Please note that Rocketship may enact additional, supplemental, or alternative policies or procedures to accommodate developing changes in circumstances, public health related matters, and/or changes in the law or compliance obligation. Families will be expected to comply with any such policies or procedures in the same manner as any policies and procedures contained in this handbook. The policies provided in this handbook are subject to ongoing review and board approval.

ABOUT ROCKETSHIP

Rocketship Public Schools ("Rocketship") is a nonprofit network of public elementary charter schools dedicated to equal access to opportunity for all. We believe in the infinite possibility of human potential – and that every student deserves the right to dream, discover, and develop into their best self.

Our mission is to catalyze transformative change in underserved communities through a scalable and sustainable school model that propels student achievement, develops exceptional educators, and fosters deep partnership with parents. Rocketship schools deliver gap-closing instruction to elementary school students across California, Tennessee, Wisconsin, and Washington D.C.

OUR STORY

Rocketship's story began in San Jose, CA, inspired by Father Mateo Sheedy, a parish pastor with a bold vision for his community. When he discovered that none of the hundreds of children in his parish met the academic requirements to attend a top-tier university, he set out to create a high-quality K-12 education pipeline in low-income neighborhoods. His vision lived on after his passing, when a group of dedicated educators and community members co-founded Rocketship Mateo Sheedy Elementary in 2006.

Students quickly showed strong academic results, and waiting lists grew. It became clear that the need for high-quality elementary education extended far beyond one neighborhood. Driven by parent demand and community organizing, Rocketship began opening new schools across the country. Today, the network operates 22 schools across California, Tennessee, Wisconsin, and Washington D.C., continuing to build on Father Sheedy's original vision of expanding access to excellent education for students in underserved communities.

OUR MISSION AND VISION

At Rocketship Public Schools, we believe in the infinite possibility of human potential. Every student deserves the right to dream, to discover, and to grow into their best self – and it is our responsibility and privilege to help make that possible. Through our nonprofit network of public elementary charter schools, we propel student achievement, develop exceptional educators, and partner with parents to enable high-quality public schools to thrive in the communities we serve.

Our Vision: Equal access to opportunity for all.

Our Mission: To catalyze transformative change in underserved communities through a scalable and sustainable public school model that propels student achievement, develops exceptional educators, and partners with parents who enable high-quality public schools to thrive in their community.

OUR MODEL

Rocketship's model is built on three core pillars:

Personalized Learning. Every student has a unique set of needs, and Rocketship meets them by tailoring instruction, content, and pace through a carefully designed combination of whole-group and small-group classroom instruction, adaptive technology, and targeted tutoring.

Talent Development. Excellent teachers and leaders are the foundation of transformational schools. Rocketship invests deeply in the growth and development of every educator and leader to ensure they have a profound and lasting impact on students and communities.

Community Power. Engaged parents are essential partners in their children's education. Rocketship develops parent leaders who become powerful advocates for their children and champions for high-quality public education in their communities.

Instructionally, Rocketship uses a distinctive and intentional rotational model, unique in elementary education. Rather than a traditional one-size-fits-all classroom experience, students rotate between Humanities, STEM, and a Learning Lab – a dedicated space where students engage with adaptive online programs in math and literacy, build technology skills, and receive targeted small-group tutoring. This model is designed to give every Rocketeer the individualized support they need to grow and reach their full potential.

ADMISSIONS AND ENROLLMENT

Rocketship Schools are public charter schools. Charter schools operate independently from the local school district and must be approved by a local charter school authorizer to open.

Charter schools are public schools that are tuition-free and open to any student who wishes to attend. They allow parents, organizations, and communities to restore, reinvent, and re-energize our public school system.

Rocketship will not administer any test or assessment to students prior to acceptance and enrollment into Rocketship. Rocketship will not limit enrollment on the basis of a student's race, color, religion, national origin, language spoken, intellectual or athletic ability, measures of achievement or aptitude, or status as a student with special needs.

CALENDAR AND ATTENDANCE

SCHOOL SCHEDULE

Please refer to your school's addendum for details about your school's schedule.

LAUNCH

Each Rocketship campus begins the school day with Launch, which is a period for the whole school to come together and talk about a school-wide focus. During Launch, the school may also promote a particular successful student habit, teach a new school management system, discuss progress toward achievement goals, and foster school culture and pride. The whole school, including the staff, may also learn a song or dance together or celebrate a particular student or classroom's recent accomplishment.

OFFICE HOURS

Our front office staff is excited to offer assistance to our community. We encourage families to call or email our team with all requests and concerns.

The front office is closed on the days when students do not have school. These include holidays, staff professional development days, parent conference days, winter vacation, and spring break.

Please refer to your school's addendum for your school's office hours and contact information.

ATTENDANCE AND TRUANCY

Rocketship deeply values the presence and participation of all students within our school community. If students regularly miss school, are late, or leaves school early, they will miss out on meaningful learning experiences and can fall behind. Rocketship makes every effort to partner with families to ensure that students are on time and present every school day.

Definitions

Late. Students shall be classified as late if the student arrives after the start of the school day, but within 29 minutes of the start time.

Tardy. Students shall be classified as tardy if the student arrives more than 30 minutes after the start of the school day.

Unexcused Absence. A student shall have an unexcused absence if the student is absent or is tardy for more than thirty (30) minutes without a valid excuse.

Truant. A student shall be classified as a truant if the student is absent from school without a valid excuse three (3) full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three (3) occasions in one school year, or any combination thereof. Any student who has once been reported as a truant and who is again absent from school without valid excuse one or more days, or tardy on one or more days, shall again be deemed a truant. Such students shall be reported to the Executive Director or designee.

Habitual Truant. A student shall be classified as a habitual truant if the student is reported for truancy three (3) or more times within the same school year. This generally occurs when the student is absent from school without a valid excuse for five (5) full days in one school year or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on five (5) occasions in one school year, or any combination thereof.

Chronic Truant. A student shall be classified as a chronic truant if the student is absent from school without a valid excuse for ten (10) percent or more of the school days in one school year, from the date of enrollment to the current date.

Excused and Unexcused Absences and Tardies

All students are expected to be on time and present in school every day.

Excused Absences

Proper notification and/or documentation is required for a student’s absence, tardiness, or early dismissal from school to be marked as excused on the student’s attendance record. Such notification must be submitted within **24 hours** of the student’s absence.

If Rocketship does not receive verification within this window, the student’s absence will be considered unexcused and cannot be changed. The charts below explain the type of notification and/or documentation required to excuse absences.

--------------------	---	--

Unexcused Absences

Some kinds of absences may not be considered excused, even with proper documentation. These include, but are not limited to, the following: non-documented appointments, sick days with no parent notification of the school, oversleeping, car problems, cutting classes, errands, babysitting, and vacationing outside of scheduled school breaks. The Principal, in consultation with their supervisor, when necessary, has the discretion to determine whether an absence should be excused or unexcused.

Notifying Parents of Unexcused Absences

Rocketship will make reasonable and diligent efforts to contact a student’s parent/guardian on the same day and each time a student has an unexcused absence, with daily follow-ups as necessary.

Missing Assignments

A student who is absent due to an excused absence will be allowed to complete all assignments and tests missed during the excused absence that can be reasonably provided and will receive full credit upon satisfactory completion within a reasonable period of time. The teacher of the class from which a student is absent shall determine which tests and assignments are reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the excused absence.

Leaving School During the Day

We expect that parents/guardians will make every effort to schedule appointments after school. However, if an appointment during the school day is unavoidable, the student must bring a signed note from their parent/guardian at the beginning of the day that includes the reason for the partial absence, the time of departure from school, and the estimated time of the student’s return to school. If the student has a doctor’s appointment, the student must bring a note from the doctor upon return. Whenever possible, students are expected to return to school after their appointments.

Early departures for reasons that do not directly involve the student (i.e., appointment for another family member) are generally not excused but may be excused at the Principal’s discretion.

Students who become ill at school must check in at the office and remain at school until their parent/guardian arrives or gives permission for the student to leave campus in accordance with

Rocketship’s Student Release Policy. Under no circumstances may a student go home without the permission of a parent or guardian.

To support safe and efficient operations at the school, families are asked to participate in the regular dismissal process. Absent an emergency, students will not be released within 10 minutes of the school’s regularly-scheduled dismissal time.

Vacations

Rocketship builds vacations into its school calendar. Family vacations should be planned around these dates. Students who take additional vacation time are not assured make-up work or credit.

Recurrent Late Arrivals

Recurrent late arrivals may subject families to interventions.

After a student accumulates five (5) late arrivals (excused or unexcused), the family will be asked to participate in an Attendance Expectations Meeting at the school.

After a student accumulates ten (10) late arrivals (excused or unexcused), the family will be asked to attend a meeting with a School Leader and to sign an attendance contract.

The Principal has discretion to waive the intervention requirement in rare cases, depending on the circumstances. If a parent/legal guardian does not show up or refuses to attend an attendance meeting when ample notice has been provided, an intervention plan may still be enacted. A copy of the contract will be sent or delivered to the student's address on file.

Truancy Procedures

The RARB may include the following School Leaders: Associate Director of School Supports, Associate Director of CareCorps, Director of Schools, and may include a CareCorps Manager and/or other members of Regional or National Leadership. External governmental agencies (e.g., the District Attorney’s Office, etc.) may be invited to this meeting at the sole discretion of the RARB. The focus of the RARB process is to ensure the family is clear on expectations and consequences of not meeting attendance expectations and commitments. For example, risk of retention, escalation to external governmental agencies, involuntary removal, etc.</p> <p>The parent/guardian is required to attend an Attendance Review Hearing. The previous stages, interventions, and contracts will be reviewed. The existing Revised Intervention/Attendance Contract may be modified as needed. --	--

If a student accumulates fifteen (15) or more consecutive unexcused absences without notifying the school of the reason for the absence, and Rocketship is unable to get in touch with the student’s parent/guardian after reasonable and good faith efforts, Rocketship will drop the student from the school’s roster and give such student’s space to someone on the waitlist.

Independent Study

For extended absences, Independent Studies may be available and arranged by the principal in accordance with Rocketship’s Independent Study Policy and procedures.

Removing Students from Rocketship Roster

Students Who Are Not in Attendance at the Beginning of the School Year

If a student fails to show up to school during the entire first week of the instructional school year, and the family does not notify Rocketship in advance, the student may forfeit their seat at the school and be placed last on the waitlist. Forfeiture under this policy is not construed as involuntary removal by Rocketship.

Student Enrollment and Attendance at Another School

Any documentation received by Rocketship regarding a student’s enrollment and attendance at another public or private school (i.e., CALPADS report) shall be deemed evidence of a **voluntary** disenrollment and shall not trigger the Involuntary Removal Process below.

For all communications set forth in this process, Rocketship will use the contact information provided by the parent/guardian in the registration packet. It is the parent’s or guardian’s responsibility to update Rocketship with any new contact information.

Involuntary Removal Process

No student shall be involuntarily removed by Rocketship for any reason unless the parent or guardian of the student has been provided written notice of Rocketship’s intent to remove the student (“Involuntary Removal Notice”). The Involuntary Removal Notice must be provided to the parent or guardian no less than five (5) schooldays before the effective date of the proposed disenrollment date.

The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder.

The Involuntary Removal Notice shall include:

1. The charges against the student
2. An explanation of the student's basic rights including the right to request a hearing before the effective date of the action
3. The CDE Enrollment Complaint Notice and Form

The hearing shall be consistent with Rocketship's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until Rocketship issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to Rocketship's suspension and expulsion policy.

Upon a parent's or guardian's request for a hearing, Rocketship will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of Rocketship's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing, the student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) calendar days.

A hearing decision not to disenroll the student does not prevent Rocketship from making a similar recommendation in the future should student truancy continue or reoccur.

Referral to Appropriate Agencies or County District Attorney

It is the Rocketship's intent to identify and remove all barriers to the student's success, and Rocketship will explore every possible option to address student attendance issues with the family. For any unexcused absence, Rocketship may refer the family to appropriate school-based and/or social service agencies.

If a student's attendance does not improve after a SART contract has been developed according to the procedures above, or if the parents/guardians fail to attend a required SART meeting, Rocketship shall notify the County District Attorney's office, which then may refer the matter for prosecution through the

court system. Students twelve (12) years of age and older may be referred to the juvenile court for adjudication.

Non-Discrimination

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Penal Code section 422.55, including immigration status, pregnancy, or association with an individual who has any of the aforementioned characteristics).

COMMUNICATION

This year, all Rocketship schools will be using a system called Parent Square to send messages to families. These messages may include information about upcoming school events, emergency notifications, attendance issues, or other issues about which the school feels it is important families are aware. The messages will be sent via text message, email, or phone call using the contact information that you provide upon registration. Please contact your child's school if you wish to opt out of receiving such communications.

SCHOOL CANCELLATION, LATE START, AND EARLY DISMISSAL

On rare occasions, Rocketship may decide to alter the regular schedule of the school day by closing school for a day, starting the school day late, or releasing students early at one or several campuses due to snow, rain, severe weather, natural disasters, or other emergency conditions. Rocketship recognizes that closing school or shortening the instructional day is disruptive for students, staff, and families and will only make this decision when it is necessary for the safety of our school community. Whenever possible, Rocketship will provide families and staff with advance notice of the decision to implement or possibility of a shortened instructional day or school closure.

CAMPUS OPERATIONS AND SECURITY

ARRIVAL AND DISMISSAL PROCEDURES

Transportation

All parents/guardians are responsible for securing the transportation of their child to and from school. In addition, parents must provide contact information for any person authorized to pick up their student.

Please refer to your school's addendum for additional details about your school's drop-off and pick-up instructions.

Reminders to Parents/Guardians for Arrival and Dismissal

- Please remember to treat all other Rocketship families, students, and staff members with courtesy and respect at all times. Do not take any actions that may endanger the health or safety of anyone on campus. Disruptive, disrespectful, and/or unsafe behavior during arrival and dismissal may result in parents/guardians losing privileges to be on the school campus.
- Please do NOT conference with teachers or school leaders during arrival or dismissal time; please make an appointment instead.
- Please do NOT let your child out on the sidewalk outside or near our campus. You MUST enter our campus and let your child out in the designated drop-off zone.
- With very limited exceptions, animals are not allowed on campus during drop-off or pick-up. If you have an animal in your car, it must remain completely inside the vehicle at all times while on campus.
- Students may only exit cars on the passengers' side.
- Please display your Rocketship Dismissal Card when picking up your child.
- Please remember to leave adequate space between cars to avoid collisions.
- Please do NOT block driveways while waiting to enter the roundabout.
- If you need to park your vehicle, please only park in designated Rocketship Parking or in legally permissible public parking spots. Avoid parking in or obstructing any private residential or commercial properties.
- Please do NOT talk or text on your phone during drop-off or pick-up time. We need to be able to communicate with you for the safety of all Rocketship families, students, staff, and visitors.

STUDENT RELEASE

Rocketship will make every effort to ensure that student dismissal proceeds in a safe manner when students leave school each day. At the beginning of the year, parents/guardians must:

- Ensure that they have accurately filled out their enrollment and registration forms, entering all required information to PowerSchool regarding the adults who are parents/guardians, and who are authorized to pick up their students.
- Complete a Rocketship Dismissal Card that they must display.
- Present a government ID when picking up their child.
- Complete an Emergency Contact Card that includes the names of individuals to be contacted in case of an emergency, if attempts to contact the parent/guardian fail.

If a parent/guardian or other authorized individual forgets to bring the Rocketship PikMyKid Card to dismissal, they will need to check-in with the front office and get a new card or a temporary pass.

Rocketship Dismissal Card

At the beginning of the school year, parents/guardians are given a Rocketship Dismissal Card with the student's dismissal number. During dismissal, the child's parent/guardian (or other authorized individual) must present this card to school staff along with a current government ID to pick up the child. If you lose your Rocketship Dismissal Card, you will be required to know the student's dismissal number and show ID in the front office to obtain a temporary pickup pass.

