Wednesday, August 21, 2019
Rocketship Public Schools National Board of Directors Meeting (2019-20 Q1 - Day 1)

Meeting Time: 2:00pm to 6:00pm
Meeting Location: 2001 Gateway Place, San Jose, CA 95110

3173 Senter Rd, San Jose, CA 95111
1700 Cavallo Rd, Antioch, CA 94509
2351 Olivera Rd, Concord, CA 94520
320 Plus Park Blvd, Nashville, TN 37317
1440 Connecticut Dr, Redwood City, CA 94061

1. Opening Items (2:00pm-2:05pm)

A. Call to Order

B. Call for Public Comment on Off-Agenda Items

2. Consent Items (2:05pm-2:10pm)

A. Renew the appointment of Raymond Raven to the Rocketship Public Schools Board of Directors beginning August 2019 through August 2021

B. Renew the appointment of Joey Sloter to the Rocketship Public Schools Board of Directors and Executive Committee beginning August 2019 through August 2021

C. Renew the appointment of Jean-Claude Brizard to the Rocketship Public Schools Board of Directors and as member and chair of the Achievement Committee beginning August 2019 through August 2021

D. Renew the appointment of Ralph Weber to the Rocketship Public Schools Board of Directors beginning August 2019 through August 2021

E. Appoint Michael Fox to the Rocketship Public Schools Board of Directors and Business Committee beginning August 2019 through August 2021

F. Appoint Kate Coxon as an advisor to the Rocketship Public Schools Achievement Committee beginning August 2019 through August 2021

G. Create Ad Hoc Board Nomination Committee with membership of Louis Jordan, Alex Terman, Jean-Claude Brizard, and Joey Sloter. Ad Hoc Board Nomination Committee will report back to the Board of Directors in August 2020 with suggestions for potential new Board members

H. Approve minutes from May 30, 2019, 3:30pm meeting of the Rocketship Public Schools Board of Directors

I. Approve minutes from May 30, 2019, 6:00pm meeting of the Rocketship Public Schools Board of Directors

J. Approve 2019-20 California and Tennessee Family Handbooks

K. Approve Concussion Policy

L. Approve California General Complaint Policy

M. Approve Tennessee Complaint Policy

3. Agenda Items (2:10pm-4:15pm)

A. 2018-19 achievement overview and next steps (2:10pm-3:10pm)

B. Budget and enrollment update (3:10pm-3:40pm)

C. Audit update (3:40pm-3:55pm)

D. Compliance update (3:55pm-4:05pm)

E. CEO, Regional, and Development updates (4:05pm-4:15pm)

4. Break (4:15pm-4:30pm)

5. Agenda Items, continued (4:30pm-5:15pm)

A. 2018-19 Board reflection, leading to 2019-20 Board goals & expectations

6. Conference with Legal Counsel--Anticipated Litigation Significant Exposure to Litigation Pursuant to Section 54956.9(b): 2 cases (5:15pm-5:55pm)

A. Anticipated Litigation: Case #1

B. Anticipated Litigation: Case #2

7. Agenda items, continued (5:55pm-6:00pm)

A. Public report on any actions taken during Closed Session

8. Adjourn (6:00pm)

THE ORDER OF BUSINESS AND TIMINGS MAY BE CHANGED WITHOUT NOTICE: Notice is hereby given that the order of consideration of matters on this agenda may be changed without prior notice, provided that the Board takes action to effectuate such change. Timings listed on the agenda are estimates only and may change depending on the duration of public comment and discussion around prior items.

REASONABLE ACCOMMODATION WILL BE PROVIDED FOR ANY INDIVIDUAL WITH A DISABILITY: Pursuant to the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, any individual with a disability who requires reasonable accommodation to attend or participate in this meeting may request assistance by contacting Apoorva Katikaneni at akatikaneni@rsed.org.

Thursday, August 22, 2019
Rocketship Public Schools National Board of Directors Meeting (2019-20 Q1 - Day 2)

Meeting Time: 8:30am to 1:00pm
Meeting Location: 2001 Gateway Place, San Jose, CA 95110

3173 Senter Rd, San Jose, CA 95111
1700 Cavallo Rd, Antioch, CA 94509
2351 Olivera Rd, Concord, CA 94520
320 Plus Park Blvd, Nashville, TN 37317
1440 Connecticut Dr, Redwood City, CA 94061

1. Opening Items (8:30am-8:40am)

A. Call to Order

B. Call for Public Comment on Off-Agenda Items

2. Closed Session: Public Employee Performance Evaluation (Pursuant to Ca. Gov. Code Section 54957) (8:40am-10:45am)

A. Title: Senior Leadership Team

B. Title: CEO

3. Break (10:45am-11:00am)

4. Agenda Items (11:00am-1:00pm)

A. Public report on any actions taken during Closed Session

B. Regional growth update and decision

5. Adjourn (1:00pm)

THE ORDER OF BUSINESS AND TIMINGS MAY BE CHANGED WITHOUT NOTICE: Notice is hereby given that the order of consideration of matters on this agenda may be changed without prior notice, provided that the Board takes action to effectuate such change. Timings listed on the agenda are estimates only and may change depending on the duration of public comment and discussion around prior items.

