**

- The first time this happens, you will be given a verbal warning and a reminder of the rules by the Business Operations Manager.
- The second time this happens, the child’s bus privileges will be **revoked for one day** starting the next school day.
- The third time this happens, the child’s bus privileges will be **revoked for five days** starting the next school day.
- The fourth time this happens, the child **will lose all bus privileges for the remainder of the school year.**
- 2nd, 3rd and 4th grade Rocketship students who ride the bus with their younger sibling are authorized to take their younger siblings from the bus in the PM, provided they are listed on the bus drivers list.
- This means every day, not just at the beginning of the school year. This is a safety issue and no exceptions will be made.
- To be entered on the list a parent must sign the bus walker waiver for each student walking home (please include all siblings on that waiver).

Student Bus Rules

- Stay seated in assigned seats
- Use positive language
- Follow directions the first time given
- Hands, feet, and objects to yourself at all times
- Show respect to students, the driver, and the bus at all times

Family Bus Rules

- If picking up your student, you must have a bus card or the 3 digit assigned code to tell the driver.
- All parents must be at the bus stop 10 minutes ahead of the scheduled stop time for both AM and PM.
- Use appropriate language and be courteous to the bus driver and other passengers.

STUDENT RELEASE

Rocketship will make every effort to ensure that all students get home safely when they leave school each day. At the beginning of the year, parents/guardians must complete a Walker/Rider Card that they must display when picking up their child (described above). Parents/guardians must also complete an Emergency Contact Card that includes the names of individuals to be contacted in case of an emergency if attempts to contact the parent/guardian fail.

Please see the Appendix for a copy of Rocketship's [Student Release Policy](#).

LATE PICK-UP

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasional family emergencies may cause a child to be picked up late from school, but families that consistently fail to pick up students on time may be subject to interventions and consequences. Please see the Appendix for a copy of Rocketship's [Late Pick-Up Policy](#).

CAMPUS ACCESS AND VISITORS

At Rocketship, we strive to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. At all times during the school day, the front office to each Rocketship campus will be manned by a Rocketship staff member. All visitors must sign in at the front office immediately upon arriving on campus and sign out before leaving. The Principal or designee may withdraw consent for an individual to be on campus whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.

Please see the Appendix for a copy of Rocketship's [Campus Access and Visitor Policy](#).

ELECTRONIC SURVEILLANCE

Electronic surveillance may be used at Rocketship campuses where deemed necessary. The use of electronic surveillance at our schools is solely for the purposes of controlling theft, ensuring the safety of Rocketship students and staff, and facilitating the identification of individuals who behave in a disruptive manner or commit a crime. Rocketship will abide by all state laws regarding electronic recording.

Rocketship requests that other than during designated school events (such as school plays, graduation, and other events open to the Rocketship community) parents and other visitors to campus refrain from taking photographs and or making audio/video recording of students and staff without first obtaining written consent from the parent of the student. In the event that a parent or campus visitor does capture an image of a student, Rocketship requests that the individual refrain from posting any such image to a personal social media account. Such photography and audio recording is intrusive and may be in violation of state privacy laws.

FAMILY CUSTODY

Rocketship will make every effort to ensure compliance, on the part of school staff as well as parents/guardians, with legal custody arrangements. Updated Court Orders should be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary. **Rocketship does not have the right to limit the rights of a parent of a Rocketship student without a Court Order.** If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a Court Order limiting the other parent's rights.

Please see the Appendix for a copy of Rocketship's [Family Custody Policy](#).

VOLUNTEER CLEARANCE

Because Rocketship is deeply committed to ensuring the safety of all students, any parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer and undergo any necessary background check procedures required for the volunteer position. In Tennessee, all prospective volunteers who may interact with students in an unsupervised capacity must undergo a criminal background check in accordance with the procedures outlined in this policy. This includes individuals who plan to volunteer in classrooms on a regular basis and individuals who wish to chaperone a field trip.

Please see the Appendix for a copy of Rocketship's [Volunteer Clearance Policy](#).

FIELD TRIPS

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end. When applicable, parents who wish to chaperone a field trip must comply with all of Rocketship's volunteer clearance and transportation requirements.

Please see the Appendix for a copy of Rocketship's [Field Trip Policy](#).

SCHOOL MEALS

Free and Reduced Lunch Forms

All families must fill out and submit a Metro income verification form during orientation. Since the school participates in the Universal Lunch Program, all children will be allowed to eat lunch at no cost.

Breakfast

Our school participates in universal breakfast, meaning that every student present at school will receive a meal. Studies have shown that students who eat breakfast have more energy, do better in school, and eat healthier throughout the day. Students are *not* required to eat the breakfast provided by the school.

Food Allergies

If your child has a known food allergy or dietary restriction, parents/guardians should let school staff know. In some cases, it may be possible to accommodate a child's dietary needs in Rocketship lunch orders, but a doctor's note will be required. Parents/guardians should work with the school's Business Operations Manager to make arrangements.

Food Brought From Home

Rocketship partners with our local food vendor to provide our Rocketeers a healthy lunch every day. Students are allowed to bring their own food from home for lunch or snack, but junk food is not allowed on campus.

Foods that are NOT ALLOWED (and may be confiscated):

- Chips (unless included in a complete lunch, i.e. along with a sandwich, fruits, vegetables, etc.)

- Takis

Foods that are encouraged:

- Salads

ACADEMICS

CURRICULUM

Students will be exposed to a well-rounded curriculum that includes reading, writing, English language development, mathematics, science and technology, and social studies. Students will also take Physical Education and enrichment courses in areas such as art, music, theater, or gardening.

The Rocketship curriculum follows all required state performance standards for what students should know and be able to do at each grade level. This includes the Common Core State Standards for English/Language Arts, English Language Development, and Mathematics.

Teachers will use regular assessments to measure how well students are progressing toward mastery. Rocketship shall annually administer required state testing to the applicable grades.

We use knowledge about student skills to shape whole class instruction, small group work, and small group tutoring. Using individual student data, instruction can be targeted to better meet individual student needs.

Teachers will give students and parents ongoing feedback about student performance. Teachers will often send work home for parents/guardians to sign, and teachers will contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home. Parents/guardians will also regularly receive progress reports and report cards. You should feel free to contact any of your child's teachers regarding his/her progress at any time.

HOMEWORK

Using time outside of class as a scholar is a college-readiness skill, therefore, parents and students should expect homework each weekday evening. Students who do not complete homework will do so during recess or may be asked to stay after school at Effort Academy. Parents must acknowledge and sign homework on a nightly basis. Reading at least 20 minutes a night is the expectation.

RETENTION AND PROMOTION

Rocketship's instructional model is organized so that each student's learning plan is individualized in order to account for individual differences and promote academic and social growth. Upon a student's enrollment at Rocketship, schools will typically not make decisions to allow a new Rocketship student to

repeat or skip a grade. Schools are expected to enroll all students in the next consecutive grade level and then assess students objectively as needed. Furthermore, believe that retention should only be used in rare and exceptional circumstances, when the student’s family is given notice well in advance and is fully in support of the retention decision.

Please see the Appendix for a copy of Rocketship’s [Retention and Promotion Policy](#).

CHILD FIND ACTIVITIES

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. Rocketship Education provides a free, appropriate public education to students with disabilities according to state and federal mandates. To be eligible for special education services, the child must be of school age, need specially designed instruction, and meet eligibility criteria for one or more of the disabilities as set forth in the Individuals with Disabilities Education Improvement Act.

Rocketship has systems in place that assist the school in determining whether a student may have a disability. These include a specific “Child Find” form that is completed by parents upon enrollment in a Rocketship school. This also includes an Student Study Team (SST), or pre-referral, process in which school teams analyze data to identify students who are struggling academically, socially, or behaviorally and develop interventions to support the student. Rocketship has additional evidence-based interventions that are made available to students who require it; these include both differentiated instruction in the classroom and supplemental interventions in the learning lab and classroom. School teams monitor the progress of every child who receives intervention services in order to be able to identify any student who is not responding to interventions. Students who don’t respond adequately to pre-referral interventions are referred for a more intensive level of support, which may include a formal evaluation to determine if the student is eligible to receive special education services as a child with a disability.

BEHAVIORAL EXPECTATIONS AND DISCIPLINE

ROCKETEER CODE OF CONDUCT

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence

- Adherence to the Rocketship Five **Core Values**: Respect, Responsibility, Persistence, Empathy, and Efficiency.

- Adherence to the **Rocketship Creed**:

I am a Rocketship Rocketeer at home, at school, and in my community

I show respect to myself, my neighbors, and the environment

I take responsibility for my learning and actions

I have empathy, supporting others in need

I show initiative by solving the problems I see

And I am persistent in attaining excellence.

Together, we are all Rocketship Rocketeers.

STUDENT DISCIPLINE

Rocketship promotes positive behavior at school and aims to create learning environments that are more consistent, predictable, positive and safe. We clearly define behavioral expectations and consequences, create systems for recognizing and reinforcing positive behaviors, and provide our students with social-emotional learning.

Students will be subject to disciplinary action if they engage in prohibited conduct while on school property, when attending any school-sponsored activity or while in transit going to or coming from a Rocketship campus. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

If students do not respond to our positive behavior supports or classroom management systems, Rocketship may take alternative in-school disciplinary action. Please see the Appendix for a copy of Rocketship's [Student Discipline Policy](#), which lists conduct that is prohibited at Rocketship schools and that could subject a student to disciplinary action as well as types of action that Rocketship may take.

SUSPENSION AND EXPULSION

We believe that our students are best served when they are present at school every day. However, we recognize that situations may occur when a student commits a behavioral offense that is so severe that the student may become subject to suspension or expulsion.

A student may be disciplined, suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at a Rocketship school or at any other school or a school-sponsored event at any time.

Please see the Appendix for a copy of Rocketship's [Suspension and Expulsion Policy](#), which outlines the offenses that could lead to a student being suspended or expelled from school; procedures that Rocketship will follow in the case of a suspension or a recommendation for expulsion. The policy also outlines special considerations for the suspension or expulsion of a student with disabilities.

BULLYING PREVENTION

Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. Bullying at Rocketship is strictly prohibited and will not be tolerated. "Bullying" includes discrimination; harassment; intimidation; and bullying based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, or perceived characteristics. In addition, Rocketship prohibits retaliation against people who report incidents of bullying. Rocketship will conduct an investigation into any alleged incidents of bullying.

Please see the Appendix for a copy of Rocketship's [Bullying Prevention Policy](#).

STUDENT DRESS CODE

Student uniforms help minimize disruption during the school day, promote respect for oneself and others, and foster school/community spirit.

All students are expected to wear the Rocketship uniform to school every day. The Rocketship uniform consists of a khaki bottom (pants, shorts, dress, skirt, or skorts) and a **plain** purple collared shirt. Rocketeers may choose to wear a long sleeve shirt under their collared shirt, however it must be solid purple or white. All articles of clothing must be clean and without tears or rips. Students are not allowed to wear costume jewelry or any accessories that may cause a distraction to the learning environment.

For shoes, Rocketship Nashville Northeast requires students to wear either plain white, brown, or black shoes or sneakers (soft soled). No lights, wheels, heels or other adornments are allowed.

Students who repeatedly do not come to school in uniform may lose privileges. In addition, Rocketship may contact the student's parent/guardian to discuss the dress code violation. Parents will be contacted in the morning if there is a dress code violation. Parents are required to come and address the violation (e.g. bring a plain purple collared shirt or khaki pants). If a parent for some reason does not fix the dress code violation, the student will be referred to Effort Academy that same school day.

Please see the Appendix for a copy of Rocketship's Student Dress Code.

PERSONAL BELONGINGS

Students are not allowed to have the following items at school:

- Gum
- Soda
- Cell Phones
- Weapons **and toy weapons**
- Gameboys or any other electronic toys
- Playing cards
- Balls and other equipment
- Spinners
- Matches or any flammable item
- Chips, Candy or other junk food

The above items will be confiscated and the parent will be called to pick up.

TELEPHONE USE

Students may not use cell phones or other personal electronic devices during school. Students may not use any school phone without permission from a teacher. Students will only be allowed to use the school phone in case of emergency or to inform a parent/ guardian regarding a specific need. A teacher must dial the number for students. Students who use a phone without permission from a teacher will be subject to disciplinary procedures.

HEALTH AND SAFETY

MEDICATION ADMINISTRATION

Rocketship is committed to supporting the health of its students and meeting the needs of students with medical conditions, in compliance with state laws and regulations.

Before medication can be kept or administered at Rocketship, a student's parent/guardian must complete and submit a medication authorization form. Parents/guardians should contact the Office Manager for a copy of this form. Any medication that will be stored at Rocketship must be in the original manufacturer packaging and appropriately labeled.

Please see the Appendix for a copy of Rocketship's [Medication Administration Policy](#).

IMMUNIZATIONS

To ensure a safe learning environment for all students, Rocketship follows and abides by the health standards set forth by the State of Tennessee. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet Tennessee's guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the School.

The Tennessee Department of Health requires that all students enrolling in Kindergarten, and new enrollees in a Tennessee school in grades other than Kindergarten, receive the following immunizations:

- Diphtheria-Tetanus-Pertussis
- Poliomyelitis: final dose on or after 4th birthday required
- Hepatitis B (HBV)
- Hepatitis A: total of two doses, spaced at least six months apart
- Measles, Mumps, Rubella (two doses of each, usually given together as MMR)
- Varicella (two doses, or history of disease)

Under Tennessee law, a Rocketship student may be exempted from the certification of immunization requirements in Tennessee if:

- An authorized physician indicates that specific vaccines medically exempted because of risk of harm. Other vaccines remain required. The medical reason for the exemption does not need to be provided.
- The student's parent/guardian provides a signed statement, affirmed under the penalties of perjury, that vaccination conflicts with the family's religious tenets or practices.

HEALTH EXAMINATIONS AND SCREENINGS

Under Tennessee laws, students in grades K, 2 and 4 are required to undergo the following screenings at school at least once during the school year:

- Vision
- Hearing
- Blood pressure
- Body Mass Index

Parents/guardians who do not want their children screened for any health concerns have the right to decline a screening. All student health records will be confidential in accordance with federal and state student records laws.

HEAD LICE

If student is suspected of having head lice (i.e. constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household. If a student is positive for live head lice, the student is to be promptly sent home with information to the parents regarding treatment and control measures. In order for students to be readmitted to class they must be clear of all lice and nits. Please see the Appendix for a copy of Rocketship's [Head Lice Policy](#).

EMERGENCY CONTACT CARDS

Over the summer, parent/guardians complete and submit an Emergency Contact/Authorization to Pick-Up Card. This card is kept on file at the school in the Front Office. This card contains the names and phone numbers of individuals who can be contacted if a child has an emergency and the child's parent/guardian cannot be reached.

SAFETY PLANS

Safety is our first priority. To make sure our staff and students know what to do in case of an emergency, we follow a rigorous calendar of staff trainings, safety team meetings, campus walkthroughs, and safety drills. Every school is equipped with a detailed Health and Safety Plan that contains our emergency response plans, including plans for earthquakes, fire, severe weather, and lockdowns.

Primary and Secondary Evacuation Sites

Our school has two evacuation sites. Our primary evacuation site is located on campus on the outdoor basketball court and the parking lot. We will use this evacuation site when it is safe to remain on campus.

Our secondary evacuation site is located off campus at located off campus at on the green lawn in front of ResCare at the intersection of Plum and Rock Streets map below). If there is a disaster at the school site or the campus is unsafe for some reason, we will evacuate to this site. *During an emergency dismissal, we may ask parents to meet us at this secondary evacuation site. Please be familiar with this location so you know where to go in case of an emergency dismissal.*

Emergencies

In order for us to keep our campus safe during an emergency, we need our families to understand the following:

- In the event of an emergency, we will share information with families via our automated calling system. Please make sure your updated contact information is in our system.
- If there is an incident on or near our campus, please stay at home and wait for instructions from our school leaders. We need the public to stay away while we secure our campus and account for all students. When it is safe to come to the school, you will be contacted.
- After an emergency incident, we may need to change the way we dismiss students. You may be asked to present a photo ID in addition to your child's Walker/Rider card. Please wait for instructions from school leaders before coming to campus.
- If the school campus is not safe, we may need to dismiss students from our secondary (off-campus) evacuation sites. It is important that you know where this secondary evacuation site is located (see above).