Emergency Contact Cards

At the beginning of the school year, parents/guardians shall complete and submit an Emergency Contact Card to be kept on file at the school. Parents/guardians will be asked to include the names of individuals to be contacted in case of an emergency, if attempts to contact the parent/guardian fail. Any person listed as an Emergency Contact will also be considered to be authorized by the child's parent/guardian to pick them up from school unless the parent/guardian indicates otherwise. At any time during the year, parents/guardians may request to update the Emergency Contact Card. Upon updating the Emergency Contact Card, all previous versions become void.

Authorizing Individuals to Pick Up a Child

Parents/guardians may authorize Rocketship to release their child to other people by completing the Authorization to Pick Up section of the Emergency Contact Card.

Parents/guardians should include the name, phone number, and relationship to the child for each person to whom they allow their child to be released. This section of the Authorization to Pick Up may be updated by the parent/guardian at any time by visiting the school front office. Rocketship staff may ask the authorized individuals for identification when they pick the child up from school.

Rocketship's general policy prohibits releasing students to minors. The only exception is that parents/guardians may authorize Rocketship to release their child to a relative who is a minor (between the ages of 14-18 years old) by completing the Authorization to Pick Up form and a Release to Minor waiver form. A duplicate Dismissal Card with printed authorization for release to the minor relative must be printed for the minor relative, and the minor relative must bring this authorization each day they will pick up the Rocketeer. Proper identification will also be required.

Rocketship recognizes that there will be situations in which a person not listed on the Emergency Contact Card will need to pick a student up from school. In these rare instances, the parent/guardian should call the school to inform school staff that they authorize school staff to release the student to another person that day. If a person that is not listed on the Emergency Contact Card form comes to pick the student up and the school has not already been contacted by the parent/guardian, the school will need to speak to the parent/guardian by phone prior to releasing the student. In addition, whenever feasible, parents/guardians should provide the authorized person with a signed note indicating their desire to have such person pick the child up on the day in question.

Emergency Dismissal

In case of an emergency dismissal, parents/guardians must wait for instructions from school leaders before coming to campus to pick up their children. School leaders will provide parents/guardians with updated information on the dismissal process through the automated calling system. Parents/guardians should expect that the dismissal location and procedures could be different than on a regular day. Parents/guardians should be prepared to present photo identification when picking up a child after an emergency on campus.

Protection of Students

Rocketship is responsible for protecting the health and safety of Rocketship students while the students are on Rocketship premises. If Rocketship has any reason to suspect that the health or safety of any Rocketship student would be endangered by releasing the student to an individual who is not a parent or guardian, even if that individual is authorized to pick up the student, Rocketship has the right to hold the student on campus and contact the parent/guardian or other valid emergency contact.

LATE PICK-UP

Rocketship's goal is to dismiss our students safely, efficiently, and responsibly. We understand that occasionally, family emergencies may cause a child to be picked up late from school, but consistently failing to pick up students on time places undue burden on school staff, is costly to the school, and is disruptive to our students' daily routines.

Notifying the School

Parents/guardians are expected to make arrangements for their children to be picked up during their designated dismissal time every day. That said, we do understand that there may be unpredictable situations that could cause a parent/guardian to pick up a student late on a given day (i.e., car problems, traffic, issues at work, etc.). In these cases, we ask that a child's parent/guardian contact the school by phone to let the staff know that their child will be picked up late that day. Even if the parent/guardian has notified the school that their child will be picked up late, the parent/guardian will still be required to complete a Late Pick-Up Incident Report when they come to pick up their child.

Late Pick-up

If a student is left on campus after dismissal ends and the parent has not notified the school, school staff will attempt to call the student's parent/guardian. If the school cannot reach the parent/guardian, they may also contact individuals listed on the student's Emergency Contact Card.

A parent/guardian (or authorized individual) who comes to pick up a student after the end of dismissal will need to complete a Late Pick-Up Incident Report before leaving campus. These reports will be kept on file at the school as a record of why the student was picked up late on that day.

Extremely Late Pick-up

If a student is still on campus more than an hour after the end of dismissal and staff members have not been able to contact the student's parent/guardian, Rocketship staff will contact the individuals on the student's emergency contact card. If staff are unable to make contact with the parent/guardian or individuals on the emergency contact card, the Principal or designee may contact the local authorities (i.e., police or local child protective service agencies). The Principal or designee may release the child to an authorized individual from the local Child Protective Service Agency or the police department.

Recurring, Frequent, and Chronic Late Pick-Up

If a child is frequently picked up late, school staff will request a meeting with the parent/guardian to determine the cause and implement supportive interventions.

Rocketship will follow a tiered series of interventions for families who persistently pick up their child/children late, as described below:

Late Pick-Up (each occurrence)	Parent/guardian (or authorized individual) who picks up the child must complete a Late Pick-Up Incident Report before leaving campus.
Recurring Late Pick-Up (three occurrences)	Parent/guardian must attend a meeting with a School Leader to review Late Pick-Up Incident Reports and create a verbal agreement and plan to prevent late pick-ups in the future. The School Leader may refer the family to local counseling or truancy resources.
Frequent Late Pick-Up (six occurrences)	A letter will be sent home to the student's parent/guardian specifying the date, time, and location of a meeting with a school leader. The parent/guardian must attend a meeting with a School Leader and sign an agreement to pick up their child on time.
Chronic Late Pick-Up (more than six occurrences)	Parent/guardian may become subject to an intervention workshop with school staff, including, but not limited to the Principal, Business Operations Manager, and Office Manager. In certain circumstances, Rocketship may also contact Child Protective Services, at the discretion of the Principal.

The above-referenced tiered series of interventions does not replace or delay any required reporting to local police authorities or child protective service agencies. In certain circumstances, Rocketship may also contact local child protective service agencies, at the discretion of the Principal or designee.

CAMPUS ACCESS AND VISITORS

Rocketship strives to create campuses that are welcoming to families, volunteers, and community members while maintaining a safe and secure environment for students and staff. “Campus” in this policy is defined as the entire indoor and outdoor premises, including the school building(s), sidewalks, parking lots, driveways, playgrounds, and courtyards.

Rocketship prohibits the following items in school buildings, on school grounds or buses, or at off-campus school-related or school-sponsored activities, except for use by law enforcement and authorized personnel and otherwise established by law. This is not an all-inclusive list, and Rocketship reserves the right to prohibit any items staff deems unsafe or otherwise inappropriate.

- Weapons, including but not limited to any real or imitation of the following:
 - Firearms
 - Any other type of gun or projectile device
 - Knives
 - Razor blades
 - Taser/Stun guns
 - Mace or Bear Spray
- Tobacco/Alcohol
- Illegal Drugs
- Fireworks or explosives
- Other items that may be deemed dangerous by school staff

Campus Access Points and Visitor Registration Procedures

Whenever students are in the building, the front office and controlled access points to each Rocketship campus will be supervised by a Rocketship staff member. All doors leading into school buildings should remain closed and locked at all times and only opened by authorized staff members.

All visitors must use the main entrance to enter and exit the school building, except in cases of fire or emergency. Every visitor must adhere to the following visitor registration process.

Before being granted access to the school building, all visitors must report to the security desk and will be required to undergo an ID check, a registered sex offender check, and adhere to any other security measures (e.g., sign-in/sign-out sheets) that the school has implemented. The school will inform visitors of any specific follow-up that may be required for visitors who are not able to provide proper identification or who are flagged with a sex offender offense.

Visitation – General Guidelines

- All visitors (including Rocketship regional and national staff members) must be registered and checked in via VisitU with their current government issued ID and with the security guard immediately upon entering any school building or grounds at any time that students are in the building. Schools will be required to provide a sign-in sheet for visitors for any event held on campus.
- Individuals flagged as registered sex offenders will be denied entry and referred to school administration. A parent or guardian who is a registered sex offender must contact the school administration in advance to arrange any approved visit, including providing the dates and times they will be on campus for student pickup.
- The Principal, or designee, may refuse to register a visitor if there is a reasonable basis for concluding that the visitor is in possession of a dangerous and/or prohibited item; or the visitor's presence or acts would disrupt the school, its students, its teachers, or its other employees; the visitor's presence would result in damage to property; or the visitor's presence would result in the distribution or use of an unlawful or controlled substance.
- Visitors in disguise or costume will not be allowed entrance onto campus without prior agreement with the school administration.
- After registering with the front office, visitors who are not Rocketship employees will be issued a VisitU badge that they must display at all times while on campus. If a Rocketship Network Support staff member forgets their badge, they will need to register with VisitU and obtain a Visitor's Pass from the front office.
- All visitors must also sign out when leaving the campus.
- The Principal or designee may withdraw consent for an individual to be on campus whenever there is reasonable basis for concluding that the visitor's presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, would disrupt or is disrupting the school, its students, its teachers, or its other employees, or poses a safety risk to individual(s) in the school community.
- The Principal or designee will require any visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if they reenter the school without following the posted requirements, law enforcement may be notified and they may be criminally charged.

Child Protective Services and Social Worker Identification Exceptions

In the rare event of an emergency situation or an active investigation where a representative from a state or local child protective services agency does not have a standard government-issued photo ID (e.g., a driver's license) for the VisitU system, the Principal or a designated School Leader may, at their discretion, rely upon the individual's official state agency identification to approve an alternative method of identity

and security verification. This may include verifying the official's agency credentials, badge number, or cross-referencing their identity with the agency's regional office. This exception is strictly limited to authorized government staff performing official duties related to child welfare.

Arranging for a Campus Visit

Rocketship welcomes family partners in our schools. Parents/guardians are welcome to participate in school-sponsored activities by invitation. In addition, parents/guardians may meet with their student's teacher/other school staff and attend meetings related to their student by appointment during non-instructional time.

All requests for visits in school or classroom observations, whether by a parent or guardian, or a third-party must be arranged in advance and approved at the discretion of the Principal or designee's discretion.

Observations of the student's current or proposed special education program will be arranged in accordance with the policies in the Student Support and Special Education section of this handbook.

Rocketship reserves the right to limit, delay, or reschedule any classroom visit. Unscheduled or same-day visits may not be accommodated.

Visitor Conduct

All visitors, regardless of their reason for being on campus, are expected to act in accordance with all Rocketship rules, policies, standards of conduct, and norms while on the school premises. During school visits, Rocketship expects all parents/guardians and other visitors to exclusively engage in activities directly related to the purpose of their visit. If a visitor is disruptive or displays threatening or inappropriate behavior towards any person when on the Rocketship campus, the school Principal or designee, at their discretion may:

- Request the visitor leave campus;
- Withdraw consent for the visitor to be on campus; and/or
- Request support from the School Resource Officer (SRO), or all the local police departments.

Examples of disruptive, threatening or inappropriate behavior can include, but are not limited to:

- Disturbing the school environment or operations in any space on the school campus.
- Compromising or threatening to compromise the health, safety, security, or welfare of students and/or staff.
- Using intimidation, profanity, or expressing threats towards staff, students, or other members of the school community.
- Carrying a weapon on campus, even if licensed or authorized to carry.

- Inappropriately engaging with a student who is not their own child.
- Recording or monitoring students, staff, and/or members of the school community without their prior consent, including, but not limited to video, photography, audio, remote “listen- in” devices, and AI-enabled note-taking of any sort.
- Refusing to comply with school policies.
- Failure to model and support Rocketship values and community norms.

This policy also applies to conduct during virtual programming (i.e., virtual instruction, events, etc.). Individuals who appear at a virtual event with a Rocketship student and whose conduct violates this policy will be asked or compelled to leave the virtual programming and may be subject to legal action.

Loitering

Visitors, including parents/guardians and children who are not students at the school, are not permitted to loiter on school grounds, including in the parking lot and outside school buildings. This also applies to children of staff members who attend a different school. The parking lot is only to be used for dropping off and picking up students, and for participating in official school business.

All visitors, including parents/guardians, authorized individuals, and students are expected to leave the campus at the conclusion of school instruction or official school business.

Refusal to Leave Campus

Anyone who refuses to leave after being asked by the Principal or designee, or who enters the school campus (including the school building(s), sidewalks, parking lots, driveways, playgrounds, and courtyards) without proper authorization in accordance with the Visitor Registration Procedures, may be subject to local criminal laws regarding trespass and unlawful entry.

Continued refusal to comply may lead to Rocketship withdrawing consent for the individual to be on campus. The Principal or designee may seek the assistance of the police in enforcing a request to leave any Rocketship campus or in pursuing any additional legal action.

Withdrawing Consent for Individuals to be on Campus

Rocketship recognizes that situations could arise where it may become necessary to deny an individual access to a Rocketship campus. In such circumstances, the school Principal or their supervisor(s) may issue an Ouster Notice. Ouster Notices will comply with any relevant state law requirements, but at a minimum will include:

- The name of the restricted individual.
- The school campus(es) from which the individual is restricted.

- The reasons for which the individual is being restricted.
- The date on which the restriction is implemented and, if relevant, removed.
- The name of the school Principal/designee issuing the notice/letter.

Throughout the entirety of a withdrawal period, it is the responsibility of the restricted individual to follow the terms of the issued Ouster Notice. Rocketship reserves the right to seek legal enforcement of a Ouster Notice.

It is the responsibility of the Principal, Business Operations Manager, Office Manager, and school security to:

- Enforce photo identification verification 100% of the time to ensure no restricted individuals enter the building.
- Document and maintain procedures for pick-up and drop-off and retain any documentation related to the Ouster Notice at the front desk.
- Contact the local police department in the event that an individual becomes confrontational or refuses to comply with school policies or protocols.

ELECTRONIC SURVEILLANCE AND THIRD PARTY RECORDING

School-Administered Surveillance

Electronic surveillance may be used at Rocketship campuses when deemed necessary by Rocketship administration. The use of electronic surveillance at our schools is solely for the purposes of controlling theft, ensuring the safety of Rocketship students and staff, and facilitating the identification of individuals who behave in a disruptive manner or commit a crime. Rocketship will abide by applicable laws regarding electronic recording. Electronic surveillance records are the property of Rocketship and are not considered education records subject to the Family Educational Rights and Privacy Act (FERPA) unless maintained and utilized in connection with a disciplinary proceeding (e.g., an expulsion hearing), depicting the violation of local, state, or federal law, showing a student getting injured, attacked, victimized, ill, or having a health emergency, or showing a student as the specific focus of the photo or video, otherwise containing personally identifiable information in a student's education record. Rocketship's electronic surveillance records will not be provided to parents, guardians, or any other third -parties, with the exception of law enforcement during an active emergency or critical situation, or in response to a valid subpoena or warrant.

California Two-Party Consent Requirement

In California, the consent of both parties is required before a conversation is recorded in any area where an individual would have a reasonable expectation of privacy. This legal requirement applies to all members of the Rocketship community, including students, parents, staff, and visitors. Rocketship will

abide by applicable laws regarding electronic recording and expect all community members to adhere to applicable state and federal laws regarding electronic recording and the protection of privacy.

Personal Recording and Monitoring Devices

Any device with remote audio monitoring, “listen-in” capabilities, or unauthorized recording features (e.g. AngelSense, specialized smart devices like watches, or AI-enabled note-taking tools) pose significant privacy risks to students, staff, and other members of the school community.

The use of any recording device or live-streaming audio or video is strictly prohibited on campus, except where explicitly authorized by Rocketship. Permission for a student to wear or use such a device must be formally reviewed and approved by the student’s IEP or 504 team to determine its necessity as a required accommodation, and/or approved in writing by the Regional Executive Director.

Any approved use of such devices will be subject to strict protocols to ensure the privacy of other students, staff, and members of the school community.