REASONABLE ACCOMMODATION WILL BE PROVIDED FOR ANY INDIVIDUAL WITH A DISABILITY: Pursuant to the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, any individual with a disability who requires reasonable accommodation to attend or participate in this meeting may request assistance by contacting Apoorva Katikaneni at akatikaneni@rsed.org.

ROCKETSHIP
PUBLIC SCHOOLS

To: Board Members
From: Preston Smith, CEO & President
Date: August 21, 2019
Re: CEO's Update

This memo is an update on the successes and challenges we've had at Rocketship since our last board meeting in May.

QUALITY—Great schools...
All schools in the top 10% among low-income districts

In the 2018-19 school year, our Rocketeers achieved some of their strongest levels of achievement to date. In the 18.19 school year we achieved the highest absolutes ever, best Fall to Spring growth in six years, and the best Spring to Spring growth in four years. In math, 49% of our Rocketeers are in the top third of the country (67th percentile or higher) and our national network averaged 1.36 years of growth. In English Language Arts, 40% of our Rocketeers are in the top third of the country and averaged 1.29 years of growth in the 18.19 school year. The 2018-19 school year served as tremendous validation that we are on the right track!

In California, our Rocketeers continue to thrive. On the NWEA assessment, our California Rocketeers realized 1.38 years of growth in Math and 1.29 years in ELA. Moreover, we continue to make strong progress on the CAASPP (Common Core state assessment). The state has not yet released final public data to report specific scores or compare our performance to neighboring schools and across the state. At this point, we can only report on our performance compared to previous years. Over the past five years, in contrast to state and local trends, we have steadily increased the percent of students exceeding state standards in each subject – gaining 8-17 points in proficiency over 5 years. This year, we expect to surpass the state average in % of met/exceeded in ELA, which would be the first time as a network since CAASP was introduced. Moreover, in 18.19 we continued to see strong levels of performance for our ELL students. In 2019-20, I expect to see even more dramatic gains as we double down on the momentum and success of this past school year and continue to reach for our goal to get over 70% of our Rocketeers meeting and/or exceeding standards on CAASPP.

In Nashville, we saw dramatic academic growth, especially at Rocketship Nashville Northeast Elementary (RNNE). On the NWEA assessment, our Nashville Rocketeers realized 1.46 years of growth in Math and 1.41 years in ELA. More specifically, our

ROCKETSHIP
PUBLIC SCHOOLS

RNNE Rocketeers realized 1.8 years of growth in Math and 1.7 years of growth in ELA. Although there is still more growth necessary in order to elevate our absolutes, the overall progress is inspiring and will only build further momentum for our Nashville Rocketeers and families. On the TN state assessment (TN Ready), where results are not yet public, we expect to perform comparably to the district (MNPS) average for all students. The state results indicate significant growth in our ELA achievement, which is largely due to RNNE's growth and RUA's continued excellence. We believe that both schools may be eligible to be recognized as Rewards Schools (or incredibly close) and believe it is likely that on Tennessee's Value Added Assessment System (TVAAS), which measures student growth, both schools will be recognized for achieving the highest tier of student growth possible (level 5). As we enter the 2019-20 school year we are aiming for both Nashville schools to rise to the Top Tier of network performance, which is exciting that our student achievement bar is now being elevated and influenced by schools outside of our California region!

In Milwaukee, our first look at state assessment scores (Forward) showed mixed results. Like in California, the state has not yet made results public so we cannot compare our performance to similar schools or state averages. Rocketeers at Southside Community Prep (RSCP) improved in ELA by 2 percentage points but regressed in math. At Rocketship Transformation Prep (RTP), we only had 10 Rocketeers assessed. They were _significantly_ below grade level at the start of the year and made strong growth, especially in the Spring semester in ELA in averaging almost 1.7 years of growth on NWEA, so we believe we are on-track to strong absolutes over time. We still expect RSCP to outperform the district (MPS) average for all students in both subjects again this year, but in an effort to elevate results in 19.20 in a significant manner we are shifting our resources and supports for Milwaukee in deeper partnership with Lavinia and having one of our strongest Directors of Schools focus on supporting the region as well. We must continue to hold a high bar for our Milwaukee Rocketeers and ensure that they not only outperform local schools, but realize student achievement results more comparable with our schools across the nation.

