

Dear Rocketship Public Schools Texas,

As required by the Texas Education Code (TEC 37.218 (c)), School Safety Standard requirements, all school districts are required to provide, or make available information on the possible legal consequences of sharing visual materials depicting a minor engaged in sexual conduct.

Rocketship Public Schools Texas empowers families to utilize the state released resource provided on the Texas School Safety Center website as a guide to facilitate the conversation with his/her child.

Additionally, the Texas School Safety Center provides further information on school safety topics, highlights relevant Texas laws, and provides specific information that you and your child may need to know.