General Visitor and Campus Recording

Rocketship requests that other than during designated school events (such as school plays, graduation, and other events open to the Rocketship community) parents and other visitors to campus refrain from taking photographs and or making audio/video recording of students and staff without first obtaining written consent from the parent of the student. In the event that a parent or campus visitor does capture an image of a student, Rocketship requests that the individual refrain from posting any such image to a personal social media account. Recording (i.e., video, audio, AI-enabled notetaking of any sort, ect) or photographing students, staff and school community members without their prior knowledge or consent is intrusive, violates the Rocketship Campus Access and Visitors Policy and may violate state or federal privacy laws.

FAMILY CUSTODY

Rocketship will make best efforts to ensure compliance with legal custody arrangements.

For the purposes of this policy, Rocketship will adhere to the following definitions:

Court Order. An order issued by a court establishing the custody rights of the parties.

Joint physical custody. Means that each parent/guardian shall have significant periods of physical custody. Joint physical custody shall be shared by the parents in such a way so as to ensure a child of frequent and continuing contact with both parents/guardians.

Sole physical custody. Means that a child shall reside with and be under the supervision of one parent/guardian, subject to the power of the court to order visitation.

Joint legal custody. Means that both parents/guardians shall share the right and the responsibility to make decisions relating to the health, education, and welfare of a child.

Sole legal custody. Means that one parent/guardian shall have the right and the responsibility to make decisions relating to the health, education, and welfare of a child.

Noncustodial parent. Is a parent who does not have physical custody (joint nor sole) of the child, pursuant to a court order.

Educational rights holder. Means any one of the following:

- Natural (i.e., biological) Parent
- Legal Guardian
- Foster Parent
- Other court-appointed adult
- Any adult to whom educational rights are assigned via a signed, dated, and notarized assignment by an educational rights-holder (not court-appointed)

Custody Records

Rocketship seeks to maintain accurate and updated custody records for all students. ***It is the responsibility of the parent/guardian of a student to provide the Rocketship Office Manager with accurate and current court order and/or legally binding agreements involving the custody rights of their children.*** Updated court orders must be provided to the Office Manager as soon as possible. All documentation provided to the school will be kept confidential and will only be accessed by members of the staff when necessary.

In the absence of a valid, signed, and dated court order indicating otherwise, Rocketship will assume that separated or divorced natural (i.e., biological) parents of a child have joint legal and physical custody of their child.

Step-parents, foster parents, guardians, court-appointed caregivers, and non-court-appointed advocates or caregivers who are not natural parents must provide proof of legal guardianship, court order, or legally enforceable evidence of their rights before they can be permitted to make educational decisions for a student.

Student Release

Any parent or guardian who has physical custody of a child or retains specific custody rights granted via a court order that extend to after-school hours may pick the student up from school as well as authorize

Rocketship to release the student to any other person; provided that such arrangements are consistent with the terms of Rocketship policy and the court order.

Should the terms of a court order change during the school year, it is the responsibility of the parents/guardians to provide the Office Manager with a copy of the most recent court order as soon as possible.

At any time, either parent/guardian that has physical custody may add individuals to the Authorization to Pick Up section of the Emergency Contact Card.

Rocketship will not deny a parent any of any of their parental rights without being provided a valid court order. If one parent does not wish to allow the other parent/guardian the right to remove the child from school or visit the child in school, Rocketship must be provided with a valid court order limiting the other parent's rights.

Rights of Non-Custodial Parents

Inspection of Records

All parents, regardless of custodial rights, have the right to inspect, though not make changes to, copies of their child's educational records, unless a court order specifically limits the parent's rights in this regard. Any inspection of records must be in accordance with FERPA and Rocketship's Student Records policies as set forth in the Notification of Rights and Assurances.

School Visitation

Parents without physical custody **may not** remove their children from class or visit them in school without the consent of the parent with the custodial rights or absent a court order. Rocketship does not facilitate court ordered visitation at school.

Rocketship's Neutrality in Custody Disputes

It is the policy of Rocketship schools to remain impartial during custody disputes between family members of a Rocketship student. For this reason, Rocketship teachers, administrators, and school staff should refrain from taking any action that may be considered adverse to one parent or family member. These actions include, but are not limited to, writing letters of support for any adversarial proceeding, testifying in a custodial proceeding and serving any person with court documents.

Furthermore, Rocketship shall take steps to abide by court orders and/or legally binding agreements that are presented by parents/guardians. Rocketship shall not be responsible for, or participate in, the monitoring or enforcement of any parental obligations or duties under a court order (i.e., sending a message to remind a parent of their designated pick-up days).

STUDENT RECORDS

Viewing Student Records

To view student records, parents/guardians must submit a written request to the school Principal/designee. The school will then schedule an appointment to provide the parent/guardian access to the records. Copies may be provided upon request. Upon request, a student's behavioral records must be shown to the student's parent/guardian in the presence of a person qualified to explain and interpret the records.

Releasing Student Records to Third-Parties

Third parties are prohibited from accessing confidential student records absent current written consent from the student's parent/guardian, an applicable FERPA exception, or a valid court order. Signed consent from the student's parent/guardian must be dated within one year of the request to release student records.

For more information about federal and state laws regarding student privacy please see the Notification of Rights under FERPA (Access to Student Records) and the Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA) which are included in the Policies, Notifications of Rights, and Assurances section of this handbook.

VOLUNTEERS AND CHAPERONES

Rocketship welcomes family and community partners in our schools. We are always grateful for volunteers and chaperones who can spend time assisting and chaperoning school-sponsored activities. In order to maintain a safe environment for all students, staff, and community members and comply with local laws, Rocketship conducts background checks on volunteers and chaperones as described below.

Volunteers and/or chaperones are expected to follow the directions of Rocketship staff while volunteering. Volunteers and chaperones are expected to follow all Rocketship policies and to conduct themselves as role models for our Rocketeers (including, but not limited to by using appropriate language, dressing appropriately for a student audience, respecting student privacy rights, etc.). Volunteers and/or chaperones who are either disruptive or violate Rocketship policies and expectations will be excluded from volunteering or chaperoning in the future.

Volunteers and chaperones must also sign the Volunteer Code of Conduct.

Mandatory Criminal Background Checks

All prospective volunteers and/or chaperones who may interact with students in an unsupervised capacity and/or who will serve on a regular and ongoing basis for more than ten (10) hours per week must undergo a criminal background check. This includes individuals who plan to volunteer in classrooms on a regular basis and individuals who wish to chaperone field trips. All prospective volunteers and/or chaperones who may interact with students in an unsupervised capacity and/or who will serve on a regular and ongoing basis for more than five (5) hours per week must undergo a criminal background check. Any volunteer and/or chaperone that must undergo a criminal background check must do so through the Wisconsin Department of Justice. The background check will include fingerprinting and a national criminal record check. Prospective volunteers who will have direct contact with children will not be allowed to begin volunteering in an unsupervised setting until the results of the criminal background check have been received by Rocketship and deemed satisfactory in accordance with this policy.

Individuals who will have only supervised contact with students are not required to undergo a full background check. For the purposes of this policy, "supervised" means under the continuous direct supervision of a Rocketship staff member.

Meghan's Law Clearance

In California, pursuant to EC § 35021, individuals who have been required to register as a sex offender are prohibited from serving as a school volunteer. Thus, Rocketship will run the names of all prospective volunteers and chaperones through a database for information about any past sex offenses. If the search returns no objectionable information, the volunteer or chaperone will be considered to have received Meghan's Law clearance.

Disqualification of Prospective and Current Volunteers and/or Chaperones

Rocketship will review the results of completed background checks and decide whether to qualify an individual to serve as a volunteer or chaperone.

Among other reasons, individuals will be disqualified from volunteering or chaperoning if they have been convicted of a violent or serious felony as defined in state or federal law or have been required to register as a sex offender under state or federal law. Rocketship reserves the right to disqualify current and/or prospective volunteers and/or chaperones in its reasonable discretion.

If a volunteer or chaperone is convicted of a disqualifying offense after the criminal history record check is conducted, the individual must notify Rocketship within seven (7) days of the conviction.

Minor Volunteer Requirements

Minor Volunteers may ONLY serve in supervised roles that do not allow them to be alone with or supervise Rocketship students. Minor Volunteers cannot chaperone or attend field trips. The Principal at

the school where the Minor Volunteer wishes to volunteer has discretion to accept or reject a prospective Minor Volunteer. Those wishing to become Minor Volunteers must complete the following requirements:

- A Volunteer Application signed by the Minor Volunteer and the Minor Volunteer's parent/guardian.
- A behavior contract (available from the Office Manager) signed by the Minor Volunteer, the Minor Volunteer's parent/guardian, and the school leader at the school where the Minor Volunteer will be volunteering.

Tuberculosis Testing

All Volunteers who volunteer in a Rocketship classroom for at least 10 hours each month will be required to complete a Tuberculosis Symptom Screening Questionnaire. The results of the questionnaire will be examined by a healthcare professional and individuals with a positive symptom screen will be referred for further evaluation prior to returning to volunteer in such a role. Only volunteers with a negative symptom screen will be cleared to continue to volunteer in a Rocketship classroom for over ten hours a month. Volunteers who are not required to complete the Symptom Screening Questionnaire or who fail to complete the Symptom Screening Questionnaire are restricted to 9 or fewer classroom hours per month or an unlimited number of hours outside the classroom. All Rocketship procedures will comply with the Tuberculosis Testing requirements promulgated by the local Public Health Department.

FIELD TRIPS

Field trips are off-campus excursions designed by Rocketship staff to supplement the curriculum and to provide enrichment experiences for students. We value these enrichment opportunities and strive to ensure that these experiences are safe, organized, and efficient from beginning to end.

Permission Slips

A student must submit a field trip permission slip signed by their parent or guardian to participate in a field trip.

The Principal, Assistant Principal, or designee overseeing the field trip will review field trip permission slips in advance to confirm that they follow the appropriate official template and are signed by the child's parent/guardian. Verbal permission for field trip participation is not permitted.

Only Rocketship students who have submitted a valid field trip permission slip will be allowed to attend the field trip. Teachers must bring along all permission slips during the trip and keep the permission slips on file after the conclusion of the field trip.

Rocketship will provide alternative educational activities to those students who choose not to attend a

specific field trip or excursion. Parents/guardians will have advance notice of any upcoming field trip or excursion and retain the option to withdraw their permission for their child to attend that field trip or excursion.

Chaperones

Chaperones must be approved in advance per the Rocketship's Volunteer and Chaperone Policy. Chaperones may not bring along other children (e.g., siblings of students attending the field trip) without advance permission from the Principal. Chaperones may not bring other family members, friends, or pets on field trips.

Transportation

All Rocketship staff members (including teachers and/or School Leaders) and parent chaperones are expected to be present with students on all transportation provided for a field trip unless they receive prior written approval from the school Principal to make an alternative transportation arrangement. If transportation is required for a field trip, Rocketship will provide this transportation. Should staff members and/or parents drive a vehicle in conjunction with a field trip, they will do so in accordance with Rocketship's Staff and Parent Driver Policy.

Dismissal from Field Trips

After a field trip, students will be returned to the school site and will be dismissed according to regular dismissal procedures. All chaperones and students are expected to return to school and participate in dismissal. In exceptional cases, students may be dismissed from a field trip location with a parent/guardian chaperone, but this is subject to the discretion of the Principal or Assistant Principal supervising the field trip. If a student needs to be picked up early from a field trip due to illness or another exceptional circumstance, they may be dismissed from the field trip site, provided that the staff supervisors contact the student's parent/guardian and the parent/guardian picks the student up or designates an authorized individual over the age of 18 to do so. Any authorized individual must provide proper identification prior to leaving with the student. The staff members supervising the field trip should contact the school's Office Manager to ensure that the child is appropriately signed out for the day.

Student Behavior

Students are under the jurisdiction of Rocketship at all times during the field trip or excursion, and all Rocketship expectations and policies continue to be enforced during field trips and excursions.

Students may be excluded from a field trip as a disciplinary measure in accordance with Rocketship's Student Discipline Policy.

Medication on Field Trips

The Principal, Assistant Principal, or designee will review the roster for the field trip with appropriate school personnel to identify any students attending the trip who regularly take medication or require

access to medication while on the field trip. The Principal, Assistant Principal, or designee will ensure that a staff member attending the field trip brings the student medication, is properly trained on how to assist in administering the medication, and records the administration of that medication in accordance with Rocketship's Medication Administration policy.

Expenses of Field Trips and Excursions

Rocketship may charge a fee for field trips and excursions pursuant Education Code section 35330. However, Rocketship will endeavor to keep the costs of any field trips affordable for all students' families. In no event will a student be prevented from participating in the field trip or excursion due to lack of sufficient funds. In accordance with Education Code section 35330(b), Rocketship will coordinate the efforts of community service groups to supply funds for students in need.

Field Trip Eligibility

Students must meet school eligibility criteria to attend a school field trip. Students who are chronically truant, as defined by the Rocketship Attendance and Truancy policy, may not be eligible to attend field trips or field days. In appropriate circumstances, criteria will be modified to accommodate student disability or known family need.

SCHOOL MEALS

California has implemented Universal Meals which **allows all our students to eat free breakfast and lunch daily**. Additionally, Rocketship participates in Provision 2 which also allows all our students to eat free breakfast and lunch daily.

Breakfast

Our school participates in universal breakfast, meaning that every student present at school will receive a meal. Studies have shown that students who eat breakfast have more energy, do better in school, and eat healthier throughout the day. Students are *not* required to eat the breakfast provided by the school.

Food Allergies and Dietary Restrictions

If a child has a known food allergy or dietary restriction, parents/guardians should let school staff know. In some cases, it may be possible to accommodate a child's dietary needs in Rocketship lunch orders, but a doctor's note will be required. Parents/guardians should work with the school's Business Operations Manager to make arrangements in these circumstances.

Under California law, schools are required to stock emergency epinephrine to be used by trained personnel on anyone suffering or reasonably believed to be suffering from an anaphylactic reaction. For more information, please see the Rocketship Medication Administration Policy.

If your child has a religious or family household dietary restriction such as veganism or vegetarianism, please notify the school's Business Operations Manager. In some cases, it may be possible to accommodate a child's dietary restriction in Rocketship lunch orders.

Rocketship is committed to ensuring the safety of all of our students, staff, and families. Parents are encouraged to remind their students not to share food with others to prevent potential allergic reactions or dietary conflicts.

Food Brought From Home and Outside Food

Rocketship partners with our local food vendor to provide our Rocketeers with healthy meals every day. Students are allowed to bring their own food from home for lunch or snack, but junk food is not allowed on campus. Rocketship does not have facilities to heat or cool food brought from home, so please plan accordingly. Additionally, Rocketship cannot receive and disseminate food delivered to students on campus by third-party delivery services.

In an effort to keep our facilities in top condition, chewing gum is not allowed on campus. We ask that students keep all gum products stored inside their backpacks while at school.

Foods that are encouraged:

- Salads
- Carrots and celery sticks
- Apple slices
- Fresh fruits and vegetables
- Whole Grains
- Healthy snack packs

Please refer to your school's addendum for additional information about your school's specific food policies, including prohibited items and celebration guidelines.

Water

Rocketship allows students, teachers, and staff to bring and carry water bottles at school. Water bottles may be excluded from libraries, computer labs, science labs, and other places where it is deemed dangerous to have drinking water. Rocketship reserves the right to restrict certain types of water bottles that may be brought to school.

Rocketship will encourage water consumption through promotional and educational activities and signage that focus on the benefits of drinking water and highlight any water bottle filling stations that are located on campus.

ACADEMICS

CURRICULUM

Students will receive a well-rounded educational curriculum that includes reading, writing, English language development, mathematics, science and technology, and social studies. Students will also take physical education and enrichment courses in areas such as art, music, theater, or gardening.