In DC, we expect Rocketship Legacy Prep to maintain Tier I status, even after quadrupling in size to over 300 Rocketeers in its second year. For RISE, we believe that we will remain on the cusp of Tier I, but still be in the Tier II category. That said, we are especially proud of our RISE Rocketeers and team as the school continues to have the highest percentage of at-risk students in the city for a charter and yet continues to realize strong results. At RISE, it looks like we made almost double digit growth in the percent of students at 3 and 4+ in ELA and are at or above the average for all charters! Our investments in ELA and partnership with Lavinia are paying off in a big way for our Rocketeers success and in DC especially, we are proving what is possible in public education for all students and demographics.

I am proud of the collective hard work of our talented teachers and school leaders. Our student achievement outcomes consistently outperform local schools by considerable margins as we continue to realize our mission of eliminating the achievement gap and truly unleashing the potential of our amazing Rocketeers and communities. I am feeling very confident as we enter the 2019-20 school year that we will continue to build on this momentum, further elevate our instruction, and student

achievement will continue to rise as we work to fully eliminate the achievement gap between our Rocketeers and their more affluent peers.

SCALABILITY—Personalized learning for all...
Be the premier educational organization for personalized learning through a high-quality elementary model that is sustainable, replicable, and purposefully integrates technology

In the 2018-19 school year, we continued to drive towards organizational sustainability by 2023. Over the past four years, we have made steadfast progress towards organizational sustainability. This past year, only 23% of our National supports to our schools and communities were accounted for through philanthropy. This is a significant decrease from 2014 when 51% of our National supports at Rocketship were covered via philanthropy and is evidence of our continued path towards sustainability as an organization and demonstrating what is possible on public revenues. Moreover, only 7% of our total organizational budgets are philanthropically supported, which continues to decrease year after year.

In addition, I am excited by the work that we realized in 18.19 to further innovate and transform our Learning Labs and rotational model. In 18.19, at three of our Bay Area schools we piloted several new

experiences and opportunities for our Rocketeers in the Learning Lab, which included hands-on science, robotics, a reading library, strategy and collaboration games, project based learning, engineering, Core Value lab, art, and more. At the same time we aggressively pursued the purposeful integration of online learning programs (OLPs) into our classrooms and core content areas, which granted the opportunity to shift the focus of the learning lab time and content. These innovations to our model are critical in that they allow our Rocketeers to experience opportunities, content, and enrichment that is more similar to their more affluent peers, which they often cannot access due to their own resources. We believe that by further elevating the quality of these enrichments and opportunities in the learning lab we will elevate our Rocketeer's learning and achievement as well as provide for them an even richer and more holistic learning experience so that long-term they can be even more competitive with their peers. In the 2019-20 school year we are aiming to scale the best practices from these three pilot schools to all thirteen of our Bay Area schools and continue to elevate our personalized learning model for all of our Rocketeers.

IMPACT—Strong communities and families...
Serve 14,000+ Rocketeers and families by 2023

We now serve nearly 10,000 Rocketeers across 19 schools in 4 regions. Although we are not opening a new school in the 19.20 school year, I am excited that many of our campuses across our 4 regions are still growing due to incredible demand from the community for high-quality public school options. In addition, another Rocketship school is watching it's first cohort of Rocketeers head to college! Rocketship Si Se Puede alum, Daniella Martinez, will be the first in her family to go to college when she starts at Cal Poly Pomona next year, majoring in liberal studies within the College of Education. Daniella's goal is to become a literacy teacher at Rocketship Sí Se Puede..."because Rocketship Sí Se Puede changed the course of my life, and gave me the opportunity and hope to pursue my dreams."

At the end of the school year, we successfully resolved the two Notices of Violation given to us by the Antioch Unified School District (AUSD) Board of Trustees last spring. Though most of the 30+ "violations" they alleged had no merit in the first place, we immediately refuted or remedied every single one in addition to Delta constantly rallying their parents (over 350+) and community to protect their Rocketeer's school. In order to fully resolve the matter, the district then demanded we establish a MOU or long-term agreement over the summer. This summer, we entered into negotiations with AUSD to establish a long-term operating agreement. I am happy to share that we have reached and signed an agreement with AUSD to completely resolve the Notices of Violation and chart a path to work together going forward. This means that we have fulfilled all our obligations under the May 23 AUSD board resolution and that the District will not try to revoke our charter at this time. Most importantly, we can with confidence continue to serve our Rocketeers and families in Antioch and catalyze the transformation we know is necessary within our East Bay community.

