Board of Directors Rocketship Education Redwood City, California

We have audited the financial statements of Rocketship Education Inc. and its Affiliates (RSEA) as of and for the year ended June 30, 2023, and have issued our report thereon dated REPORT DATE. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), and the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Appeals Panel, as well as certain information related to the planned scope and timing of our audit in our planning communication dated May 3, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Rocketship Education are described in Note 1 to the financial statements.

RSEA changed accounting policies related to the change in accounting principle by adopting Financial Accounting Standards Board (FASB) Accounting Standards Update No. 2016-02, Leases (ASC 842), for the year ended June 30, 2023.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Significant unusual transactions

We identified no significant unusual transactions.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has determined that the effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The following summarizes uncorrected misstatements of the financial statements:

Federal Revenues Receivable \$71,719 Unearned Revenue \$47,340

State Revenues Receivable \$119,059

Reconcile Federal and State conditional grants

Uncorrected misstatements or the matters underlying uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if management has concluded that the uncorrected misstatements are immaterial to the financial statements under audit.

Corrected misstatements

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated REPORT DATE.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Audits of group financial statements

We noted no matters related to the group audit that we consider to be significant to the responsibilities of those charged with governance of the group.

Quality of component auditor's work

There were no instances in which our evaluation of the work of a component auditor gave rise to a concern about the quality of that auditor's work.

Limitations on the group audit

There were no restrictions on our access to information of components or other limitations on the group audit.

Supplementary information in relation to the financial statements as a whole

With respect to the schedule of expenditures of federal awards (SEFA) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the SEFA to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

With respect to the Consolidating Statement of Financial Position – Schools, Consolidating Statement of Activities – Schools, Consolidating Statement of Cash Flows – Schools, Schedule of Instructional Time - California, Schedule of Average Daily Attendance – California, and Reconciliation of Annual Financial Report with Audited Financial Statements, (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

The Local Education Agency Organization Structure accompanying the financial statements, which is the responsibility of management, was prepared for purposes of additional analysis and is not a required part of the financial statements. Such information was not subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we did not express an opinion or provide any assurance on it.

Upcoming auditing standards

Our promise is to get to know you and help you. For your consideration, we provided recent auditing standards applicable to your entity.

Accounting Estimates and Risk Assessment –

- Effective for fiscal years beginning after December 15, 2023. For your entity June 30, 2024's financial statements.
- Enhanced financial reporting framework surrounding management estimates, including a method, assumptions, and further audit process on the data (Statement on Auditing Standards (SAS) No. 143).
- Enhances the requirements and guidance on identifying and assessing the risks of material misstatement, particularly the areas of understanding the entity's system of internal control and assessing control risk (SAS 145).
- Additional consideration on the entity and its control environment, requiring separate assessment of inherent risk and control risk.
- Expanded testing and disclosures for the use of specialists and pricing information from external information sources.

This communication is intended solely for the information and use of the Board of Directors and management of RSEA and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Report on the Audit of the Financial Statements Opinion

We have audited the accompanying consolidated financial statements of Rocketship Education Inc. and its Affiliates (RSEA), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of RSEA as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RSEA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the consolidated financial statements, in the current year the RSEA adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with response to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of RSEA's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited RSEA's 2022 consolidated financial statements, and we expressed an unmodified opinion on those statements in our report dated December 12, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on RSEA's consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, which is the responsibility of management, is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The accompanying supplementary schedules required by the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel (Local Education Agency Organization Structure, Schedule of Instructional Time, Schedule of Average Daily Attendance, Reconciliation of Annual Financial Report with Audited Financial Statements), which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Rocketship Education, Rocketship Education Wisconsin Inc., Rocketship Education DC Public Charter School Inc. Launchpad Development Company, and Eliminations columns in the consolidated statements of financial position, activities, and cash flows, as well as the accompanying supplementary schedules of the consolidating statements of financial position, activities and cash flows, which are also the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information, except for the portion marked "unaudited," was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited." has not been subjected to the auditing procedures applied in the audit of the financial statements and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated REPORT DATE on our consideration of RSEA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on RSEA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RSEA's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Rocketship Education, Inc. and its Affiliates (RSEA) are organized to manage, operate, guide, direct, and promote a network of public elementary charter schools.

The charter schools are funded principally through public education monies. The charters may be revoked by their sponsor for material violations of the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Principles of Consolidation

The accompanying financial statements include the accounts of Rocketship Education, Inc. (RSED) and its schools. All significant intercompany accounts and transactions within RSED and its schools have been eliminated in the consolidating financial statements. Additionally, the accompanying financial statements include the accounts of Rocketship Education Wisconsin Inc., Rocketship Education D.C. Public Charter School Inc., and Launchpad Development Company (LDC) and its wholly owned LLCs. All significant intercompany accounts and transactions within LDC have been eliminated in the consolidating financial statements. Finally, all significant intercompany accounts and transactions between RSED and Launchpad have been eliminated in consolidation.