The Rocketship curriculum follows all required state performance standards for what students should know and be able to do at each grade level. This includes the Common Core State Standards for English/Language Arts, English Language Development, and Mathematics.

Teachers will use regular assessments to measure how well students are progressing toward mastery of the curriculum. Rocketship will administer required state testing to the applicable grades.

We use knowledge about student skills to shape whole class instruction, small group work, and small group tutoring. Using individual student data, instruction can be targeted to better meet individual student needs.

Teachers will give students and parents ongoing feedback about student performance. Teachers will often send work home for parents/guardians to sign, and teachers will contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home. Parents/guardians will also regularly receive progress reports and report cards. You should feel free to contact any of your child's teachers regarding their progress at any time.

HOMEWORK

Parents and students may expect homework most weekday evenings. Homework is an important way for students to practice skills that are part of the curriculum, and it also builds the habit of responsibility. Research has shown that students who consistently do their homework are more likely to be successful when they go to college. In order to set our students up for success, homework will be checked for completion when assigned.

If homework is found incomplete (this includes a missing part of a question, section, and/or parent signature), and does not have prior excusal, the student may be assigned tutoring and/ or homework help during morning arrival.

ACADEMIC INTERGRITY

Responsibility is a Rocketship core value. We believe that taking ownership of one's own learning is fundamental to a student's success and character development. To support this, Rocketship is committed to accurately assessing student learning to provide the most effective individualized instruction. To maintain this standard, we expect all student work, including homework, projects, and assessments, to be the student's own original work.

We ask parents and guardians to support their child's academic growth by ensuring that the assistance provided at home does not supersede the student's own effort. While collaboration is encouraged when directed by a teacher, the use of unauthorized outside resources, external assistance, or AI-enabled tools to complete assignments is not permitted.

In the event that a student submits work that is not their own, the school will generally treat the incident as a learning opportunity. Teachers will partner with the family to review the assignment and provide a "do-over" opportunity so the student can demonstrate their actual knowledge. Instances of repeated academic dishonesty will be addressed consistent with the Rocketship Behavioral Expectations and Discipline Policy.

RETENTION, PROMOTION, AND ACCELERATION

Rocketship's instructional model is designed to individualize each student's learning plan, recognizing individual differences and supporting both academic and social growth. Upon enrollment, students are typically placed in the next consecutive grade level. Rocketship schools generally do not make immediate decisions to have new students repeat or skip a grade. Instead, students are assessed objectively after enrollment to determine any specific needs. Grade retention is considered only in rare and exceptional circumstances or when required by state or local law.

For a detailed breakdown of the criteria, timelines, and procedures regarding promotion and grade placement, please refer to the full Rocketship Education California Retention and Acceleration Policy.

STATE TESTING

Rocketship shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress ["CAASPP"].) Notwithstanding any other provision of

law, a parent's or guardian's written request to Charter School officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every State academic assessment administered to the student.

CALIFORNIA HEALTHY KIDS SURVEY

Rocketship will administer the California Healthy Kids Survey ("CHKS") to students at grades five whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables Rocketship to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

STUDENT SUPPORT AND SPECIAL EDUCATION

SPECIAL EDUCATION AND CHILD FIND ACTIVITIES

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. Rocketship provides a free, appropriate public education to students with disabilities according to state and federal mandates. Rocketship provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (IDEA), Education Code requirements, and applicable policies and procedures. Services are available for special education students enrolled at Rocketship. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. Rocketship collaborates with the student, parents/guardians, teachers, and other agencies in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, Rocketship is responsible for identifying, locating, and evaluating children enrolled at Rocketship with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth.

Rocketship has systems in place that assist the school in determining whether a student may have a disability. These include a specific "Child Find" form that is completed by parents upon enrollment in a Rocketship school. This also includes a Student Study Team (SST), a pre-referral process in which school teams analyze data to identify students who are struggling academically, socially, or behaviorally and develop interventions to support the student. Rocketship has additional evidence-based interventions that are made available to students who require them; these include both differentiated instruction in the classroom and supplemental interventions in the learning lab and classroom. School teams monitor the

progress of every child who receives intervention services to identify any student who is not responding to interventions. Students who don't respond adequately to pre-referral interventions are referred for a more intensive level of support, which may include a formal evaluation to determine if the student is eligible to receive special education services as a child with a disability.

Rocketship will not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact their classroom teacher, or a school leader at your school site.

STUDENT ACCOMMODATIONS AND SECTION 504

Rocketship recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise be subjected to discrimination under any program of Rocketship. Any student who has been identified as an individual with a physical or mental impairment that substantially limits a major life activity is eligible for accommodations by Rocketship. The parent/guardian of any student suspected of needing or qualifying for accommodations under Section 504 may ask the school Principal to make a referral for an evaluation.

To support the coordination of services and compliance with Section 504, Rocketship designates a knowledgeable Rocketship staff member as the Section 504 Coordinator. Please refer to your school's addendum for the designated Section 504 Coordinator.

MULTILINGUAL LEARNERS

Rocketship is committed to the success of its Multilingual Learners (MLLs), which include those students traditionally referred to as English Learners, and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. Rocketship will meet all applicable legal requirements for MLLs as they pertain to annual notification to parents, student identification, placement, program options, MLL and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. Rocketship will implement policies to ensure proper placement, evaluation, and communication regarding MLLs and the rights of students and parents.

STUDENT RECORD REQUESTS

Third parties are prohibited from accessing confidential student records absent current written consent from the student's parent/guardian, an applicable FERPA exception, or a valid court order. Signed consent

from the student's parent/guardian must be dated within one year of the request to release student records.

If an educational advocate, attorney, social worker, guardian ad litem, or observer/evaluator wishes to review and/or copy student education records, the school Principal/designee must first contact a member of Rocketship Education's legal team for guidance on whether to release educational records or other student data. For more information regarding student record requests, see the Notifications of Rights and Assurances.

OUTSIDE PROVIDERS

Rocketship is responsible for providing all Rocketship students with disabilities a free and appropriate public education (FAPE) and is committed to providing all students a FAPE based upon their individual needs. Rocketship schools provide special education and related services through the use of qualified personnel either employed or contracted by Rocketship.

At times, families may choose to access services outside of the school through a clinical model. At Rocketship we welcome collaboration with external providers in the forms of: observations, data collection, team partnership, and collaboration, such as in team meetings with internal (RSED) and external providers so that all providers can discuss student support.

Any visits to campus by an outside provider must comply with Rocketship's visitor policy and the reasonable limits established therein. Rocketship does not allow external providers to provide direct services to students on campus during the school day or at any time during before/after school hours. This ensures the safety and confidentiality of all students as well as the supervision of quality services provided in alignment with the student's operative IEP.

To request a deviation from this policy, a student's family must submit a request in writing to the Regional Executive Director. Alternatively, an IEP/504 team may recommend a deviation to the Regional Executive Director. In all cases, the Regional Executive Director's formal approval is required.

SCHOOL OBSERVATIONS

All visitors shall adhere to Rocketship Campus Access and Visitors Policy.

Parents/guardians, parent-appointed designees who have professional expertise in the area of special education being observed can conduct observations of the student's current or proposed special education program. Attorneys have no legal right to observe any class and will not be permitted to do so.

All observations must be scheduled in advance. Please make an appointment with the school Principal/designee and the ISE Team. All observers must sign the Classroom Observer Confidentiality Agreement and give it to the school Principal/designee and the ISE Team before the start of the observation.

School staff may accompany an individual during a classroom observation, at Rocketship Education's discretion. Observers shall have no direct interaction with students, including the student who is the subject of the classroom observation, and must refrain from engaging the attention of the teacher or other students. Not more than three (3) individuals shall be allowed in a classroom during the observation, and any such observation shall be two (2) hours or less. Any request for an extension beyond two (2) hours must be made in advance and granted at Rocketship Education's discretion.

BEHAVIORAL EXPECTATIONS AND DISCIPLINE

ROCKETEER CODE OF CONDUCT

Safety, order, and student discipline are fundamental to learning at Rocketship. Rocketship expects all students to behave in a way that fosters a safe and welcoming environment for other students, Rocketship staff, and community members.

The Rocketship Code of Conduct includes the following non-negotiable expectations for our Rocketeers:

- Adherence to the Rocketship Commitment to Excellence.
- Adherence to the Rocketship **Core Values**.
- Adherence to the **Rocketship Creed**.

Please refer to your school's addendum for your school's Core Values and Creed.

COMMITMENT TO NON-DISCRIMINATION AND EQUAL OPPORTUNITY

Statement of Non-Discrimination

Rocketship is committed to providing equal opportunities for all individuals in education. Harassment, intimidation, and bullying on the basis of a protected characteristic are all forms of discrimination and are disruptive behaviors that interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. Rocketship is committed to providing an educational atmosphere that is free of unlawful discrimination under Titles IV, VI, and VII of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; The Age Discrimination Act

of 1975; the IDEIA; Title II of the Americans with Disabilities Act of 1990; Section 504 of the Rehabilitation Act of 1973; the Genetic Information Nondiscrimination Act of 2008, and applicable state and local laws.

Rocketship does not discriminate on the basis of sex and prohibits any acts of sex discrimination, including sexual harassment in any education program or activity that it operates, as required by State law, Title IX (20 U.S.C. § 1681 *et seq.*), and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.

Rocketship does not discriminate against any student or employee. Rocketship does not condone or tolerate unlawful discrimination, including harassment, intimidation, or bullying, based on actual or perceived protected characteristics by any employee, independent contractor, or other person with which the Rocketship does business, or any other individual, student, or volunteer. This applies to all employees, students, volunteers, regardless of position. No student shall be denied enrollment, continued enrollment, or access to educational programming available at Rocketship on the basis of any characteristic protected under applicable state or federal law or local ordinance.

To the extent possible, Rocketship will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and it will take action to respond to such behaviors in a timely manner. Rocketship school staff who witness acts of misconduct prohibited by this policy will take immediate steps to intervene when safe to do so. Rocketship will promptly and thoroughly investigate any complaint of discrimination or harassment and take appropriate corrective action, if warranted.

Rocketship prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

This Non-Discrimination Statement can also be found on the school's website.

Prohibited Harassment and Retaliation

Harassment on the basis of a protected characteristic is a form of discrimination, and Rocketship is committed to maintaining a learning environment that is free from harassment. Rocketship prohibits harassment based on an individual's membership in a protected class by a student, teacher, administrator, faculty/staff member, or by any other person who is participating in, observing, or otherwise engaged in school activities, including sexual harassment consistent with Title IX, 20 U.S.C. § 1681 *et seq.* and state law.

Prohibited Sexual Harassment includes conduct on the basis of sex that satisfies one or more of the following:

- Quid pro quo harassment, where an employee of the school conditions the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct;
- Hostile environment harassment, which is unwelcome conduct, determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity (e.g., skipping class, dropping out of an activity, having trouble concentrating in class); or,
- "Sexual assault" as defined in 20 U.S.C. § 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. § 12291(a)(10), "domestic violence" as defined in 34 U.S.C. § 12291(a)(8), or "stalking" as defined in 34 U.S.C. § 12291(a)(30).

Examples include, but are not limited to:

- Unwelcome sexual advances of a student by another student; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication (including electronic communication) of a sexual nature (including sexual assault) that adversely affects the student in the ways set forth above.
- Abusive or coercive behavior or dating violence against one student by another student where a dating partner uses or threatens physical, emotional, economic, technological, or sexual abuse to exert power or control over a current or former dating partner.
- Sexual advances towards a student by a school employee; requests for sexual favors of a student by a school employee; sexually motivated physical, verbal, or nonverbal conduct by a school employee directed at a student; or other conduct or communication (including electronic communication) of a sexual nature directed to a student by a school employee.

Retaliation includes any adverse action taken against an individual because they reported sexual harassment, dating violence, or discrimination; provided information or witnesses; or assisted with, participated in, or refused to participate in an investigation or proceedings in relation to any of those acts. Rocketship prohibits retaliation against any individual who has made a complaint pursuant to this Policy in good faith, assisted in an investigation, or otherwise exercised rights protected by law. Rocketship also prohibits taking any adverse action against an individual based on an unsubstantiated allegation or rumor of harassment. Any student who is subject to retaliation in violation of this policy or who knows of another student who has been subject to retaliation is urged to report it as soon as possible to school staff or the Title IX Compliance and Civil Rights Officer.

Reporting Process

Reports of Discrimination or Harassment on the Basis of Sex - Title IX Violation

Complaints of sexual harassment, sexual assault, dating violence, stalking, or retaliation subject to review under Title IX should be made to the Title IX Compliance and Civil Rights Officer:

Renita Thukral
Title IX Compliance and Civil Rights Officer
2001 Gateway Place, Ste. 230E
San Jose, CA 95110
rthukral@rsed.org

The Title IX Compliance and Civil Rights Officer is the Rocketship staff member designated by Rocketship to coordinate its responsibilities under Title IX. Upon receipt of a complaint, Rocketship will provide information to the complainant about the investigation process and about their rights under Title IX and other relevant laws.

Reports of Discrimination or Harassment - All Other

Students, parents or staff should report a claim of discrimination or harassment and any allegedly discriminatory or harassing acts promptly to a teacher, counselor, or school administrator. Reports do not have to be made by the complainant. Reports can be made verbally or in writing and can be made in person, by telephone, by mail, by email, or in writing using the General Complaint Form available in every school's front office. A school employee who receives a report of discrimination that may be considered harassment, sexual harassment, dating violence, stalking, or retaliation under Title IX should promptly notify Rocketship's Title IX Compliance and Civil Rights Officer for next steps.

Confidentiality

To the greatest extent possible, Rocketship shall respect the privacy of individuals who report potential violations of this Policy, individual(s) against whom a report is filed, and witnesses. Rocketship will notify individuals/agencies of incidents of discrimination only to the extent allowed by law. Any notifications to other parties will be made only to ensure that services are provided to the complainant(s) and respondent(s) and to protect the complainant(s) from further or sustained victimization. The Title IX Compliance and Civil Rights Officer/designee conducting the investigation will be responsible for making determinations about confidentiality. Rocketship will maintain as confidential any supportive measures provided to the complainant(s) or respondent(s), to the extent that maintaining such confidentiality would not impair the ability of Rocketship to provide the supportive measures.

Process for Investigating Complaints of Discrimination and Harassment

Title IX Complaints

Complaints governed by Title IX of the Education Amendments of 1972 are reported to the Title IX Compliance and Civil Rights Officer, and an investigation of those complaints is conducted promptly and impartially pursuant to related Title IX Complaint Procedures outlined under the Notification of Rights

and Assurances section of this Handbook. The Title IX Policy and Grievance Procedures also may be found on Rocketship's website.

General Complaints

All other complaints of discrimination or harassment that do not involve allegations of Title IX violations should be made under the General Complaint Process described under the Notification of Rights and Assurances section of this Handbook.

BULLYING PREVENTION

Bullying can have a harmful social, physical, psychological, and academic impact on victims, bystanders, and bullies. Bullying at Rocketship is strictly prohibited and will not be tolerated.

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a student or group of students that may constitute sexual harassment, hate violence, or creates an intimidating and/or hostile educational environment, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing a reasonable student or students in fear of harm to that student's or those students' person or property.
- Causing a reasonable student to experience a substantially detrimental effect on their physical or mental health.
- Causing a reasonable student to experience substantial interference with their academic performance.
- Causing a reasonable student to experience a substantial interference with their ability to participate in or benefit from the services, activities, or privileges provided by Rocketship.

Electronic act means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

- A message, text, sound, video, or image.

 - Posting to or creating a burn page. A burn page means an Internet Web site created for the purpose of having one or more of the effects as listed above.
 - Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed above. Credible impersonation means to knowingly and without consent impersonate a pupil for the purpose of bullying

the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.

