Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Rocketship Education, Inc. and its Affiliates (RSEA), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of RSEA as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RSEA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited RSEA's 2024 consolidated financial statements, and we expressed an unmodified opinion on those statements in our report dated December 12, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2025, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on RSEA's consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, which is the responsibility of management, is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The accompanying supplementary schedules required by the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel (Schedule of Instructional Time, Schedule of Average Daily Attendance, Reconciliation of Annual Financial Report with Audited Financial Statements), which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Rocketship Education, Rocketship Education Wisconsin Inc., Rocketship Education DC Public Charter School Inc, Launchpad Development Company, and Eliminations columns in the consolidated statements of financial position, activities, and cash flows, as well as the accompanying supplementary schedules of the consolidating statements of financial position, activities and cash flows, which are also the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Local Education Agency Organization Structure but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated REPORT DATE on our consideration of RSEA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on RSEA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RSEA's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Rocketship Education, Inc. and its Affiliates (RSEA) are organized to manage, operate, guide, direct, and promote a network of public elementary charter schools.

The charter schools are funded principally through public education monies. The charters may be revoked by their sponsor for material violations of the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Principles of Consolidation

The accompanying financial statements include the accounts of Rocketship Education, Inc. (RSED) and its schools. All significant intercompany accounts and transactions within RSED and its schools have been eliminated in the consolidating financial statements. Additionally, the accompanying financial statements include the accounts of Rocketship Education Wisconsin Inc., Rocketship Education D.C. Public Charter School Inc., and Launchpad Development Company (LDC) and its wholly owned LLCs. All significant intercompany accounts and transactions within LDC have been eliminated in the consolidating financial statements. Finally, all significant intercompany accounts and transactions between RSED and Launchpad have been eliminated in consolidation.

Rocketship Education (RSED)

Rocketship Education, Inc. (RSED) is a California nonprofit public benefit corporation that was incorporated in 2006 and is organized to manage, operate, guide, direct, and promote a network of public elementary charter schools. Divisions of RSED include:

- ***Rocketship Support Network (RSN)*** – Centralized resources providing management, back-office support and organizational strategy.
- ***Rocketship Mateo Sheedy Elementary (RMS)*** – California charter school
- ***Rocketship Si Se Puede Academy (RSSP)*** – California charter school

Rocketship Education Wisconsin Inc.

RSED incorporated Rocketship Education Wisconsin Inc. (REW), as a nonprofit public benefit corporation in October 2012 to hold the charter for its elementary school in Wisconsin, Rocketship Southside Community Prep (RSCP) and Rocketship Transformation Prep (RTP). Rocketship Education and REW entered into a Network Services Agreement to provide services for the Wisconsin region.

Rocketship Education D.C., Public Charter School, Inc.

Rocketship Education D.C., Public Charter School, Inc. (RSDC) incorporated as a nonprofit public benefit corporation during 2014 for the purpose of operating charter schools in Washington, DC. The District of Columbia Public Charter School Board (PCSB) approved RSDC to establish up to eight charter schools beginning in July 2016. Rocketship Education and RSDC entered into a Network Services Agreement to provide services for the DC region. RSDC operates three campuses, Rocketship RISE (RISE), Rocketship Legacy Prep (RLP), and Rocketship Infinity Community Prep (RIC).

Launchpad Development Company

Launchpad Development Company (LDC) was incorporated as a 509(a)(3) nonprofit public benefit corporation in November 2009. LDC is a supporting organization of RSED. LDC provides facilities and development services provided that such services are consistent with RSED's exempt purpose. Divisions of LDC include:

- ***Launchpad (LP)*** – investment/asset management and administrative services
- ***Launchpad Development One LLC (LLC1)*** – RMS facilities
- ***Launchpad Development Two LLC (LLC2)*** – RSSP facilities

Basis of Accounting

The consolidated financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

RSEA presents its consolidated financial statements as a California nonprofit public benefit corporation in accordance with Financial Accounting Standards which govern generally accepted accounting principles for non-profit organizations.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and support services benefited.

