ROCKETSHIP
PUBLIC SCHOOLS

Parent Instructions

This workbook will help your student with their letter names and sounds! They will need your help to read the instructions.

When your student is writing their letters, make sure they start each letter from the top and lifting their pencil when they reach the bottom.

It can be helpful to have them trace the letter with their finger on the paper or in the air before they write, so they can practice the lines!

Students can start to practice holding their pencil with a tripod grip. This means their thumb is on the bottom and they are “pinching” the pencil with their fingers.

The dotted lines indicate the DIRECTION and SEQUENCE of strokes to be made on the palm.

Thank you for your partnership in your student's learning!
We are excited to have you with us!
