### Part A: Description of Major Programs, Initiatives, and Activities

**Social-Emotional Support Staff:** Rocketship is making a deep investment into serving our at-risk students and becoming a leader in trauma-informed practice. Rocketship has hired school-based Wellness and MTSS staff to offer additional supports to our students and families. The positions hired to better support our students include: Senior Manager of School Wellness, Culture Specialist, BCBA and Behavioral specialists, Family support & community engagement managers, Social-emotional learning specialists and Social workers & wrap-around coordinators, and enrichment coordinators.

**School Leadership:** Each Rocketship campus will employ a third and, in some cases, a fourth Assistant Principal to ensure that each school has more than adequate resources to meet the unique needs of our At-Risk students and to ensure that the staff members who work directly with students have all of the coaching and support that they need to be successful. Our APs also help with social, emotional, behavioral issues. We budgeted $125,000 of At-Risk funds for each additional assistant principal.

**Regional Leadership:** The Rocketship DC region will employ regional leaders who will specifically support the programming, development, and training that serves our at-risk population. This includes a Senior Manager or Wellness, a Senior Manager of Family Engagement, a Director of Community Wellness. The primary function of these roles will be to directly support our significant at-risk population at each of our Rocketship DC campuses.

**Contracted Pre-school Program:** Our Pre-K students are part of a separate program operated by external third party consultants, who also provide resources for At-Risk students. Rocketship expects to receive At-Risk revenue for our Pre-K students and this At-Risk revenue amount is passed through to our third party consultants.

**Staff Wellness Consultants:** Rocketship DC will be partnering with a wellness center which provides Rocketship DC 1.5 days per week of support this year, specifically supporting the wellness of our students. Their supports include Tier 2 and Tier 3 coaching to ensure we are meeting the needs of all of our learners, including those that come to us with significant gaps in learning, behavior, and SEL skills. Additionally, they provide direct support to all staff to build the skills that are needed to serve all students and ensure the learning environment is conducive to every student that we serve in our buildings. Finally, they will help to build our inventory of curriculum and strategies that we can use to support students and families in building their SEL awareness and skills.

**McKinney Vento Expenditures:** Rocketship has a large homeless student population and sets-aside funds to procure uniforms and transportation passes for our families in need.

We also provide after-care support for our MKV families, as we recognize that our families are always able to pick up their students when the school day ends at 4pm.
Social-Emotional Support Staff:

### PART C: Intended Goals and Outcomes

Our student outcome goals are that our Regional Average Attendance is above 92%, at least 56% of Rocketeers meet their tiered growth goals on NWEA (growing between an average of 1.1 to 1.5 years academically), and at least 80% of students feel safe, connected, and supported as measured by the Rocketship DC student survey.

Our intended wellness specific goals are to improve the quality of our school’s Wellness Team’s proactive supports, response to behavior and SEB interventions, to elevate our SEL and trauma-informed practices across the school day, and to improve the quality of response to behavior and positive classroom culture systems, structures, and practices.

### PART D: CONTEXTUAL NARRATIVE (Optional)