Cash and Cash Equivalents

RSEA defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

ROCKETSHIP EDUCATION, INC. AND ITS AFFILIATES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes (Continued)

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Restricted Cash

Restricted cash includes certain cash balances that are maintained according to debt reserve requirements and donor restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2025.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets, ranging from 3 to 35 years. RSEA capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when RSEA has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2025, RSEA has conditional grants of \$14,664,255 of which \$11,254,603 is recognized as deferred revenue in the statement of financial position.

ROCKETSHIP EDUCATION, INC. AND ITS AFFILIATES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are conditional and are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Donated Services and In-Kind Contributions

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Income Taxes

The RSEA is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. RSEA file exempt organization returns in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of RSEA. Full-time school staff accrue between 10-15 days of paid vacation per 12-month period based on the employee's years of service and the paid time off (PTO) is paid out in full at the end of the school year. Full-time Network staff accrue between 10-25 days of vacation per 12-month period based on years of service. A maximum of 1.5 times their annual PTO accrual rate may be carried as an accrual balance at any time before an employee reaches their accrual limit.

Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with RSEA's financial statements for the year ended June 30, 2024, from which the summarized information was derived.

ROCKETSHIP EDUCATION, INC. AND ITS AFFILIATES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

RSEA leases school facilities, office space, land, and equipment. RSEA determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent RSEA's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the RSEA uses its incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that RSEA will exercise that option. RSEA has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

RSEA has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

RSEA's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, RSEA considers factors such as if RSEA has obtained substantially all of the rights to the underlying asset through exclusivity, if RSEA can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Common Controlled Leasehold Improvements

For common control leasing arrangements, the School amortizes leasehold improvements over the useful life of the improvements (regardless of the lease term) while the School continues to use the underlying assets. Upon the termination of the lease, the School will transfer the residual value to the common control lessor. For all other leases, leasehold improvements are amortized over the shorter of the useful life of the asset or the lease term including renewal periods that are reasonably assured.

The unamortized cost of the leasehold improvements under the common control arrangement amounted to \$5,124,110 as of June 30, 2025. The expiration of the lease agreements range between 2031 and 2058 and the remaining estimated economic life of the improvements ranges from 2 months to 36 years.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Evaluation of Subsequent Events

RSEA has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2025:

Cash and Cash Equivalents	\$ 85,697,417
Accounts Receivable	24,815,889
Less: Net Assets With Donor Restrictions	(462,654)
Financial Assets Available for General Expenditure	<u>\$ 110,050,652</u>

As part of its liquidity management plan, RSEA monitors liquidity required and cash flows to meet operating needs on a monthly basis. RSEA structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CREDIT CONCENTRATION RISK

RSEA maintains bank accounts with several institutions. Accounts at each of these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. RSEA occasionally has the need to maintain a cash balance in excess of the FDIC limit. RSEA has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 CURRENT EXPECTED CREDIT LOSSES

RSEA can use various methods to measure expected credit losses, such as pooling receivables based on the levels of delinquency using an aging method (e.g., current, 1–30 days past due, 31–60 days past due, 61–90 days past due, more than 90 days past due) and applying historical loss rates, adjusted for current conditions and reasonable and supportable forecasts. Based on historical loss experience and current conditions, management determined expected credit losses were immaterial; therefore, no allowance was recorded as of June 30, 2025.

NOTE 8 CONTRIBUTIONS OF NONFINANCIAL ASSETS

In October 2012, RSN entered into a five-year agreement for office facilities payable at \$10,612, plus common area maintenance, payable monthly. The lease includes a waiver of rent \$(10,611) contingent upon RSN's status as a nonprofit public benefit corporation. The agreement was renewed on November 1, 2017. RSEA recognized contributed nonfinancial assets representing in-kind rent for its RSN administrative offices in the amount of \$238,760 during the year ended June 30, 2025.

NOTE 9 LEASES – ASC 842

RSEA leases school and administrative facilities as well as equipment from various related and unrelated parties. Related party leases are between RSEA and LLC subsidiaries of LDC. LDC leases certain school facilities and subleases them to RSEA schools. In addition to facility leases, RSEA leases equipment from unrelated third parties under long-term, non-cancelable lease agreements.

The leases expire at various dates through 2058 and provide for renewal options ranging from 1 month to 10 years. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases.

Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require RSEA to pay real estate taxes, insurance, and repairs. Some lease agreements also require RSEA to comply with certain covenants and to maintain certain financial ratios. As of June 30, 2025, RSEA believes it was in compliance with all ratios and covenants.

NOTE 10 EMPLOYEE RETIREMENT

State Teachers' Retirement System (STRS)

Qualified certificated employees are covered under a multiemployer defined benefit pension plan maintained by agencies of the state of California. The certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in these multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. RSEA has no plans to withdraw from these multiemployer plans.

RSEA contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2024 total STRS plan net assets are \$341 billion, the total actuarial present value of accumulated plan benefits is \$482 billion, contributions from all employers totaled \$8.577 billion, and the plan is 76.7% funded. The Schools did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, California 95826 and www.calstrs.com.

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.205% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for the year ended June 30, 2025 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

RSEA's contributions to STRS for each of the last three fiscal years are as follows:

<u>Year Ended June 30,</u>	<u>STRS</u>

Tennessee Consolidated Retirement System – Legacy Pension Plan

Teachers with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 of RSEA are provided with pensions through the Teacher Legacy Pension Plan, a cost sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan closed to new membership on June 30, 2014, but will continue providing benefits to existing members and retirees.

Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Teachers contribute 5% of salary. RSEA makes employer contributions at the rate set by the board of trustees as determined by an actuarial valuation. By law, employer contributions for the Teacher Legacy Pension Plan are required to be paid. TCRS may intercept the state shared taxes of the sponsoring governmental entity of the schools if the required employer contributions are not remitted. Employer contributions by RSEA for the year ended June 30, 2025 to the Teacher Legacy Pension Plan was 6.81% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability. RSEA did not contribute more than 5% of the total contributions to the plan. The TCRS issues a financial report that can be obtained at www.treasury.tn.gov/tcrs.

Tennessee Consolidated Retirement System – Teacher Retirement Plan

Beginning July 1, 2014, the Teacher Retirement Plan became effective for teachers employed by schools after June 30, 2014. The Teacher Retirement Plan is a separate cost-sharing, multiple-employer defined benefit plan. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS.

Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly or by automatic cost controls set out in law. Teachers contribute 5% of salary. RSEA makes employer contributions at the rate set by the board of trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4%, except in years when the maximum funded level, as established by the TCRS Board of Trustees, is reached. By law, employer contributions for the Teacher Retirement Plan are required to be paid. TCRS may intercept the state shared taxes of the sponsoring governmental entity of the school if the required employer contributions are not remitted. Employer contributions by RSEA for the year ended June 30, 2025 to the Teacher Retirement Plan were 2.98% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

RSEA did not contribute more than 5% of the total contributions to the plan. The TCRS issues a financial report that can be obtained at www.treasury.tn.gov/tcrs.

NOTE 12 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting functions. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, printing and postage, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

NOTE 13 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods.

Total Release of Restrictions	<u>\$ 959,333</u>

NOTE 14 COMMITMENTS AND CONTINGENCIES

RSEA has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, management believes all compliance requirements have been met.

In the normal course of business, RSEA is subject to legal claims. RSEA works with legal counsel to defend itself against all claims. The outcome of these claims cannot be predicted and therefore no estimate of loss has been made in these financial statements.

NOTE 15 SUBSEQUENT EVENTS

Subsequent to year-end, Rocketship Education Wisconsin, Inc. acquired the charter of Stellar Elementary and all of its assets, and assumed related debt, from an unrelated organization, for the purpose of operating a school at a third location beginning with the 2025-26 school year. The value of the assets acquired and debt assumed was \$1,162,322. In addition, REW incurred closing costs of \$22,568.

Subsequent to year-end, Rocketship Education formed a nonprofit corporation in Tennessee to hold its Tennessee charter schools.

NOTES TO SUPPLEMENTARY INFORMATION
JUNE 30, 2025

PURPOSE OF SCHEDULES

NOTE 1 CONSOLIDATING STATEMENTS

These statements provide detailed financial information of each charter school.

NOTE 2 SCHEDULE OF INSTRUCTIONAL TIME – CALIFORNIA

This schedule presents information on the amount of instructional time offered by Rocketship Schools and whether the schools complied with the provisions of California Education Code.