Rocketship Education (RSED)

Rocketship Education, Inc. (RSED) is a California nonprofit public benefit corporation that was incorporated in 2006 and is organized to manage, operate, guide, direct, and promote a network of public elementary charter schools. Divisions of RSED include:

- Rocketship Support Network (RSN) Centralized resources providing management, back- office support and organizational strategy.
- Rocketship Mateo Sheedy Elementary (RMS) California charter school
- Rocketship Si Se Puede Academy (RSSP) California charter school
- Rocketship Los Suenos Academy (RLS) California charter school
- Rocketship Mosaic Elementary School (ROMO) California charter school
- Rocketship Discovery Prep (RDP) California charter school
- Rocketship Brilliant Minds (RBM) California charter school
- Rocketship Alma Academy (RSA) California charter school

- Rocketship Delta Prep (RDL) California charter school
- Rocketship Nashville Northeast Elementary (RNNE) Tennessee charter school
- Rocketship United Academy (RUA) Tennessee charter school
- Rocketship Dream Community Prep (NASH3) Tennessee charter school

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Principles of Consolidation (Continued)

Rocketship Education Wisconsin Inc.

RSED incorporated Rocketship Education Wisconsin Inc. (REW), as a nonprofit public benefit corporation in October 2012 to hold the charter for its elementary school in Wisconsin, Rocketship Southside Community Prep (RSCP) and Rocketship Transformation Prep (RTP). Rocketship Education and REW entered into a Network Services Agreement to provide services for the Wisconsin region.

Rocketship Education D.C., Public Charter School, Inc.

Rocketship Education D.C., Public Charter School, Inc. (RSDC) incorporated as a nonprofit public benefit corporation during 2014 for the purpose of operating charter schools in Washington, DC. The District of Columbia Public Charter School Board (PCSB) approved RSDC to establish up to eight charter schools beginning in July 2016. Rocketship Education and RSDC entered into a Network Services Agreement to provide services for the DC region. RSDC operates three campuses, Rocketship RISE (RISE), Rocketship Legacy Prep (RLP), and Rocketship Infinity Community Prep (RIC).

Launchpad Development Company

Launchpad Development Company (LDC) was incorporated as a 509(a)(3) nonprofit public benefit corporation in November 2009. LDC is a supporting organization of RSED. LDC provides facilities and development services provided that such services are consistent with RSED's exempt purpose. Divisions of LDC include:

- Launchpad (LP) investment/asset management and administrative services
- Launchpad Development One LLC (LLC1) RMS facilities
- Launchpad Development Two LLC (LLC2) RSSP facilities

Basis of Accounting

The consolidated financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

RSEA presents its consolidated financial statements as a California nonprofit public benefit corporation in accordance with Financial Accounting Standards which govern generally accepted accounting principles for non-profit organizations.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and support services benefited.

Cash and Cash Equivalents

RSEA defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes (Continued)

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Restricted Cash

Restricted cash includes certain cash balances that are maintained according to debt reserve requirements and donor restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets ranging from 3 to 35 years. RSEA capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when RSEA has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, RSEA has conditional grants of \$32,249,340 of which \$19,677,628 is recognized as deferred revenue in the statement of financial position.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are conditional and are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Donated Services and In-Kind Contributions

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Income Taxes

The RSEA is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. RSEA file exempt organization returns in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of RSEA. Full-time school staff accrue between 10-15 days of paid vacation per 12-month period based on the employee's years of service and the paid time off (PTO) is paid out in full at the end of the school year. Full-time Network staff accrue between 10-25 days of vacation per 12-month period based on years of service. A maximum of 1.5 times their annual PTO accrual rate may be carried as an accrual balance at any time before an employee reaches their accrual limit.

Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with RSEA's financial statements for the year ended June 30, 2022, from which the summarized information was derived.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

RSEA leases school facilities, office space, land, and equipment. RSEA determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent RSEA's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the RSEA uses its incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that RSEA will exercise that option. RSEA has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

RSEA has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

RSEA's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, RSEA considers factors such as if RSEA has obtained substantially all of the rights to the underlying asset through exclusivity, if RSEA can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Adoption of New Accounting Standards

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the statement of financial position. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Standards (Continued)

RSEA adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption with certain practical expedients available. Lease disclosures for the year ended June 30, 2022 are made under prior lease guidance in FASB ASC 840.