WEAPONS AND FIREARMS

Rocketship Education prohibits any weapons, imitation firearms or dangerous objects of any kind in school buildings, on school grounds or buses, or at off campus school-related or school sponsored activities.

DRUGS, ALCOHOL, AND TOBACCO

Rocketship Education is committed to maintaining campuses free of alcohol, smoke, and illegal drugs. Do not smoke on campus and do not bring alcohol or illegal substances of any kind to our school. If a student is found in possession of drugs, alcohol, or tobacco products, he/she will be subject to discipline and possible suspension or expulsion under Rocketship's discipline policies.

INTERNET SAFETY

Rocketship uses advanced education technology to support personalized instruction for all students. Rocketship adheres to the federal requirements and guidelines set forth in the Children’s Internet Protection Act (CIPA).

Rocketship’s Internet system is limited to educational purposes. Acceptable activities include classroom activities and high-quality research. Rocketship computers are not to be used for entertainment purposes unless specifically authorized by a staff member in accordance with this policy.

Please see the Appendix for a copy of Rocketship’s [Internet Safety Policy](#).

CHILD ABUSE AND NEGLECT

All school personnel are mandated reporters of suspected abuse and/or neglect. Mandated reporters are required to report suspected child maltreatment immediately when they have reasonable cause to believe that a child who is 17 years of age or younger and known to them in a professional or official capacity has been harmed or is in danger of being harmed – physically, sexually, or through neglect – and that a caregiver either committed the harm or should have taken steps to prevent the child from harm.

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who fails to report suspected incidents of child abuse or neglect is subject to punishment under Tennessee law.

- We will care for school library books and return them within a week for others to use. We will pay for any lost book.

PARENT PARTNERSHIP

Engaged parents are a core pillar of Rocketship’s model and critical to our Rocketeers and their long-term success. By actively being included and involved in our schools and their Rocketeers’ learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship’s model and are positioned to reinforce Rocketship’s core values at home.

Rocketship asks that families participate in 30 Parent Partnership Hours each year per family by supporting or participating in various school activities. Participating in Parent Partnership Hours is encouraged, but NOT required. If families do not realize 30 Parent Partnership Hours annually, there is no consequence or penalty.

Please see the Appendix for a copy of Rocketship’s [Parent Partnership Policy](#).

HOME VISITS

Studies have shown that meaningful parental involvement in the education of their children can have dramatic effects on student achievement. Home visits help parents and teachers come together as equal partners to form a trusting relationship centered on student learning, establish goals for the individual child and the parent-teacher relationship, and invest families in the Rocketship community. Each Rocketship student will receive a home visit from their core classroom teachers during the beginning of each school year. Teachers will reach out to families to schedule the home visit in advance. Home visits typically last for about one hour.

What happens during home visits may vary according to both parent and teacher preference, but typically home visits include:

- Collaborative academic and personal goal-setting for the student
- Discussion of the student's (and the family's) hopes and dreams
- Discussion of the student's interests both inside and outside of the classroom
- Discussion about communication preferences during the school year
- Explanation about Rocketship's policies and procedures that parents have questions about
- Talking about the history of Rocketship and the mission of the network and school
- Conversations about why the family chose Rocketship, how long they have lived in their community, etc.
- Invitation to an upcoming event at the school (i.e. Back to School Night, community meeting)
- Conversation about the teacher's background
-

Home visits may also include a tour of the house, including the space where the child will do homework; a performance by the student; a shared meal; and show-and-tell of an artifact that is important to the student (i.e. a photo, trophy, favorite shirt).

PARENT OPPORTUNITIES ON CAMPUS

We provide many different opportunities for you to stay involved with your child's education. These include (but are not limited to):

- **Orientation.** Before school begins each year, parents will receive an invitation to an orientation. All parents must attend this event.
- **Conferences.** A parent/guardian must attend conferences to meet with teachers to go over student's progress report and/or report card.
- **Exhibition Nights.** All parents/guardians should attend the scheduled Exhibition Nights. If you cannot attend, a family representative can attend in your place. During these meetings, parents have the opportunity to see student presentations and discover what their child has learned for the past 9-12 weeks.
- **Community Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Community Meetings. These meetings will help you stay informed regarding your school procedures and policies and become actively involved in further developing the school's mission.
- **Parent/Family Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Parent/Family Meetings to maintain an active role in their child's learning. These

meetings are open to the entire family and typically take place on the weekends or on a weeknight.

- **Leadership groups at the school.** This may include a Parent Leadership group, a School Site Council, or other parent groups organized at the school.

NOTIFICATIONS OF RIGHTS AND ASSURANCES

FERPA

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- (1) The right to inspect and review the student's education records within 5 days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
- (3) Parents or eligible students who wish to ask the School to amend a record should write the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- (4) The right to provide written consent before the School discloses personally identifiable information (“PII”) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from

education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

- (5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student —

- (1) To other School officials, including teachers, within the educational agency or institution whom the School has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).
- (2) To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
- (3) To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their

authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).

- (4) In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).
- (5) To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7)).
- (6) To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8)).
- (7) To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9)).
- (8) To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10)).
- (9) Information the School has designated as “directory information” under §99.37. (§99.31(a)(11)).

“Directory Information” is information that is generally not considered harmful or an invasion of privacy if released. In its discretion, the School may disclose directory information without a parent’s prior written consent. The School has designated the following information as directory information:

- Student’s name
- Student’s address
- Date and place of birth
- Dates of attendance
- Degrees, honors, and awards received

If you do not want the School to disclose directory information without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment.

EDUCATION OF HOMELESS CHILDREN

The McKinney-Vento Homeless Assistance Act (“the McKinney-Vento Act”) is a federal law that ensures educational rights and protections for children and youth experiencing homelessness. (42 U.S.C. 11431 et seq.) This policy is written in compliance with the requirements under the McKinney-Vento Act.

Definitions

“Homeless children and youth” means children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Living in a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings, such as cars, parks, public spaces, abandoned buildings or substandard housing (for example, condemned buildings or garages), bus or train stations, or other similar settings. In determining whether a housing arrangement may be deemed “substandard, the school may consider whether the setting lacks one of the fundamental utilities such as water, electricity, or heat; is infested with vermin or mold; lacks a basic functional part such as a working kitchen or toilet; presents unreasonable dangers to adults, children, or persons with disabilities. or is otherwise defined as “substandard” under local housing codes.
- Living in motels, hotels, trailer parks (does not include trailers or mobile homes in a mobile home park), or camping grounds due to a lack of alternative adequate accommodations.
- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Living in emergency or transitional shelters.
- Abandoned in hospitals.
- Migratory children who qualify as homeless because they are living in circumstances described above.
- Unaccompanied youth includes a youth not in the physical custody of a parent or guardian.
- A child or unaccompanied youth shall be considered homeless for as long as he/she is in a living situation described above.
-

Designated Homeless Liaison

The Rocketship Education Homeless Liaison serves Rocketship students in all regions.

Current Liaison

Almeta Slater-Rogers
2526 Dickerson Pike
Nashville, TN 37207
arogers@rsed.org
(615) 650-5560

The Homeless Liaison is required to:

- Ensure that homeless children and youth are identified by school personnel and through outreach and coordination with other entities and agencies.
- Ensure that homeless students enroll in, and have full and equal opportunity to succeed in, Rocketship schools.
- Ensure that homeless families, children, and youth have access to and receive educational services for which they are eligible.
- Ensure that homeless families, children, and youth receive referrals to health, dental, mental health, and substance abuse services, housing services, and other appropriate services.
- Ensure that parents and guardians are informed of educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.

- Ensure that public notice of the educational rights of homeless students is disseminated where children and youth receive services under the McKinney-Vento Act.
- Ensure that enrollment disputes are mediated in accordance with the dispute resolution provisions.
- Ensure that the parent/guardian of a homeless child or youth, or any unaccompanied youth, is fully informed of all transportation services and is assisted in accessing transportation services, if available and feasible.
- Ensure that school personnel receive professional development and other support.
- Assist unaccompanied youth in placement/enrollment decisions.
- Ensure that unaccompanied youth are immediately enrolled in school pending resolution of disputes that might arise over school enrollment or placement.
- Assist homeless children and youth who do not have immunizations, or immunization or medical records, to obtain necessary immunizations, or immunization or medical records
- Collaborate and coordinate with state coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youth.

General Assurances

Rocketship provides the following general assurances:

- Homeless children and youth shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way.
- Homeless children and youth shall be provided services comparable to those received by other students in the school, including transportation services, and education programs for which students meet eligibility criteria, such as services provided under Title 1 or similar state and local programs; programs for students with disabilities; programs for students with limited English proficiency; vocational or technical programs; gifted and talented programs; and school nutrition programs.
- Homeless children and youth will have access to district administrative level reservation of funds (set-asides) for serving homeless students.
- Rocketship shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.
- Rocketship shall provide and post notices of the educational rights of homeless children and youth.

Identification and Reporting

Rocketship will include the identification of homeless students and their unique educational needs in its targeted work to raise achievement for all students. Homeless children and youth will be identified through:

- The application process for enrollment (self-identification)
- School personnel recommendations
- Coordinated activities with other entities and agencies

Rocketship will comply with all federal, state, county, and other data collections and reporting requirements regarding homeless children and youth. Materials will be provided for students and

parents in a language easily understood by families and students. If students or families are unable to read, additional support should be provided to explain student rights.

School Selection

Homeless students have a right to select from the following schools:

- The school he/she attended when permanently housed (School of Origin)
- The school in which he/she was last enrolled (School of Origin)
- The school in the attendance area in which the student currently resides (School of Residency)

A homeless child or youth's right to attend their school of origin extends for the duration of homelessness. If a child or youth becomes permanently housed during the academic year, he/she is entitled to stay in the school of origin for the remainder of the academic year.

Enrollment and Records

Homeless students may be identified at the time of enrollment (through self-reports). As all Rocketship schools are independent charter schools, and therefore schools of choice rather than assigned district schools, placement decisions are based solely on parent request through the application process. In order to provide equal access to its schools, the Rocketship annual student recruitment plan shall include efforts to reach homeless families, children, and youth via free public events, community centers, and local homeless service providers.

Homeless youth will not be discriminated against in the application process. Homeless children and youth will be allowed to apply for enrollment in accordance with current Rocketship enrollment policies even if the parent/guardian is unable to provide the school with the records normally required for enrollment such as previous academic records, birth certificate, medical records, proof of residency, or other documentation. The Rocketship designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the designee shall refer the parent/guardian to the homeless liaison. The liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student.

In the case of an unaccompanied youth, the Designated Homeless Liaison shall assist in the enrollment process. Unaccompanied youth shall be immediately enrolled if space is available even if unable to provide the school with the records normally required for enrollment (as above), and despite lack of parent or legal guardian's supervision or permissions, or "power of attorney" by supervising adult. In accordance with current Rocketship enrollment policies and state regulations regarding charter schools, if the grade level for which a homeless child or youth has applied has more applicants than spaces available, a random public lottery will take place in order to determine enrollment for the following school year. An "in-district" or "in-county" (depending on the type of school the student has applied to) priority will apply during the lottery to homeless youth who self-identify as homeless during the application process so as to not discriminate against homeless children or youth due to lack of permanent housing. If a homeless child or youth applies for admission after the annual random public lottery, he or she will be placed on the wait list in the order in which the application was received, even if the application is incomplete at the time of submission.

Any confidential record ordinarily kept by the school, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, of each homeless child or youth will be maintained so that the records are available, in a timely fashion, when a child or youth enters a new school or school district.

Information about a student's living situation that is maintained by Rocketship is part of the student's record, subject to the protections of the Family Educational Rights and Privacy Act (FERPA). In general, FERPA prohibits a school from disclosing personally identifiable information ("PII) from students' educational records without parental consent. One exception to this general consent rule is for information that the school has designated as "directory information," which is information that would not generally be considered harmful or an invasion of privacy if disclosed. However, information regarding a student's living situation is not considered directory information and must be provided the same protections as other non-directory PII.

Transportation

Per the McKinney-Vento Act, Rocketship must provide services to homeless children and youth that are comparable to those received by other students in the school selected, including transportation. In addition, schools must provide transportation for homeless students to and from their school of origin, if feasible.

Rocketship, where feasible, at the request of the parent/guardian and/or in the best interest of the homeless child or youth, shall provide transportation to students experiencing homelessness to ensure the students are able to stay at the Rocketship school of their choice for the duration of their homelessness. Rocketship may work with the youth's district of residence or other agencies to provide transportation services.

Enrollment Dispute Resolution Process

As required by 42 USC § 11432(g)(1)(C), schools must develop and implement written procedures for the receipt and resolution of complaints alleging violations of law with regards to enrollment and school placement as covered by the McKinney-Vento Act. The State Coordinator for the Education for Homeless Children and Youth Program will provide technical assistance to interested parties as requested and as necessary.

If a dispute arises over enrollment or school placement:

- the child or youth must be immediately enrolled in the school requested by the individual or organization submitting the complaint;
- the parent/guardian of the affected student(s) must be provided a written explanation of the school's decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision;
- the child, youth, parent, or guardian must be referred to the McKinney-Vento Homeless Education Liaison for the corporation, who shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute; and
- in the case of an unaccompanied youth, the Homeless Education Liaison shall ensure that the youth is immediately enrolled in school pending resolution of the dispute.

Rocketship Dispute Resolution Process

Disputes may arise between a Rocketship school and a homeless student or homeless parent/guardian regarding, among other things, enrollment or transportation. At such a time, the Homeless Education Liaison immediately becomes involved, and Rocketship must follow a procedure that includes these steps:

- (1) A student must be allowed to attend or enroll in the school that is challenging the student's right to attend until a final decision is made regarding the dispute. The challenging school must provide transportation and other school services as needed to the student until the dispute is resolved.
- (2) The dispute resolution process begins at the time a school challenges the right of either a parent or guardian, or in the case of an unaccompanied youth, to enroll a child or youth in school, to continue enrollment in school, or to receive services such as transportation assistance.
- (3) When Rocketship challenges the enrollment or services of the child or unaccompanied youth, Rocketship must:
 - Provide notice of the challenge to the parent, guardian, or unaccompanied youth, through the Homeless Education, on the day of the challenge.
 - Provide notice of the right to appeal the challenge to the parent, guardian, or unaccompanied youth. This notice must include a form to be completed by the parent, guardian, or unaccompanied youth should he or she decide to appeal Rocketship's decision.
- (4) The Homeless Education Liaison will provide the parent, guardian, or unaccompanied youth with written notice in clear, easy-to-understand language detailing the dispute resolution process.
- (5) Rocketship will have three working days to review its initial decision and make a final decision as to the position taken (i.e. whether it will continue to challenge the right of the student to be enrolled). The decision must state all factual information upon which it is based and the legal basis in support thereof.

COMPLAINT PROCESS

Rocketship values the concerns of our parents, staff, students, and community and takes all concerns and complaints seriously. The following complaint procedure should be employed to ensure that complaints receive full consideration.

I. Use of Complaint Process

Rocketship's complaint process should be used as follows:

- (1) to deal with complaints and concerns pertaining to the educational environment, employment arrangements, or interpersonal conflicts;
- (2) to allege violations of federal or state law, or of the school's charter;

- (3) to resolve complaints of discrimination and harassment based upon race, color, national origin, sex, disability, age, religion, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, political affiliation, source of income, or membership in another protected class arising under federal or state law.

II. Who May File a Complaint

The procedures set forth below may be used by complainants who are employees, students, parents, or visitors.

III. Confidentiality

All documentation and information related to an investigation conducted as a result of a complaint is considered confidential and is not to be revealed or discussed by any participant with persons not involved with the complaint or decision-making process.

IV. Informal Complaints

Because most difficulties can be resolved by communicating a concern to someone, complainants are encouraged to discuss their concern or complaint promptly and candidly with their immediate supervisor, student's teacher, or the school principal. The complainant is not required to discuss his/her complaint with the alleged harasser or perpetrator in any manner or for any reason prior to initiating a formal complaint.