In California, the continued statewide debate about proposed education policy changes has persisted in overwhelmingly ignoring the voices and interests of families in underserved communities. That is why on Friday, June 7th, 2019, more than 2,500 parents, teachers, and students came together to

ROCKETSHIP
PUBLIC SCHOOLS

"Stand With Great Public Schools" in downtown San José. Organized by parent leaders from Rocketship and other high-performing public charter schools, the event was designed to teach area students about the importance of civic engagement and showcase how public charter school families, students, and staff are helping improve educational equity and excellence across the City of San José.
As we now look ahead to 2020-21, we are aiming to serve the community demand and need in Washington D.C., where we are working to open our third campus. Similarly, in Nashville we have earned the right to grow and serve more Rocketeers and are working on plans to open a third school in 2021. There is still a great deal of work to be done for each of these openings in regards to the charter approvals, facility approvals, and community engagement, however, I remain energized by the opportunity to build on our momentum, extend our impact, and develop partnerships across all of our Rocketship regions and communities in our collective effort to fulfill our mission in underserved communities across the nation.

2018-19 Achievement Results and Next Steps

At Rocketship Public Schools, we believe in the infinite possibility of human potential. We believe that every student deserves the right to dream, to discover, and to develop their unique potential. And it is our responsibility and our privilege to unleash the potential inside every Rocketeer we serve. Our non-profit network of public elementary charter schools propels student achievement, develops exceptional educators, and partners with parents who enable high-quality public schools to thrive in their community.

We are a collective of parents, teachers, leaders, and students working together to transform the future for low-income communities. At Rocketship Public Schools, we are unleashing potential.

Transformational Public Schools Built on Three Pillars

Personalized Learning

Tailoring instruction, content, learning experience, and pace to unleash the potential of every student.

Talent Development

Investing in the growth and development of every team member to unleash their full potential in the classroom and beyond.

Parent Power

Unleashing the power of parents to champion their children's education, demand political attention, hold leaders accountable, and enable high-quality public schools to thrive in their community.

Agenda

- 2018-19 Network Results and 2019-20 Priorities

- 2018-19 Regional Performance

Executive summary

We kicked-off 2018-19 with a focus on three priorities: 1) Improve our ELA results through simplifying and further personalizing our program, 2) Support and build capacity in Milwaukee, Nashville, and DC, and 3) improve teacher recruitment and development to bolster top tier teacher numbers.

Through these investments, we achieved our **highest absolutes *ever*, the highest Fall-Spring growth in six years, and the highest Spring-Spring growth in four years** on NWEA MAP. In particular, 5th grade ELA achieved 1.5 growth years across the network and a 7 ppt jump in % in the Top Third. We saw similar growth in our state assessment results, with ELA in all regions improving on average 2%. The Bay Area for the first time averaged above 50% meets and exceeds in ELA and reached 61% in Math, with 54% of schools achieving above 60% proficient and 25% improving 10 ppts over last year in at least one subject.
Our regional investments particularly paid off in TN, which is now **closing the gap with the Bay Area** in absolute performance on MAP and jumped 15 ppts in Math on the state assessment. Most impressively, RNNE, which was previously our most struggling school, led the network with 1.8 years of growth in Math and 1.7 in ELA on MAP. In DC, ELA jumped 8 ppts on DC PARCC, and Rocketship Legacy Prep achieved a **high Tier 1 again**. In all regions except MKE, where student achievement must improve further and more rapidly, we realized tremendous gains and strides.

On teacher quality, we saw the **share of upper tier teachers improve** from 33% of all teachers last year to 47% this year. Beyond academics, we piloted several Learning Lab changes designed to **build 21st century skills and behavior supports**, such as project-based learning and classroom extensions.

Moving into 2019-20, we are building on the success and learnings of 2018-19. Our **19-20 goals** include continuing to elevate ELA supports, integrating subgroup instruction in the classroom, further differentiating supports for our teachers especially professional development, and rolling out Learning Lab pilots to all Bay Area schools.