RSEA elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement. In addition, RSEA elected the hindsight practical expedient to determine the lease term for existing leases.

As a result of the adoption of the new lease accounting guidance, RSEA recognized on July 1, 2022 a ROU asset at the carrying amount of the operating lease asset of \$66,924,385. RSEA also recognized on July 1, 2022 a lease liability of \$71,547,497, which represents the present value of the remaining finance lease payments discounted using the RSEA's incremental borrowing rate ranging from 3.10 to 3.54%.

Evaluation of Subsequent Events

RSEA has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2023:

Cash and Cash Equivalents	\$ 68,789,067
Accounts Receivable	35,531,260
Grants Receivable	840,115
Less: Net Assets With Donor Restrictions	(38,454)
Financial Assets Available for General Expenditure	\$ 105,121,988

As part of its liquidity management plan, RSEA monitors liquidity required and cash flows to meet operating needs on a monthly basis. RSEA structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CREDIT CONCENTRATION RISK

RSEA maintains bank accounts with several institutions. Accounts at each of these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. RSEA occasionally has the need to maintain a cash balance in excess of the FDIC limit. RSEA has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 ACCOUNTS RECEIVABLE

Due from federal and state governments consists of funds due as of June 30, 2023. Management believes that these receivables are fully collectible, therefore no provision was recorded as of June 30, 2023.

NOTE 5 GRANTS RECEIVABLE

Grants receivable of \$899,000 consist of unconditional promises to give. Payments in the amount of \$499,000 are expected to be received during the year ended June 30, 2024 and the remaining \$400,000 is expected to be received in July 2024. As of June 30, 2023 grant amounts connected with these promises to give have been recorded as grants receivable and have been classified as contributions with donor restriction due to implied time restriction. Management believes all of these amounts are collectible; therefore no provisions for uncollectible accounts were recorded.

NOTE 6 PROPERTY, PLANT, AND EQUIPMENT

Property and equipment consisted of the following:

	RSED	 LDC	 RSEA Total
Land	\$ -	\$ 24,367,995	\$ 24,367,995
Furniture and Equipment	1,034,384	457,532	1,491,916
Buildings	6,418,564	156,348,417	162,766,981
Software	891,364	-	891,364
Other	669,209	1,221,001	1,890,210
Less: Accumulated Depreciation	 (3,007,480)	(33,934,134)	 (36,941,614)
Total	\$ 6,006,041	\$ 148,460,811	\$ 154,466,852

Depreciation and amortization expense was \$5,027,412 for the year ended June 30, 2023.

NOTE 7 DEBT

Convertible Debt

RSN - Charter School Growth Fund

In February 2009, RSN entered into a \$2.3 million Subordinate Loan Agreement with Charter School Growth Fund (CSGF) at an effective interest rate of 4.0%. Of this amount, \$2.0 million plus associated interest will be forgiven and converted into a grant provided that RSN meet specified educational, financial and growth outcomes.

In October 2010, RSN and CSGF amended and restated the original Subordinate Loan Agreement to reflect a total loan of \$3.4 million at an effective interest rate of 3.25% and \$400,000 forgiven and converted into a grant. As of June 30, 2014, RSN has borrowed the complete \$3.4 million. Of the amended amount, \$2.35 million plus associated interest will be forgiven and converted into a grant provided that RSN meet specified educational, financial and growth outcomes.

As of June 30, 2015, RSN had substantively met the school year benchmarks and converted all of the \$2.35 million of principal into a grant.

In April 2018, RSN and CSGF amended and restated the 2009 loan agreement (second amendment), modifying debt maturity dates.

In February 2019, RSN and CSGF amended and restated the 2009 loan agreement (third amendment), modifying debt maturity dates. In June 2020, RSN and CSGF amended and restated the 2009 loan agreement (fourth amendment), modifying debt maturity dates. As of June 30, 2023, balance on this loan is \$750,000. This loan is on a repayment schedule that is fully paid by June 30, 2025.

During the 2014/15 school year, RFZ, RNNE, RRWC, and RUA each entered into \$100,000 Subordinated Loan Agreements with effective interest rates of 1.0%. In June 2020, RSN and CSGF amended and restated the 2015 loan agreement (first amendment), modifying debt maturity dates. As of June 30, 2023, the loans RFZ, RNNE, RRWC, and RUA have been paid off.

Loans Payable

Rocketship's Schools – California School Finance Authority Revolving Loan Program

As of June 30, 2023, one of Rocketship's California schools Delta Prep has a revolving loan payable to the California School Finance Authority (CSFA) with a balance of \$40,439. This loan has an effective interest rate of 2.41%. Principal is payable over a three-year period, with installment payments deducted from apportionment revenue each year. Final maturity is 2024.