V. Complaint Process Regarding School Site Procedures, Practices, and Policies

Complaints should follow the process outlined below when they wish to file a formal complaint pertaining to items (1) and (2) described in Section I above. This process is available to complaints against employees, students, parents, or visitors.

- (1) Fill out a Complaint Form, available at the school's front office. In the Complaint Form, complainants should describe the nature of the complaint and any steps taken so far to resolve the issue. The Complaint Form should be submitted to the school Principal. Complaint Forms must be submitted within 90 days of encountering the issue that is the subject of the complaint.
- (2) The Principal will timely initiate an adequate, reliable, and impartial investigation of the complaint. This will include interviewing witnesses, obtaining any relevant documents, and allowing parties to present evidence. All documentation related to the investigation is considered highly confidential and is not to be revealed or discussed by any participant with persons not directly involved with the complaint or decision-making process.

The investigation will be concluded within 10 school days of receiving the complaint unless "exceptional circumstances" justify a more expedited response. The amount of time granted for an exceptional circumstance will be determined on an individual case basis.

- (3) The Principal will prepare a final report with a recommendation for resolving the complaint. The final report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution, and the reasons for recommendation.
- (4) If the complainant is not satisfied with the Principal's response, he/she may appeal to the Principal's direct supervisor. All appeals must be in writing and include the reason for appeal. Appeals must be submitted to the appropriate party within 10 school days of receiving the response.
- (5) The Principal's supervisor will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The supervisor will issue a written resolution within 10 days of receiving the appeal.
- (6) If the complainant is not satisfied with the supervisor's resolution, he/she may file a final appeal with the Vice President of Schools. The Vice President of Schools will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The Vice President of Schools will issue a written resolution within 10 days of receiving the appeal.

If the original complaint pertains to the school Principal, complainants should begin by filing their complaint with the Principal's direct supervisor as described in Steps 4-5 above. Appeals will go to the Vice President of Schools as described in Step 6.

- (7) If the complainant is not satisfied with the resolution of the Vice President of Schools, the complainant may appeal to the Metropolitan Nashville Public Schools (MNPS) Office of Charter and Private Schools (OCPS), as the Chartering Authority. Note that appeals to MNPS are limited to alleged violations of applicable laws or the charter agreement between MNPS and Rocketship and that it is at the discretion of OCPS whether it entertains the appeal.

VI. Complaint Process Regarding Discrimination and Harassment

In the event that an informal resolution is not successful, complainants should follow the process outlined below if they wish to file a formal complaint pertaining to item (3) described in Section I above (i.e. discrimination or harassment based on membership in a protected class). This process is available to complaints against employees, students, parents, or visitors.

- (1) Fill out a Complaint Form, available at the school's front office or from Human Resources. In the Complaint Form, complainants should describe the nature of the complaint and any steps taken so far to resolve the issue. The Complaint Form should be submitted to Rocketship's Human Resources department. Complaint Forms must be submitted within 90 days of encountering the issue that is the subject of the complaint.

- (2) A representative from Human Resources will timely initiate an adequate, reliable, and impartial investigation of the complaint. This will include interviewing witnesses, obtaining any relevant documents, and allowing parties to present evidence. All documentation related to the investigation is considered highly confidential and is not to be revealed or discussed by any participant with persons not directly involved with the complaint or decision-making process.

The investigation will be concluded within 10 school days of receiving the complaint unless “exceptional circumstances” justify a more expedited response. The amount of time granted for an exceptional circumstance will be determined on an individual case basis.

- (3) Human Resources will prepare a final report with a recommendation for resolving the complaint. The final report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution, and the reasons for recommendation.
- (4) If the complainant is not satisfied with Human Resources’ response, he/she may appeal to a Review Committee to be comprised of at least three impartial members of Rocketship Education’s Senior Leadership Team.
- (5) The Review Committee will conduct an investigation upon receiving the appeal. This process may include an interview with the decision-maker to discuss the rationale. The Review Committee will issue a written resolution within 10 days of receiving the appeal.

VII. Prohibition Against Retaliation

Rocketship will not retaliate against any person who files a complaint in accordance with this policy, or any person who participates in proceedings related to this policy.

In addition, Rocketship will not tolerate any form of retaliation against any person who makes a good faith report or complaint about perceived acts of harassment, discrimination, or concern, or who cooperates in an investigation of harassment, discrimination, or a concern. Any person who is found to be engaging in any kind of retaliation will be subject to appropriate disciplinary action.

VIII. Modification

Rocketship may approve modification of the foregoing procedures in a particular case if the modification is for good cause and does not violate the due process rights or the complainant or any policies of Rocketship.

IX. Contact Information

The contact information for the school principal can be found on the school’s website.

The contact information for the Vice President of Schools is as follows:

This complaint process does not bar complainants from filing claims in other forums to the extent permitted by state and federal law.

NONDISCRIMINATION STATEMENT

Rocketship does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic.

Rocketship adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004.

Rocketship is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. Rocketship prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. Rocketship does not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor or other person with which the Rocketship does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. Rocketship will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

STUDENT SEXUAL HARASSMENT POLICY

Rocketship Education is committed to making all Rocketship schools free from sexual harassment and discrimination. Sexual harassment is a form of sex discrimination under Title IX of the Education Amendments of the Civil Rights Act of 1972 and is prohibited by both federal and state laws. Rocketship prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. Sexual harassment is defined to mean unwelcome sexual advances; requests for sexual favors; or verbal, visual, or physical conduct of a sexual nature, made by someone from or in the educational setting. The Vice President of Schools or his/her designee shall ensure that Rocketship students receive age-appropriate instruction about their rights to be free from sexual harassment, and Rocketship's procedure for reporting and investigating complaints of sexual harassment including with whom a complaint should be filed.

Rocketship prohibits conduct that has the purpose or effect of having a negative impact on the individual's work or academic performance, or that is sufficiently severe, persistent, or pervasive to create an intimidating, hostile, or offensive educational environment. Rocketship further prohibits sexual harassment that conditions a student's status, progress, benefits, services, honors, program or activities based on submission to such conduct.

Any student who feels that he/she is being, or has been, sexually harassed by a school employee, another student, or a non-school employee at school or at a school-related event, shall immediately contact his/her teacher or any other Rocketship employee. An employee who receives such a complaint shall report it in accordance with administrative procedures.

Employees who violate this policy shall be subject to discipline up to and including dismissal. Any disciplinary action shall be in accordance with applicable federal and state laws.

Students who violate this policy may be subject to discipline, up to and including expulsion, in accordance with Rocketship policy, administrative procedure and state law.

1. **Filing a complaint:** A complaint may be filed by a student or parent/guardian by obtaining a copy of the Complaint Form from the school office. Remedies available outside of Rocketship are listed in this procedure.
2. **Investigation:** In accordance with the procedures outlined in Rocketship's complaint policies, Rocketship will immediately undertake an effective, thorough, and objective investigation of the harassment and/or discrimination allegations and provide a written report within the specified time frame. The Vice President of Schools or his/her designee shall ensure that any complaint received is investigated in accordance with Rocketship administrative procedures and that school personnel take immediate steps to intervene, when safe to do so, when they witness any act of harassment.
3. **Action:** When an allegation of sexual harassment is validated by the investigation and disciplinary action is necessary, the Vice President of Schools will determine the appropriate course of action, to prevent reoccurrence and follow up with the harassed student, depending upon whether the harasser is a student, staff member or agent of Rocketship. If the complaint of sexual harassment is validated the Vice President of Schools and/or designee shall take prompt, appropriate action to end the harassment and to address the effects on the victim.

Complaints will be kept confidential. The person filing the complaint may also pursue action in civil court.

Rocketship prohibits retaliation against any person who complains, testifies, assists or participates in Rocketship complaint procedures.

A student who has a complaint of sexual harassment or discrimination shall immediately contact his/her teacher or any other Rocketship employee. The student may also contact Rocketship's Title IX Coordinator in accordance with Rocketship's Title IX Policy.

SECTION 504

Rocketship recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected

to discrimination under any program of Rocketship Education. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by Rocketship. The parent/guardian of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the school Principal. A copy of Rocketship’s Section 504 policies and procedures are available upon request.

OPEN GOVERNANCE AND OPEN MEETINGS

Rocketship believes that governance is most effective when students, families and community members have access and input into the decision making process.

In compliance with § 49-13-138 of the Tennessee Public Charter Schools Act of 2002, and Title 8, Chapter 44 of the Tennessee Code Annotated (T.C.A.), all meetings of the Rocketship Education Board of Directors shall be open to the public. Meetings will be held in compliance with the procedures and requirements of Title 8, Chapter 44 of the T.C.A. Students, families, and community members present in Tennessee for board meetings will be given the opportunity to make public comments.

In compliance with § 49-13-140 of the Tennessee Public Charter Schools Act of 2002, and the Tennessee Open Records Act, found at Title 10, Chapter 7 of the T.C.A., all records of the charter school shall be open for personal inspection and duplication by any citizen of the state of Tennessee to the extent allowed by the Tennessee Open Records Act.

APPENDIX: SCHOOL POLICIES

ADMISSIONS AND ENROLLMENT POLICY

Rocketship schools are free, open-enrollment public schools for Tennessee children. This policy covers our admissions assurances; procedures for applications, lottery, and wait list; and registration process, including age requirements.

I. Admissions Assurances

Rocketship shall not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student’s race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

II. Application and Lottery

Rocketship will accept applications during a publicly-advertised open application period each year for enrollment in the following school year. In accordance with SBE Rule 0520-14-01-.04, this initial application period must be at least 30 days.

If, at the end of the initial application period, the number of eligible students seeking admission exceeds the school's capacity, or the capacity of a grade level, then enrollment will be determined on the basis of a lottery to be conducted within seven calendar days of the close of the initial application period. (Rule 0520-14-01-.04(3)(b)). During the lottery, the following preferences shall apply, as mandated by T.C.A. § 49-13-113(b)(2):

- (1) Students in attendance in the previous school year at any public school that converts to a public charter school;
- (2) Students attending a charter school with an articulation agreement with Rocketship or a pre-K program operated by Rocketship (if applicable)
- (3) Students residing in the Local Education Agency (LEA) service area in which the Rocketship school is located but who are not enrolled in public schools

Subject to the above requirements, Rocketship will afford preferences to:

- (1) Siblings of students already enrolled
- (2) Children of Rocketship teachers, staff members, or Board members, not to exceed 10% or 25 students, whichever is less

Students qualifying for more than one preference group will be considered part of the highest preference in which they qualify.

Students currently enrolled at Rocketship schools do not need to reapply if they remain at the same Rocketship campus. Students wishing to transfer from one Rocketship campus to another must re-enter the lottery and are subject to the same priority and preferences outlined above. (Rule 0520-14-01-.04(2))

III. Wait List

At the conclusion of the public random drawing, Rocketship will notify the families of all applicants to inform them of their acceptance status. All students who were not granted admission due to capacity will be given the option to put their name on a wait list in the order according to their draw in the public random drawing. This wait list will allow students the option of enrollment in the case of an opening during the school year. Once on the waitlist, the student will remain until he/she is offered a spot in the school or the parent/guardian confirms in writing that the student no longer wishes to remain on the waitlist. The wait list will not carry over from year to year.

If families from the waitlist are offered a position, they must accept that position within two weeks. If a family declines or fails to respond within two weeks from the date of the offer, the child may be removed from the waitlist or placed at the bottom of the wait list.

IV. Enrollment

During the application process, parents are expected to correctly identify their child's age and grade level in both the current (where applicable) and upcoming school year. Upon acceptance to Rocketship, all students will be enrolled in the next consecutive grade level that follows their current grade level. Students will be admitted to Transitional Kindergarten, Kindergarten, and first grade only in accordance with the statutory age requirements described below in this policy. Schools will typically not make any retention or promotion decisions during the enrollment process. Parents are not permitted to unilaterally make any retention or promotion decisions for their child during the application process.

A student who has been expelled from another educational institution may be admitted to a Rocketship school in the discretion of the school Principal on a case-by-case basis, as further described in Rocketship's Suspension and Expulsion Policy.

V. Registration Process

Upon selection for admission pursuant to public random drawing, the registration process will include the following:

- Proof of Immunization, in accordance with Rocketship’s regional Immunization Policy.
- Home Language Survey;
- Completion of Emergency Medical Information Form
- Proof of minimum age requirements (i.e. birth certificate), further described below;

Rocketship feels strongly that success for students requires a commitment, from both students and parents, to the school’s mission and vision. During the registration process, all parents/guardians will be asked to sign a Commitment Letter indicating that they understand Rocketship philosophy, program, and volunteer policies. Students will not be denied admission or dis-enrolled for a parent/guardian’s failure to sign the Commitment Letter.

VI. Age Requirements

Under Tennessee law, all students entering kindergarten at Rocketship must be 5 years of age on or before August 15th of the current school year.

ATTENDANCE AND TRUANCY POLICY

Tardiness and absences can be detrimental to a student’s academic and social progress. Rocketship makes every effort to ensure that students are on time and present every school day. This policy addresses excused and unexcused absences, late arrivals and early departures, and the definitions and consequences of truancy. The policy applies to Rocketship schools in all regions, with the exception of the definitions and consequences of truancy, which are written in accordance with applicable state laws.

I. Excused and Unexcused Absences

All students are expected to be on time and present in school every day. In Tennessee, students must attend at least 3.5 hours of the instructional school day to be considered present. Proper notification and/or documentation is required for a student’s absence from school to be marked as excused on the student’s attendance record. Rocketship must receive proper documentation within three days of the student’s return or the absence will be considered unexcused.

Excused Absences

The charts below explain the type of notification and/or documentation required to excuse absences. Notification must be provided within three days of returning to school.

Reason for Absence	Documentation Needed	Other Notes
Illness.	Written notice from parent/guardian. A physician’s note is required for three or more consecutive sick days.	

Death in the family.	Written notice from parent/guardian.	
Religious holiday/ceremony.	Written notice from child's parent/guardian.	
Exclusion due to quarantine, contagious disease, infection, infestation, or other conditional requiring separation from other students for medical or health reasons.	As directed by local health department.	
Parent/guardian serving in the armed forces.	Written notice from parent/guardian. For longer absences, additional documentation may be required.	One day for deployment; one day for return; up to 10 days when service member is granted temporary rest/recuperation leave.
Lawful suspension.	Documentation of suspension pursuant to Rocketship Suspension & Expulsion Policy.	
Court appearances.	Documentation from Court.	
Other reasons (i.e. doctor's appointment, emergencies, extra-curricular activities)	Written notice from parent/guardian. These requests will be approved at the Principal's discretion.	

Unexcused Absences

Some kinds of absences may not be considered excused, even with proper documentation. These include, but are not limited to, the following: non-documented appointments, sick days with no parent notification of the school, oversleeping, car problems, cutting classes, errands, babysitting, and vacationing outside of scheduled school breaks. The Principal, in consultation with his/her supervisor when necessary, has the discretion to determine whether an absence should be excused or unexcused.

Notifying Parents of Unexcused Absences

Rocketship will make reasonable and diligent attempts to make personal contact with a student's parent/guardian on the same day and each time a student has an unexcused absence, with daily follow-ups as necessary

II. Leaving School During the Day

Under no circumstances may a student go home without the permission of a parent or guardian. We expect that parents/guardians will make every effort to schedule appointments after school. However, if an appointment during the school day is unavoidable, the student must bring a signed note from his/her parent/guardian at the beginning of the day that includes the reason for the partial absence, the time of departure from school, and the estimated time of the student's return to school. If the student has a doctor's appointment, the student must bring a note from the doctor upon return. Whenever possible, students are expected to return to school after the appointment.

Early departures for reasons that do not directly involve the student (i.e. appointment for another family member) are generally not allowed but may be approved at the discretion of the Principal.

Students who become ill at school must check in at the office and remain at school until the child's parent/guardian arrives or gives permission for the student to leave campus in accordance with Rocketship's Student Release Policy.

If a parent/guardian shows up to take a child home early and it is **within 10 minutes** of the school's regularly-scheduled dismissal time, the student will not be released early and the parent/guardian will be asked to participate in the regular dismissal process.

III. Vacations

Rocketship builds vacations into its school calendar. Family vacations should be planned around these dates. Students who take additional vacation time are not assured make-up work or credit.