NOTE 3 SCHEDULE OF AVERAGE DAILY ATTENDANCE – CALIFORNIA

Average daily attendance is a measurement of the number of pupils attending classes of the California schools. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 4 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the fund balances (net assets) of each California charter school as reported on the Annual Financial Report form to the audited financial statements.

NOTE 5 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of RSEA under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Schedule are reported on the accrual basis of accounting. Because the Schedule presents only a selected portion of operations of RSEA, it is not intended to and does not present the financial position, changes in net assets, or cash flows of RSEA.

NOTE 6 INDIRECT COST RATE

RSEA did not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Rocketship Education, Inc. and its Affiliates
Redwood City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Rocketship Education, Inc. and its Affiliates (RSEA), which comprise the consolidated statement of financial position as of June 30, 2025, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of financial statements, we considered RSEA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control. Accordingly, we do not express an opinion on the effectiveness of RSEA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of RSEA's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether RSEA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Rocketship Education, Inc. and its Affiliates
Redwood City, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Rocketship Education, Inc. and its Affiliates' (RSEA) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of RSEA's major federal programs for the year ended June 30, 2025. RSEA's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, RSEA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to RSEA's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding RSEA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of RSEA's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Compliance

Opinion on State Compliance

We have audited Rocketship Education and its Affiliates' (RSEA) compliance with the types of compliance requirements applicable to RSEA described in the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2025. The RSEA's applicable State compliance requirements are identified in the table below.

In our opinion, RSEA complied, in all material respects, with the compliance requirements referred to above that are applicable to RSEA for the year ended June 30, 2025.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to RSEA's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine RSEA's compliance with the laws and regulations applicable to the following items:

Not Applicable³: RSEA did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2025**

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

STATE COMPLIANCE

2024-001 Transitional Kindergarten

40000

Rocketship Si Se Puede (RSSP) #1061

Criteria: Per California Education Code section 48000.15 (b)(4), charter schools must maintain average transitional kindergarten class enrollment of not more than 20 pupils for each class with early enrollment children.

Condition: RSSP did not meet the transitional kindergarten class enrollment of not more than 20 pupils for its one class with early enrollment pupils.

Recommendation: We recommend RSSP implement additional review processes to ensure class sizes are in compliance with California Education Code.

Status: Implemented

2024-002 Unduplicated Pupil Counts

40000

Rocketship Rising Stars (RRS) #1778

Criteria: Education code section 42238.02 (b)(2) requires a charter school to submit its enrolled free and reduced-price meal eligibility, foster youth and English learner pupil-level records for enrolled pupils using the California Longitudinal Pupil Achievement Data System (CalPADS). The CalPADS 1.17 and 1.18 reports should accurately report the number of students eligible for free and reduced-price meals and those identified as "English Learners."

Condition and Context: One error in a sample of twelve students was identified, in which one student was inaccurately reported as eligible for reduced meals.

Recommendation: We recommend that the charter school implement additional review procedures to ensure program compliance.

Status: Implemented.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2025**

STATE COMPLIANCE (Continued)

2024-003 Attendance

10000

Rocketship Alma Academy (RSA) #1061

Criteria: Per the 2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel, the number of school days reported on the annual attendance report, which should not include any emergency closure days, must correspond to the number of school days on the school calendar.

Condition: The number of school days reported on the annual attendance report for RSA was 180, however, there were only 179 days of instruction. The number of days used to calculate the corresponding ADA was properly calculated using the actual instructional days of 179.

Recommendation: We recommend the school incorporates an additional layer of review over the actual days reported on the annual attendance report before it is submitted.

Status: Implemented.

Single Audit Results

- The results of the single audit are currently in draft stage.
- As of today, the Office of Management and Budget (OMB) has not released the final 2025 Compliance Supplement.
- This delay directly affects our ability to complete and submit your Single Audit, as we must first receive and review the supplement to properly audit the applicable federal programs. However, we are have conducted the Single Audit testing based on the DRAFT 2025 Compliance Supplement.
- State Controller's Office (SCO) has confirmed they will not accept separate single audit reports. Instead, they recommend that any charter school impacted by the delay request an extension.