NOTE 8 CONTRIBUTIONS OF NONFINANCIAL ASSETS

In October 2012, RSN entered into a five-year agreement for office facilities payable at \$10,612, plus common area maintenance, payable monthly. The lease includes a waiver of rent \$(10,611) contingent upon RSN's status as a nonprofit public benefit corporation. The agreement was renewed on November 1, 2017. RSEA recognized contributed nonfinancial assets representing in-kind rent for its RSN administrative offices in the amount of \$286,512 during the year ended June 30, 2023.

RSEA also received donations of stock securities recorded at fair value on the date the contribution was received. Total stock donations received were valued at \$1,544,717 for the year ended June 30, 2023.

NOTE 9 LEASES - ASC 842

RSEA leases school and administrative facilities from various related and unrelated parties. Related party leases are between RSEA and LLC subsidiaries of LDC. LDC leases certain school facilities and subleases them to RSEA schools. In addition to facility leases, RSEA leases equipment from unrelated third parties under long-term, non-cancelable lease agreements. The leases expire at various dates through 2058 and provide for renewal options ranging from 1 month to 10 years. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases.

NOTE 9 LEASES - ASC 842 (CONTINUED)

Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require RSEA to pay real estate taxes, insurance, and repairs. Some lease agreements also require RSEA to comply with certain covenants and to maintain certain financial ratios. As of June 30, 2023, RSEA believes it was in compliance with all ratios and covenants.

The following table provides quantitative information concerning RSEA's leases for the year ended June 30, 2023:

NOTE 10 EMPLOYEE RETIREMENT

State Teachers' Retirement System (STRS)

Qualified certificated employees are covered under a multiemployer defined benefit pension plan maintained by agencies of the state of California. The certificated employees are members of the State Teachers' Retirement System (STRS).

NOTE 10 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS) (Continued)

The risks of participating in these multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. RSEA has no plans to withdraw from these multiemployer plans.

RSEA contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022 total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$6.513 billion, and the plan is 74.4% funded. The Schools did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, California 95826 and www.calstrs.com.

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for the year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

RSEA's contributions to STRS for each of the last three fiscal years are as follows:

	SIRS			
		Required	Percen	t
Year Ended June 30,	C	ontribution	Contribut	ed
2021	\$	4,105,830	10	00 %

Tennessee Consolidated Retirement System - Legacy Pension Plan

Teachers with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 of RSEA are provided with pensions through the Teacher Legacy Pension Plan, a cost sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan closed to new membership on June 30, 2014, but will continue providing benefits to existing members and retirees.

Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Teachers contribute 5% of salary. RSEA makes employer contributions at the rate set by the board of trustees as determined by an actuarial valuation. By law, employer contributions for the Teacher Legacy Pension Plan are required to be paid. TCRS may intercept the state shared taxes of the sponsoring governmental entity of the schools if the required employer contributions are not remitted. Employer contributions by RSEA for the year ended June 30, 2023 to the Teacher Legacy Pension Plan was 6.81% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability. RSEA did not contribute more than 5% of the total contributions to the plan. The TCRS issues a financial report that can be obtained at www.treasury.tn.gov/tcrs.

<u>Tennessee Consolidated Retirement System – Teacher Retirement Plan</u>

Beginning July 1, 2014, the Teacher Retirement Plan became effective for teachers employed by schools after June 30, 2014. The Teacher Retirement Plan is a separate cost-sharing, multiple-employer defined benefit plan. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS.

Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly or by automatic cost controls set out in law. Teachers contribute 5% of salary. RSEA makes employer contributions at the rate set by the board of trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4%, except in years when the maximum funded level, as established by the TCRS Board of Trustees, is reached. By law, employer contributions for the Teacher Retirement Plan are required to be paid. TCRS may intercept the state shared taxes of the sponsoring governmental entity of the school if the required employer contributions are not remitted. Employer contributions by RSEA for the year ended June 30, 2023 to the Teacher Retirement Plan were 5.00% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

RSEA did not contribute more than 5% of the total contributions to the plan. The TCRS issues a financial report that can be obtained at www.treasury.tn.gov/tcrs.

NOTE 12 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting functions. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, printing and postage, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

NOTE 13 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods.

Subject to Specific Purpose:

Comprehensive School Mental Health Systems \$ 38,454

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time as follows for the year ended June 30:

Release of Restrictions	
JetPackEd Innovation	\$ 350,000
Recruitment and Retention	50,000
Time Restrictions	 15,000
Total Release of Restrictions	\$ 415,000

NOTE 14 COMMITMENTS AND CONTINGENCIES

RSEA has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, management believes all compliance requirements have been met.