- Creating a false profile for the purpose of having one or more of the effects listed above. False profile means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.

Cyber sexual bullying means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described above.

Alleged incidents of bullying will be promptly investigated by designated Rocketship staff members. Rocketship's policy and procedures for addressing bullying complaints through either the Uniform Complaint Process or the Title IX Process (as appropriate) are included in the Policies, Notifications of Rights, and Assurances section of this handbook.

STUDENT DISCIPLINE - GENERAL OVERVIEW

Rocketship promotes positive behavior at school and aims to create learning environments that are more consistent, predictable, positive, and safe. We clearly define behavioral expectations and consequences, create systems for recognizing and reinforcing positive behaviors, and provide our students with social-emotional learning.

If students do not respond to our positive behavior supports or classroom management systems, Rocketship may take alternative in-school disciplinary action.

STUDENT DISCIPLINE - IN-SCHOOL DISCIPLINARY ACTIONS

Rocketship relies on proactive, preventive support to promote positive behavior at school. Rocketship has implemented a Positive Behavior Interventions and Supports (PBIS) framework in all schools. The fundamental purpose of PBIS is to create learning environments that are more consistent, predictable, positive, and safe. Key PBIS practices include clearly defined behavioral expectations and consequences, systems for recognizing and reinforcing positive behaviors, data-based decision-making, multi-tiered systems of support, and the implementation of core social-emotional learning curricula.

Rocketship classrooms also use a variety of management systems to address behavioral issues. These may include color-coded card chart systems and other tiered consequences.

In the event that Rocketship's PBIS infrastructure and classroom management systems are insufficient to prevent disciplinary infraction, or a disciplinary infraction is serious enough to warrant additional discipline immediately, Rocketship may take alternative in-school disciplinary action. These disciplinary actions depend on the circumstances of the offense and may include, but are not limited to, the following:

- Sending the student to the Principal's office.
- Temporary placement on Time Out or to another classroom.
- Calling or writing/emailing the student's parent/guardian.
- Arranging a conference with the student, parent, teacher and/or administrator.
- Implementing a temporary individualized behavior plan for the student.
- Implementing counseling sessions with a designated staff member.
- Peer mediation.
- Requiring that the student complete a reflective essay or assignment.
- Community Restoration, including requiring that the student take actions to counteract/ameliorate a problem (e.g., fixing something the student broke).
- Referring the student to a Student Support Team.
- Restricting the student's participation in after-school/extra-curricular activities or field trips.
- Holding the student for detention or additional instructional time during lunch or before/after school.
- Confiscating inappropriate items related to the disciplinary infraction.

Corporal punishment shall not be used as a disciplinary measure against any student. "Corporal punishment" includes the willful infliction of physical pain on a student. For purposes of the Policy, "corporal punishment" does not include an employee's use of force, restraint, and/or seclusion that is used only when a student's behavior poses an imminent danger of serious physical harm to themselves or others.

As described above, severe infractions that threaten the safety or health of students, staff, or others, may be cause for suspension or expulsion.

STUDENT DISCIPLINE - SUSPENSIONS, AND EXPULSIONS

Overview - Suspensions and Expulsions

We believe that our students are best served when they are present at school every day. However, we recognize that situations may occur when a student commits a behavioral offense that is so severe that the student may become subject to in-school suspension, out of school suspension, or expulsion.

A student may be disciplined for prohibited misconduct that takes place on school grounds, or at any school-sponsored activity. A student may also be disciplined for prohibited misconduct that occurs off school grounds, and outside of school hours/activities *if* in the school's sole discretion, such conduct

creates a substantial disruption to the school environment and/or interferes with another student's ability to participate in the school program and/or benefit from the school's program. This may include misconduct occurring outside of school hours such as activity on digital media, applications, online platforms, through telephone, cellular phone or text messages as well as other communication devices and methods.

In-School Suspensions

In-school suspension ("ISS") is the temporary removal of a student from one or more of their classes for a period of time. While in ISS a student remains in school, is counted present, and provides an in-school opportunity for them to complete and receive credit for class assignments. During ISS, students will complete schoolwork in a location separate from their class. ISS is not intended to be an alternative to or long-term replacement of the student's regularly scheduled class.

ISS may be used in the event that a student is engaging in prohibited conduct that is making the classroom environment physically or emotionally unsafe for other students or that severely disrupts a class or school-sponsored activity.

Only the Principal or Assistant Principal, with prior approval from their supervisor, shall assign a student to ISS. Students assigned to ISS must have written notification of the date and duration of the ISS assignment. Assignment to ISS and the scheduling of the days assigned are at the Principal's discretion.

Principals should assign a student to ISS as soon as possible after the infraction is reported.

The principal will ensure that students assigned to ISS are:

- provided a safe, positive environment with proper supervision.
- provided appropriate coursework or activities of academic value and allowed to complete that work during their assignment to ISS.
- provided any required classroom supports and services to complete the coursework during their assignment to ISS.

Additionally, classroom teachers will:

- provide classwork commensurate to the work missed for a student assigned to ISS.
- record the student as present while assigned to ISS. There will be no attendance-related penalty for assignment to ISS.
- evaluate and give credit for work that is completed while assigned to ISS.

The student's parent/guardian must be notified of a student's assignment to ISS at the time that the ISS placement is scheduled. The Principal should contact a parent/guardian by phone or in-person meeting.

If the parent/guardian cannot be reached in this manner, the Principal or their designee may make contact through email.

Out of School Suspensions and Expulsion

When disciplinary infractions occur on campus, our Principals are expected to respond in accordance with our Student Discipline Policy, which encourages positive behavioral interventions and supports and outlines available in-school disciplinary actions. The decision to pursue a suspension is, in most (but not all) circumstances, at the discretion of the school leadership team in accordance with state law and should only be considered in cases of egregious behavioral infractions. Rocketship views suspension as a last resort—as we believe that our students are best served when they are present at school every day. Recommendations for expulsion should not be pursued except in the most extreme cases, as our policy is to do whatever it takes to serve every student who enrolls in a Rocketship school.

If a situation arises where the Principal feels that the student should be suspended or recommended for expulsion, this policy applies and will guide the process.

Grounds for Suspension and Expulsion

In California, students may be suspended when it is determined the student:

- Caused, attempted to cause, or threatened to cause physical injury to another person or willfully used force of violence upon the person of another, except self-defense.
- Possessed, sold, or otherwise furnished any type of knife or other dangerous object or no reasonable use to the student unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Principal/Administrator or designee's concurrence.
- Unlawfully possessed, used, or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code §§ 11053-11058, alcoholic beverage, or intoxicant of any kind. Students who voluntarily disclose their use of a controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports shall not be suspended solely for that disclosure.
- Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code §§ 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.
- Committed or attempted to commit robbery or extortion.
- Caused or attempted to cause damage to school property or private property, which includes but is not limited to, electronic files and databases.

- Stole or attempted to steal school property or private property, which includes but is not limited to, electronic files and databases.
- Possessed or used tobacco or any products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel. This section does not prohibit the use of their own prescription products by a student. Students who voluntarily disclose their use of a controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports shall not be suspended solely for that disclosure.
- Committed an obscene act or engaged in habitual profanity or vulgarity.
- Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code § 11014.5.
- Knowingly received stolen school property or private property, which includes but is not limited to, electronic files and databases.
- Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
- Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.
- Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
- Engaged in or attempted to engage in hazing of another. For the purposes of this subdivision, "hazing" means a method of initiation or preinitiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this section, "hazing" does not include athletic events or school-sanctioned events.
- Aiding or abetting as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to suspension or expulsion.
- Made terrorist threats against school officials and/or school property, which includes but is not limited to, electronic files and databases. For purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of \$1000, with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that

person reasonably to be in sustained fear for their own safety or for their immediate family's safety, or for the protection of school property, which includes but is not limited to, electronic files and databases, or the personal property of the person threatened or their immediate family.

- Committed sexual harassment, as defined in EC § 212.5. For the purposes of this section, the conduct described in § 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section does not apply to students in grades K-3.
- Caused, attempted to cause, threatened to cause, or participated in an act of hate violence, as defined in subdivision (e) of Section 233 of the Education Code. This section does not apply to students in grades K-3.
- Intentionally harassed, threatened or intimidated school personnel or volunteers and/or a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder and invading the rights of either school personnel or volunteers and/or student(s) by creating an intimidating or hostile educational environment. This does not apply to students in grades K-3.
- Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261 of the Education Code, directed specifically toward a student or school personnel.

A student **must** be suspended and recommended for expulsion for any of the following acts when it is determined that the student:

- Possessed, sold or otherwise furnished any firearm, explosive, or other destructive device unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certified school employee, with the Principal's or designee's concurrence.
 - **Firearm** means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such a term does not include an antique firearm.
 - **Destructive device** means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.
- Brandishing a knife at another person.

- **Knife** means (A) any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing; (B) a weapon with a blade fitted primarily for stabbing; (C) a weapon with a blade longer than 3½ inches; (D) a folding knife with a blade that locks into place; or (E) a razor with an unguarded blade.
- Unlawfully selling a controlled substance listed in Health and Safety Code Section 11053, et seq.
- Committing or attempting to commit a sexual assault as defined in Penal Code Sections 261, 266c, 286, 287, 288, or 289 or former Section 288a of the Penal Code, or committed a sexual battery as defined in Penal Code Section 243.4 or committing a sexual battery as defined in Penal Code section 243.4.

If it is determined by the Academic Affairs Committee that a student has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the student shall be provided due process rights of notice and a hearing as required by this policy.

Notice to Teachers

Rocketship shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Suspension Procedures

A suspension is a temporary dismissal of a student from the regular school program and school-sponsored events for the allotted time assigned by a school administrator. Students are expected to complete all work assigned while they serve their suspension.

Only the Principal or their designee, with prior approval from the Regional Director of Schools or Regional Executive Director, and after conferencing with the student to understand their behavior, shall initiate the out of school suspension process.

Suspensions at Rocketship will adhere to the following procedures:

Conference

Unless the student's continued presence at school poses a continuing danger to the school community or an ongoing threat of disruption, suspension will be preceded by a conference conducted by the Principal or designee with the student and their parent/guardian.

The conference may be omitted if the Principal or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or

school personnel. If a student is suspended without this conference in an emergency situation, both the parent/guardian and student shall be given the opportunity to conference within two school days.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her and shall be given the opportunity to present their version and evidence in their defense.

Absent an emergency situation, the conference must occur before the student is sent home on suspension.

No penalties may be imposed on a student for failure of the student's parent/guardian to attend a conference with school officials. A student's return to school from an issued suspension will not be contingent upon a parent/guardian's ability to attend a conference or meeting with school staff.

Notice to Students and Parents/Guardians

the misconduct, has been questioned about it and allowed to give an explanation.

At the time of suspension, the Principal or designee shall make a reasonable effort to contact the student's parent/guardian by telephone or in person. The parent/guardian shall also promptly be notified in writing of the suspension, the reason for the suspension, the length of the suspension, the student's right to return to school at the end of the suspension, and the date of return following suspension. The Principal or designee shall also provide the parent/guardian with a copy of the suspension notice. A copy of this notice will also be filed in the student's cumulative folder in the school.

A student's return to school after an issued suspension will not be contingent upon a parent/guardian's ability to attend a conference or meeting with school staff.

Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. In calculating days of suspension, days served will not include days when school is not in session for students (i.e., school closure days, school holidays, spring break, and summer break).

If the student leaves school on the day that the suspension was imposed, this day will be counted as part of the suspension if the student was denied class participation prior to 12 noon of that day. The suspension shall terminate at midnight on the day listed as the last day of the suspension.

Upon a recommendation of expulsion by the Principal or Principal's designee, the student and the student's parent/guardian or representative will be invited to a second conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when the School has determined a suspension period shall be extended, such extension shall be made only after a

conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference. This determination will be made by the Principal or designee upon either of the following determinations:

1. the student's presence will be disruptive to the education process; or
2. the student poses a threat or danger to others.

Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

Students who are suspended shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension.

Access to Required School Work During Suspension

Rocketship will do the following during a student suspension:

- Upon the request of a parent, a legal guardian or other person holding the right to make education decisions for a suspended student, Rocketship will provide the homework that the student would have been assigned during their suspension.
- If a homework assignment is completed during suspension and turned in, that assignment will be included in the calculation of the student's overall grade.

Expulsion Procedures

An expulsion is the permanent dismissal of a student from the Rocketship program, subject to any rehabilitation plan as further described below. If an expulsion is approved, the parent/guardian has the responsibility to place the student in another school.

The full authority of the Rocketship governing Board of Directors ("the Board") to hear and conduct expulsions shall be granted to the Academic Affairs Committee, a committee of the Board. The Academic Affairs Committee shall consist of three board members. The Academic Affairs Committee may expel any student found to have committed an expellable offense. Instead of conducting the hearing itself, the Academic Affairs Committee may appoint an impartial administrative panel, as described below. The Academic Affairs Committee will pre-appoint a panel of at least five certified Rocketship staff members, each from different Rocketship school sites. Should any of the persons appointed to the panel work at the school in which the student is enrolled, they will recuse him/herself from the proceedings.

Notice to Students and Parents/Guardians

For expulsions, Rocketship shall provide timely written notice of the charges against the student and an explanation of the student's basic rights.

Hearing

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Principal or designee determines that the student has committed an expellable offense, unless the student/family requests, in writing, that the hearing be postponed.

In the event an administrative panel hears the case, it will, within 10 days of the hearing, make a recommendation to the Academic Affairs Committee for a final decision whether or not to expel. The hearing shall be held in closed session unless the student makes a written request for a public hearing three days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

- The date and place of the expulsion hearing;
- A statement of the specific facts, charges and offenses upon which the proposed expulsion is based, along with a summary of the evidence against the student;
- A copy of Rocketship's disciplinary rules which relate to the alleged violation;
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;
- The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- The right to inspect and obtain copies of all documents to be used at the hearing;
- The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Rocketship may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of a statement from the victim or witness, which shall be examined only by Rocketship or the hearing officer. Copies of these statements, edited to delete the name and identity of the witness, shall be made available to the student.

- The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five (5) days notice of their scheduled testimony, (b) have up to two (2) adult support persons of their choosing

present in the hearing at the time they testify, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

- Rocketship must also provide the complaining witness a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The Administrative Panel or the Academic Affairs Committee may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours they are normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the Administrative Panel or the Academic Affairs Committee from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
- If one or both of the support persons is also a witness, Rocketship must present evidence that the witness' presence is both desired by the witness and will be helpful to Rocketship. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the room during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such

a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

Rocketship will keep a full record of the hearing.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel and decision by the Board to expel must be supported by a preponderance of the evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and written declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

Expulsion Decision

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Academic Affairs Committee, which will make a final determination regarding the expulsion. The final decision by the Academic Affairs Committee shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to their educational program.

The Principal or designee shall send a copy of the written notice of the decision to expel to the chartering authority. This notice shall include the following: (a) the student's name; and (b) the specific expellable offense committed by the student.

Written Notice to Expel

The Principal or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- notice of the specific offense committed by the student and
- notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with Rocketship.
- notice of the right to appeal and the process
- information regarding rehabilitation and readmission
- information regarding alternative education.

Right to Appeal

The student/family shall have the right to appeal the decision to expel the student from Rocketship directly to the Academic Affairs Committee. If the Academic Affairs Committee made the final decision on the expulsion, the appeal shall go directly to the Executive Committee of the Board. The request to appeal must be made in writing and shall be submitted to the Academic Affairs Committee or Executive Committee within five business days of being made aware of the decision to expel the student. The appeal shall be heard by the Academic Affairs Committee or Executive Committee within 15 days of receipt of the appeal.

Post-Expulsion- Possibility for Readmission of Expelled Students

The decision to readmit a student who has been expelled from a Rocketship school shall be in the sole discretion of the Board.

