

Addition with Two-Digit Numbers

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

**Step 1: Draw
the first
addend**

Tens	Ones

**Step 2: Draw
the second
addend**

Tens	Ones

**Step 3: Draw
the two
addends
together to
find the sum**

Tens	Ones

Sum:

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Addition with Two-Digit Numbers

$$23 + 42 = \underline{\hspace{2cm}}$$

Step 1: Draw the first addend

23

Tens	Ones
2	3

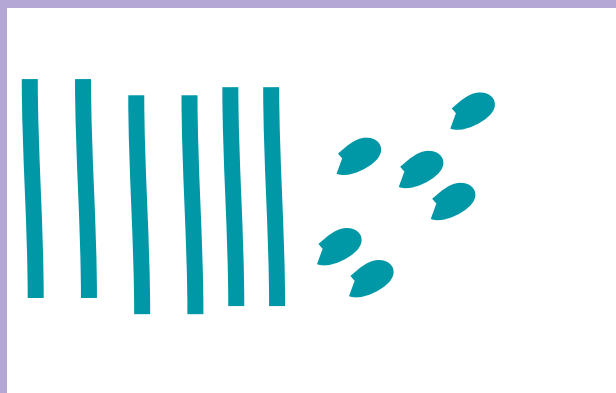

Step 2: Draw the second addend

42

Tens	Ones
4	2

Step 3: Draw the two addends together to find the sum

Tens	Ones
6	6

Sum: **66**

$$23 + 42 = \underline{\mathbf{66}}$$