25/26 Updates – 7/1/25 Audit Guide

- ELOP
 - For programs that charge family fees. We will need to verify fees were waived for pupils who are eligible for free/reduced priced meals, homeless youth, or in foster care.
 - We will also need to verify the fees were on a sliding scale that considers family income and ability to pay.
- TK
 - Adult to student ratio changed to 10 students to 1 adult.
 - Will need to verify the credentialed teacher assigned to a TK classroom met the requirements of ED Code Section 48000(g)(4). Ed Code in notes.
- Immunizations
 - If on the list on the CDPH website - checking one Tdap dose for 7th graders.
- Attendance Recovery
 - Steps have been added for Saturday school attendance recovery. Listed out in notes if you want to see them.

48000(g)(4)

(4) Ensure that credentialed teachers who are first assigned to a transitional kindergarten classroom after July 1, 2015, have, by August 1, 2025, one of the following:

(A) At least 24 units in early childhood education, childhood development, or both.

(B) As determined and documented by the local educational agency employing the teacher, professional experience in a classroom setting with preschool age children meeting the criteria established by the governing board or body of the local educational agency that is comparable to the 24 units of education described in subparagraph (A).

(C) A child development teacher permit, or an early childhood education specialist credential, issued by the Commission on Teacher Credentialing.

Attendance Recovery – Audit Procedures as of 7/1/25 audit guide:

1. Select a representative sample of pupils for whom ADA generated through AR was claimed, and obtain reports of their absences and AR attendance. For each pupil sampled, perform the following procedures:

- a. If the LEA is a charter school, perform the following procedures: i. Verify that the pupil is enrolled in a classroom-based program, pursuant to Education Code section 47612.5(e). ii. Verify that the pupil is not enrolled in a school that serves pupils through a partnership pursuant to Education Code section 47612.1.
- b. Verify that the pupil was not continually enrolled in an Independent Study agreement(s) for longer than 15 days on the dates of their participation in an AR program.
- c. Examine the attendance accounting record to verify that the pupil's AR attendance

was maintained on a separate register, or that the LEA had another mechanism in place to track ADA generated through AR separately from other ADA.

d. Verify that AR attendance is only claimed in whole days of ADA.

e. Verify that the pupil's total AR attendance for the school year is no greater than ten days, or the total number of absences the pupil accrued in that school year, whichever is fewer.

f. For each day of ADA claimed through AR, verify that the pupil's participation time met the applicable minimum daily minute requirement pursuant to Education Code section 46211(e)(2). i. If hourly accounting of participation time was used, trace to supporting documentation by the AR teacher. ii. If the student has an individualized educational plan (IEP) that lists an alternative minimum daily minute requirement, verify that the requirement in the IEP was used in the calculation of ADA.

g. For all participation times that contributed to generating a day of ADA through AR, perform the following procedures: i. Verify that the pupil was under the supervision of an employee of the LEA possessing a valid teaching certificate pursuant to Sections 46300 and 47612.5. ii. Verify that the classroom(s) where the pupil participated in AR maintained a pupil-to-certificated teacher ratio of no more than 10 to 1 when the classroom contained transitional kindergarten or kindergarten pupils, and maintained a pupil-to-certificated teacher ratio of no more than 20 to 1 for all other grades, pursuant to Education Code section 46211(f). iii. Determine that the LEA has documentation demonstrating that the pupil was provided with content aligned to grade level standards that is substantially equivalent to in-person instruction.

h. Verify that no pupil generated more than one day of attendance per calendar day of participation in AR. Then perform one of the following procedures: ii. For charter schools: Verify that the pupil was not credited with more than a day of ADA per calendar day when school was actually taught, pursuant to Education Code section 47612 and Section 11960 of Title 5 of the California Code of Regulations.

25/26 Updates – 7/1/25 Audit Guide

- Comprehensive School Safety Plan
 - Verify the LEA adopted an instructional continuity plan per the requirements in Education Code Section 32282(a)(3)(A). Ed Code in notes.
 - Verify each school had its comprehensive school safety plan reviewed and updated by March 1 as described in Education Code sections 32286, 47605(c)(5)(F) and 47605.6(b)(5)(G), as applicable.
- Independent Study
 - Interviews of LEA administrative personnel as well as a sample of independent study teachers and review written agreements to determine if the LEA provided independent study pupils or their families with direct monetary funding or ownership of any other things of value such as equipment.
 - If the LEA provides other things of value, verify that the LEA retains ownership of any things of value, such as equipment, (pursuant to subdivision (b) of Education Code section 51747.3). Review program materials provided to all parents/guardians to determine that pupils engaged in independent study were neither offered direct monetary funding nor given incentives or special benefits, such as ownership of any other things of value, such as equipment.