Special Procedures for Suspension and Expulsion of Students with Disabilities

Services During Suspension

Students with disabilities pursuant to the Individuals with Disabilities Act (IDEA) suspended for more than ten (10) school days in a school year shall continue to receive services so as to: enable them to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and to receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

Procedural Safeguards/Manifestation Determination

Under Section 504 of the Rehabilitation Act of 1973 and the IDEA, a student's removal for more than ten (10) school days is considered a disciplinary "change of placement." Before recommending expulsion or suspending a child with an IEP from school for more than 10 days because of a violation of a code of

student conduct, a manifestation determination shall take place. Rocketship, the parent, and relevant members of the IEP Team shall review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine:

- If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the IEP Team determines that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability and shall:

- Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such child, provided that the school had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- Return the child to the placement from which the child was removed, unless the parent/guardian and the school agree to a change of placement as part of the modification of the behavioral intervention plan.

If the school, the parent/guardian, and relevant members of the IEP team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP or Section 504 Plan, then the school may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

Special Circumstances

Rocketship personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than 45 days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- carries or possesses a weapon, as defined in 18 U.S.C. §930, to or at school, on school premises, or to or at a school function;
- knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance,

- while at school, on school premises, or at a school function; or
- has inflicted serious bodily injury, as defined by 20 U.S.C. §1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP team.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated Rocketship's behavioral policies may assert the procedural safeguards granted under the administrative regulation only if Rocketship had knowledge that the student was disabled before the behavior occurred.

Rocketship shall be deemed to have knowledge that the student had a disability if one of the following conditions existed prior to the behavior at issue:

- The parent of the child expressed concern in writing to supervisory or administrative personnel of Rocketship, or a teacher of the child, that the child is in need of special education and related services;
- The parent of the child requested an evaluation of the child pursuant to 34 C.F.R. §§ 300.300 through 300.311; or
- The teacher of the child, or other Rocketship personnel, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education of the agency or to other supervisory personnel of the agency.

Rocketship shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, or has refused services, or if the student has been evaluated and determined to be ineligible. If the school had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline.

The school shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by Rocketship pending the results of the evaluation.

Disciplinary Records

Rocketship shall maintain records of all student suspensions and expulsions at Rocketship. Such records shall be made available to the chartering authority upon request.

Involuntary Removal

No student shall be involuntarily removed by a Rocketship school for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian, and shall inform the student, and the student's parent/guardian, of the basis for which the student is being involuntarily removed and the student's parent/guardian's, right to request a hearing to challenge the involuntary removal. If a student's parent/guardian requests a hearing, Rocketship shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent/guardian requests a hearing, the student shall remain enrolled and shall not be removed until Rocketship issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. Students may be involuntarily removed for reasons including, but not limited to, failure to comply with the terms of the student's independent study Master Agreement pursuant to Education Code Section 51747(c)(4).

For the purposes of this policy, the term "parent/guardian" shall include a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an American Indian/ Native Alaskan's tribal social worker and, if applicable, county social worker.

LOST OR DAMAGED SCHOOL PROPERTY

Rocketship may authorize students to use school-issued property, including but not limited to textbooks, library books, and technology devices such as computers and tablets. When accepting the use of school-issued property, parents and guardians accept responsibility for their student's possession and care of the materials and the return of school-issued property in its original, undamaged condition.

Any damage or loss to Rocketship property must be reported to the Business Operations Manager. Damages will be reviewed and may result in a meeting with a parent/guardian to review expectations.

If a student willfully damages Rocketship's property or the personal property of a Rocketship employee, or fails to return the property in its original, undamaged condition, the student's parents/guardians may be liable for all replacement costs.

After notifying the student's parent or guardian in writing of the lost or damaged school property and affording the student's family due process, the school reserves the right to implement enforcement measures available to it under the law, which may include discontinuing the student's privilege to take devices home.

STUDENT DRESS CODE

Rocketship's dress code seeks to maximize learning, minimize disruptions during the school day, and foster school/community spirit. Rocketship wants to ensure all students are prepared each day to comfortably participate in and focus on all school activities. Accordingly, students are expected to wear the Rocketship uniform to school every day.

Please refer to your school's addendum for your school's uniform colors and details.

Parents will be called if appropriate clothing is not available or if the student refuses to wear dress-code appropriate clothing.

Rocketship reserves the right to determine what constitutes a violation of this dress code policy, within the bounds of the law. Rocketship may contact the student's parent/guardian to discuss the dress code violation.

Rocketship respects and protects students' religious, ethnic, and cultural expression. Students may wear any religiously, ethnically, or culturally specific head coverings or hairstyles, including but not limited to hijabs, yarmulkes, and head/hair wraps.

PERSONAL BELONGINGS

Students are not allowed to have the following items at school:

- Gum
- Any real or imitation weapons and toy weapons
- Matches or any flammable item
- Any illegal substance
- Toys, games, cards, stuffed toys/animals, dolls, and fidget spinners (unless provided by school staff or is a formal accommodation for a student with a disability)
- Electronic devices and toys

Any other personal items that are dangerous or become a distraction to the student or the classroom can be confiscated.

Students and families are discouraged from bringing personal items to school that are not necessary for the educational day.

Lost & Found and School Liability

Rocketship maintains a designated Lost and Found area on campus for recovered items, and will make reasonable efforts to help students locate belongings lost on campus. To increase the likelihood of lost items being returned, parents and guardians are strongly encouraged to clearly label all personal property with the student's first and last name. Rocketship in no way assumes any responsibility for and will not replace any personal items brought to school that are lost, stolen or damaged school grounds.

STUDENT CELL PHONES AND PERSONAL DEVICES

Except as noted below, students may not possess a cell phone or personal wireless communication device (personal device) at any time during the full school day, including during lunch periods and transitions between classes.

Personal device are any electronic device, not owned or provided by Rocketship, including but not limited to:

- Cellular phones
- Tablet computers
- Laptop computers
- Gaming devices
- Smart watches with communications capabilities

- Headphones (wireless or wired)
- Wireless hotspots

Student may only use a personal device during the school day under the following circumstances:

- In the case of an emergency, or in response to a perceived threat of danger.
- When a Rocketship staff member grants permission to a student to possess or use a private device, subject to any reasonable limitation imposed by that teacher or administrator.
- When a licensed physician determines that the possession or use of a private device is necessary for the health of the student.
- When the possession or use of a private device is required in a student's individualized education program ("IEP").

Consistent with the Rocketship Safety Plan Policy, the school will communicate with families in cases of emergency; parents may call the front office to relay urgent information to their child.

If a student does bring a cell phone or other personal electronic device to school, they will be required to keep it turned off and, in their backpack, and out of sight during the school day. Unauthorized use will result in disciplinary procedures consistent with the Rocketship Behavior Expectation and Discipline Policy.

Students who possess a personal device shall assume sole responsibility for the maintenance and care of any such private device(s) in accordance with this Policy. Rocketship in no way assumes any responsibility for and will not replace any damaged, lost, or stolen cell phones or personal devices.

HEALTH AND SAFETY

MEDICATION ADMINISTRATION

Rocketship is committed to supporting the health of its students and meeting the needs of students with medical conditions, in compliance with state laws and regulations.

Rocketship strongly encourages families to administer temporary and/or maintenance medications outside of school hours. If this is not possible, medication can be administered at school.

Properly trained and authorized Rocketship staff will administer all medication in accordance with applicable law, the Medication Authorization Form on file, and established guidelines. Before medication can be kept or administered at Rocketship, a student's parent/guardian must complete and submit a Medication Authorization Form and other required documents requesting that medication be

administered during school hours. Parents/guardians should contact the Office Manager for a copy of the Medication Authorization Forms and for a copy of Rocketship's full Medication Administration Policy.

Medications administered at school should be limited to those required during school hours which are necessary to maintain the student's health and those needed in the event of an emergency.

The Medication Authorization Form must include:

- Written medical authorization, signed by a licensed health practitioner, that states:
 - The name of the student;
 - Emergency contact information for the student's parent/guardian;
 - Contact information for the student's licensed health practitioner;
 - The name, purpose, and prescribed dosage of the medication and route of administration;
 - The frequency with which the medication is to be administered;
 - The possible side effects of the medication as listed on the label;
 - The circumstances under which the medication may or must be administered;
 - Other medication the student may be receiving at home;
 - Special instructions or emergency procedures;
 - In the case of self-administered medication, confirmation that the student has been instructed in the proper technique for self-administration of the medication and has demonstrated the ability to self-administer the medication effectively.

- Written authorization, signed by the student's parent/guardian, that states:
 - That a properly trained and authorized employee or agent of the school may administer medication to the student in accordance with all applicable state laws and regulations; or
 - In the case of self-administration, the student may possess and self-administer the medication at Rocketship, at Rocketship-sponsored activities, and while on Rocketship-sponsored transportation; and
 - That the name of the student may be distributed to appropriate school officials, as determined by the Principal.

- Written acknowledgment that any properly trained and authorized person assisting in the self-administration of medications to students or performing health care procedures, including administration of medication, and any administrator who authorizes a properly trained person, shall not be civilly liable for any injury resulting from reasonable and prudent assistance in the self-administration of medication or reasonable performance of health care procedures, including administration of medications, if performed pursuant to this Policy.

It is the parent's or guardian's responsibility to ensure that the written request and medication are brought to the school.

Immediately following any changes regarding the health or treatment of the student, the parent/guardian must submit an amended Medication Authorization Form to Rocketship. All Medication Authorization Forms must be updated at least annually.

A student who self-administers medication while at school, at a school-sponsored activity, or while on school-sponsored transportation for a purpose other than their own treatment will be subject to disciplinary action in accordance with Rocketship's Student Discipline Policy. Such disciplinary action shall not limit or restrict the access of a student to their prescribed medication. Rocketship will promptly notify the student's parent/guardian of any disciplinary action imposed.

IMMUNIZATIONS

To promote the health and well-being of all students, and to comply with state laws and regulations, Rocketship requires all students to present proof of certain immunizations prior to beginning school at a Rocketship campus.

Rocketship adheres to all laws related to legally required immunizations for entering students pursuant to Health and Safety Code Sections 120325-120380, and Title 17, California Code of Regulations Sections 6000-6075.

Required Immunizations, Records and Reports

California law requires that an immunization record be presented to Rocketship staff before a child can be unconditionally enrolled in school. Entering students who are not exempt must provide Rocketship written verification from a doctor or immunization clinic of the following immunizations:

Immunization (TK/K-12)	Dosage
Diphtheria, Pertussis, and Tetanus (DTaP)	Five (5) doses
Polio	Four (4) doses
Measles, Mumps, and Rubella (MMR)	Two (2) doses
Hepatitis B (Hep B)	Three (3) doses

Varicella (chickenpox)	Two (2) doses
Tetanus, reduced Diphtheria, and acellular Pertussis (Tdap)	One (1) dose
Varicella	Two (2) doses

Verification of immunizations will be completed with written medical records from the child’s doctor or immunization clinic. Immunization records shall be part of the mandatory permanent pupil record and shall be kept in accordance with Rocketship’s Educational Records and Student Information Policy. Rocketship will file a written report on the immunization status of all new entrants to Rocketship with the California Department of Public Health (“CDPH”), on at least an annual basis, as required by law.

Any child leaving the United States for a short vacation to or long stay in any country considered by the Center of Disease Control and Prevention (“CDC”) to have increased risk of TB exposure MUST contact the County Tuberculosis Clinic for a TB Screening upon return.

Rocketship shall immediately admit a foster child, as defined in Education Code Section 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, even if the foster or homeless child’s immunization records are not available or are missing. However, this does not alter Rocketship’s obligation to obtain immunization records for foster and homeless students or to ensure the full immunization of foster and homeless students as required by law.

Conditional Admission

Students may be conditionally admitted in accordance with Health and Safety Code Section 120340 and Title 17, California Code of Regulations Section 6035. The Principal or designee shall notify the student’s parents/guardians of the date by which the student must complete all the remaining doses. The Principal or designee shall review the immunization record of each student admitted conditionally at least every thirty (30) days from the date of admission until that student has received all the required immunizations or submitted a valid exemption. If a student conditionally admitted fails to fulfill the conditions of admission, Rocketship will prohibit the student from further attendance until that student provides proper documentation of the student’s compliance with the immunization requirements as required by law.

Exclusion

If Rocketship discovers that an admitted student who was previously believed to be in compliance with the immunization requirements is subsequently discovered to not be in compliance with either the unconditional admission requirements or the conditional admission requirements, Rocketship will notify the student’s parent/guardian of: 1) the time period within which the doses must be received, which may

be no more than ten (10) school days after notification; and 2) that the student shall continue in attendance only if the parent/guardian provides documentation that the immunization requirements have been met within the time period designated by Rocketship. If the student does not provide documentation of having received all required immunizations within the time period designated by Rocketship, per State law, Rocketship shall exclude this student from attendance. The student shall remain excluded from Rocketship until the student provides proper documentation of the student's compliance with the immunization requirements as required by law. Information regarding the student's exclusion shall also be reported to Student Information Services.

Documentary Proof

The Principal shall maintain the student's immunization information in the student's mandatory permanent record and shall file annual immunization status reports as required by the CDPH.

Exemptions from Immunization Requirements

All students must be fully immunized in accordance with the California Health and Safety Code, the California Code of Regulations, and this Policy with the following exceptions:

1. Students who show proof of a medical exemption by a physician licensed to practice medicine in California pursuant to Health and Safety Code Sections 120370-120372.
 - Commencing January 1, 2021, the CDPH standardized medical exemption form shall be the only documentation of a medical exemption that Rocketship shall accept.
 - On and after July 1, 2021, Rocketship shall not unconditionally admit or readmit, or admit or advance any student to 7th grade, unless the student has been fully immunized or files a CDPH standardized medical exemption form as required by law.
 - Medical exemptions remain valid until the earliest of:
 - the child's enrollment in the next grade span, as defined below;
 - the expiration date specified in a temporary medical exemption, which shall not exceed one year; or
 - revocation of the exemption pursuant to Health and Safety Code Section 120372.

2. Students who are enrolled in a home-based private school or independent study program and do not receive any classroom-based instruction.
 - A student who has not received all of the required immunizations will not be eligible to attend classes at a Rocketship campus unless the student is otherwise exempt under #1 or #3.

3. Students who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and

who provides said letter or affidavit to the Rocketship, shall be allowed to enroll at Rocketship without being fully immunized until the student enrolls in the next grade span, as defined below, pursuant to Health and Safety Code Section 120335(g).

“Grade span” means each of the following:

1. Birth to Preschool.
2. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
3. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in Health and Safety Code Section 120335(b) and the child’s documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from Rocketship until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

This Policy does not prohibit a student who qualifies for an individualized education program (“IEP”), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the student’s IEP.

HEALTH EXAMINATIONS AND SCREENINGS

Physical Examinations and Right to Refuse

A parent/guardian having control or charge of any child enrolled in Rocketship may file annually with the Executive Director a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

Oral Health Assessment

Students enrolled in transitional kindergarten or kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school are required to present proof of having received an oral health assessment completed by a dental professional that was performed within 12 months before the student’s initial enrollment in a public school. Please contact the main office if you have questions about this requirement.

DIABETES

The California Department of Education (CDE) has developed informational materials for parents, guardians, and families to educate them about type 1 diabetes. Copy of that information sheet and other informative information regarding type 1 diabetes is available at the CDE's website:

<https://www.cde.ca.gov/ls/he/hn/type1diabetes.asp>

The information included within this handbook serves as provision to parents/guardians of a student newly enrolling and as the annual notice for enrolled students.

HEAD LICE

If a student is suspected of having head lice (i.e., constant itching or tickling feeling in the hair), the school nurse or other trained school employee may examine the hair of the suspected student for lice or nits (lice eggs). In certain circumstances, the employee may also examine other members of that student's household who are students at the school.