IV. Chronic Absences and Truancy

Recurrent Late Arrivals

Recurrent late arrivals may subject families to interventions. After a student accumulates five late arrivals (excused or unexcused), the family will be asked to participate in an Attendance Expectations Meeting at the school. After a student accumulates ten late arrivals (excused or unexcused), the family will be asked to attend a meeting with a School Leader and to sign an attendance contract. The Principal has the discretion to waive the intervention requirement in rare cases, depending on the circumstances. If a parent/legal guardian does not show up or refuses to attend an attendance meeting when ample time has been provided, an intervention plan may still be enacted. A copy of the contract will be sent or delivered to the student's home on file.

"No Shows"

If a student misses 10+ consecutive school days without notifying the school of the reason for the absence, and Rocketship is unable to get in touch with the student's parent/guardian after reasonable and good faith efforts, Rocketship will drop the student from the school's roster and his/her space will be given to a student on the waitlist. For extended absences, Independent Studies] may be available and arranged by the principal.

If a student fails to show up to school during the entire first week of the instructional school year, and the family does not notify Rocketship in advance, the student may forfeit his/her seat at the school and be placed on the waitlist.

Truancy Procedures

1-3 unexcused absences	The school will provide intervention to determine the reason for the unexcused absences. The school should document efforts to make personal contact with the student’s parents.
5 unexcused absences	<ul style="list-style-type: none"> · Rocketship will send home a written notice of compulsory attendance. The Principal will also set up a meeting with the student’s parent/guardian to discuss why the student has been absent and get a verbal agreement to improve attendance. · Principals are required to report the names of all truant students to an attendance officer. Each accumulation of five absences must be reported. (T.C.A. § 49-6-3007(e)) <p>If, within three days after receipt of notice, the child continues to be absent from school without excuse, Rocketship will report the unlawful attendance to the Metro Nashville Public Schools Court Liaison, who may take legal action. (T.C.A. § 49-6-3007(e))</p>
10+ unexcused absences	Rocketship will report the unlawful attendance to the Metro Nashville Public Schools Court Liaison, who may take legal action. (T.C.A. § 49-6-3007(e))

All intervention efforts will be documented.

SCHOOL CLOSURE POLICY

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions. Rocketship recognizes that closing school or shortening the instructional day is disruptive for students, staff, and families and will only make this decision when it is necessary for the safety of our school community. Whenever possible, Rocketship will provide families and staff with advance notice of the decision or possible decision to shorten the instructional day or close school.

This policy covers procedures for closing school due to weather conditions and other hazardous conditions; the procedure for notifying families of school closure; and implications of school closure on the instructional calendar in each region.

I. Weather Conditions

All Rocketship schools in a particular region will coordinate the decision to close school, release students early, or start school later than usual on a given day because of weather conditions. If it is known in advance that severe weather is impending, the principals of all Rocketship schools in that region should remain on alert. Rocketship’s Schools and Operations teams are responsible for monitoring the weather and discussing together whether or not school should be closed. The decision on whether to close school will be made by representatives from the Schools and/or Operations teams.

In general, Rocketship schools will observe the same decisions as local districts in case of closure or early closure due to weather conditions. Rocketship will notify families as early as possible of decisions to close school or start school late due to weather conditions will be made public. When possible, Rocketship will aim to notify families by 6:45 a.m.

Decisions to release students early due to weather conditions will be made public, whenever possible, at least one hour before the start of the early dismissal. Schools may need to alter their dismissal process or staging location in case of an emergency on campus.

II. Other Hazardous Conditions

In case of an unforeseen unsafe condition at the school campus (such as a leaking pipe or fire), the Principal of that school is responsible for informing his/her supervisor and helping the supervisor decide whether or not to close school, release students early, or start school later than usual. To the extent practicable under the circumstances, the Principal must consult and get approval from his/her supervisor as well as Rocketship's Operations team when making a decision to alter the school schedule.

With support from other school staff, and, when necessary, Rocketship's Schools and Operations teams, the Principal is responsible for notifying families, staff, vendors, and others (e.g. afterschool program coordinators) that school has been closed. This decision may be announced through email or telephone calls, by notifying a public radio or television station, and/or sending an announcement to families over the automated calling system. Families are responsible for providing the school with updated contact information so that they can be reached in case of change to the school schedule.

III. Considerations for the Instructional Calendar

Local laws in each region govern the number of instructional days per school year that students must receive. In Tennessee, the law requires 180 school days. (T.C.A. § 49-6-3004(a)(1)).

In the case of a cancellation, late start, or early dismissal, Rocketship may fall short of this minimum, in which case additional days will be added or used.

The Vice President of Achievement, in collaboration with the Schools and Operations teams, is responsible for making decisions to adjust the school instructional calendar in case of cancellation or closure, guided by the following rules:

- Rocketship schools must include at least the number of minimum instructional days.
- Rocketship schools must meet all local requirements for instructional minutes.
- Rocketship schools must aim to create as many coherent, uninterrupted weeks of instruction as possible.

To the extent possible, schools should communicate all make-up dates to families and staff by April 1st each year so families and staff can plan around any updates to the instructional calendar.

STUDENT RELEASE POLICY

Rocketship will make every effort to ensure that all students get home safely when they leave school each day. This policy addresses walker/rider cards; emergency cards; authorizing individuals to pick up a child; emergency dismissal; and student transport.

I. Walker/Rider Cards

At or before the beginning of the school year, parents/guardians shall be issued a Walker/Rider Card with the student's name, grade, and homeroom. Parent/guardians or other individuals authorized to pick up a child (see below) will display this card to school staff during dismissal. If a parent/guardian or other authorized individual forgets to bring the Walker/Rider Card to dismissal, they will need to check in with the front office and get a new Walker/Rider Card or a temporary pass.

II. Emergency Cards

At the beginning of the school year, parent/guardians shall complete and submit an Emergency Contact Card to be kept on file at the school. Parents/guardians will be asked to include the names of individuals to be contacted in case of an emergency if attempts to contact the parent/guardian fail. Any person listed as an Emergency Contact will also be considered to be authorized by the child's parent/guardian to regularly pick them up from school unless the parent/guardian indicates otherwise.

III. Authorizing Individuals to Pick Up a Child

Parents/guardians may authorize Rocketship to release their child to other people by completing the "Authorization to Pick Up" section of the Emergency Contact Card. Parents/guardians are asked to include the name, phone number and relationship to the child for each person they wish to allow their child to be released to. The "Authorization to Pick Up" section may be updated by the parent/guardian at any time by visiting the school front office. Rocketship staff may ask the authorized individuals for identification when they pick the child up from school.

Parents/guardians may authorize Rocketship to release their child to a relative who is a minor (between the ages of **14-18 years old**) by completing the Authorization to Pick Up form *and* a Release to Minor waiver form. A duplicate Dismissal Card with printed authorization for the release to the minor relative must be printed for the minor relative, and the minor relative must bring this authorization each day they will pick up the Rocketeer. Proper identification will also be required.

Rocketship recognizes that there will be situations in which a person not listed on the Emergency Contact Card will need to pick the student up from school. In these rare instances, the parent/guardian should call the school to inform school staff that they authorize school staff to release the student to another person that day. If a person that is not listed on the Emergency Contact Card form comes to pick the student up and the school has not already been contacted by the parent/guardian, the school will need to speak to the parent/guardian by phone prior to releasing the student. The person picking up the student will then need to provide photo identification prior to leaving the school with the student. In addition, whenever possible, parents/guardians should provide the authorized person with a signed note indicating their desire to have the person pick the child up on the day in question.

IV. Emergency Dismissal

In case of an emergency dismissal, parents/guardians must wait for instructions from school leaders before coming to campus to pick up their child. School leaders will provide parents/guardians with updated information on the dismissal process using the automated calling system. Parents/guardians should expect that the dismissal location and procedures will be different than on a regular day. Parents/guardians should be prepared to present photo identification when picking up a child after an emergency on campus.

LATE PICK-UP POLICY

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasional family emergencies may cause a child to be picked up late from school, but consistently failing to pick up students on time is costly to the school, burdensome to the school staff, and disruptive to our students' daily routines. This policy addresses procedures and consequences when a child is picked up late.

I. Notifying the School

Parents/guardians are expected to make arrangements for their children to be picked up on time every day, before the end of dismissal. That said, we do understand that there may be unpredictable situations that could cause a parent/guardian to pick up a student late on a given day (i.e. car problems, traffic, issue at work). In these cases,

we ask that a child’s parent/guardian contact the school by phone to let the staff know that their child will be picked up late that day. The parent/guardian will still be required to complete a Late Pick-Up Incident Report when they come to collect their child, per the section below.

II. Late Pick-Ups

School staff will attempt to contact a child’s parent/guardian if a child is left on campus after dismissal ends and the parent has not notified the school pursuant to the above section. Staff may also contact individuals listed on the child’s emergency contact card.

A parent/guardian (or otherwise authorized individual, in accordance with Rocketship’s Student Release Policy) who comes to pick up a child after the end of dismissal will need to complete a Late Pick-Up Incident Report and submit it to the staff member supervising their child before leaving campus. These reports will be kept on file at the school as a record of why the child was picked up late on that day.

III. Extremely Late Pick-Up

If a student is still on campus more than an hour after the end of dismissal and staff members have not been in contact with the student’s parent/guardian in accordance with Section II above, Rocketship staff must assume that the family has suffered an emergency. The Principal or another designated member of the School Leadership Team may contact the local police and, if they have not already done so, call the individuals listed on the child’s emergency contact card. The Principal or designee may release the child to an authorized individual or the police department.

IV. Recurring Late Pick-Ups

Rocketship will follow a tiered series of interventions/consequences for families who persistently pick up their children late, as described below.

Late Pick-Up (each occurrence)	Must complete a Late Pick-Up Incident Report before leaving campus, as described above.
Recurring Late Pick-Up (three occurrences)	Parent/guardian must attend a meeting with a School Leader to review Late Pick-Up Incident Reports and create a verbal agreement and plan to prevent late pick-ups in the future. The School Leader may refer the family to local counseling or truancy resources.
Habitual Late Pick-Up (six occurrences)	A letter will be sent home to the student’s parent/guardian specifying the date, time, and location of a meeting with a school leader. The parent/guardian must attend meeting with a School Leader and sign an agreement to pick up their child on time.
Chronic Late Pick-Up (more than six occurrences)	Parent/guardian may become subject to an intervention workshop with the Student Support Team, comprised of at least the Principal, an Individualized Learning Specialist, and the classroom teacher. In certain extreme circumstances, Rocketship may also contact Child Protective Services, at the discretion of the Principal.

CAMPUS ACCESS AND VISITOR POLICY

Rocketship strives to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. This policy addresses management of the front entrance; procedures for visitor registration; procedures to follow when arranging for a campus visit; and ousting an individual from campus.

I. Front Entrance

At all times during the school day, the front office to each Rocketship campus will be manned by a Rocketship staff member.

Ensuring that the front office is manned at all times is a primary responsibility of the school's Office Manager. If the Office Manager is unable to be at the front desk for some reason, he/she is responsible for finding another Rocketship staff member to be present. Individuals who are not Rocketship staff members should NOT be asked to cover the front desk.

II. Loitering

Parents/guardians and other visitors, including children who are not students at the school, shall not loiter on the school premises, including in the parking lot and outside school buildings. The parking lot shall be used for picking up and dropping off students, and while conducting business.

Parents/guardians and other visitors are expected to leave the campus premises upon the conclusion of any business matters or after dropping their student off at school. If a parent or guardian wishes to visit the school to view the educational program, the visitor must adhere to the following procedures, which have been developed to ensure the safety of students and staff as well as to minimize interruption of the instructional program.

III. Visitor Registration and Passes/Badges

- All visitors (including Rocketship Education regional and national staff members) are required to register with the front office immediately upon entering any school building or grounds during school hours.
- The Principal, or designee, may refuse to register an outsider if he or she has a reasonable basis for concluding that the visitor's presence or acts would disrupt the school, its students, its teachers, or its other employees; would result in damage to property; or would result in the distribution or use of unlawful or controlled substance.
- Visitors in disguise or costume will not be allowed entrance onto campus without prior agreement with the school administration.
- After registering in the front office, visitors who are not Rocketship employees will be issued a Visitor's Pass that they must display at all times while on campus. Rocketship regional/national staff ("Network Support") will receive personal identification badges from the Rocketship Human Resources department. Network Support staff must display their badge on their persons at all time while at a school site. If a Network Support staff member forgets his/her badge, he/ she will need to obtain a Visitor's Pass from the front office.
- All visitors must also sign out when leaving the campus.
- Any visitor may be asked to provide personal identification at any time.
- The Principal or designee may withdraw consent for an individual to be on campus, even if the visitor has a right to be on campus, whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.
- The Principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

IV. Arranging for a Campus Visit

Visits during school hours by non-Network Support or other Rocketship staff members should be arranged with the teacher and Principal (or designee) in advance. Teacher conferences should be arranged by appointment in advance and must be scheduled to take place during non-instructional time.

Parent/guardians who want to visit a classroom during school hours must first obtain written approval from the classroom teacher and the Principal or designee.

V. Barring Individuals From Campus

Rocketship recognizes that situations could arise where it may become necessary for the Principal and/or the Principal's supervisor to prohibit an individual from entering a Rocketship campus. Such situations may include an individual engaging in violence, threats of violence, harassment, or any other behavior that the Principal deems to be disruptive of the learning environment. Such actions will comply with any relevant state law requirements.

Barring is specific to each individual Rocketship campus and its related activities. Principals generally have the authority to bar a disruptive individual, but they must follow Rocketship's internal protocol and comply with all applicable state laws. Principals may not bar an individual beyond his/her particular campus, unless specific authorization is granted by the Director of Schools or the legal department.

It is the responsibility of the Business Operations Manager, Office Manager, and school security to:

- Enforce photo identification verification 100% of the time to ensure no barred individuals enter the building.
- Document and maintain procedures for pick-up, drop-off and any documentation related to the barring notice at the front desk.
- Determine, at the time of the incident and in collaboration with the Principals, whether the local police must be contacted.
- Maintain an accurate and current list of individuals who have been issued a barring notice.
- Enforce the barring notice by escorting individuals out of the building and off school grounds in a peaceful, quiet, and orderly fashion.
- Not engage any barred individual off school grounds using combative language, tone, or action.
- Contact the local police department in the event that an individual becomes physically confrontational or refuses to comply with the barring notice.

VI. Refusal to Leave Campus

Anyone who refuses to leave after being asked by the Principal, or who enters a campus without proper authorization in accordance with this policy, may become subject to the local criminal laws regarding trespass and unlawful entry.

Further conduct of this nature by the visitor may lead to the School's pursuit of a restraining order against such visitor which would prohibit him/her from coming onto school grounds or attending School activities for any purpose for a statutorily prescribed period.

The Principal or designee may seek the assistance of the police in dealing with or reporting any visitor in violation of this policy.

FAMILY CUSTODY POLICY

Rocketship will make every effort to ensure compliance, on the part of school staff as well as parents/guardians, with legal custody arrangements. This policy addresses custody records; student release to custodial parents; the rights of non-custodial parents; and Rocketship's role in custody disputes.

I. Definitions

For the purposes of this policy, Rocketship will adhere to the following definitions:

“Court Order”: An order issued by a court following a judicial proceeding to determine the custody rights of the parties. A court order will typically state the legal and/or physical custodial rights that the court has granted to each parent.

“Joint Custody”: Both parents have legal and physical custodial rights.

“Legal Custody”: The parent with Legal Custody has the right to make decisions about a child’s upbringing. These types of decisions typically involve the child’s education, religion, and medical care.

“Noncustodial Parent”: The Noncustodial Parent does not have legal or physical custody of a child.

“Physical Custody”: The right to have physical control of where the child lives and who may care for the child.

II. Custody Records

Rocketship seeks to maintain accurate and updated custody records for all students. It is the responsibility of the parent/guardian of a student to provide the Rocketship Office Manager with accurate and updated court orders involving the custody rights of their children. Updated Court Orders should be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary.

In the absence of a Court Order, Rocketship will assume that separated or divorced parents of a child have Joint Custody.