# 2018-19 Network Results and Drivers

We started 2018-19 focused on strengthening ELA, lifting non-BA regions, and improving teacher quality

	Rationale	18-19 Strategy
Elevate personalization while simplifying *(ELA-focus)*	- Math outperforming ELA across regions - Feedback on core issues from Ts and SLs: overly complex	- Introduce Close Reading - Partner with Lavinia - Reduce planning burden and inputs on teachers/leaders - Simplify assessment suite - Elevate practice and coaching
Build Regional Capacity	- Execute on revised organizational structure to provide more robust regional capacity - Regions require decentralized supports in some areas	- Staff Director of Schools in each region to manage principals - Add local achievement and operations managers *(see Regions section)* - Build structures to increase skill, accountability of, and connection to regions
Drive Year 1 Teacher Efficacy	Although improved on retention of high-performing teachers (96%), the quantity in top tier was still too low (9% of all teachers)	- Simplify professional development content for teachers - Codify approach to professional development for School Leaders (Ps and APs) - Increase consistency of training and support for Managers as well as rehearsals for teachers

In 2018-19, RPS achieved record high NWEA absolutes, highest F-S growth in 6 yrs, and highest S-S in 4 years

|		% in the Top Third	Growth years	
			F-S	S-S
Math	2016-2017	46	1.24	1.05
	2017-2018	45	1.22	1.04
	2018-2019	49	1.36	1.18
ELA	2016-2017	36	1.16	1.07
	2017-2018	37	1.16	1.15
	2018-2019	40	1.29	1.15

Key takeaways

- **Absolutes:** + 4% and 3% pts in Math and ELA from last year
- **F-S growth:** Increased by >0.1 pts from past years

Achievement Drivers

- **Math** focused on foundational skill attainment
- **ELA** benefited from new investments
  - Closer reading & more student practice
  - Lavina content and support

After regional investments, TN is closing the gap with CA in absolutes

NWEA MAP: % in Top Third
Rocketship Network

2018-2019

|	Mathematics	Reading
CA	53	42
TN	47	41
WI	32	25
DC	25	28

% in Top Third

Regional performance reflected investments in regional organization model and supports
- **CA:** Strong, experienced DOSes led gains that resulted in a majority of students in top third in Math
- **TN:** Large gains in proficiency with dedicated regional DOS, the addition of an Achievement Manager, and strong School Leadership teams
- **DC:** Decline in math and slight decline in ELA, partially due to quadrupling size of RLP; dedicated DOS and achievement manager in place for 19-20
- **WI**: ELA % in Top Third grew three points but math declined; split DOS/RD role will be replaced with dedicated DOS for TN/WI bringing learnings from Nashville to Milwaukee

11

Similarly, RPS grew state results in most regions; ELA improved or constant in all

Tier 4	6%	73%	9%	96%	21%	95%
Total	N=198		N=268		N=301	

13

Parent engagement deepened in all regions, with 82-93% of families receiving home visits

2018-19 Home Visits and Parent Parternship Hours and Change from Previous Year

	Home Visits 2018-19		PPH 2018-19	
CA	93%	5%	70%	0%
DC	82%	-6%	78%	23%
TN	88%		62%	
WI	93%	20%	81%	11%

TN YoY Change not reported due to technical system issues in 2017-18

- Overall **high rates of home visits** in each region
- All regions increased home visit completion except DC compared to last year; WI home visit rate jumped 20 ppts
- All regions increased or maintained % of families meeting **Parent Partnership Hour** goal of 20 hours; DC in particular increased 23 ppts

14

ISE students saw highest Fall-Spring growth in both subjects ever

Fall-to-Spring Growth Years
RPS Network

		ISE	Non-ISE
Mathematics	2013-2014	1.19	1.21
	2014-2015	1.38	1.32
	2015-2016	1.25	1.17
	2016-2017	1.27	1.24
	2017-2018	1.30	1.21
	2018-2019	1.44	1.35
Reading	2013-2014	1.02	1.21
	2014-2015	1.11	1.29
	2015-2016	1.13	1.20
	2016-2017	1.14	1.16
	2017-2018	1.22	1.16
	2018-2019	1.37	1.28

Avg Fall-to-Spring Growth Years

- Higher growth translated to increased % in top third (+3.2% in math, +0.7% in literacy) for ISE
- ISE Fall-Spring growth stronger than Gen Ed but Spring-Spring has room for improvement
- Students with disabilities more heavily impacted by summer slide
- NWEA results not translating as consistently to state assessment for students with disabilities
- Saw significant difference between the performance of new versus experienced teachers

English Language Learners achieved significant increase in Fall-to-Spring growth

Fall-to-Spring Growth Years
RPS Network

|		EL	Non-EL
Mathematics	2013-2014	1.19	1.25
	2014-2015	1.35	1.30
	2015-2016	1.19	1.16
	2016-2017	1.27	1.21
	2017-2018	1.22	1.21
	2018-2019	1.36	1.35
Reading	2013-2014	1.17	1.26
	2014-2015	1.27	1.29
	2015-2016	1.18	1.22
	2016-2017	1.17	1.15
	2017-2018	1.13	1.20
	2018-2019	1.26	1.32

