- Sex (including reproductive health decision-making, pregnancy, childbirth, breastfeeding, and medical conditions related to such);

Additionally, RPS does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to an alleged discriminatory employment practice. Employment decisions will be made on the basis of each individual's job qualifications, experience, and abilities and in accordance with applicable state and federal law.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

RPS expects all employees to act in accordance with our equal employment opportunity policy, and to take all steps necessary to maintain a workplace free from discrimination, harassment and retaliation.

Employees can raise concerns and make reports without fear of reprisal. Employees with questions or concerns relating to equal employment opportunity, including discrimination and

accommodation requests, are encouraged to bring these issues to the attention of a RPS administrator, and/or Jade Taylor; Director, HR Business Partners; Rocketship Public Schools; 311 Plus Park Blvd, Suite 130, Nashville, TN 37217; cjtaylor@rsed.org.

As required by Title IX, RPS does not (and is required not to) discriminate on the basis of sex in its educational programs or activities. This non-discrimination requirement applies to admission to and employment with RPS. Inquiries into issues related to Title IX may be referred to RPS' Title IX Compliance and Civil Rights Officer, Renita Thukral, rthukral@rsed.org, or externally to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Prohibited Sexual Harassment

RPS is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against them or against another individual.

All supervisors of staff will receive two (2) hours of sexual harassment prevention training within six (6) months of hire or their assumption of a supervisory position and every two (2) years thereafter. All other employees will receive one (1) hour of sexual harassment prevention training within six (6) months of hire and every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Human Resources Department.

Consistent with this policy, RPS prohibits the following behaviors, whether by a man or a woman or directed at a man or a woman, and regardless of whether they are considered unlawful:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and
 - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Any sexually-oriented or otherwise hostile conduct that has the purpose or effect of interfering unreasonably with another person's work performance or of creating a hostile or offensive work environment, such as:
 - - Unwanted sexual advances or propositions .
 - Sexually oriented or degrading gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience, including discussions of sexual fantasies, frustrations or the like.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to a romantic relationship or sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Linking or conditioning any employment decision, benefit or other practice to a subordinate's submission, or refusal to submit, to sexual advances or conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
 - Requesting a date from someone after the recipient of the request has already said "no" to a prior request or otherwise indicated lack of interest in a date.
 - Referring to employees of any sex, gender, sexual orientation or gender identity in negative or demeaning terms.
 - Engaging in any other behavior of a hostile or abusive nature directed at one sex or gender, even if not sexual in nature.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:

- Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
- Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic;
- Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. If you have any question about whether behavior is inappropriate, don't do it. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the party's has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate RPS policy.

Application of Title IX

Sexual harassment is illegal and may violate Title IX. As such, any employee who experiences sexual discrimination or harassment should bring the concern to the attention of the Director of Human Resources Business Partners and/or the Title IX Civil Rights Compliance Officer.

Student Discrimination and Harassment

Discrimination and harassment of students by employees are forms of discrimination and are prohibited by law. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the Principal or other appropriate RPS official. All allegations of prohibited harassment of a student by an employee or adult will be promptly investigated. An employee who knows of or suspects child abuse or neglect must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

RPS shall take appropriate disciplinary action against employees who have engaged in discrimination or harassment of students, up to and including termination of employment.

Retaliation against anyone involved in the complaint process is a violation of RPS policy and acts of retaliation may result in disciplinary action, up to and including termination.

Sexual Harassment of Students

Sexual harassment of students includes any unwelcome verbal or physical sexual advances, including but not limited to engaging in sexually oriented conversations; making comments about a student's potential sexual performance; requesting details of a student's sexual history; requesting a date, sexual contact, or any activity intended for the sexual gratification of the employee; engaging in conversations regarding the sexual problems, preferences, or fantasies of either party; inappropriate hugging, kissing, or excessive touching; suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage; telephoning or texting students at home or elsewhere to solicit unwelcome social relationships; physical contact that would reasonably be construed as sexual in nature; threatening or enticing students to engage in sexual behavior in exchange for grades or other school-related benefit; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct when the conduct affects the student's ability to participate in or benefit from a program or activity; or conduct of a sexual nature that creates an intimidating, threatening, hostile or offensive educational environment.