In Tennessee, pursuant to T.C.A. 36-2-303, the mother of a child born out of wedlock has default custody (both legal and physical) when the parents remain unmarried, absent a Court Order signed by a judge.

Without a Court Order or proof of adoption that affirmatively grants custodial rights, *step-parents will not* be considered to have Physical or Legal Custody of a child. Absent similar evidence, Rocketship will also assume that siblings, aunts/uncles, grandparents, cousins and others *do not* have Legal or Physical Custody of a child.

III. Student Release

Any parent or guardian who has Physical Custody of a child, or retains specific custody rights granted via a Court Order that extends to after school hours, may pick the student up from school as well as authorize Rocketship to release the student to any other person; provided that, such arrangements are consistent with the terms of the Court Order. At the beginning of the school year, parents/guardians will be asked to complete an Authorization to Release form. Please see Rocketship’s Student Release Policy for more information. At any time, either parent/guardian that has Physical Custody has the ability to add individuals to the Authorization to Release form.

Rocketship does not have the right to limit the rights of a parent of a Rocketship student without a Court Order.

If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a Court Order limiting the other parent’s rights.

IV. Rights of Non-Custodial Parents

Inspection of Records

All parents, regardless of custodial rights, have the right to inspect, though not make changes to, copies of their child’s educational records, **unless a Court Order specifically limits the parent’s rights in this regard.** (Any inspection of records must be in accordance with Rocketship’s FERPA regional Student Records policies.)

School Visitation

Parents without Physical Custody *may not* remove their children from class or visit them in school without the consent of the parent with the custodial rights or a Court Order.

V. Rocketship’s Role in Custody Disputes

It is the policy of Rocketship schools to remain impartial during custody disputes between family members of a Rocketship student. For this reason, Rocketship teachers, administrators, and school staff will refrain from taking

any action which may be considered adverse to one parent or family member. These actions include, but are not limited to, writing letters of support for any adversarial proceeding and serving any person with court documents. The previous paragraph notwithstanding, Rocketship will comply with requirements imposed by the State and local jurisdictions thereof. Rocketship will enforce any certified Court Orders presented to the school. When presented with a court subpoena or request for information by a public agency, Rocketship teachers, administrators and staff will comply and respond with information of which they have personal knowledge. Rocketship will not deny a parent of any of their parental rights without being provided a Court Order indicating the State's desire to limit that parent's rights.

VOLUNTEER CLEARANCE POLICY

Engaged parents are a core pillar of Rocketship's model and critical to the long-term success of Rocketship students. By actively being included and involved in our schools and their Rocketeers' learning, parents become integrated into the fabric of the school community. Rocketship asks that families participate in 30 Parent Partnership Hours each year by supporting or participating in various school activities. (For more details, see Rocketship's [Parent Partnership Policy](#).)

Parent Partnership Hours can be realized in many ways, including through volunteering on and off campus. Because Rocketship is deeply committed to ensuring the safety of all students, any parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer and undergo any necessary background check procedures in accordance with this policy. This policy outlines volunteer positions that require criminal background checks; standards for serving as a volunteer; procedures for obtaining a valid background check; duration of background checks; and penalties for providing false information.

I. Mandatory Criminal Background Checks

Pursuant to T.C.A. § 49-5-413, all prospective volunteers who may interact with students in an unsupervised capacity must undergo a criminal background check in accordance with the procedures outlined this policy. This includes individuals who plan to volunteer in classrooms on a regular basis and individuals who wish to chaperone a field trip.

Individuals who will have only supervised contact with students are not required to undergo a background check. For the purposes of this policy, "supervised" means under the direct supervision, *at all times*, of an employee or a volunteer who has received a current, satisfactory criminal background check. (T.C.A. § 49-5-413(d)(5)(A)) This includes individuals who visit a classroom to read a book to students or assist a teacher with a project.

II. Disqualification of Prospective Volunteers

In accordance with (T.C.A. § 49-5-413(d)(3)(B)), Rocketship will not allow an individual to serve as a volunteer in an unsupervised capacity if the individual's record reveals that the individual has been convicted of any of the following offenses:

- sexual offense as defined in T.C.A. § 40-39-202;
- assaultive offenses, criminal homicide, kidnapping and false imprisonment, robbery, sexual offenses, invasion of privacy, terrorism, or any other offenses as defined in title 39, chapter 13
- arson or aggravated arson as defined in T.C.A. § 39-14-301 and 302
- burglary or aggravated burglary as defined in T.C.A. § 39-14-401-404
- child abuse, neglect, endangerment as defined in T.C.A. § 39-15-401 and 402
- manufacture, sale, or possession of a controlled substance as defined in T.C.A. § 39-17-417
- providing handguns to juveniles under T.C.A. § 39-17-1320
- any criminal weapons charge as set forth in T.C.A. title 39, chapter 17, part 13

Individuals whose names have been placed on the state's vulnerable persons registry or the state's sex offender registry are not permitted to serve as unsupervised volunteers under T.C.A. § 49-5-413(e)(7).

If a volunteer is convicted of any of the above offenses after the criminal history record check is conducted, the individual must notify Rocketship within seven days of the conviction. (T.C.A. § 49-5-413(d)(3))

III. Background Check Procedures

In accordance with T.C.A. § 49-5-413(a), the background check will include a fingerprinting and a national criminal record check. Background checks may be obtained through the Tennessee Bureau of Investigation.

Prospective volunteers who will have direct contact with children will not be allowed to begin volunteering in an unsupervised setting until the results of the criminal background check have been received by Rocketship and deemed to be satisfactory in accordance with this policy. (T.C.A. § 49-5-413(d)(3)(A))

IV. Duration of Background Check

Notwithstanding Section III above, a volunteer may use the same criminal background check for a period of two years.

I. Minor Volunteer Requirements

Minor Volunteers CAN ONLY serve in roles that do not allow them to be alone with or otherwise supervise Rocketship students. Minor Volunteers cannot go on field trips. The Principal at the school where the Minor Volunteer wishes to volunteer has total discretion to accept or reject a prospective Minor Volunteer. Minor Volunteers will need to complete the following requirements:

- A Volunteer Application signed by the Minor Volunteer and the Minor Volunteer's parent/guardian.
- Rocketship alumni will need one letter of recommendation from a teacher/school leader at their current school, plus a letter of recommendation from a former Rocketship teacher or school leader.
- Minor Volunteers who are not Rocketship alumni will need two letters of recommendation from teachers/school leaders at their current school.
- A behavior contract (available from the Office Manager) signed by the Minor Volunteer, the Minor Volunteer's parent/guardian, and the school leader at the school where the Minor Volunteer will be volunteering.

FIELD TRIP POLICY

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end. This policy covers advance approval required to take students on field trips; permission slip requirements; chaperones; transportation; dismissal from field trips; and student behavioral expectations and consequences.

I. Advance Approval

Daytime field trips must be approved at least three weeks in advance by the school Principal. Overnight or out of state field trips must be approved by the principal's manager at least two months in advance. Whenever a proposal for a field trip is approved, it is the responsibility of the school Principal or Assistant Principal to oversee arrangements for that field trip.

II. Permission Slips

A student must submit a verified field trip slip signed by his/her parent or guardian to participate in a field trip. Field trip slips must be created using the official Rocketship Education Field Trip templates.

The designated Principal or Assistant Principal overseeing the field trip will review field trip slips in advance to confirm that they follow the appropriate official template and are signed by the child's parent/guardian. Verbal permission for field trip participation is not acceptable.

The designated Assistant Principal or Principal will also review the roster for the field trip with appropriate school personnel to identify any students attending the trip who regularly take medication or require access to medication while on the field trip. In collaboration with the nurse, the School Leader will ensure that a staff member attending the field trip brings along the student medication and is properly trained on how to assist in administering the medication and record the administration of that medication in accordance with Rocketship's regional Medication Administration policy.

Only Rocketship students who have submitted a valid permission slip will be allowed to attend the field trip.

III. Chaperones

Chaperones must be cleared per the requirements of Rocketship's regional Volunteer Clearance Policy.

Chaperones may not bring along other children (i.e. siblings of students attending the field trip) without advance permission from the principal.

IV. Transportation

All Rocketship staff members (teachers and/or School Leaders) and parent chaperones will be expected to be present with students on all transportation provided for a field trip unless they receive prior written approval from the school Principal to make an alternative transportation arrangement. If transportation is required for a field trip, Rocketship will provide this transportation. Should staff members and/or parents drive a vehicle in conjunction with a field trip, they will do so in accordance with Rocketship's Staff and Parent Driver Policy.

V. Dismissal from Field Trips

After a field trip, students will be returned to the school site and will be dismissed according to regular dismissal procedures. All chaperones and students are expected to return to school and participate in dismissal. In exceptional cases, students may be dismissed from a field trip location with a parent/guardian chaperone, but this is subject to the discretion of the Principal or Assistant Principal supervising the field trip. If a student needs to be picked up early from a field trip due to illness or another exceptional circumstance, he or she may be dismissed from the field trip site provided that the staff supervisors get in contact with the student's parent/guardian and the parent/guardian picks the student up or designates an authorized individual over the age of 18 to do so. Any authorized individual must provide proper identification prior to leaving with the student. The staff members supervising the field trip should contact the school's Office Manager to ensure that the child is appropriately signed out for the day.

VI. Student Behavior

Students may be excluded from a field trip as a disciplinary measure. Students are expected to maintain high standards of behavior in accordance with Rocketship's Student Discipline Policy during a field trip. Students may be excluded from field trip activities or future field trips due to poor behavior.

VII. Overnights on Campus

If students wish to spend the night on campus, they must get advance approval and complete the Overnight Waiver.

RETENTION AND PROMOTION POLICY

Rocketship’s instructional model is organized so that each student’s learning plan is individualized in order to account for individual differences and promote academic and social growth. As such, we believe that retention should only be used in rare and exceptional circumstances, when the student’s family is given notice well in advance and is fully in support of the retention decision. Rocketship’s retention and promotion policy is deliberately flexible so that teams can consider each student as an individual and make recommendations based on data and identified student need.

The purpose of this policy is to provide school teams with a framework for considering retention and promotion that is consistent with our philosophy of education. Additionally, the procedures are designed to ensure that retained students receive the supplemental, targeted instruction and support that they require in order to make adequate academic gains in subsequent years.

I. Guiding Principles related to Retention and Promotion

All Rocketship schools are expected to adhere to the guidelines below when making decisions on retention and promotion.

- Students vary considerably in their rate of development. Factors that affect development include chronological age, communication skills, academic ability, social, physical, and emotional maturity, attendance, cognitive ability, etc.
- Some children may benefit from more time in a given grade level, if the curriculum is suited to their needs and they continue to be socially well-adjusted to their peer group.
- School teams must use great care when making recommendations regarding retention in order to ensure the greatest likelihood that it is an effective intervention.
- Educators must consider the academic needs of a child when determining promotion. School leaders will consider a myriad of factors including both absolute performance and growth/progress made on assessments when ascertaining whether or not students are academically prepared to move on to the next grade level.
- As described in Rocketship’s Admissions Policy, schools typically should not make decisions during the enrollment process to allow a new Rocketship student to repeat or skip a grade. Schools are expected to enroll all students in the next consecutive grade level and then assess students objectively as needed.

II. Considerations for Promotion

Students who successfully complete their grade level expectations will be considered for promotion to the next grade level. Successful completion of grade level expectations include scores of Average, High-Average or High on NWEA MAP assessments for reading and math, similar scores demonstrating proficiency on grade level benchmark assessments and/or the state assessments OR demonstration of at least one year’s growth on any of the relevant assessments.

Students will be considered for promotion when they consistently attend school and maintain at least a 90% attendance rate and are not truant, as defined in Rocketship’s Attendance and Truancy Policy. Students who participate in special education will be considered for promotion when they demonstrate adequate progress toward their annual IEP goals.

Rocketship will not promote or “advance” students to a higher grade before the end of the school year. Additionally, Rocketship will abide by all state minimum age requirements.

III. Considerations for Retention

Early Identification

Students will be identified as at-risk for retention as early in the school year as is practicably feasible. Parents will be notified no later than mid-school year when a student is identified as being at risk of retention. Parents will participate in the decision-making process when considering retention, as further described below.

Indicators to Review When Considering Retention

The following indicators of academic achievement should be considered when making retention decisions:

- Consistent scores in the bottom quartile of assessments (i.e. state assessments, NWEA, math or ELA benchmarks).
- Failure to make adequate academic progress when compared to peers (i.e. data shows that rate of improvement is considerably less accelerated than class average).
- Failure to make adequate progress towards individual goals after receiving evidence-based interventions, implemented with treatment integrity.
- Severe social or emotional immaturity when compared to peers that causes harm to the student's academic, behavioral, and/or social-emotional development.
- Excessive absences (i.e. more than 20).

These indicators must be evident despite having received interventions before retention should be considered.

Procedures for Retention

Student progress will be monitored using a variety of assessments (NWEA, statewide assessments, benchmark assessments, progress monitoring data, etc.) School staff will notify parents when a student is at risk for retention, Parents should be notified of the at-risk status as early as possible, and, to the extent feasible, no later than 60 calendar days prior to the end of the school year.

If retention is being considered, a Student Study Team (SST) shall be convened consisting of at least a School Leader, the student's classroom teacher, an Individualized Learning Specialist, and the student's parent/guardian.

The SST will consult in accordance with the guiding principles described above and will arrive at a mutually agreed-upon decision. The Principal will have authority over confirmation of final retention decisions.

The parent of the student who is being considered for retention will be provided with objective evidence supporting the retention recommendation using the Retention Recommendation form. Parents must confirm their agreement with the recommendation for retention before the end of the school year in writing, via the Retention Recommendation form. Parents of students being retained in Kindergarten should fill out the Kindergarten Continuance Agreement Form in addition to the Retention Recommendation form.

Appeals

The Principal must notify parents/guardians in writing of their right to appeal a retention decision. Appeals shall be heard by a designee of the Board of Directors' Academic Affairs Committee, and if appealed again, by the Academic Affairs Committee itself.

Students with IEPs

Decisions regarding promotion and retention for a student with an IEP will be made by the IEP team according to the provisions of the student's IEP, using all available data and in consultation with the student's parent. Students with IEPs are not to be recommended for retention outside of the IEP process.

Retention Intervention Plans

For students who will be retained, the SST will develop an intervention plan which details the supplemental interventions and supports that will be made available to the student using Rocketship's "Retention Intervention Plan" template.

During the subsequent school year, school leaders are responsible for continuing to monitor the academic progress of all retained students and reconvening the SST to make changes to the intervention plan when necessary.

Documentation

At the end of the school year, the Principal is responsible for maintaining documentation of the following information.

- The student's name;
- The underlying reason for the retention decision;
- Whether the principal identified the student as at risk of retention;
- Whether the principal provided written notice to the student's parents within 60 calendar days of the last day of school.

STUDENT DISCIPLINE POLICY

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

Students will be subject to disciplinary action if they engage in prohibited conduct while on school property, when attending any school-sponsored activity, or while in transit going to or coming from a Rocketship campus. Students may also be subject to disciplinary action for off-campus behavior if it creates a substantial disruption to the school environment or interferes with another student's ability to participate in the school program.

Some disciplinary infractions are so serious that they may subject a student to suspension and/or expulsion. A list of these infractions can be found in Rocketship's Suspension and Expulsion Policy, along with the procedures that Rocketship will take when considering suspension or expulsion of a student. This Policy outlines the Rocketeer Creed that we expect students to follow; expectations for students; examples of prohibited conduct that will subject a student to in-school disciplinary action; and disciplinary actions that Rocketship may take in response to behavioral infractions. It applies to Rocketship schools in all regions.

I. Rocketeer Code of Conduct

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence.
- Adherence to the Rocketship Core Values: Respect, Responsibility, Persistence, Empathy, and the fifth campus-specific Value chosen by each school.
- Adherence to the **Rocketship Creed**:

*I am a Rocketship Rocketeer at home, at school, and in my community
I show respect to myself, my neighbors, and the environment
I take responsibility for my learning and actions
I have empathy, supporting others in need
I show initiative by solving the problems I see
And I am persistent in attaining excellence.
Together, we are all Rocketship Rocketeers.*

II. Prohibited Conduct

The following conduct is prohibited by Rocketship and may subject a student to in-class disciplinary action.