If a student is positive for live head lice, the student is to be sent home at the end of the school day with information to the parents regarding treatment and control measures. Students with head lice do not need to be sent home early; they can go home at the end of the day, be treated, and return to class after appropriate treatment has begun. Any absences related to head lice will be documented and counted as an excused absence in accordance with Rocketship's Attendance and Truancy Policy.

Exposure Notice

If there are two (2) or more students affected in any class, Rocketship will send home an exposure notice with information about head lice to all parents/guardians in that class. Rocketship will maintain the privacy of students identified as having head lice and excluded from attendance.

Absences and Returning To School

Rocketship will provide parents/guardians of affected students with instructions on how to conduct post-treatment examinations on their children. Parents/guardians may send their child back to school when they believe that the child's hair is no longer infested with head lice.

The school nurse or other trained staff members may reexamine the student's hair upon return. If the student shows no trace of live head lice, the student may return to school.

Any absences related to head lice will be documented and counted as an excused absence in accordance with Rocketship's Attendance and Truancy Policy. Parents should not withhold the child from school for

any days longer than necessary; typically, no more than three (3) days. Any absences longer than three (3) days may require a doctor's note.

If the family is unable to obtain a doctor's note, the family should arrange to have a meeting with the school to discuss the length of absence. The school has the discretion to excuse additional days if school staff determine this is necessary.

SAFETY PLANS

Safety is our first priority. To make sure our staff and students know what to do in case of an emergency, we follow a rigorous calendar of staff training, safety team meetings, campus walkthroughs, and safety drills. Every school is equipped with a detailed Health and Safety Plan that contains our emergency response plans, including plans for earthquakes, fire, severe weather, and lockdowns.

Please refer to your school's addendum for your school's detailed evacuation locations and directions.

Emergencies

In order for us to keep our campus safe during an emergency, we need our families to understand the following:

- In the event of an emergency, we will share information with families via our automated calling system. Please make sure your updated contact information is in our system.
- If there is an incident on or near our campus, please stay at home and wait for instructions from our school leaders. We need the public to stay away while we secure our campus and account for all students. When it is safe to come to the school, you will be contacted.
- After an emergency incident, we may need to change the way we dismiss students. You may be asked to present a photo ID in addition to your child's PikMyKid Card. Please wait for instructions from school leaders before coming to campus.

WEAPONS AND FIREARMS

Local law specifically prohibits the knowing possession or carrying of a firearm within 1,000 feet of the campus.

Rocketship prohibits any weapons, imitation firearms or dangerous objects of any kind in school buildings, on school grounds or buses, or at off campus school-related or school sponsored activities, with the exception of weapons and/or firearms in the possession and/or control of law enforcement officers and security officers, and as otherwise specified under state law.

Notice of Safe Storage of Firearms- Required California State Notice

The purpose of this notice is to inform and to remind parents and legal guardians of all students at Rocketship of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.
 - The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.
- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

DRUGS, ALCOHOL, AND TOBACCO

Rocketship is committed to maintaining campuses free of alcohol, tobacco, nicotine, and drugs. No one may smoke on campus and/or bring alcohol, drugs, or related paraphernalia of any kind to our school.

If a student is suspected of being under the influence of drugs or alcohol, the school will immediately contact their parent/guardian and, when appropriate, seek medical attention. If a student is found in possession of drugs, alcohol, tobacco, or related paraphernalia, they may be subject to discipline and possible suspension or expulsion under Rocketship's discipline policies.

Dangers of Synthetic Drugs- Required California State Notice

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids ("synthetic marijuana," "Spice," "K2"), methamphetamines, bath salts, and fentanyl.

The California Department of Public Health ("CDPH") has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent. Social media platforms may be used as a way to market and sell synthetic drugs, such as fentanyl.

Additional information regarding fentanyl from the CDPH's Substance and Addiction Prevention Branch can be found here: <https://www.cdph.ca.gov/Programs/CCDPHP/sapb/Pages/Fentanyl.aspx>

CAMPUS SEARCHES AND SEIZURES

To protect the safety of all students, staff and the community members, Rocketship reserves the right to search a student's person, personal property, and school property assigned to the student when there is reasonable suspicion that the student violated a Rocketship policy and/or state or federal law. "Reasonable suspicion" means that a school official has specific, articulable facts indicating that a search will reveal evidence of a policy violation or illegal activity. All searches shall be authorized and conducted by a member of the school leadership team in the presence of an adult witness.

Student desks, cubbies and lockers, are school property and remain at all times under the control of the school. These areas may be inspected by school officials at any time, with or without prior notice, and may not be used to store unauthorized, illegal, or contraband materials. Routine inspections of school property are not considered personal searches and do not require individualized reasonable suspicion.

When a search of a student's person or personal belongings is conducted based on reasonable suspicion, the school official authorizing the search shall document the search in writing, including the basis for the reasonable suspicion, the scope of the search, the individuals present, and any items found or seized. The school shall make reasonable efforts to notify the student's parent or guardian of any such search within a reasonable time.

Rocketship school leaders may confiscate a student's mobile phone, smartphone, or personal electronic device when its use or possession violates school policy, disrupts the educational environment, or when there is reasonable suspicion that the device contains evidence of a policy violation or illegal activity. Confiscated devices will be stored securely and returned to the student or the student's parent or guardian in accordance with school procedures.

If at any point during a search school officials develop reason to believe that criminal activity may be involved, the school shall contact law enforcement. School officials shall not conduct searches at the direction of or on behalf of law enforcement without the involvement of law enforcement personnel and appropriate legal process. Students retain their legal rights during any interaction with law enforcement on campus.

To ensure the safety of the school community, when there is reasonable suspicion, an individual is in violation of Rocketship's Campus Access and Visitors Policy and/or local or federal laws, Rocketship retains the right to require a property search as a condition to enter campus.

INTERNET SAFETY AND ACCEPTABLE USE

Rocketship uses advanced education technology to support personalized instruction for all students and facilitate comprehensive data analysis. Rocketship adheres to the federal requirements and guidelines set forth in the Children’s Internet Protection Act (CIPA) (47 U.S.C. § 254(h)).

Visit <http://www.ifea.net/cipa.html> to view CIPA in its entirety.

Educational Purpose

Rocketship’s Internet system is limited to educational purposes. Acceptable activities include classroom activities and high-quality research. Rocketship computers are not to be used for entertainment purposes unless specifically authorized by a staff member in accordance with this policy.

Technology Protection Measures

To the extent practicable, Rocketship will use technology protection measures to block or filter Internet access or access via other forms of electronic communications to inappropriate information. Specifically, as required by CIPA, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors. The selected technological filter will be

designed to prevent a user from sending, receiving, viewing, or downloading materials that are harmful to minors.

Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

Inappropriate Network Usage

In accordance with CIPA, the following uses of Rocketship Internet system are considered unacceptable:

- Unauthorized access, including “hacking.” This includes logging in through another person’s account and accessing another person’s files; making deliberate attempts to disrupt the computer system; destroying data by spreading computer viruses; and downloading software without the explicit consent of a staff member. Rocketship students shall immediately notify a teacher if they have identified a possible security problem.

This includes posting a student’s personal contact information (i.e., name, email address, home address, telephone number, school address) through email or through websites that solicit personal information, social networking websites, and Internet chat rooms.

- Inappropriate online behavior. This includes using obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language while online; engaging in personal attacks or cyberbullying, including prejudicial or discriminatory attacks; and knowingly or recklessly posting false or defamatory information about a person or organization on any websites.
- Plagiarism.
- Accessing inappropriate material. This includes material that is designated for adults only or is profane or obscene (i.e., pornography), or harmful to minors, material that advocates illegal or dangerous acts, or material that advocates violence or discrimination.

Supervising and Monitoring

It shall be the responsibility of all members of the Rocketship Schools team to educate, supervise, and monitor appropriate usage of the access to the Internet, including electronic mail by and within the Charter School. Procedures for disabling or otherwise modifying any technology protection measures shall be the responsibility of Rocketship’s Executive Director or their designated representatives.

Staff shall monitor students while they are using Rocketship computers, laptops, or tablets to access the internet or online services on a Rocketship campus and may have teacher aides, student aides, and volunteers assist in this monitoring. Parents/guardians are required to supervise and monitor their child’s

use of Rocketship equipment, including but not limited to their child's access to the internet and any online services through such equipment at any times during which Charter School equipment is being used by their child outside school facilities or school hours to ensure compliance with this policy. Parents/Guardians are encouraged to discuss internet safety with their children.

Training

Rocketship will provide age-appropriate training for students and staff who use Rocketship computers and networks. The training provided will be designed to promote Rocketship's commitment to:

- The standards and acceptable use of Internet services as set forth in this policy.
- Student safety with regard to the Internet, ensuring appropriate behavior while online, on social networking Web sites, and in chat rooms; and cyberbullying awareness and response.
- Appropriate communication between staff and students via the internet, social media, and text messages or phone calls.
- Compliance with the E-Rate requirements of the Children's Internet Protection Act ("CIPA").

Disciplinary Action

Students should expect only limited privacy in the contents of their personal files or records of web research activities. Record maintenance and network monitoring may lead to the discovery that a student has violated this policy and/or the law. If there is reasonable suspicion of violation of law or school policy, Rocketship will conduct a search of the student's files and/or internet activities. A student's parent/guardian may request to see the content of a student's files or emails.

Student use of the school's computers, networks, and Internet services is a privilege, not a right. Compliance with the school policies and rules concerning computer use is mandatory. Students who are found to have violated this policy or any relevant laws will be disciplined in accordance with Rocketship's Discipline Policy.

Rocketship will cooperate fully with local or federal officials in any investigation related to any illegal activities conducted on the school computers or through the school internet network.

Copyright Law

Copyright law protects the ownership of a person's creative works. In an educational setting, students and staff are permitted to use others' works under the Fair Use Clause, if they meet the restrictions and cite the work.

Liability

Rocketship Public Schools is not responsible for any financial obligations arising through the unauthorized use of its computers and/or internet system. A student's parent/guardian can be held financially responsible for any harm to Rocketship's Internet system arising from a student's intentional misuse.

CHILD ABUSE AND NEGLECT

All school personnel are mandated reporters of suspected abuse and/or neglect. Mandated reporters are required to report when they know or suspect that a student has been or is in danger of being subjected to any of the following: mental injury; physical abuse; physical assault; neglect; sexual abuse; sexual exploitation; sexual assault; exposure to illegal drug-related activity, including ingestion of an illegal drug due to parent/guardian neglect; or exposure to domestic violence in the student's home. Additionally, mandated reporters must make a report when they suspect or know that a student has been injured by a bullet, knife, or other sharp object.

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who fails to report suspected incidents of child abuse or neglect is subject to punishment under state law. Reporters are not required to discuss their suspicions with families prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition prior to making a report. Consistent with state law, the identity of Mandated Reporters cannot be disclosed to the family or anyone else not directly involved in the investigation of the case. Mandated reporters will not be held liable for a report and later determined to be unfounded, provided the report was made in "good faith."

School personnel will only cooperate with or respond to investigations of suspected child abuse or neglect when expressly required by law. When such participation requires complete confidentiality, the School will strictly adhere to those legal mandates and will only disclose information to the extent permissible.

- We will hold high expectations for all students.
- We will work hard to help your child feel successful and increase their sense of self-worth.
- We will provide your child with the academic base and moral compass they need to be successful through college and the rest of their lives.
- We will provide support to you and your child as you determine the best educational path upon graduating from Rocketship.

PARENTS'/GUARDIANS' COMMITMENT TO EXCELLENCE

Parents'/Guardians' Commitment- We fully commit to Rocketship in the following ways:

- We will always help our child in the best way we know how, and we will do whatever it takes for him/her to learn and prepare for college and life by supporting him/her and encouraging him/her to adhere to his/her “commitment to excellence.”
- We will make sure our child arrives at school on time every school day.
- We will make arrangements so our child can remain at school until the end of the school day each day and be picked up when school ends.
- We will follow all arrival and dismissal regulations and parking and busing procedures.
- We will make sure our child follows the Rocketship dress code.
- We will ensure that our child is reading or being read to every night.
- We will check our child’s homework every night, sign his/her agenda, and we will carefully read and sign (if requested) all the papers our school sends home to us.
- We will meet regularly with teachers to discuss our child’s progress and support their work to help our child excel.
- We will participate in as many school activities including parent/family meetings, exhibition nights, community meetings, open house nights, conferences, etc. as reasonably possible.
- We will strive to contribute as many partnership hours to the school community as reasonably possible.
- We, not the school, are responsible for the behavior of our child.

PARENT PARTNERSHIP

Engaged parents are a core pillar of Rocketship’s model and are critical to our Rocketeers and their long-term success. By actively being engaged and involved in our schools and their Rocketeers’ learning, parents become integrated into the fabric of the school community. An active partnership between families and Rocketship faculty and staff benefits our Rocketeers as they see their parents on campus, and families as they gain a deeper understanding of Rocketship’s model and are positioned to reinforce Rocketship’s core values at home.

Rocketship encourages families to participate in Parent Partnership Hours each year by supporting or engaging in various school activities. Participation is not required, and there are no consequences or penalties for families who are unable to complete the requested hours.

HOME VISITS

Studies have shown that meaningful parental involvement in the education of their children can have dramatic effects on student achievement. Home visits help parents and teachers come together as equal partners to form a trusting relationship centered on student learning, establish goals for the individual child and the parent-teacher relationship, and invest families in the Rocketship community.

Each Rocketship student will receive a home visit from their core classroom teachers during the beginning of each school year. Teachers will reach out to families to schedule the home visit in advance. Home visits typically last for about one (1) hour.

What happens during home visits may vary according to both parent and teacher preference, but typically home visits include:

- Collaborative academic and personal goal-setting for the student
- Discussion of the student's (and the family's) hopes and dreams
- Discussion of the student's interests both inside and outside of the classroom
- Discussion about communication preferences during the school year
- Explanation about Rocketship's policies and procedures that parents have questions about
- Talking about the history of Rocketship and the mission of the network and school
- Conversations about why the family chose Rocketship, how long they have lived in their community, etc.
- Invitation to an upcoming event at the school (i.e., Back to School Night, community meeting)
- Conversation about the teacher's background

PARENT OPPORTUNITIES ON CAMPUS

We provide many different opportunities for you to stay involved with your child's education. These include (but are not limited to):

- **Family Orientation.** Before school begins each year, parents will receive an invitation to an Orientation. All parents must attend this event.
- **Conferences.** A parent/guardian must attend conferences to meet with teachers to go over a student's progress report and/or report card.
- **Community Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Community Meetings. These meetings will help you stay informed regarding your school procedures and policies and become actively involved in further developing the school's mission.

- **Parent/Family Meetings.** All parents/guardians are invited and strongly encouraged to attend the scheduled Parent/Family Meetings to maintain an active role in their child's learning. These meetings are open to the entire family and typically take place on the weekends or on a weeknight.
- **Leadership groups at the school.** This may include a Parent Leadership group or other parent groups organized at the school.

OPEN MEETING POLICY

All meetings of the Rocketship Education Board of Directors will comply with applicable open meetings laws. Agendas will be posted publicly in advance and Rocketship shall also make meeting minutes publicly available upon approval.

POLICIES, NOTIFICATIONS OF RIGHTS, AND ASSURANCES

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 business days after the day the School receives a request for access.

Parents/guardians or eligible students should submit to the School Principal or designee a written request that identifies the records they wish to inspect. The School Principal or designee will make arrangements for access and notify the parent/guardians or eligible student of the time and place where the records may be inspected.