Sexual harassment of students by employees is always a violation of law and will result in appropriate disciplinary action up to and including termination from employment and referral to appropriate law enforcement authorities.

RPS employees are generally encouraged to report an action or suspected action that is illegal or in violation of any adopted Board policy. Good faith reports may be made without fear of reprisal.

Any sexual or romantic relationship between a student and a RPS employee is always prohibited, even if consensual.

Whistleblower Policy

RPS requires its directors, officers, employees, and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. The purpose of this policy is to encourage and enable employees and volunteers of RPS to report any action or suspected action taken within RPS that is illegal, fraudulent, or in violation of any adopted RPS policy, to a source within RPS before turning to outside parties for resolution. This policy applies to any matter which is related to RPS' business and operations and relates only to those acts of an individual undertaken on behalf of RPS and subject to the direction of RPS. This policy is intended to supplement but not replace RPS' unlawful harassment and discrimination policies, complaint policies, and/or any other RPS employee policy or grievance procedure, or any applicable state and federal laws governing whistleblowing applicable to nonprofit organizations.

Violations; Reporting in Good Faith

All employees and volunteers of RPS are encouraged to report any action or suspected action taken within RSED that is illegal, fraudulent, or in violation of any adopted policy of RPS (each, a "Violation"). Anyone reporting a Violation must act in good faith, without malice to RPS or any individual inside RPS, and have reasonable grounds for believing that the information shared in the report indicates that a Violation has occurred. The act of making allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense that may result in discipline, up to and including termination of employment or volunteer status.

No Retaliation

No employee or volunteer who in good faith reports a Violation or cooperates in the investigation of a Violation shall suffer harassment, retaliation, or adverse employment or volunteer consequences. Any individual within RPS who retaliates against another individual who in good faith has reported a Violation or has cooperated in the investigation of a Violation is subject to discipline, up to and including termination of employment or volunteer status. If an individual believes that someone who has made a report of a Violation or who has cooperated in the investigation of a Violation is suffering from harassment, retaliation or other adverse employment or volunteer consequences, the individual should contact the RPS Compliance Officer. Any individual who reasonably believes he or she has been retaliated against in violation of this policy shall follow the same procedures as for filing a complaint outlined below.

Reporting Process

If an individual reasonably believes that a Violation has occurred, the individual is encouraged to follow the procedures set forth in Rocketship's complaint policies. Reported Violations will be investigated and handled in accordance with Rocketship's complaint policies. Reports may be

submitted on a confidential basis by the complainant or may be submitted anonymously by mailing the form to the Compliance Officer at: Rocketship Education, Attn: Compliance Officer, 350 Twin Dolphin Drive, Redwood City, CA 94065 or submitting an email complaint to compliance@rsed.org. The complainant may also report a violation to the Department of Human Resources through the HR Ticketing system (<https://www.tfaforms.com/455487>).

Confidentiality

RPS encourages anyone reporting a Violation to identify themselves when making a report in order to facilitate the investigation of the Violation. Reports of Violations or suspected Violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation, to comply with all applicable laws, and to cooperate with law enforcement authorities. Furthermore, RPS will explore anonymous allegations to the extent possible, but will weigh the prudence of continuing such investigations against the likelihood of confirming the alleged facts or circumstances from attributable sources.

Substance Abuse

Rocketship is committed to promoting safety and employee health in the workplace and to creating a work environment that is conducive to attaining high work standards. The use of drugs

and alcohol by employees can adversely affect the workplace health, safety, and productivity and can damage public confidence and trust in the School.

To further its interest in avoiding accidents, to promote and maintain safe and efficient working conditions for its employees, and to protect its business, property, equipment, and operations, RPS has established this policy concerning the use of alcohol and drugs. As a condition of continued employment with RPS, each employee must abide by this policy.