In the normal course of business, RSEA is subject to legal claims. After consultation with RSEA's legal counsel, management of RSEA is of the opinion that liabilities, if any, arising from such claims would not have a material effect on RSEA's financial position.

ROCKETSHIP EDUCATION, INC. AND ITS AFFILIATES NOTES TO SUPPLEMENTARY INFORMATION JUNE 30, 2023

PURPOSE OF SCHEDULES

NOTE 1 CONSOLIDATING STATEMENTS

These statements provide detailed financial information of each charter school.

NOTE 2 SCHEDULE OF INSTRUCTIONAL TIME – CALIFORNIA

This schedule presents information on the amount of instructional time offered by Rocketship Schools and whether the schools complied with the provisions of California Education Code.

NOTE 3 SCHEDULE OF AVERAGE DAILY ATTENDANCE - CALIFORNIA

Average daily attendance is a measurement of the number of pupils attending classes of the California schools. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 4 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the fund balances (net assets) of each California charter school as reported on the Annual Financial Report form to the audited financial statements.

NOTE 5 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of RSEA under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Schedule are reported on the accrual basis of accounting. Because the Schedule presents only a selected portion of operations of RSEA, it is not intended to and does not present the financial position, changes in net assets, or cash flows of RSEA.

NOTE 6 INDIRECT COST RATE

RSEA did not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Rocketship Education and its Affiliates (RSEA), which comprise the consolidated statement of financial position as of June 30, 2023, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of financial statements, we considered RSEA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control. Accordingly, we do not express an opinion on the effectiveness of RSEA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of RSEA's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether RSEA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Rocketship Education, Inc. and its Affiliates' (RSEA) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of RSEA's major federal programs for the year ended June 30, 2023. RSEA's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, RSEA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative* Requirements, *Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to RSEA's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding RSEA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of RSEA's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors Rocketship Education, Inc. and its Affiliates

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE - CALIFORNIA

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Report on Compliance

Opinion on State Compliance

We have audited Rocketship Education and its Affiliates' (RSEA) compliance with the types of compliance requirements applicable to RSEA described in the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The RSEA's applicable State compliance requirements are identified in the table below.

In our opinion, RSEA complied, in all material respects, with the compliance requirements referred to above that are applicable to RSEA for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting. Our responsibilities under those standards and 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to RSEA's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to below and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Charter School Facility Grant Program

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine RSEA's compliance with the laws and regulations applicable to the following items:

	Procedures
<u>Description</u>	<u>Performed</u>
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable ¹
After/Before School Education and Safety Program	Yes
Proper Expenditure of Education Protection Account Funds	Yes

Nonclassroom-Based Instruction/Independent Study	Yes
Determination of Funding for Nonclassroom-Based Instruction	Not Applicable ⁵
Annual Instructional Minutes – Classroom Based	Yes

Not Applicable¹: RSEA did not have any expenditures for California Clean Energy Jobs Act in the year under audit or a completed project between 12 and 15 months prior to any month in the audit year.

Yes

Not Applicable²: RSEA did not report ADA pursuant to Education Code section 51749.5.

Not Applicable³: RSEA did not have any charter school subject to audit of immunizations as listed in the California Department of Public Health (CDPH) website as listed in the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting.

Not Applicable⁴: RSEA did not receive a CTEIG allocation for the audit year.

Not Applicable⁵: RSEA did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting and which are described in the accompanying schedule of findings and questioned costs as item 2023-001. Our opinion on each state program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on RSEA's response to the noncompliance findings identified in our audit and described in the accompanying schedule of findings and questioned costs. RSEA's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting. Accordingly, this report is not suitable for any other purpose.

Rocketship Delta Prep (RDL) #1965 Rocketship Alma Academy (RSA) #1394 Rocketship Mateo Sheedy Elementary (RMS) #0850 Rocketship Spark Academy (RSK) #1526

Criteria: Per California Education Code section 48000(g)(1), charter schools must maintain average transitional kindergarten class enrollment of not more than 24 pupils for each schoolsite. Additionally, per Education Code section 48000(g)(2) schools must maintain an average of at least one adult for every 12 pupils.

Section IV – Findings and Questioned Costs – State Compliance (Continued)

2023-001 Transitional Kindergarten (Continued)

40000

Condition: During transitional kindergarten testing we noted RDL, RSA, RMS and RSK did not meet the transitional kindergarten class enrollment of not more than 24 pupils for each schoolsite. In addition, RMS and RSK did not meet the adult to pupil ratio requirement of not more than one adult for every 12 pupils.