©2024 CliftonLarsonAllen LLP

18

Education Code Section 32282(a)(3)(A): (a) The comprehensive school safety plan shall include, but not be limited to, all of the following:

(3) (A) Beginning July 1, 2025, an instructional continuity plan to establish communication with pupils and their families and provide instruction to pupils when in-person instruction is disrupted due to an emergency pursuant to Section 41422 or subdivision (a) of Section 46392. The plan shall include all the following:

- (i) Procedures for pupil engagement, as soon as practicable, and no later than five calendar days following the emergency. Procedures shall be designed to establish two-way communication with pupils and their families and identify and provide supports for pupils' social-emotional, mental health, and academic needs.
- (ii) A plan to provide access to in-person instruction or remote instruction pursuant to Sections 51747 and 51749.5, as soon as practicable, but no later than 10 instructional days following the emergency. The plan may include support to pupils and families to enroll in or be temporarily reassigned to another school district, county office of education, or charter school.

For purposes of this paragraph, "temporarily reassigned" means temporarily reassigned to another local educational agency outside of the school district, but within the county or an immediately adjacent county, in which the pupil's parent or guardian resides. Notwithstanding Section 48200 or any other law, a pupil who is temporarily reassigned shall be deemed to have complied with the residency requirements for attendance in the local educational agency that is temporarily serving the pupil pursuant to this section.

(ii) Notwithstanding Section 48200 or any other law, a school district, county office of education, or charter school may continue to enroll a pupil who is temporarily

reassigned to another school district, county office of education, or charter school pursuant to this section in order to facilitate the timely reentry of the pupil in their prior school after the emergency event has ended.

(D) This paragraph applies to school districts, county offices of education, and charter schools.

Discussion Points

- Independent Study – SB 153
 - Area of interest/confusion: LEA is required to maintain documentation of hours or fraction of an hour of both pupil work products and the time that the pupil engaged in asynchronous instruction.
 - It is the intent of the Legislature that teachers be given access to digital assignment tracking systems to reduce workload associated with evaluating and accounting for pupil work and synchronous instruction participation.
 - Pupil work products may include the daily time value spent by a pupil engaged in asynchronous instruction, including work completed on an online or computer-based instructional activity, regardless of whether pupil work products are produced, if the computer program documents pupil participation. The local educational agency shall maintain documentation of each hour or fraction of an hour of both pupil work products and the time that the pupil engaged in asynchronous instruction.
- SB 414
 - Governor vetoed this bill - The Governor's message calls for continued discussions and new legislation early next year, so this issue—and the sections affecting CPAs and school auditors—will likely return in 2026.

© 2024 CliftonLarsonAllen LLP

19

SB414

This bill would have made changes to oversight, auditing, and funding systems for nonclassroom based charter schools, expanded LEA's auditing procedures and established a new Office of the Education Inspector General. Overall, the bill lacked support from education unions and school groups, and it did not include input or funding for the State Controller's Office to implement key provisions.

EdCode 52065.1

(a) (1) If a local educational agency is identified pursuant to the audit described in Section 41020 as not having adopted a local control and accountability plan by July 1, as required pursuant to Section 47606.5, 52060, or 52066, as applicable, or as not having adopted an annual update to a local control and accountability plan by July 1, as required pursuant to Section 47606.5, 52060, or 52066, as applicable, the local educational agency shall be assessed **a financial penalty equal to 20 percent of the local educational agency's second principal apportionment local control funding formula entitlement pursuant to Section 2574, 2575, or 42238.02, as applicable.**

(2) For each additional business day that the local educational agency does not adopt a local control and accountability plan or an annual update to a local control and accountability, the penalty described in paragraph (1) shall be increased by 1 percent of the local educational agency's second principal apportionment local control funding formula entitlement pursuant to Section 2574, 2575, or 42238.02, as applicable, but shall not exceed a total of 80 percent of the second principal apportionment.