Definitions

For purposes of this policy:

- 1) "Illegal drugs or other controlled substances" mean any drug or substance that (a) is not legally obtainable; (b) is legally obtainable but has not been legally obtained; or (c) has been legally obtained but is being sold or distributed unlawfully.
- 2) "Legal drug" means any drug, including any prescription drug or over-the-counter drug, that has been legally obtained and that is not unlawfully sold or distributed.
- 3) "Abuse of any legal drug" means the use of any legal drug (a) for any purpose other than the purpose for which it was prescribed or manufactured; (b) in a quantity, frequency, or manner that is contrary to the instructions or recommendations of the prescribing physician or manufacturer; or (c) by a person other than the person for whom it was prescribed.
- 4) "Possession" means that an employee has the substance on his or her person or otherwise under his or her control.
- 5) "Reasonable suspicion" includes a suspicion that is based on specific personal observations such as an employee's manner, disposition, muscular movement, appearance, behavior, speech or breathe odor; information provided to management by an employee, by law enforcement officials, by a security service, or by other persons believed to be reliable; or a suspicion that is based on other surrounding circumstances.

Prohibited Conduct

The prohibitions of this section apply whenever the interests of RPS may be adversely affected, including any time an employee is:

- 1) On RPS premises, except in accordance with RPS' Alcohol on Campus Policy
- 2) Conducting or performing RPS business, regardless of location
- 3) Operating or responsible for the operation, custody, or care of RPS equipment or other property
- 4) Responsible for the safety of others in connection with, or while performing, RPS-related business.

Alcohol: The following acts are prohibited and will subject an employee to discipline, up to and including immediate discharge:

- 1) The unauthorized use, possession, purchase, sale, manufacture, distribution, transportation, or dispensation of alcohol
- 2) Being under the influence of alcohol.

Illegal Drugs: The following acts are prohibited and will subject an employee to discipline, up to and including immediate discharge:

- 1) The use, possession, purchase, sale, manufacture, distribution, transportation, or dispensation of any illegal drug or other controlled substance, including marijuana.
- 2) Being under the influence of any illegal drug or other controlled substance, including marijuana.

Prescription Drugs: This policy prohibits:

- 1) The abuse of any legal drug
- 2) The purchase, sale, manufacture, distribution, transportation, dispensation, or possession of any legal prescription drug in a manner inconsistent with law.
- 3) Working while impaired by the use of a legal drug whenever such impairment might endanger the safety of the employee or some other person, pose a risk of significant damage to RPS property or equipment; or substantially interfere with the employee's job performance or the efficient operation of the RPS' business or equipment.

Nothing in this policy is intended to prohibit the customary and ordinary purchase, sale, use, possession, or dispensation of over-the-counter drugs or other substances (including but not limited to household or workplace substances that may be used for "huffing" or as inhalants), so long as that activity does not violate any law or result in an employee being impaired by the use of such drugs or substances in violation of this policy.

Drug Free Awareness Program

RPS has established a Drug-Free Awareness Program that is designed to inform employees about the dangers of drug abuse in the workplace and to help ensure that employees are familiar with this policy and with the disciplinary actions that can result from a violation of this policy. From time to time, employees will be requested to attend one of the sessions of the Drug-Free Awareness Program. During each such session, employees will be given current information about available programs offering counseling and rehabilitation.

Managers and supervisors should be attentive to the performance and conduct of those who work with them and should not permit an employee to work in an impaired condition or to otherwise engage in conduct that violates this policy. When management has reasonable suspicion to believe that an employee or employees are working in violation of this policy, prompt action will be taken.

Drug Testing

- 1) Reasonable Suspicion Testing: If RPS has reasonable suspicion that the employee is working in an impaired condition or otherwise engaging in conduct that violates this policy, the employee will be asked about any observed behavior and offered an opportunity to give a reasonable explanation. If the employee is unable to credibly or adequately explain the behavior, he or she will be asked to take a drug test in accordance with the procedures outlined below. If the employee refuses to cooperate with the administration of the drug test, the refusal will be handled in the same manner as a positive test result.
- 2) Post-Accident Testing: Any employee involved in an on-the-job accident or injury under circumstances that suggest possible use or influence of drugs or alcohol in the accident or

injury event may be required to submit to a drug and/or alcohol test. This includes not only the employee who was or could have been injured, but also any employee who potentially contributed to the accident or injury event in any way.