- Engaging in acts of discrimination, harassment, intimidation, or bullying as defined by Rocketship’s Bullying Prevention policy.
- Insubordination (including, but not limited to, refusing to follow directions, refusing to identify oneself to a staff member, running away from a staff member, talking back to a staff member).
- Fighting or engaging in behaviors that threaten the safety of oneself or others.
- Disrupting school activities.
- Playing in the hallways or bathroom.
- Dishonesty/lying to staff members.
- Theft of property.
- Academic dishonesty, including plagiarism or cheating.
- Inciting or attempting to incite others to violence or disruption.
- Aiding or abetting the infliction or attempted infliction of violence on another.
- Committing an obscene act or engaging in habitual profanity or vulgarity.
- Recording or photographing students or staff members without their prior knowledge and consent.
- Using computers for non-school related activities, including viewing or accessing prohibited sites.
- Using cell phones or other personal electronic communication devices on school property, during school hours or during school functions, except when under express permission and supervision of a staff member
- Trespassing (including being on school grounds while school is not in session, being in unauthorized areas of the building, and use of the bathroom without permission)
- Leaving the classroom, school building, school property, or school activity without permission
- Intentionally altering, falsifying, destroying, or fabricating any official document (including 9-1-1 phone calls and setting off fire alarms).
- Repeatedly violating Rocketship’s Dress Code.
- Violating Rocketship Education’s Code of Conduct, as described above.

III. In-school Disciplinary Actions

Rocketship relies on proactive, preventive supports to promote positive behavior at school. Rocketship has implemented a Positive Behavior Interventions and Supports (PBIS) framework in all schools. The fundamental purpose of PBIS is to create learning environments that are more consistent, predictable, positive and safe. Key PBIS practices include clearly defined behavioral expectations and consequences, systems for recognizing and reinforcing positive behaviors, data-based decision making, multi-tiered systems of support, and the implementation of core social-emotional learning curricula.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

In the event that Rocketship's PBIS infrastructure and classroom management systems are insufficient to prevent disciplinary infraction, or a disciplinary infraction is serious enough to immediately warrant additional discipline, Rocketship may take alternative in-school disciplinary action. These actions depend on the circumstances of the offense and may include, but are not limited to, the following:

- Sending the student to the Principal's office.
- Excluding the student from classroom activities or privileges through a "time out" or temporary placement in another classroom.
- Calling or writing/emailing the student's parent/guardian.
- Arranging a conference with the student, parent, teacher and/or administrator.
- Implementing an individualized behavior plan for the student.
- Implementing counseling sessions with a designated staff member.
- Sending the student to a peer mediation.
- Requiring that the student complete a reflective essay or assignment.
- Requiring that the student take actions to counteract/ameliorate a problem (i.e. fixing something the student broke).
- Referring the student to a Student Support Team.
- Restricting the student's participation in after-school/extra-curricular activities or field trips.
- Holding the student for detention or additional instructional time during lunch or before/after school.
- Confiscating inappropriate items related to the disciplinary infraction.

Corporal punishment shall not be used as a disciplinary measure against any student. "Corporal punishment" includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, "corporal punishment" does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property. (See also Rocketship's regional Seclusion and Restraint Policy.)

As described above, severe infractions that threaten the safety or health of students, staff or others, may be cause for suspension or expulsion, as outlined in Rocketship's Suspension and Expulsion policy.

IV. In-School Suspension

In-school suspension ("ISS") provides an alternative to out-of-school suspension. ISS allows students to be counted present and provides an in-school opportunity for them to complete and receive credit for class assignments. During ISS, students will complete school work in a location separate from their class. ISS is not intended to be an alternative to or long-term replacement of the student's regularly scheduled class.

ISS may be used in the event that a student is engaging in prohibited conduct that is making the classroom environment physically or emotionally unsafe for other students or that severely disrupts a class or school-sponsored activity;

Only the Principal or Assistant Principal or his/her designee, shall assign a student to ISS. Principals and Assistant Principals must first obtain approval from their supervisor. Students assigned to ISS must have written notification of the date and duration of the ISS assignment. Assignment to ISS and the scheduling of the days assigned are at the Principal's discretion.

Principals should place the student in ISS as soon as possible after the infraction is reported. The principal will ensure that:

- Students assigned to ISS are provided a safe, positive environment
- Students assigned to ISS are properly supervised; and
- Students assigned to ISS are allowed to complete class work assigned during his/her placement in ISS.

- All class work for students is obtained, academic assistance is provided as necessary, and completed work is returned to the student's classroom teacher.
- Activities of academic value are provided for the student when the classroom teacher's work is not provided or is insufficient for ISS time assigned.

Additionally, classroom teachers will:

- Provide classwork commensurate to the work missed for a student in ISS.
- Record a student in ISS as present. There will be no attendance-related penalty for assignment to ISS.
- Evaluate the student's work completed in ISS and give credit for work completed in ISS.
- Ensure that students in ISS receive credit for attendance and full credit for work completed.

The student's parent/guardian must be notified of a student's assignment to ISS at the time that the ISS placement is scheduled. The Principal should contact a parent/guardian by phone or in-person meeting. If the parent/guardian cannot be reached in this manner, the Principal or his/her designee may make contact through e-mail.

SUSPENSION AND EXPULSION POLICY

When disciplinary infractions occur on campus, our Principals are expected to respond in accordance with our Student Discipline Policy, which encourages positive behavioral interventions and supports and outlines available in-school disciplinary actions. Suspension should only be considered in cases of egregious behavioral infractions – and, even then, should be viewed as a last resort—as we believe that our students are best served when they are present at school every day. Recommendations for expulsion should not be pursued except in the most extreme cases, as our policy is to do whatever it takes to serve every student who enrolls in a Rocketship school.

If a situation does arise where a Principal feels that the student should be suspended or recommended for expulsion, this policy was written to guide the process. The policy has been written in accordance with relevant federal and state laws and regulations .It addresses grounds for suspension and expulsion; suspension and expulsion procedures; the maintenance of disciplinary records; student appeal rights; rehabilitation and readmission; and special procedures for the consideration of suspension and expulsion of students with disabilities.

I. Grounds for Suspension and Expulsion

In Tennessee, students may, at the discretion of the Principal in consultation with his/her manager, be suspended for any of the following offenses:

- Willful and persistent violation of the rules of the school;
- Immoral or disreputable conduct or vulgar or profane language;
- Violence or threatened violence against the person of any personnel attending or assigned to any public school;
- Willful or malicious damage to real or personal property of the school, or the property of any person attending or assigned to the school;
- Inciting, advising or counseling of others to engage in any of the acts enumerated above;
- Marking, defacing or destroying school property;

- Possession of a pistol, gun or firearm on school property;
- Possession of a knife and other weapons, as defined in T.C.A. § 39-17-1301 on school property;
- Assaulting a principal, teacher, school bus driver or other school personnel with vulgar, obscene or threatening language;
- Unlawful use or possession of barbitol or legend drugs, as defined in T.C.A. § 53-10-101;
- One or more students initiating a physical attack on an individual student on school property or at a school activity, including travel to and from school or a school activity;
- Making a threat, including a false report, to use a bomb, dynamite, any other deadly explosive or destructive device, including chemical weapons, on school property or at a school sponsored event;
- Any other conduct prejudicial to good order or discipline in any public school; and
- Off-campus criminal behavior that results in the student being legally charged with a felony and the student's continued presence in school poses a danger to persons or property or disrupts the educational process.

Under Tennessee law, certain offenses are considered “zero tolerance” and will result in **mandatory expulsion**:

- A student determined to have brought to school or to be in unauthorized possession on school property of a firearm, as defined in 18 U.S.C. § 921, shall be expelled for a period of not less than one calendar year, except that the Board of Directors may modify this expulsion on a case-by-case basis.
- A student committing aggravated assault as defined in T.C.A. § 39-13-102 upon any teacher, principal, administrator, any other Rocketship employee.
- A student is , or unlawfully possessing any drug including any controlled substance, as defined in T.C.A. § 39-17-403 through § 39-17-415, controlled substance analogue, as defined by T.C.A. § 39-17-454, or legend drug, as defined by T.C.A. § 53-10-101, shall be expelled for a period of not less than one calendar year, except that the Board of Directors may modify this expulsion on a case-by-case basis.

II. Suspension Procedures

Suspensions shall be initiated according to the following procedures:

Conference

Except in an emergency, a student shall not be suspended until that student has been advised of the nature of the student's misconduct, questioned about it, and allowed to give an explanation.

Notice to Parents/Guardians

Upon suspension of any student, other than for in-school suspension of one day or less, the principal shall, within twenty-four (24) hours, notify the parent or guardian and the director of schools or the director of schools' designee of:

- The suspension, which shall be for a period of no more than 10 days;

- The cause for the suspension; and
- The conditions for readmission, which may include, at the request of either party, a meeting of the parent or guardian, student and principal.

Suspension Time Limits

Suspension of a student should not be for more than 10 days. If the suspension is for more than five days, the principal shall develop and implement an intervention plan for improving the behavior.

Rights During Suspension

The suspended student shall not be denied the opportunity to take any quarterly, semester or grading period examinations or to complete course work missed during the suspension period.

III. Suspension in Excess of 10 School Days; Remand; and Expulsion

10+ Day Suspension or Expulsion

If, at the time of the suspension, the Principal determines that an offense has been committed that would justify a suspension for more than 10 days or an expulsion, the person may suspend a student unconditionally for a specified period of time or upon such terms and conditions as are deemed reasonable, or recommend expulsion of the student.

Delegation of Authority

The full authority of the Rocketship Education Board of Directors (“Board”) to hear and conduct appeals shall be granted to the Academic Affairs Committee, a committee of the Board (the “Committee”). The Committee shall consist of three directors of the Board.

Appeal

If the principal or assistant principal determines that a student has committed an offense that requires a suspension in excess of 10 school days or an expulsion, the principal shall immediately give written or actual notice to the parent or guardian and the student of the right to appeal the decision.

All appeals must be filed, orally or in writing, within five days after receipt of the notice and may be filed by the parent or guardian, the student or any person holding a teaching license who is employed by the school system if requested by the student.

The appeal of the decision of the principal or assistant principal shall be to a disciplinary hearing panel appointed by the Academic Affairs Committee. The disciplinary hearing panel shall consist of at least one licensed employee of the charter school.

The hearing shall be held no later than 10 days after the beginning of the suspension or recommendation for expulsion. The disciplinary hearing panel shall give written notice of the time and place of the hearing to the parent or guardian, the student and the school official who ordered the suspension. If an employee requests a hearing on behalf of the student, notice shall be sent to the employee as well.

After the hearing, the disciplinary hearing panel may affirm the decision of the principal, order removal of the suspension unconditionally or upon such terms and conditions as it deems reasonable, expel the student, or suspend the student for a specified period of time.

Record of Hearing

The hearing officer or panel shall keep a written record of the proceedings, including a summary of the facts and the reasons supporting the decision. Each party shall be informed of the right to a complete record of the proceeding.

Appeal of Decision by Disciplinary Hearing Panel

The student or Principal, within five days of the decision, request review by the Vice President of Schools. Absent a timely appeal, the decision shall be final.

The Vice President of Schools shall review the file and, within five days of receipt of the request to review, affirm the decision of the principal or order remove of the suspension or expulsion unconditionally or upon such terms and conditions as it deems reasonable. If the Vice President of Schools chooses to affirm the decision of the Principal, the student may, within five days of the decision, request review by the Academic Affairs Committee. Absent a timely appeal, the decision shall be final.

The Academic Affairs Committee, based upon a review of the record, may grant or deny a request for a hearing and may affirm or overturn the decision of the disciplinary hearing panel with or without a hearing before the Committee; provided, that the board may not impose a more severe penalty than that imposed by the disciplinary hearing panel without first providing an opportunity for a hearing before the Committee.

If the Committee conducts a hearing as a result of a request for review by a student, then, notwithstanding any provision of the open meetings laws compiled in title 8, chapter 44, or other law to the contrary, the hearing shall be closed to the public, unless the student or student's parent or guardian requests in writing within five days after receipt of written notice of the hearing that the hearing be conducted as an open meeting. The hearing shall take place no more than 21 days after receipt of the request for review.

If the Committee conducts a hearing as a result of a request for review by a student that is closed to the public, then the Committee shall not conduct any business, discuss any subject or take a vote on any matter other than the appeal to be heard.

The action of the Academic Affairs Committee shall be final.

Disciplinary Records

Rocketship Education shall maintain records of all student suspensions and expulsions at Rocketship Schools.

Rehabilitation and Readmission

At the time of the expulsion order, students who are expelled shall be given a rehabilitation plan, to be developed by the Academic Affairs Committee in conjunction with Rocketship staff, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may be reviewed for readmission to a Rocketship school.

The decision to readmit a pupil who has been expelled from a Rocketship school shall be in the sole discretion of the Board following a meeting with the Principal and the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Principal shall make a recommendation to the Board following the meeting regarding his or her determination. The pupil's readmission is also contingent upon RSED's capacity at the time the student seeks readmission.

The decision to admit a pupil who has previously been expelled from another school, school district or charter school shall be in the discretion of the Principal following a meeting with the pupil and guardian or representative

to determine whether the pupil poses a threat to others or will be disruptive to the school environment. Where applicable, the Principal may also consider whether the pupil has completed any rehabilitation plan or other improvement measures prescribed by the pupil's previous school. The Principal shall make a recommendation following the meeting regarding his or her determination. The pupil's admission is also contingent upon RSED's capacity at the time the student seeks admission.

IV. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

Procedural Safeguards/Manifestation Determination

Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct a manifestation determination shall take place. "Change of Placement" includes a recommendation for expulsion or a cumulative removal of more than 10 school days in a school year. Rocketship, the parent, and relevant members of the IEP Team shall review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine:

- If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- If the conduct in question was the direct result of the local educational agency's failure to implement the IEP.

If Rocketship, the parent, and relevant members of the IEP Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If Rocketship, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team shall:

- (1) Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such child, provided that the school had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- (2) If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- (3) Return the child to the placement from which the child was removed, unless the parent and the school agree to a change of placement as part of the modification of the behavioral intervention plan.

If the school, the parent, and relevant members of the IEP team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP, then the school may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the school believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the school, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and the school agree otherwise.

Special Circumstances

Rocketship personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than 45 days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function;
- Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP team.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if Rocketship had knowledge that the student was disabled before the behavior occurred.

Rocketship shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Rocketship supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- The parent has requested an evaluation of the child.
- The child's teacher, or other Rocketship personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Rocketship supervisory personnel.

If the school knew or should have known the student had a disability under any of the three circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If the school had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline.

The school shall conduct an expedited evaluation if requested by the parents, however the student shall remain in the education placement determined by Rocketship pending the results of the evaluation.

Rocketship shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

BULLYING PREVENTION POLICY

Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. In response to increasing public awareness of childhood bullying and the adverse health effects associated with it, nearly all states have enacted anti-bullying legislation requiring schools to have policies that address and prevent bullying. Rocketship's policy has been written in accordance with the relevant Tennessee laws and regulations. It addresses definitions of bullying and harassment; prohibitions against bullying; requirements for reporting incidences of bullying; procedures for investigating incidents; and sanctions, remedies, and appeals.

I. Definitions

In accordance with T.C.A. § 49-6-4502, "harassment, intimidation, or bullying" means any act that substantially interferes with a student's educational benefits, opportunities or performance; and:

- If the act takes place on school grounds, at any school-sponsored activity, on school-provided equipment or transportation or at any official school bus stop, the act has the effect of:
 - Physically harming a student or damaging a student's property;
 - Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property;
 - Causing emotional distress to a student or students; or
 - Creating a hostile educational environment
- If the act takes place off school property or outside of a school-sponsored activity, it is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.

"Cyberbullying" means bullying undertaken through the use of electronic devices. "Electronic devices" include, but are not limited to, telephones, cellular phones or other wireless telecommunication devices, personal digital assistants (PDAs), computers, electronic mail, instant messaging, text messaging, and web sites.