(b) A financial penalty applied pursuant to subdivision (a) shall (1) be a reduction to the principal apportionment made to the local educational agency for the applicable fiscal year pursuant to Section 41330, 41332, or 41335, as applicable, (2) not reduce the final

apportionment below the amount necessary to meet the requirements of Section 6 of Article IX of the California Constitution, as specified in Section 41975, and Section 36 of Article XIII of the California Constitution, and (3) be modified, as applicable, if the delay is due to any of the events described in subdivision (a) of Section 46392.

Review and Recommend Approval of the 2024-25 Audit to the Rocketship Board of Directors

Audit Overview

Each year, we are required to undergo an independent audit of our financial statements as well as our controls and policies.

This year, all Rocketship audits were done by one firm: Clifton Larson Allen (CLA). This consolidation of our business resulted in a smoother process, more timely completion of final documents, and a more consistent approach to accounting and controls questions.

The audit process began immediately after closing the fiscal year on June 30 and consisted of internal preparation and validation of our statements, review of financial data and supporting documentation by CLA, and review of samples of payroll, check, and credit card transactions.

Audit Preliminary Results and Adjustments

Across the regions, only TN resulted in a management letter comment (internal not external) related to duplication of \$205k of revenue recorded in FY24 and corrected in FY25. The audit draft as presented has no findings or corrections. This represents a clean audit for Rocketship and best case outcome.

Audit Presentation

Year ended June 30, 2025

Next Steps

Single Audit:

- Currently auditors are missing final OMB guidance needed to complete single audit
- Guidance out of California has thus far been to ask for extensions of the December 15th deadline with an estimated timeline of when the full audit will be available.
- Drop dead date is Thanksgiving to have OMB guidance and issue full audit on time per CLA
- Expectation is to issue an audit of the financial statements without the single audit for bondholders with a note that single audit will be uploaded to EMMA as soon as it is available.

Next steps:

- National Audit and Business Committee review December 2nd
- National Board Review December 10th
- Email/Upload to California DOE, Controller's Office and Authorizers by December 15th
- Due dates for other regions as follows: WI December 10th, TN December 31st and DC December 10th

990 Completion

- Next step after the audit will be for the completion of the 990 tax return. It is due by May 15th, 2026. We will bring to the audit committee in the spring for review.

Reflections from Audit

- We were ambitious with our audit pre work deadlines for submitting Trial Balances and General Ledgers to the auditors
- We gave ourselves more time for the completion of the audit versus the preparation of the audit
- Once we were able to get items over to the auditors for testing selections, the team was able to rally and quickly turn around auditor requests and back up
- Noting for ourselves that we still have a pretty tight audit deadline and turnaround time
- Team will benefit in future years from an additional couple of weeks to prepare for audit (build timeline around mid September through early November)

Reflections from Audit- Audit Fees

Additional fees incurred due to reworking of TBs and GLs submitted past original deadline. Working with CLA to try to work this amount down. Potentially additional fees related to the single audit OMB guidance delay.

Category	Original Fee	Additional Fee	New Fee
Audit	\$236,450	\$9,782	\$246,232
Compliance	\$22,500	0	\$22,500
Tax	\$21,700	0	\$21,700
Overhead at 5%	\$14,040	0	\$14,040
Total	\$294,690	\$9,782	\$304,472

Approval

Motion to:

Recommend approval of the 2024-25
Audit to the Rocketship Board of
Directors

FY26 Auditor Selection Update

Recommendation for February Audit Committee Meeting

- Prior year, Morel produced an RFP for a national audit firm to perform all Rocketship audits by region.
- Outcome was that CLA was awarded the audit last year based on the highest rubric score
- Recommendation is that an RFP would be performed every 3-5 years for market analysis along with longevity of current auditor
- Proposed recommendation is that the Audit Committee would approve the engagement of CLA for the FY26 school year audit under the assumption that audit fees are reasonable based on current inflation and no new scope.
- If fee increases outside of expectation, Rocketship will look to contact firms from prior RFP to discuss any differences they see in price points from previous proposal
- Final recommendation will be presented at the next audit committee meeting