Effect: RDL, RSA, RMS, and RSK are not in compliance with California Education Code requirements which resulted in the following penalties:

Average Class Enrollment - Penalty Calculations											
		RDL		RSK							
TK ADA per P2		21.39		23.79		23.79		27.24			
Penalty Rate	_\$_	953.00	\$	953.00	\$	953.00	\$	953.00

TK Average Daily Attendance Add-On Rate	\$	2,813.00	\$	2,813.00							
Questioned Costs	\$	6,188.15	\$	6,188.15							

Cause: Staffing shortages resulting in limited resources to decrease class sizes.

Questioned costs: See penalty calculations in the "effect" section above.

Repeat Finding: This is not a repeat finding.

Corrective Action Plan: For the 2023-2024 school year, Rocketship Education has hired sufficient TK staff to ensure proper adult to pupil ratios and has managed enrollment to ensure that TK class size is under the maximum class size at all times.

ROCKETSHIP EDUCATION, INC. AND ITS AFFILIATES SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS YEAR ENDED JUNE 30, 2023

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

STATE COMPLIANCE

2022-001 Immunizations

40000

Rocketship Si Se Puede Academy (RSSP) #1061 Rocketship Los Suenos Academy (RLS) #1127 Rocketship Discovery Prep (RDP) #1193

Criteria: Title 17, California Code of Regulations section 6025 requires that pupils enrolled in K, TK or 1st Grade for the year audited received two doses of a varicella vaccine and two doses of a measles vaccine prior to admission, or have a current medical exemption from varicella and measles immunization on file. For students with only one dose of either vaccine received prior to admission, the second dose is required within four calendar months otherwise, the pupil should be excluded from attendance.

Condition: During immunizations testing, one student at RSSP was found that did not receive the second dose of the varicella and measle vaccine within four calendar months and was included in attendance. For RLS and RDP, one student at each charter school did not have either vaccination or exemption on file and the pupils were included in attendance.

Status: Not applicable, RSEA did not have any charter school subject to audit of immunizations as listed in the California Department of Public Health (CDPH) website as listed in the 2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting.

Clean Energy Credits To Consider

- The investment tax credit (IRC §48).
 Applies to the purchase, construction, or installation of a broad range of items such as solar panels, geothermal systems, combined heat and power systems, and electrochromic glass, just to name a few.
- Credit for qualified commercial clean vehicles (IRC §45W). Applies to new electric vehicle purchases or leases.
- Alternative fuel vehicle refueling property credit (IRC §30C). Applies to several types of alternative fueling stations, including electric vehicle charge stations installed on nonprofit premises.

Preliminary Changes Expected – 23/24

- Ca Clean Energy expected to be removed 3/2024
- Immunizations expect to remove testing for grades 1st and 8th grade (testing K and7th)
- ELO-P expected to add guidance indicating school closures will need to be verified against a board resolution documenting the closure in addition to documentation substantiating the need for closure. This will result in no penalty as a result of the emergency closure.
- TK expect to add testing of early enrollment children for reduced ratio requirements of 20:1 and 10:1.

Preliminary Changes Expected – 23/24

- New section to be tested: Arts and Music in Schools (Proposition 28)
 - Check certifications were made
 - LEA posted on its website board adopted report required under Ed Code section 8820(g)(4)
 - Funds used to supplement existing funds available for arts education programs.
 - Testing of expenditures (might not be in 23/24)
 - Expenditures testing that that no more than 20 percent of the expenditures (Resource 6770) for the allocation year were used for allowable purposes other than certificated or classified salaries and benefits for arts education program instruction and no more than 1 percent of the total funding received in the allocation year (Resource 6770) was used for administrative expenses, including indirect costs. (20% waiver can be obtained)

Preliminary Changes – 24/25

- In-Person Instruction Grant
 - Expect to verify the LEA submitted the expenditure report to CDE pursuant to Education Code section 43523(c)
- Schedule of Instructional Time J13A
 - Expecting to add requirement that a finding be reported if the school's J13A is not approved by the CDE by the time the audit report is issued as the school does not meet minimum requirements without it.