II. Prohibitions Against Bullying

In accordance with T.C.A. § 49-6-4503(a), acts of harassment, intimidation, or bullying, including cyberbullying, whether by youth, volunteers, or staff, are prohibited:

- On Rocketship grounds and immediately adjacent property, at Rocketship -sponsored or related events on and off Rocketship grounds, on any vehicle used for Rocketship business, at any transit stop at which youth wait to be transported to Rocketship business, or through the use of any electronic devices owned by Rocketship, leased by Rocketship, or used for Rocketship business; and
- At a location or function unrelated to Rocketship, through the use of any electronic devices, including those not owned or leased by Rocketship, if the acts of harassment, intimidation, or bullying create a hostile environment at the agency for the victim or witnesses, infringe on their rights at Rocketship, or materially and substantially disrupt the orderly operation of Rocketship.

III. Reporting Incidents of Bullying or Retaliation

Rocketship expects all staff members and volunteers to report incidents of bullying or retaliation they witness or are made aware of. Staff members should immediately report all such incidents to the Principal, who will create a written report of a bullying incident.

Youth, parents, guardians, and community members are encouraged by Rocketship to report any incidents of bullying that they witness or become aware of. Reports of bullying may be made to the school Principal, or through an anonymous drop box at the front office of the campus.

Reports of bullying by youth, parents, guardians and community members may be made anonymously, but disciplinary action cannot be taken by Rocketship solely on the basis of an anonymous report, though such a report may trigger an investigation that will provide actionable information. (T.C.A. § 49-6-4503(b)(5)) All oral reports received as part of this process will be transcribed into writing and included in Rocketship's bullying database, further described below.

In accordance with T.C.A. § 49-6-4503(b)(5), Rocketship will ensure that there are reporting materials available in a wide variety of languages and that information about reporting is communicated to youth connected to Rocketship in an age appropriate manner. Information on how to report incidents of bullying will also be included as appropriate in Rocketship mailings to youth and their families. The school Principal is available to assist in reporting incidents of bullying.

Reports of bullying not received by the Principal will be transmitted to the Principal within one day of their receipt or creation by the staff member who reported the initial incident.

IV. Prohibition Against Reprisal or Retaliation

A school employee, student, or volunteer who witnesses or has reliable information that a student has been subjected to an act of harassment, intimidation, bullying, or cyber-bullying is encouraged to report to act in accordance with this Policy.

A school employee, student, or volunteer may not engage in reprisal or retaliation against a victim of, witness to, or person with reliable information about an act of harassment, intimidation, or bullying. (T.C.A. § 49-6-4505(a)). Furthermore, a school employee who promptly reports an act of harassment, intimidation, bullying or cyber-bullying to the appropriate school official in compliance with the procedures set forth in this policy is immune from a cause of action for damages arising from any failure to remedy the reported act. (T.C.A. § 49-6-4505(c)).

V. Data Collection

All Rocketship schools in Tennessee will collect the following pieces of information about reported incidents of bullying and provide aggregate data annually to the department of education in accordance with T.C.A. § 49-6-4503(c):

- Name(s) of the victim, bully, and any witnesses
 - Reliable contact information for the victim, bully and any witnesses
- Relevant attributes about the victim, bully and any witnesses including:
 - Any prior incidents involving either the victim or bully
 - Connection of the victim, bully, and any witnesses to the incident (i.e. are they students, staff, volunteers, etc.)
- The nature of the bullying incident
 - Where the incident took place
 - What time the incident took place
 - What type(s) of bullying it was (physical, verbal, cyber, relational, etc.?)
 - What factors drove the incident of bullying (social status, personal appearance, race, sexual orientation, etc.)
 - What adult supervision was in place
 - Context of the incident

Rocketship will only attempt to collect this information insofar as it does not jeopardize the safety of the victim and witness(es) and allows non-staff reports of bullying to be made anonymously.

VI. Investigating Incidents of Bullying

Pursuant to T.C.A. § 49-6-4503(b)(6), Rocketship schools in Tennessee will follow the procedures below when investigating a report of an act of harassment, intimidation, bullying, or cyberbullying.
effort

Prior to the investigation of an incident, the school Principal will take steps to ensure the safety of the alleged victim referenced in a reported bullying incident. These steps will be designed to restore a sense of safety to the

victim and to protect them from further incidents if necessary. Examples of such steps taken include designating a staff member to serve as that alleged victim's "safe" person, altering the alleged bully/bullies' seating or schedule to reduce access to the alleged victim or creating a safety plan in consultation with the alleged victim. Once an investigation is concluded, further steps will be taken as needed to assure the continued safety of the victim from additional incidents of bullying or retaliation.

Once a report of bullying has been received by an agency, the following groups will be notified as needed by the Principal so long as, in the absence of legal imperative, the parent or guardian's written consent is obtained prior to notification.

- Parents and guardians: Rocketship will notify the parents or guardians of victims, bullies, and if appropriate, witnesses to an incident of bullying behavior about the nature of the incident and the procedures and steps in place for responding to it. The school Principal will determine if parents or guardians should be informed prior to or after the investigation of an incident.
- Law enforcement agencies: If Rocketship determines that the reported incident may involve criminal activity or the basis for criminal charges, information about the incident must be conveyed to the appropriate law enforcement authorities. As part of making this determination, the Principal may wish to consult with either a law enforcement officer or legal counsel. Law enforcement shall only be contacted if all other available remedies have been exhausted.

Rocketship will notify these groups of incidents of bullying only to the extent allowed by law. Notification will be undertaken solely to ensure that services are provided to victims and bullies and to protect victims from further or sustained victimization. Rocketship will make every effort to protect the confidentiality of those who report bullying incidents.

The school Principal is responsible for investigating reports of bullying. An investigation of an incident will be initiated no more than one day after the Principal receives a report of bullying and will conclude no later than 30 days after the receipt of such a report. As part of the investigation, the Principal will interview any involved or relevant parties including alleged victims, bullies, witnesses, staff, parents or guardians.

The school Principal will provide confidentiality as far as possible to relevant parties as part of the investigation, and inform all relevant parties that retaliation for reporting acts of bullying is prohibited. Written records of the investigation process should be maintained and may be included in the bullying database to generate a more accurate picture of bullying behaviors at Rocketship. Where necessary, provisions will be made to include the advice of legal counsel.

In investigating an incident of bullying, the Principal will seek to ensure that the reported incident is one of victimization, a sign of bullying, rather than of conflict. Thus when investigating a reported incident the Principal will attempt to determine, through interviewing the victim, what mechanisms the victim had and has access to for halting the incident that occurred, and preventing future such instances. If the victim reports a few or no mechanisms for ending the incident or constructively dealing with future instances, that information will serve as compelling, though not conclusive evidence that the reported incident was an incident of bullying.

The Principal is charged with making determinations as to whether a reported incident constitutes a case of bullying. These determinations will be made in consideration of the totality of the facts and the circumstances surrounding the incident. If the Principal determines that an incident of bullying has occurred, they should take response steps to prevent the recurrence of an incident and restore the safety of a victim.

If the Principal determines that additional support is needed to conduct a thorough and equitable investigation they will contact Rocketship’s legal team.

Note that, at any time, individuals may file a formal complaint regarding an incident of discrimination, harassment, or bullying through Rocketship’s Complaint Policy. Any such complaint will be investigated in accordance with the procedures set forth in the Complaint Policy.

VII. Sanctions

Rocketship Education recognizes that for sanctions to be an effective component of a bullying prevention plan, they must be applied consistently, fairly, and equitably. To this end, Rocketship Education shall ensure that staff follow these guidelines as closely as possible, while allowing for flexibility to adapt sanctions to individual contexts. (T.C.A. § 49-6-4503(b)(8)). Furthermore, to ensure equitability in applying sanctions, measures will be applied on a graduated basis determined by the nature of the offense, the disciplinary history of the youth involved, and the age and developmental status of the youth involved. Responses to incidents of bullying may include, but are not limited to:

- Reprimand
- Deprivation of Rocketship privileges
- Bans on participating in optional Rocketship activities
- Deprivation of Rocketship services
- Suspension or expulsion, in accordance with Rocketship’s [Suspension and Expulsion Policy](#)

Sanctions will be applied within one day of the determination that an incident of bullying has occurred, unless an appeal of the incident by the bully has been received in that time as described in the Appeals section of this policy. To ensure that single incidents of bullying do not become recurring problems, Rocketship will always refer victims and bullies involved in an incident to services in addition to imposing sanctions on bullies.

The same sanctions apply when a person is found to have falsely accused another of having committed an act of harassment, intimidation, bullying, or cyber-bullying as a means of reprisal or retaliation or as a means of harassment, intimidation, bullying, or cyber-bullying. (T.C.A. § 49-6-4503(b)(10)).

Rocketship does not endorse the use of punitive strategies associated with “zero-tolerance” policies when applying sanctions to an incident of bullying.

Rocketship shall communicate to youth in contact with Rocketship, the consequences that youth can expect for participating in bullying behavior.

VIII. Appeals

Parties dissatisfied by the outcome of a bullying investigation may appeal the determination to Rocketship’s Vice President of Schools. This appeal should be submitted no later than 30 days after the initial determination. Upon receipt of an appeal, the Vice President of Schools must conduct a secondary investigation within 30 days of the receipt of an appeal. This 30 days may be extended up to an additional 15 days if the Vice President of Schools sets forth in writing the reasons why more time is needed to conduct an investigation.

IX. Publication and Contact Information

This policy will be made available on Rocketship’s website. The policy, and age appropriate versions thereof, will be distributed to youth and parents of youth in contact with Rocketship annually, and Rocketship will emphasize that the policy applies to participation in functions sponsored by Rocketship.

The Principal of each Rocketship campus is responsible for coordinating Rocketship's bullying prevention efforts. All questions, comments and concerns about the bullying policy and Rocketship prevention efforts should be able to be directed to the campus Principal. (T.C.A. § 49-6-4503(b)(11).

STUDENT DRESS CODE

Student uniforms help minimize disruption during the school day, promote respect for oneself and others, and foster school/community spirit. This policy addresses Rocketship's dress code requirements; dress code violations; and consequences for students who do not abide by the dress code.

I. Dress Code Requirements

All students are expected to wear the Rocketship uniform to school every day. The Rocketship uniform consists of a khaki bottom (pants, shorts, dress, skirt, or skorts) and a solid purple collared shirt. Students may wear a Rocketship polo shirt, which can be purchased from the front office or another vendor. Each school Principal has the discretion to set more detailed dress codes on his/her campus that align with this policy. Shirts must be tucked in at all times, which Rocketship considers being "dressed for success."

Students should also wear closed toe shoes. Sandals are not considered to be safe or appropriate for school.

II. Dress Code Violations

The following are considered to be dress code violations and are NOT permitted on any Rocketship campus:

- Dresses and shorts which are shorter than mid-thigh
- Hoodies and pullover jackets of **ANY COLOR**.
- Spaghetti straps (smaller than two inches, or the width of a credit card)

- Sunglasses or Marshall hats may not be worn in the building, but may be worn outside to protect from the sun

III. Consequences of Dress Code Violations

Students who repeatedly do not come to school in uniform may lose privileges in accordance with Rocketship's Student Discipline Policy. In addition, Rocketship may contact the student's parent/guardian to discuss the dress code violation.

MEDICATION ADMINISTRATION POLICY

Rocketship is committed to supporting the health of its students and meeting the needs of students with medical conditions, in compliance with Tennessee laws. This policy addresses the requirements for students who need to take medication during the school day, including required documentation and training for staff members. The policy also addresses the use of medication to treat designated health conditions including asthma, life-threatening allergies, seizures, and diabetes, as well as Rocketship's response to emergency medical situations.

I. Medication Administration Form

Before medication can be kept or administered at Rocketship, a student's parent/guardian must complete and submit a Medication Administration Form. The Medication Administration Form must include:

- Written medical authorization, signed by a licensed health practitioner, that states:
 - The name of the student;
 - Emergency contact information for the student's parent/guardian;
 - Contact information for the student's licensed health practitioner;
 - The name, purpose, and prescribed dosage of the medication;
 - The frequency that the medication is to be administered;
 - The possible side effects of the medication as listed on the label;
 - The circumstances under which the medication may or must be administered;
 - Special instructions or emergency procedures;
 - In the case of self-administered medication, confirmation that the student has been instructed in the proper technique for self-administration of the medication and has demonstrated the ability to self-administer the medication effectively.

- Written authorization, signed by the student's parent/guardian, that states:
 - That a trained employee or agent of the school may administer medication to the student in accordance with all applicable Tennessee laws and regulations; or
 - in the case of self-administration, the student may possess and self-administer the medication at Rocketship, at Rocketship-sponsored activities, and while on Rocketship-sponsored transportation; and
 - that the name of the student may be distributed to appropriate school staff, as determined by the Principal.

- Written acknowledgment that any person assisting in the self-administration of medications to students or performing health care procedures, including administration of medication, shall not be liable in any court of law for any injury resulting from the reasonable and prudent assistance in the self-administration of medication or the reasonable performance of health care procedures, including administration of medications, if performed pursuant to this Policy. (T.C.A. § 49-50-1602(a)(3))

Immediately following any changes regarding the health or treatment of the student, the parent/guardian must submit an amended Medication Administration Form to Rocketship. All Medication Administration Forms must be updated at least annually.

Any student with chronic or long-term illnesses will have an Individual Health Plan (IHP) that is reviewed at least annually. The IHP will include all relevant information about the student's condition as well as the student's

knowledge about his/her condition, the student's self-care abilities, and any modifications needed to enhance the student's learning and prevent emergencies. The IHP will be approved by a registered nurse.

II. Assistance with Student Self-Administration of Medication

With proper documentation as described in this policy, students may possess and self-administer medication on campus. This includes prescribed, metered dose asthma-reliever inhalers for any student with asthma. (T.C.A. § 49-50-1602(c))

Pursuant to T.C.A. § 49-50-1602(a)(1), Rocketship employees may assist students with the self-administration of medication under the following conditions:

- The student must be competent to self-administer non-prescription or prescription medication with assistance;
- The student's condition, for which the medication is authorized or prescribed, must be stable;
- The self-administration of the medication must be properly documented;
- The student's parent/guardian must be give permission in writing for school personnel to assist with self-administration of medication, as further described in Section II above; and
- Assistance with self-administration shall primarily include storage and timely distribution of medication.
- The guidelines set forth in this policy must be followed.

Medications should be limited to those required during school hours and necessary to maintain the student's enrollment and attendance in school. The student should be able to identify his/her medication and articulate the reason the medication is to be used.

The individual assisting with the medication self-administration must visually observe the student self-administer the medication OR, in the case of a cognitively competent but physically challenged student, perform that portion of self-administration for which the student is physically incapable.

The parent/guardian shall be responsible at the end of the treatment regimen for removing any unused medication from the school. When the duration of the medication is complete or out-of-date, Rocketship will notify the parent/guardian and request that the medication be picked up. After proper notification, if the medication is not picked up within 14 days, the medication shall be destroyed in accordance with local environmental protocols under the supervision of the Principal, documented and witnessed by at least one other school staff member.

III. Medication Administration and Health Care Procedures

Administration of Medication

The purpose of administering medications in school is to help each child maintain an optimal state of health to enhance his or her education. Medications should be limited to those required during school hours and necessary to provide student access to the educational program.

All prescription medications given at school shall meet the following requirements:

- Be prescribed by a licensed prescriber on an individual basis as determined by the student's health status.
- Be brought to school in the original, pharmacy-labeled container displaying the child's name; prescription number; medication name and dosage; administration route or other directions; date; licensed prescriber's name; pharmacy name, address, and phone number.
- Correspond to a written Medication Administration Form (described in Section II above).
- Be renewed at least annually.

- Have written authorization from the licensed prescriber and parent when there are changes in the prescription medication (i.e. change in time, dose, addition, discontinuation).

All non-prescription medications given in school must be brought in with the original label listing the ingredients, dose schedule, and child's name. Each dosage must be documented.

School staff should NOT provide any over-the-counter medications or therapeutic/homeopathic remedies (i.e. cough drops, herbal teas) to students unless the student has

- a note from an authorized health care provider that prescribes the use of the remedy, including the amount or dose to be given, and the method and timing of the administration; AND
- a written statement from a parent/guardian permitting the use of the remedy at the school.