- 3) Procedures for Drug Testing: RPR will refer the applicant or employee to an independent, National Institute on Drug Abuse (NIDA)-certified medical clinic or laboratory, which will administer the test. RPS will pay the cost of the test and reasonable transportation costs to the testing facility. The employee will have the opportunity to alert the clinic or laboratory personnel (including a medical review officer) to any prescription or non-prescription drugs that he or she has taken that may affect the outcome of the test. All drug testing will be performed by urinalysis and according to all applicable laws. The clinic or laboratory will inform RPS as to whether the applicant passed or failed the drug test. If an employee fails the test, he or she will be considered to be in violation of this policy and will be subject to discipline including immediate termination to the extent permitted by applicable laws. .
- 4) Acknowledgment and Consent: Any employee subject to testing under this policy will be asked to sign a form acknowledging the procedures governing testing, and consenting to (1) the collection of a urine sample for the purpose of determining the presence of alcohol or drugs, and (2) the release to RPS of medical information regarding the test results. Refusal to sign the agreement and consent form, refusal to submit to the drug test or providing a sample that is deemed by the testing clinic to be substituted, tampered with or adulterated, will result in the revocation of an applicant's job offer, or will subject an employee to discipline up to and including termination.
- 5) Confidentiality: All drug testing-records will be treated as confidential.
- 6) Cooperation: Employees are expected to cooperate with RPS' investigation of possible violations of this policy. Refusal to cooperate with an investigation under this policy will result in disciplinary action, up to and including termination.
- 7) Inspections: RPS reserves the right to inspect and/or search an employee and the employee's possessions while on School premises, if there is a reason to believe that Illegal Drugs or Alcohol may be present. This includes an employee's work area, desk, locker, personal possessions and vehicle.

Any violation of this policy will result in disciplinary action, up to and including immediate termination (or not being hired, in the case of applicants). To the extent that an individual engages in unlawful conduct on RPS premises, RPS may contact appropriate law enforcement and the person may be subject to criminal prosecution.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School’s “Policy Prohibiting Harassment, Discrimination, and Retaliation.”

Open Door Policy

Rocketship understands that channels of communication should always be kept open and flexible. The Open Door Policy provides a means by which employees can discuss problems, raise concerns, and make suggestions. This means that any employee is entitled to meet with a member of the Human Resources Department or management at a mutually convenient time. Usually it is advisable for the employee to first meet with his or her immediate manager, who may be able to resolve the issue. Rocketship will make every attempt to keep all Open Door discussions confidential in the absence of employee permission to disclose specific information discussed, but cannot keep all information confidential where such confidentiality would prevent Rocketship from complying with applicable laws or RPS company policies.

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a school employee raises a complaint or concern about a coworker. If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in

the event an informal resolution may not be achieved or is not appropriate, the following steps may be followed by the Principal or designee:

1. The complainant will bring the matter to the attention of the Principal or skip level manager/supervisor as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate
2. The complainant will reduce their complaint to writing, indicating all known and relevant facts within a clear timeline. The Principal or designee will then investigate the facts and provide a solution or explanation
3. If the complaint is about the Principal, the complainant may file his or her complaint to the Department of Human Resources through the HR Ticketing system or by emailing compliance@rsed.org. Both are checked every weekday. The HR department may conduct a fact-finding or authorize a third-party investigator on behalf of Rocketship. The Department of Human Resources or investigator will report the findings to Rocketship for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee's satisfaction. However, Rocketship values each employee's ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees

(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a school employee. If complaints cannot be resolved informally, complainants may file a written complaint with the Principal or Department of Human Resources by emailing compliance@rsed.org, as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, the Principal or Department of Human Resources may follow the following process:

1. The Principal or Department of Human Resources shall use their best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Principal or Department of Human Resources finds that a complaint against an employee is valid, they may take appropriate disciplinary action against the employee. As appropriate, they may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The decision relating to the complaint shall be final unless it is appealed to the Board of Directors. The decision of the Board shall be final.

General Requirements

1. **Confidentiality**: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but absolute confidentiality cannot be assured.
2. **Non-Retaliation**: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. **Resolution**: Rocketship will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures intended to resolve the complaint.

4. Paid Administrative Leave: Rocketship reserves the right to place any employee on paid administrative leave during an investigation.