Avg Fall-to-Spring Growth Years

- +0.14 to 1.36 in math, +0.13 to 1.26 in literacy
- EL growth in TN particularly strong
- Accelerate EL performance in literacy and in CA to further close the gap

Learning Lab pilots focused on developing 21st century skills laid the groundwork for 2019-20 school year

18-19 Learning Lab Pilot

- Rotational Model
- Expansion of Enrichments (i.e. Hands-on science, library, etc.)
- Introduction of Project Based Learning extensions

The Four Cs of 21st Century Skills

18-19 Pilot Results

- Greater student ownership of academic learning and mastery of 21st Century skills
- 25% of 2nd-5th graders rated Learning Lab as favorite part of day compared to 0% two years ago
- Higher staff morale

19-20 Learning Lab Initiatives

- Scaling up pilot successes and elevating rigor
- Deeper integration of Learning Lab with core content, especially Project Based Learning extensions

Based on 18-19 results, we believe we have momentum as we continue to elevate student achievement

	What went well	_Lessons Learned/Reinforced_
Elevate personalization while simplifying _(ELA-focus)_	• Close Reading • Partnership with Lavinia • Simplification initiatives lifted educator loads • Elevated Learning Lab model	• Importance of foundational skills and Guided Reading as base of our program • Tailoring Lavinia to Rocketship model • Necessity of identifying and tracking priority students
Build Regional Capacity	• NSH model: local DOS and Achievement Manager • CA Collaboration of experienced DOSes with Regional Directors (RDs) • Regional teams building skills and connections	• Importance of strong regional teams and context on revised curricula approach: ○ MKE: lack of depth in curricula ○ DC: No DOS, no achievement manager ○ CA: DOSes spread too thin, no regional achievement managers
Drive Year 1 Teacher Efficacy	• Increased percentage of high performing teachers • Maintained high levels of retention for top performers • Support for new Principals	• Moving away from rote deliverables and busy work to rehearsal and coaching • High variability of teacher skill requires differentiated supports • More experienced teachers reduce SL toll and linked to student outcomes

Moving into 2019-20, we are building upon the foundation laid and lessons learned from 2018-19

2019-20 focus areas

Elevate personalization while simplifying
(ELA & subgroup focus)

- **ELA:** Continue elevating professional development and differentiation
- **Personalization:** Drive on regionalization of curricula
- **Subgroups:**
  - Further integrate ELL strategies and elevate thematic approach
  - Focus on elevating ISE co-teaching and behavior intervention supports (MTSS)
- **Skill extension:** Develop 21st century skills in Learning Lab
Build Regional Capacity

- **CA:** Doubled DOSes (total of 4) to allow more support per school and introduced Achievement Managers
- **DC:** Full regional achievement team with full-time DOS and Achievement Mgr.
- **MKE/NSH:** Elevating Lavinia investment and shifting high-performing DOS
- Continued build out of **regional structures and tools** to build skill and create transparency, e.g., Quarterly Progress Reviews, Regional dashboard

Drive Teacher Efficacy

- **Differentiate** supports based on teacher experience and skill, especially professional development
- Specialize coaching at content level while also **simplifying** block roll-out based on teacher skill level
- **Hiring** full-time leader of professional development
  - SL development, AP training

19

2018-19 Regional Performance

CA schools maintained steady increase in percentage Met/Exceeded on CAASPP

- With incremental increases each year, Rocketship CAASPP results have improved by 12-16 % pts over 5 years
- Rocketship continues to outperform state in Math and expects similar result as state in ELA
- Majority of schools improved in each subject: 9 out or 12 in Math; 7 out of 12 in ELA

CA CAASPP: % Met or Exceeded
3rd-5th Grades

NOTE: CAASPP results are embargoed.

CA: Reflections on 18-19 and focus areas for 19-20

2018-19 Wins

- **BOY strength:** Exceeded target of 25% of home visits completed before Day 1; achieved 96% Day 1 show rate
- **Parent engagement:** 70% of families volunteered 20+ hours and 93% received home visits, increasing 5 ppts from last year
- **Investment in Hum**: BA schools broke 50% meets and exceeds in ELA on CAASPP

2018-19 Learnings

- **Increase** resources to provide more in-depth school supports (i.e. more DOS, Achievement Managers, etc.)
- It takes **time** to bring on new strategies across 13 schools (i.e. Lavinia and Close Reading)
- Must further **differentiate and simplify** teacher professional development and School Leader focus

2019-20 Focus

- Provide greater school support by reducing **DOS ratios** and adding **Achievement Managers**

- Continue to refine our academic model and improve **CAASPP results**

- Strengthen **East Bay community** and further elevate achievement results

- **Differentiate PD** and build strong **talent pipeline**

- Continue to increase **long-term retention** for school staff and strategically place talent