Preliminary Changes – 24/25

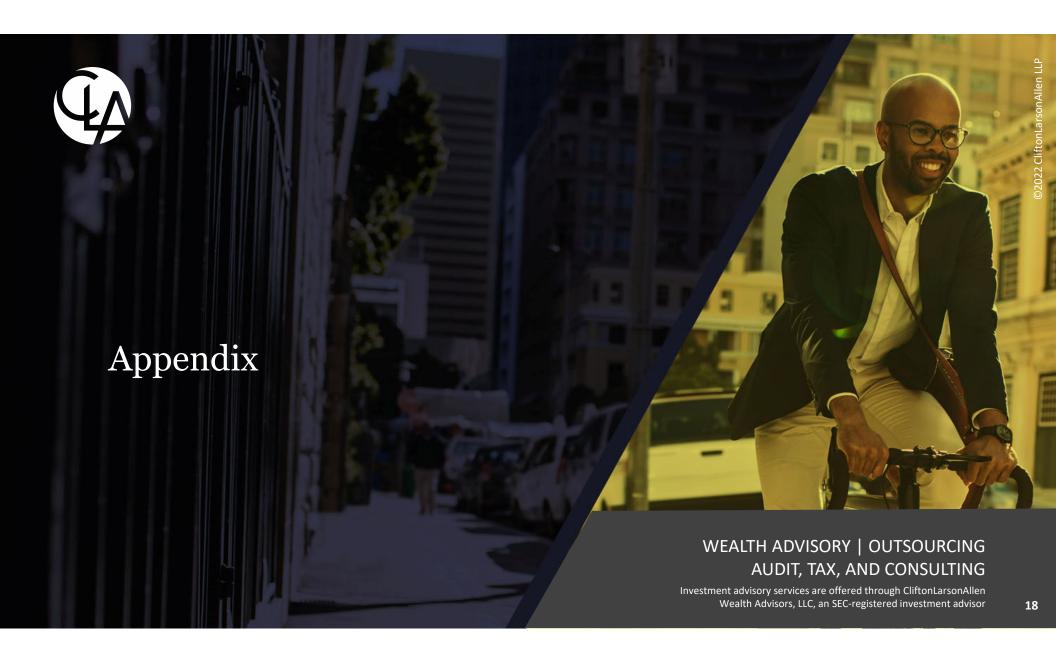

Immunizations

 Expected change for medical exemptions: will be required to be issued through the California Immunization Registry - Medical Exemption website (Form IMM-1288)

ELO-P

- Verification that all program staff and volunteers were subject to health screening and fingerprinting clearance requirements.
- If the LEA contracted with a third-party to operate a program, verification the LEA complied with the following: The contract required the third-party to notify the LEA by the next working day following, and to submit a written report within seven days of, the occurrence of any health- or safety related issues, including, but not limited to, issues involving criminal background clearances for employees, building safety, and any event specified in subdivision (c) pursuant to EC section 8483.4(b).
- The LEA required the third party to request from parents or guardians pupil health information, such as whether a pupil has allergies or asthma, before pupil enrollment pursuant to EC section 8483.4(d).

New Auditing Standards

What Changed

- Auditing standards were modernized for evolving business environment
- · Effective for calendar year 2023 audits

New Requirements

- Enhanced risk assessment and understanding of accounting estimates
- · Deeper understanding of IT
 - More inquiries of IT managers
 - Additional requests for data

Audit Impact

- More time evaluating controls
- · Increased use of IT specialists
- · Potential for internal control comments
- Greater impact on complex IT systems

How to prepare

- ✓ Review and respond to previous audit comments
- ✓ Document IT processes and controls
- Engage consultants where necessary

New Auditing Standards – questions to help prepare for implementation

The answers to these questions will help us anticipate the level of effort needed for implementation of the audit standards mentioned in the previous slide.

- Is your financial system a custom solution and/or do you have access to change source code?
- Do you have financial systems other than the GL that you rely on?
- Have you implemented a new financial system or new software modules within the past year?
- Do you prepare financial statements outside of the General Ledger/Financial system?
- Do you formally review user access and segregation of duties within the financial system?
- Do you have a patch and upgrade management process?
- Have you had a cybersecurity breach or incident within the past year?
- Do you have written policies over your information technology internal controls?

Do you have written internal controls over your IT system, if not we can help. Having stated controls will help speed up our documentation process and may avoid potential management comments.

An Overview

- Amended guidance issued
 February 2016 for the
 treatment of leases, including
 subleases
- Affects all industries
- Lessee will be required to recognize a right-of-use asset and lease liability for substantially all operating and finance leases

- Lessor accounting will remain relatively unchanged
- Changes the accounting for sale and leaseback transactions
- Enhanced disclosures for lessees and lessors

An Overview

Topic 842 **DOES NOT** apply to:

Leases to explore for or use minerals, oil, Leases of Leases of assets Leases of Leases of biological assets, under natural gas, and intangible assets inventory similar including timber construction nonregenerative resources

Lease Determination

Lease Determination

- An identified asset
 - Can be explicitly or implicitly specified
 - Supplier has no practical ability to substitute
 - Supplier receives no economic benefit from substituting
- The right to control the use during the lease term
 - Decision making authority over the use of the asset
 - Ability to obtain substantially all economic benefits from the use of the asset

