My Answer is:

Write a number sentence that matches your work below:

Explain why your answer makes sense:

Number Story

Name: _____ Cohort: _____

Wednesday's (3/18) Question:

The table shows the number of books in four third-grade classrooms. One of the teachers is Tim's teacher, and one of the teachers is Sue's teacher.

Teacher	Number of Books
Mr. Smith	136
Ms. Rose	148
Mr. Brown	172
Mrs. Lee	122

Tim's teacher has 26 more books than Sue's teacher.

Who is Sue's teacher?