Strong leadership and support system in NSH led to significantly improved NWEA and TN Ready results

RPS TN: % Above Top Third on NWEA vs % Proficient on State Assessment

NOTE: TN Ready results are embargoed

Smaller increase in State ELA results because NWEA ELA improvement driven by lower grades

- Regional investments resulted in +15% gain in Math and +2% gain in ELA on state assessment
- High NWEA growth led to significant proficiency (% top third) gains

TN: Reflections on 18-19 and focus areas for 19-20

2018-19 Wins

- **RNNE:** Substantial growth in Math (1.8 years) and ELA (1.7 years) on MAP, showing our model works in other regions and closing the gap in ELA with the Bay Area
- **RUA:** Achieved Reward School designation for 18-19, 50 percent proficient in math, among highest in state
- **TNReady growth** in both Math and ELA

2018-19 Learnings

- **Urgency** around staffing and instructional gaps
- Use **student level State data** to drive instruction and intervention
- Home visits and family engagement was stronger, but need to **strengthen even more**
- The **combination** of small group instruction , online learning programs, and tutoring are key to success

2019-20 Focus

- Use **State data as a North Star**; especially with 4th grade interventions.

- **Focus** on LLI, Guided Reading, and Close Reading

- Focus on **data-responsive** small group instruction in math

- Maintain strong growth and **solidify strength**

- Build capacity of **rising leaders**

- Using **student level data** from state assessment to inform moves

Modifying support structure in MKE to better aid student achievement

RPS WI: % Above Top Third on NWEA vs % Proficient on State Assessment

NOTE: Forward results are embargoed.

Lower grades improved in Math on NWEA while upper testing grades declined

2019-20 Initiatives

- Dividing roles of regional director and director of schools
  - DOS for NSH/MKE schools
- Refining and adapting instructional model to concentrate on regional student needs
  - Tailor guided reading, phonics and writing curriculum
- Provide more support to new teachers
- Partnering with Lavinia for content and SL coaching

WI: Reflections on 18-19 and focus areas for 19-20

2018-19 Wins

- LLI and guided reading worked, resulting in momentum in Spring:

  - Fall-to-Spring ELA growth years almost 0.3 pts higher than Fall-to-Winter growth years

  - Two-thirds of NWEA test score growth occurred in second half of the year

2018-19 Learnings

- Depth of understanding of instructional curricula for Regional Achievement team is critical, especially in ability to modify to student needs

- Above decision-making in the middle of the year that drove results in the Spring; need to implement these strategies earlier

2019-20 Focus

- **Leadership:** Dedicated DOS (rather than RD/DOS) for NSH/MKE, bringing wins of NSH to MKE and better fidelity and depth of understanding to execute on model

- **ELA:** Extending the strategy from the second half of year with LLI and guided reading

- Adding **small group instruction** after school

- Moving from off-model to standard **rotational model** at RTP

With focus on refining HUM planning and instruction, PARCC ELA results jumped 8 ppts from last year

RPS DC PARCC: 3rd-5th Grades

Mathematics — ELA

% Level 4+: Mathematics 2017-18: 27%, ELA 2017-18: 25%

% Level 3+: Mathematics 2017-18: 59%, ELA 2017-18: 53%

Gold dotted line represents 2017-18 DC average

2018-19 Results
- **PMF Projections**
  - **RLP:** Tier 1 for second year in a row
  - **RISE:** High Tier 2
- **ELA:** +8 ppt jump in ELA performance on PARCC
  - Expect to achieve similar results as DC school average with PARCC ELA improvements
- **Math:** Slight decline in PARCC Math results; however, results skewed at RLP with student enrollment increasing over four-fold

NOTE: PARCC results are embargoed.

DC: Reflections on 18-19 and focus areas for 19-20

2018-19 Wins

- RLP will be **Tier 1**, while RISE higher Tier 2
- Investment in Humanities paid off with **strong ELA results** (+8 pts on PARCC)
- **Instructional practice** has gotten stronger with execution and coaching
- **Tier 2 and 3 behaviors** have been managed much more effectively through trauma informed practice (G2-5)

2018-19 Learnings

- In particular, need to improve **Math Spring-Spring** results
- **Continue** to invest in Lavinia partnership and elevating ELA results
- **Focus** on K-2 as much as 3-5
- **High summer loss** preventing absolute improvement

2019-20 Focus

- **Regional Leadership:** Local DOS and Achievement Manager to serve two schools
- **Normed Instructional Management** to replicate HUM success in all grades.
- **Purpose over Power:** Trauma informed practice (mindset); strong Tier 1 systems; individualized interventions and differentiated supports
- **School Leader Pipeline:** SL development focused on equity and adaptive leadership.
- **MTSS:** Clear progress monitoring periods/benchmarks/cycles of interventions