Lease Determination

Contract Components – In Summary

Lessee

- Separate lease components from nonlease components
- Allocate the consideration on a relative standalone basis
 - Use observable standalone prices wherever available
- May elect practical expedient to not separate the nonlease component
 - Accounting policy

Lessor

- Allocate the transaction price to separate performance obligations
 - Follows the new revenue recognition standard
- May elect practical expedient to not separate the nonlease component if certain criteria are met
 - Accounting policy

Lease Classification – Lessee

Financing lease if ANY of the following 5 conditions are met:

Transfer of ownership

Option to purchase is reasonably certain

Lease term is a major part of the economic life

Present value of lease payments is substantially all of the fair value of the underlying asset

The underlying asset is of a specialized nature

If none of the above are met, the lease is an operating lease

Lease Classification – Lessor

Sales type lease if ANY of the following 5 conditions are met:

Transfer of ownership

Option to purchase is reasonably certain

Lease term is a major part of the economic life

Present value of lease payments is substantially all of the fair value of the underlying asset

The underlying asset is of a specialized nature

If none of the above are met, the lease is either a direct financing lease or an operating lease

Lease Classification – Lessor

Direct financing lease if BOTH of the following conditions are met:

PV of the sum of the lease payments plus any residual value guaranteed by the lessee not already reflected in the lease payments and/or any other third party unrelated to the lessor equals or exceeds substantially all of the fair value of the underlying asset

It is probable that the lessor will collect lease payments plus any amount necessary to satisfy the residual value

If both are not met, the lease is an operating lease

Recognition and Measurement

Lessee Accounting

Lease Term – Initial Measurement

- Slightly new definition
 - Noncancellable period for which lessee has right to use the underlying asset, plus periods covered by:
 - Option if lessee reasonably certain to extend
 - Option to terminate if lessee is reasonably certain not to exercise
 - Option to extend (or not terminate) controlled by lessor
- Reasonably certain
 - Must consider all relevant factors that create an economic incentive for the lessee to exercise the option

Lease Term – Subsequent Measurement

Lessee

- Reassess only upon the occurrence of a significant event/change in circumstances that is within the control of the lessee
 - Absent a modification

Lessor

- Not required to reassess
 - Absent a modification

Lease Term – Other Considerations

- Related party leases must follow contractual provisions
- Beware of potential impact on leasehold improvement amortization

Balance Sheet Impact

Finance Lease

- Right-of-Use Asset
- Lease Liability

Operating Lease

- Right-of-Use Asset
- Lease Liability

Right-of-Use Asset – Initial Measurement

- Consists of all of the following at commencement date:
 - Initial measurement of the lease liability
 - Any lease payments made to the lessor at or before the commencement date, minus any lease incentives received
 - Any initial direct costs incurred by the lessee

Lease Liability – Initial Measurement

- Present value of the lease payments not yet paid, discounted using the discount rate for the lease at lease commencement
- Other than PBEs (includes all nonprofits) may elect to use the risk-free rates for measurement of all lease liabilities
 - Simpler, but will likely result in recording a larger asset and liability.
 - Can not pick and choose It is a package
- Real estate taxes and insurance
 - Sometimes included in lease liability measurement

Income Statement Impact

Finance Lease

- Amortization Expense
- Interest Expense

Operating Lease

Lease Expense

Cash Flow Statement Impact

Finance Lease

- Operating Cash Paid For:
- •Interest Payments
- •Variable Portions of the Lease Payments
- •Financing Cash paid for:
- Principal Payments

Operating Lease

- Operating Cash Paid For:
 - Lease Payments

What Changed?

- Largely unchanged, however some changes made to align:
 - The lessor accounting guidance with specific changes made to the lessee accounting guidance
 - Primarily changes to glossary terms applied by both lessees and lessors for consistency
 - Key aspects of the lessor accounting model with the new revenue recognition standard

Lessor Accounting Model

Lessor accounting is largely unchanged

Classification criteria substantially similar to that in previous lease guidance

Transition – Package of Practical Expedients

- An entity need not reassess:
 - Whether any expired or existing contract are or contain embedded leases
 - Lease classification of any expired or existing leases
 - Initial direct costs for any existing leases
- Applies to leases that commenced BEFORE the effective date
- Must apply as a package to all leases
 - Can not pick and choose which leases
 - Can not pick and choose which practical expedients

Transition – Hindsight Practical Expedient

- Hindsight can also be elected as a practical expedient
 - Determination of lease term
 - Impairment of right-of-use assets
 - Can be used separately or in conjunction with package
 - Must apply consistently to all leases

Disclosures
