

School Accountability Report Card (SARC) Hard Copy Notification

State law requires all public schools receiving State funding to prepare and distribute a School Accountability Report Card (SARC). The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators. The most recent SARC can be found on the school website as well as on the [CDE Website](#).

Additionally, families who wish to receive a hard copy of their campuses' School Accountability Report Card may contact the school's Principal or Office Manager.