2018-19 YE Financial Review

FY19 Year End Financial Snapshot

Consolidated ($M)		Q4 YTD	Annual Budget	Variance
Revenue		153.7	138.5	15.1
Expense		145.8	138.7	-7.1
CINA		7.9	-0.2	8.1
Cash		29.6	22.3	7.3

Q4 YTD Revenue by Region ('000s)

DC 18.9% — $26.1
Nashville 9.1% — $12.6
Milwaukee 4.9% — $6.8
E Bay 8.2% — $11.4
S Bay 58.9% — $81.4

Enrollment by Region

DC 11.5% — 1047
Nashville 10.9% — 993
Milwaukee 6.2% — 564
E Bay 8.6% — 789
S Bay 62.9% — 5741

Q4 YTD CINA by Region ($000)

S Bay, E Bay, Milwaukee, Nashville, DC, National

FY19 Year End CINA: Drivers by Region

CINA YTD vs Plan, By Region $M

Key Drivers of Variance:

Bay Area:
- SB740 Facility funding, State able to fully fund in both FY18 and FY19, raising funding ~$850 to $1100 per ADA ($1.6M /yr; $3.2M positive revenue
- Grant funding from National to RRWC $0.6M, RDL $0.9M revenue increases

NSH
- Late increase of per pupil funding from MNPS ~ $570/student to $10,730

DC
- Non cash lease liability reduction of $1.8M following RISE bldg acquisition by Launchpad

National
- Grants to schools lowered CINA

5

FY2019 CINA Detail: Non Recurring Drivers

Net Income	**7,342**	**218**	**288**	**-802**	**388**	**520**	**7,864**	**-176**

Note FY19 Other $46M, increase of $9M, includes one time expenses, shift of consultant spending vs compensation, incremental materials/supplies cost, and increased school operating expense approved as revenue increased

Regional cash update - cash management

- **Q4** cash balance at $29.6M up from FY18 of $24.2M; 20.3% of expense in total, but ranges from 6% to 27% depending on region

- However: Bond reserve liquidity needs represent ~14M of Bay area cash; Plan for future loan balances with maturity FY21, FY22 $1.7M

- Short term investment sweep initiated with Heritage; Short term money market pending in DC with approval

Cash by Region, $M

| | Q4FY18 | Q4 FY19 | Bond reserve adjusted Q4FY19 |

Bay Area: 19.6 / 23.3 / 9.3 — CA 27%, 11% net bond reserve
MKE: 1.4 / 0.6 — MKE 8%
NSH: 1.3 / 0.7 — NSH 6%
DC: 2.5 / 4.1 — DC 16%
National: 1.1 / 3.1 — NTL 6%
*DC Nest: 1.7 / -2.2

$M

8

Q4 Update: monitoring of loan balances and deferrals

- CSGF restructured loan maturities during Fy19, moving most repayments out by ~ 2 years to FY21, Fy22

- RDP and RFA reduced liabilities; while grants and supports continue in MKE, RRWC, RDL, NSH

FY19 Total Deferred Network Service /Intercompany $000s

FY19 Grants, $000's

August Presentation: 2019-20 Budget

2019-20 Budget Snapshot: August update

- BET target enrollment at 9844 in 19/20 up 6% YoY

- Organizational revenue modest growth at $135M (less inter co eliminations); Note FY19 includes several one time revenue increases

- South Bay remains solid and DC projected to reach positive CINA

- Nashville narrowing deficits

- Investments in MKE with campus expansion

- Initial investments planned in TX

Revenue and Enrollment Trends

Revenue $M vs Enrollment/ADA

YE14: 56.5
YE 15: 69
YE16: 90
YE17: 107.7
YE18: 117.9
YE19 est: 137.4
YE20 F: 135.6

Total Expenses	138,702	145,770	148,186	151,146
Change in Net Assets (CINA)	(176)	7,964	3,578	2,040

- **Recommendation for August 2019 Board Approval - Final Budget**

- Compensation investment in Bay and DC, partially offset by revenue increase, shift from consultants to compensation in Nest: $3.3M total

- CINA $2.0M reflects growing regions and solid South Bay

- Update from May reflects more recent enrollment assessments as well as increased staffing at certain schools

16

Sustainability impact

NeST sustainability has been defined by our ability to match National NeST costs to network service fee revenue; Deferrals still impact net cash service fees
National Sustainability; 26 schools, 13K enrollment

% National Gap and Service Fee (Billed)