Procedures Done By Licensed Health Care Professional

Tennessee law requires that a licensed health care professional perform any health care procedure that a student is not capable or competent to perform. Procedures should be documented and show compliance with standard nursing guidelines. Documentation should include the name of the procedure, name of the person performing the procedure, date, time, results of the procedure or the reason the procedure was omitted. A prescriber's orders and parental authorization are required for any health care procedures performed by a licensed health care professional in the school setting.

Procedures Done by Unlicensed Assistive Personnel

Activities that are commonly deemed to be "activities of daily living" do not need to be performed by a licensed health care professional. Activities that can be performed by unlicensed assistive personnel or a teaching assistant may include, but are not limited to, the following: toileting; bathing; diapering; dressing; feeding; positioning; application and removal of protective and supportive devices; recording intake and output; vital signs.

In general, physician's orders and parental authorization are not needed for activities of daily living, although some activities may require a competency evaluation by a registered nurse or therapist.

IV. Use of Designated Medications and Emergency Procedures

In addition to the requirements listed above, Tennessee law contains certain requirements for the use of designated medications to treat certain health conditions at schools, including (as further described below, respectively) asthma inhalers, anti-seizure medication, epinephrine, and diabetes-related care.

Asthma Inhalers

Pursuant to T.C.A. 49-50-1602(c), Rocketship is required to permit possession and self-administration of a prescribed, metered dosage asthma-reliever inhaler by any asthmatic student if the student's parent or guardian (A) provides to the school written authorization for student possession and self-administration of the inhaler; and (B) provides a written statement from the prescribing health care practitioner that the student suffers from asthma and has been instructed in self-administration of the prescribed, metered dosage asthma-reliever inhaler. The statement must also contain the following information:

- The name and purpose of the medication;
- The prescribed dosage;
- The time or times the prescribed inhaler is to be regularly administered, as well as any additional special circumstances under which the inhaler is to be administered; and
- The length of time for which the inhaler is prescribed;

These statements shall be kept on file in the office of the school nurse or school administrator.

Rocketship shall inform the student's parent or guardian that the school and its employees and agents shall incur no liability as a result of any injury sustained by the student or any other person from possession or self-administration of the inhaler. The student's parent or guardian shall sign a statement acknowledging that, except in cases of school or employee negligence, the school shall incur no liability and the parent or guardian shall indemnify and hold harmless the school and its employees against any claims relating to the possession or self-administration of the inhaler.

The permission for self-administration of the prescribed, metered dosage asthma-reliever inhaler shall be effective for the school year in which it is granted and must be renewed each following school year upon fulfilling the requirements of this section. Rocketship may suspend or revoke the student's possession and self-administration privileges if the student misuses the inhaler or makes the inhaler available for usage by any other person.

Anti-Seizure Medications

In accordance with T.C.A. § 49-50-1602(g), Rocketship staff members may volunteer to administer anti-seizure medications, including diazepam gel, to a student in an emergency situation in accordance with that student's IHP. Any such volunteer must be trained by a registered nurse employed or contracted by Rocketship. Rocketship will not require or coerce any staff member to serve as a volunteer.

The decision of whether to permit Rocketship staff to serve as volunteers to administer anti-seizure medication will be made annually by Principals in consultation with their supervisors. The decision will be based on the needs of the students enrolled at the campus during a given school year. The required training conducted under this policy must be done as soon as possible should Rocketship decide to allow volunteer staff to administer anti-seizure medication, and shall be repeated at least annually if the campus continues to need designated volunteers.

Prior to the administration of any anti-seizure medication to a student by volunteer school personnel or a school nurse in an emergency situation, the student's parent/guardian shall provide the school with written authorization to administer the medication at school in accordance with Section I of this policy. As required by T.C.A. § 49-50-1602(g)(10), the school nurse or Office Manager will inform the student's parent/guardian at least one month prior to the expiration date of any medication being stored at the school.

At least one school employee must serve as a witness on any occasion that a trained volunteer administers anti-seizure medication during an emergency situation, unless a witness is not available within the time limit for administration. If a school nurse is available on site, and is able to reach the student within the time limit for administration, then the nurse must administer the medication.

Pursuant to T.C.A. § 49-50-1602(g)(11), a student's parent/guardian who has given the school written authorization to administer anti-seizure medication must notify the Principal or school nurse if anti-seizure medication, or certain prescription or over-the-counter medications as specified in the student's IHP, are administered to the students at a time when the student is not present at school. The notification should be given before or at the beginning of the next school day following the administration of medication.

Epinephrine

Under T.C.A. § 49-50-1602(e)(1), a student with anaphylaxis is entitled to possess and self-administer prescription anaphylaxis medication while at school if the following conditions are met:

- The prescription anaphylaxis medication has been prescribed for the student as indicated by the prescription label on the medication;
- The self-administration is done in compliance with prescription or written instructions from the student's physician or other licensed health care provider; and
- The student's parent/guardian has provided the school with written authorization in accordance with Section I of this policy.
- The student's parent/guardian has provided the school with a written statement that releases Rocketship and its employees from liability for an injury arising from the student's self-administration while on school property or at a school-sponsored activity, except in cases of wanton or willful misconduct.
- The student's physician or other licensed health care provider provides a signed written statement that supports a diagnosis of anaphylaxis; identifies any food or other substances to which the student is allergic; describes any prior history of anaphylaxis; lists any medication prescribed to the student for the treatment of anaphylaxis details emergency treatment procedures in the event of a reaction; lists the signs and symptoms of a reaction; assesses the student's readiness for self-administration of prescription medication; and provides a list of substitute meals that may be offered by school food service personnel/

Pursuant to T.C.A. 49-50-1602(f)(2), Rocketship schools in Tennessee are authorized to maintain at the school epinephrine auto-injectors so that epinephrine may be administered to any student believed to be having a life-threatening allergic or anaphylactic reaction. A physician may prescribe epinephrine auto-injectors in the name of Rocketship Education to be maintained for use in schools when necessary. In accordance with T.C.A. 49-50-1602(f)(2)(E), any physician who prescribes epinephrine to the school shall not be held responsible if a student is harmed due to the administration of epinephrine, unless the physician has issued the prescription with intentional disregard for safety.

When a student does not have an epinephrine auto-injector or prescription for an epinephrine auto-injector on file, the school nurse or other trained personnel may utilize the school supply of epinephrine auto-injectors to respond to an anaphylactic reaction. If a student is harmed due to such administration, the school nurse or trained employee shall not be held responsible for injury unless the school nurse or employee administered the epinephrine with intentional disregard for safety.

Training shall be conducted by a licensed health care professional in accordance with guidelines set forth by the Tennessee Department of Education.

The decision of whether to maintain epinephrine auto-injectors on Rocketship school campuses in Tennessee will be made by the Vice President of Operations. The decision will be reviewed at least annually.

Diabetes Care

In accordance with T.C.A. § 49-50-1602(d), Rocketship staff members may volunteer to assist with the care of students with diabetes in accordance with that student's IHP. Such assistance can only occur if a student's parent/guardian and the student's personal health care team must have developed a medical management plan that lists the health services needed by the student at school and is signed by the student's physician, nurse practitioner, or physician assistant. Parent/guardians must also complete all required documentation under Section I of this policy.

Any volunteer who assists with diabetes care must be trained by a registered nurse employed or contracted by Rocketship. Rocketship will not require or coerce any staff member to serve as a volunteer.

The decision of whether to permit Rocketship staff to serve as volunteers to assist with diabetes care will be made annually by Principals in consultation with their supervisors. The decision will be based on the needs of the students enrolled at the campus during a given school year. The required training conducted under this policy must be done as soon as possible should Rocketship decide to allow volunteer staff to administer anti-seizure medication, and shall be repeated at least annually if the campus continues to need designated volunteers.

If a school nurse is on site and available, then the nurse must provide diabetes assistance rather than trained volunteers. Additionally, the school nurse has the primary responsibility of maintaining all student health records.

Under T.C.A. § 49-50-1602(d)(7), upon written request of a parent/guardian, and if included in the student's medical management plan and IHP, a student with diabetes may be permitted to perform blood glucose checks, administer insulin, treat hypoglycemia and hyperglycemia, and otherwise attend to the care and management of the student's diabetes at school, and shall be permitted to possess all necessary diabetes monitoring and treatment supplies on the student's person.

First-Aid Emergencies

Rocketship will maintain certain first-aid products on hand. Rocketship staff will receive first-aid training at least annually.

Resuscitation

School employees are trained and expected to respond to emergency situations without discrimination. If any student or staff member needs resuscitation, staff shall make every effort to resuscitate him/her. Staff members are prohibited from accepting or following any parental or medical "do not resuscitate" orders. School staff should not be placed in the position of determining whether such orders should be followed, and such advance directives shall not be communicated to staff.

V. Staffing and Training

All training of school personnel providing assistance with self-administration of medications shall be done by a registered nurse employed or contracted by Rocketship. Training for school personnel in the assistance with self-administration of medication shall be repeated annually.

VI. Storage of Medication

All individual students' medications must be put in a leak proof container and stored in a secure or locked area. Medications must be kept no longer than the expiration date or end of the school year, whichever is sooner. Access to stored medication and medication cabinet keys must be limited to school personnel authorized to administer medications.

Emergency medications must be kept in a secure area readily available for timely, emergency use. In accordance with T.C.A. 49-50-1602(f), if the school keeps epinephrine auto-injectors, these must be secure areas that are unlocked.

VII. Maintenance of Records

Each dose of medication shall be documented, including the date, frequency, time, dosage, route and the signature of the person assisting the student in self-administration. In the event that a dosage is not administered as ordered (i.e. missed dose), or any other medication error occurs, a Medication Error Form must be filled out. The school nurse and the student's parent/guardian must be notified in the event of a medication error as well.

VIII. Misuse

A student who self-administers medication while at school, at a school-sponsored activity, or while on school-sponsored transportation for a purpose other than his or her own treatment will be subject to disciplinary action in accordance with Rocketship's [Student Discipline Policy](#). Such disciplinary action shall not limit or restrict the access of a student to his or her prescribed medication. Rocketship will promptly notify the student's parent/guardian of any disciplinary action imposed.

IX. Limitation of Liability

Under Tennessee law, trained volunteer school personnel administering medication under this policy, as well as any registered nurse who provides training to administer such medications and the Board authorizing such training, shall not be liable in any court of law for injury resulting from the reasonable and prudent assistance in the administration of such medications, if performed pursuant to the policies and guidelines developed by the departments of health and education and approved by the applicable regulatory or governing boards or agencies.

HEAD LICE POLICY

Head lice are parasitic insects that are found on the head, eyebrows, and eyelashes of affected people. Head lice are spread through direct contact with the hair of an infested person and are often spread in elementary schools. This policy was created to minimize the potential for head lice outbreaks at Rocketship schools. The policy addresses examination protocols; notices to families; and the process for a student who has been infested to return to school.

I. Examination

If student is suspected of having head lice (i.e. constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household.

II. Sending a Student Home

If a student is positive for live head lice, the student is to be promptly sent home with information to the parents regarding treatment and control measures. Any absences related to head lice will be documented and counted as an excused absence in accordance with Rocketship's [Attendance and Truancy Policy](#).

III. Exposure Notice

If there are two or more students affected in any class, Rocketship will send home an exposure notice with information about head lice to all parents/guardians in that class. Rocketship will maintain the privacy of students identified as having head lice and excluded from attendance.

IV. Returning to School

Rocketship will provide parents/guardians of affected students with instructions on how to conduct post-treatment examinations on their children. Parents/guardians may send their child back to school when they believe that the child's hair is no longer infested with head lice. Parents should not withhold the child from school for any days longer than necessary; typically, no more than three days. Any absences longer than three days require a doctor's note. If the family is unable to obtain a doctor's note, the family should arrange to have a meeting with the school to discuss the length of absence. The school has the discretion to excuse additional days if school staff determine this is necessary. The school nurse or other trained staff members will reexamine the student's hair upon return. If the student shows no trace of lice or nits, the student may return to school.

ROCKETSHIP INTERNET SAFETY POLICY

Rocketship strives to leverage advanced education technology to support personalized instruction and facilitate comprehensive data analysis. Rocketship adheres to the federal requirements and guidelines set forth in the Children’s Internet Protection Act (CIPA) (47 U.S.C. § 254(h)). Specifically, as required by CIPA, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors.

Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

IV. Inappropriate Network Usage

In accordance with CIPA, the following uses of Rocketship Internet system are considered unacceptable:

- Unauthorized access, including “hacking.” This includes logging in through another person’s account and accessing another person’s files; making deliberate attempts to disrupt the computer system; destroying data by spreading computer viruses; and downloading software without the explicit consent of a staff

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of Rocketship's Vice President of Schools or his/her designated representatives.

VI. Training

- The standards and acceptable use of Internet services as set forth in this policy.
- Student safety with regard to Safety on the Internet; appropriate behavior while online, on social networking Web sites, and in chat rooms; and cyberbullying awareness and response.
- Compliance with the E-Rate requirements of the Children's Internet Protection Act ("CIPA").

Following receipt of this training, the student will acknowledge that he/she received the training, understood it, and agrees to follow the provisions of Rocketship's acceptable use policies.

VII. Disciplinary Actions

Record maintenance and network monitoring may lead to the discovery that a student has violated this Policy and/or the laws. If there is reasonable suspicion, Rocketship will conduct a search of the student's Internet activities. A student's parent/guardian may request to see such activities.

Students who are found to have violated this policy or any relevant laws will be disciplined in accordance with Rocketship's Discipline Policy. '

Rocketship will cooperate fully with local or federal officials in any investigation related to illegal activities conducted through the school network.

VIII. Liability

Rocketship Education is not responsible for financial obligations arising through the unauthorized use of its Internet system. A student's parent/guardian can be held financially responsible for any harm to Rocketship's Internet system arising from a student's intentional misuse.

PARENT PARTNERSHIP POLICY

Engaged parents are a core pillar of Rocketship's model and critical to our Rocketeers and their long-term success. By actively being included and involved in our schools and their Rocketeers' learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship's model and are positioned to reinforce Rocketship's core values at home. This policy describes the 30-hour suggested commitment; ways to satisfy hours; monitoring and tracking of hours; and clearance requirements.

I. Thirty Hour Commitment

Rocketship asks that families participate in 30 Parent Partnership Hours each year per family by supporting or participating in various school activities. Participating in Parent Partnership Hours is encouraged, but NOT required. If families do not realize 30 Parent Partnership Hours annually, there is no consequence or penalty.

II. Satisfying Parent Partnership Hours

Parents can satisfy their Partnership Hours through any of the following participation categories:

- Academic achievement (i.e. home visits with teachers/School Leaders, teacher conferences, take-home work to assist a classroom teacher, assisting the Office Manager)
- School community (i.e. attending community meetings, helping at special events)
- Education advocacy (i.e. attending Parent Leadership meetings or school hearings)

Rocketship will ensure that opportunities for Parent Partnership Hours occur both during the school day and after hours or on weekends in order to accommodate the work and personal schedules of our families.

Families may have extended family members (i.e. grandparents, aunts/uncles, cousins, siblings, etc.) participate in the school activities and realize Parent Partnership Hours.

III. Monitoring and Tracking of Hours

Rocketship carefully tracks and monitors Parent Partnership Hours during each school year.

If the parent/family member is satisfying hours through an interaction with a classroom teacher, the teacher is responsible for tracking the time.

If the parent/family member is working at the school office, he/she must sign in with the Office Manager using the school's electronic or paper system.

If the parent/family member is attending a meeting or event (on or off campus), Rocketship will provide a sign-in sheet. The parent/family member must sign in. The school Office Manager will be responsible for inputting the relevant partnership hours.

Rocketship will implement a system to house the partnership data. Each school will provide regular status updates to help families keep abreast of their hours. Parents/families can also request this data from the Office Manager at any time.

IV. Clearance Requirements for Volunteers

The safety of our Rocketeers always comes first. Thus, every parent, guardian, or family member who chooses to volunteer on- or off-campus at Rocketship-sponsored events must apply to become a volunteer, and participation is encouraged only after he or she has cleared a background check. However, other Parent Partnership Hours activities, such as attending community meetings, do not require a background check. For more information, see Rocketship's regional Volunteer Clearance Policy.