2. The right to request an amendment to the student's education records that the parent/guardian or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents/guardians or eligible students who wish to ask the School to amend a record should write to the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent/guardian or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional

information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the School decides to amend the record as requested by the parent/guardian or eligible student, the School Principal must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the School discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing their tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

Note that Rocketship will not release information to third parties for immigration enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Rocketship to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are as follows:

Student Privacy Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

5. The right to request that Rocketship not release student names, addresses, or telephone listings to military recruiters or institutions of higher education without prior written parental consent.

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents/guardians and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student:

1. To other school officials, including teachers, within the educational agency or institution whom the school has determined have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in 34 C.F.R. § 99.31(a)(1)(i)(B)(1) through (a)(1)(i)(B)(3) are met. See 34 C.F.R. § 99.31(a)(1).
2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of 34 C.F.R. § 99.34. See 34 C.F.R. § 99.31(a)(2).
3. To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of 34 C.F.R. § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. See 34 C.F.R. §§ 99.31(a)(3) and 99.35.
4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. See 34 C.F.R. § 99.31(a)(4).
5. To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the

- system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to 34 C.F.R. § 99.38. See 34 C.F.R. § 99.31(a)(5).
6. To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. See 34 C.F.R. § 99.31(a)(6).

 10. To appropriate officials in connection with a health or safety emergency, subject to 34 C.F.R. § 99.36. See 34 C.F.R. § 99.31(a)(10).
 11. Information the school has designated as "directory information" if applicable requirements under 34 C.F.R. § 99.37 are met. See 34 C.F.R. § 99.31(a)(11).
 12. To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. See 20 U.S.C. § 1232g(b)(1)(L).
 13. To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. See 20 U.S.C. § 1232g(b)(1)(K).

Notice for FERPA Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that the School, with certain exceptions, obtain your written consent prior to disclosing personally identifiable information (PII) from your child's education records. However, the School may disclose certain elements of PII that are appropriately designated "directory information" without written consent, unless you have advised the School to the contrary in accordance with the School's procedures. The primary purpose of directory information is to allow the School to include information from your child's education records in certain school publications and in certain, limited circumstances that the School may determine as appropriate for disclosure. Examples may include:

- On a playbill, showing your student's role in a drama production
- In the annual yearbook
- On the honor roll or other recognition lists
- To promotion or graduation programs
- On sports activity sheets

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. Under certain circumstances, within the School's sole discretion, Rocketship may disclose the PII that it has designated as directory information without a parent's prior written consent. In such cases, "directory information," which is defined as set forth below, may be released to requestors in limited circumstances by Rocketship, without additional notice to parents/guardians, unless the parent/guardian timely "opts out" of such disclosures, in writing.

Directory Information at Rocketship includes:

- Student name
- Parent/guardian name, mailing address(es), telephone listing, and email address
- Student birth date
- Dates of attendance, Grade Level, and Enrollment Status
- Honors and awards received

If you do not want the School to disclose directory information without your prior written consent, you must submit a completed Directory Information Opt-Out Form. A Directory Information Opt-Out Form is included in annual enrollment documentation, and copies are available upon request at the main office.

Contract for Digital Storage, Management, and Retrieval of Student Records

Rocketship may enter into a contract with a third party for the digital storage, management, and retrieval of student records and/or to authorize a third-party provider of digital software to access, store, and use student records, provided that the contract meets the requirements of Education Code section 49073.1 and other applicable state and federal laws.

This complete policy, included within this handbook, serves as annual notice of the policy.

EDUCATION OF FOSTER YOUTH POLICY

The Governing Board of Rocketship recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. In accordance with Section 1112(c)(5)(B) of ESEA (20 U.S.C. §6312(c)(5)(B)), all LEAs, in collaboration with the state Child and Family Services Agency, must ensure the implementation of the foster care provisions under ESEA.

Definitions

- "Foster youth" means any of the following:

- A child who has been removed from their home pursuant to Section **309** of the California Welfare and Institutions Code (“WIC”).

This includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
 - “Newcomer pupil” is a person aged 3 to 21 years, who was not born in any of the 50 United States, the District of Columbia, or the Commonwealth of Puerto Rico, and has not been attending one or more schools in any one or more of the 50 United States, the District of Columbia, or the Commonwealth of Puerto Rico, for more than three (3) full academic years.

- “School of origin” means the school that the foster youth attended when permanently housed or the school in which the foster youth was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which the student was last enrolled, or if there is some other school that the foster youth attended within the immediately preceding 15 months, Rocketship liaison for foster youth, in consultation with and with the agreement of the foster youth and the ERH for the youth, shall determine, in the best interests of the foster youth, the school that shall be deemed the school of origin. For a foster youth who is an individual with exceptional needs as defined in Education Code section 56026, “school” as used in the definition of “school of origin” includes a placement in a nonpublic, nonsectarian school as defined in Education Code section 56034, subject to the requirements of Education Code section 56325.
- “Best interests” means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Rocketship students.
- “Partial coursework satisfactorily completed” includes any portion of an individual course, even if the pupil did not complete the entire course.

Within this Policy, foster youth, former juvenile court school students, a child of a military family, a currently migratory child, and a newcomer pupil will be referred to collectively as “Foster and Mobile Youth.”

Rocketship Liaison

In order to help facilitate the enrollment, placement, and transfer of foster youth to Rocketship, the Governing Board shall designate a Rocketship foster youth liaison. The Governing Board designates the following position as Rocketship's liaison for foster youth:

Sara Escamilla -Guerra
 2001 Gateway Place Ste. 230E
 San Jose, CA 95110
 sguerra@rsed.org
 408-726-1999

The liaison for foster youth shall:

- Ensure and facilitate the proper educational placement, enrollment in Rocketship, and checkout from Rocketship of foster youth.
- Ensure proper transfer of credits, records, and grades when foster youth transfer to or from Rocketship.
- When a foster youth is enrolling in Rocketship, Rocketship liaison shall contact the school last attended by the student, within two business days, to obtain all academic and other records. The last school attended by the foster youth shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. When a foster youth is transferring to a new school, Rocketship liaison shall provide the student's records to the new school within two business days of receiving the new school's request, regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to Rocketship.
- When required by law, notify the foster youth's ERH, attorney, county social worker, the appropriate representative of the county child welfare agency, and an American Indian/ Native Alaskan child's ERH, tribal social worker and if applicable, county social worker of the student's expulsion or involuntary removal, and at least ten calendar days preceding the date of the following:
 - An expulsion for a discretionary act under Rocketship's charter;
 - any pending meeting to extend a suspension until an expulsion decision is rendered if the decision to recommend expulsion is a discretionary act under Rocketship's charter; an American Indian/ Native Alaskan child's ERH, Tribal social worker, or county social worker, or foster youth's attorney, ERH, county social worker, and the agency representative will be invited to participate.
 - a manifestation determination meeting prior to a change in the foster youth's placement, if the change in placement is due to an act for which the recommendation for expulsion is discretionary and the student is a student with a disability under state and federal special education laws. The foster youth's ERH, attorney, county social worker, an American Indian/ Native Alaskan child's ERH, tribal social worker and if applicable, county social worker, and the agency representative will be invited to participate.
- As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973.
- As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
 - Develop protocols and procedures for creating awareness for Rocketship staff, including but not limited to principals, deans, and attendance clerks, of the requirements for the proper enrollment, placement, and transfer of foster youth.

- Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help coordinate services for Rocketship's foster youth.
- Monitor the educational progress of foster youth and provide reports to the Principal or designee and the Governing Board based on indicators identified in Rocketship's local control and accountability plan.

This policy does not grant Rocketship liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the child pursuant to Welfare and Institutions Code sections 361 or 726, a surrogate parent, or a foster parent exercising authority under the Education Code. The role of Rocketship liaison is advisory with respect to placement options and determination of the school of origin.

School Stability and Enrollment

Rocketship will work with foster youth and their ERH to ensure that each foster youth is placed in the least restrictive educational programs and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin if it is in their best interest. Rocketship will immediately enroll a foster youth, a currently migratory child, or child of a military family seeking re enrollment in Rocketship as their school of origin.

A foster youth, currently migratory child, or child of a military family who seeks to transfer to Rocketship will be immediately enrolled (subject to Rocketship's capacity, if Rocketship is not the student's school of origin, and pursuant to the procedures stated in Rocketship's charter and Board policy) even if the student has outstanding fees, fines, textbooks, or other items or monies due to the school last attended or is unable to meet normal enrollment documentation or school uniform requirements (e.g. producing medical records or academic records from a previous school).

At the initial detention or placement, or any subsequent change in placement, a foster youth may continue in their school of origin for the duration of the court's jurisdiction. A currently migratory child or child of a military family may continue in their school of origin as long as the student meets the definition of a currently migratory child or child of a military family as described above. Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the

termination of the court's jurisdiction or termination of the child's status as a currently migratory child or child of a military family, as follows:

- For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.

If the foster youth, currently migratory child or child of a military family is transitioning between school grade levels, the youth shall be allowed to continue in the district of origin in the same attendance area to provide the youth the benefit of matriculating with their peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The Rocketship liaison may, in consultation with and with the agreement of the foster youth and ERH for the youth, recommend that the youth's right to attend the school of origin be waived and they be enrolled in any school that students living in the attendance area of the school district in which the foster youth resides are eligible to attend or in Rocketship consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from their school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests.

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the youth has the right to remain in the school of origin pending resolution of the dispute. The dispute shall be resolved in accordance with the existing Rocketship dispute resolution process.

If Rocketship operates an intersession program, Rocketship shall grant priority access to foster youths. Notwithstanding any other law, if the foster youth will be moving during an intersession period, the pupil's educational rights holder, or American Indian/ Native Alaskan custodian in the case of an American Indian/ Native Alaskan child, shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by Rocketship on non-school days, including, but not limited to, summer school. "Indian custodian" is as the term is defined in Section 1903 of Title 25 of the United States Code.

Transportation

Rocketship shall not be responsible for providing transportation to allow a foster youth to attend school, unless there is an agreement with a local child welfare agency that Rocketship assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United States Code, or unless

required by federal law. Rocketship is not prohibited from providing transportation, at its discretion, to allow a foster youth to attend school

If there are no existing and acceptable agreements with other educational entities, Rocketship will work with the local child welfare agency to establish an agreement clarifying operational and financial obligations for any foster children enrolled in the school with transportation needs.

Any agreements should include a process for identifying all the resources, including no-cost and low-cost options such as public transportation; foster parent or other family members who may be willing and able to transport the student; special education services if the student is eligible; and any other public or private transportation resources either agency has at their disposal to provide transportation to the student.

Any additional costs incurred in providing transportation should be outlined in the agreements and may include: Rocketship shall provide such transportation if the local child welfare agency agrees to reimburse Rocketship for such costs; Rocketship agrees to pay for the cost; or Rocketship and the local child welfare agency agree to share the cost.

For any student who has an individualized education program ("IEP"), the student's IEP team will determine if the student requires special education transportation as a related service regardless of the student's status.

Effect of Absences on Grades

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances:

- A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date they left school.
- A verified court appearance or related court-ordered activity.

Transfer of Coursework and Credits

Rocketship shall accept coursework satisfactorily completed by a Foster and Mobile Youth while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the student did not complete the entire course and shall issue that student full or partial credit for the coursework completed. The credits accepted pursuant to this paragraph shall be applied for enrollment purposes to the same or equivalent course, if applicable, as the coursework completed in the prior public school, juvenile court school, charter school, school in a country other than the United States, or nonpublic, nonsectarian school. For purposes of the official transcript, the credits accepted pursuant to this paragraph shall be added to the credits earned from the same or equivalent course for purposes of calculating the total credits earned for the

course but shall separately identify the school and local educational agency in which the credits were earned.

If a Foster and Mobile Youth transfers in or out of Rocketship, Rocketship shall issue the full and partial credits on an official transcript for the pupil and shall ensure the transcript includes all of the following:

All full and partial credits and grades earned based on any measure of full or partial coursework being satisfactorily completed, including a determination of the days of enrollment or seat time, or both, if applicable, at a school of that local educational agency or a prior local educational agency, or any other public school, juvenile court school, charter school, school in a country other than the United States, or nonpublic, nonsectarian school. The credits and grades for each school and local educational agency listed separately so it is clear where they were earned. A complete record of the pupil's seat time, including both period attendance and days of enrollment.

If Rocketship has knowledge that the transcript from the transferring local educational agency may not include certain credits or grades for the pupil, it shall contact the prior local educational agency within two business days to request that the prior local educational agency issue full or partial credits pursuant to this paragraph. The prior local educational agency shall issue appropriate credits and provide all academic and other records to Rocketship within two business days of the request.

If the foster youth did not complete the entire course, they shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that they completed at their previous school. However, Rocketship may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, Rocketship finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course they shall be enrolled in the same or equivalent course, if applicable, so that they may continue and complete the entire course.

Eligibility for Extracurricular Activities

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

Waivers of Fees for Afterschool Programs

Rocketship shall not charge any student who Rocketship knows is in foster care any family fees associated with an After-School Education and Safety ("ASES") Program operated by Rocketship.

Student Records

When Rocketship receives a transfer request and/or student records request for the educational information and records of a foster youth from a new LEA, Rocketship shall provide these student records within two (2) business days. Rocketship shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

In accordance with Rocketship's Educational Records and Student Information Policy, under limited circumstances, Rocketship may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Complaints of Noncompliance

Complaints of noncompliance with this policy shall be governed by Rocketship's Uniform Complaint Procedures policy.

This complete policy, included within this handbook, serves as annual notice of the policy.

EDUCATION OF HOMELESS CHILDREN AND YOUTH POLICY

The McKinney-Vento Homeless Assistance Act ("the McKinney-Vento Act") is a federal law that ensures educational rights and protections for children and youth experiencing homelessness. (42 U.S.C. 11431 et seq.) This policy is written in compliance with the requirements under the McKinney-Vento Act. It addresses relevant definitions; Rocketship's Designated Homeless Liaison; general assurances regarding the education of homeless children and youth; procedures for identification and reporting; school selection; enrollment and records; transportation rights; and the enrollment dispute resolution process.

Definitions

"Homeless children and youth" mean children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;

- Living in a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings, such as cars, parks, public spaces, abandoned buildings or substandard housing (for example, condemned buildings or garages), bus or train stations, or other similar settings. In determining whether a housing arrangement may be deemed “substandard, the school may consider whether the setting lacks one of the fundamental utilities such as water, electricity, or heat; is infested with vermin or mold; lacks a basic functional part such as a working kitchen or toilet; presents unreasonable dangers to adults, children, or persons with disabilities. or is otherwise defined as “substandard” under local housing codes.
- Living in motels, hotels, trailer parks (does not include trailers or mobile homes in a mobile home park) or camping grounds due to a lack of alternative adequate accommodations.
- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Living in emergency or transitional shelters.
- Abandoned in hospitals.
- Migratory children who qualify as homeless because they are living in circumstances described above.
- Unaccompanied youth includes a youth not in the physical custody of a parent or guardian.
- A child or unaccompanied youth shall be considered homeless for as long as they are in a living situation described above.

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by Rocketship’s Liaison.

Designated Homeless Liaisons

The Rocketship Homeless Liaison serves Rocketship students in the designated region(s) below.

The Homeless Liaison is required to:

- Ensure that homeless children and youth are identified by school personnel and through outreach and coordination with other entities and agencies.
- Ensure that homeless students enroll in, and have full and equal opportunity to succeed in, Rocketship schools.
- Ensure that homeless families, children, and youth have access to and receive educational services for which they are eligible.

- Ensure that homeless families, children, and youth receive referrals to health, dental, mental health, and substance abuse services, housing services, and other appropriate services.
- Ensure that parents and guardians are informed of educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
- Ensure that public notice of the educational rights of homeless students is disseminated where children and youth receive services under the McKinney-Vento Act.
- Ensure that enrollment disputes are mediated in accordance with the dispute resolution provisions.
- Ensure that the parent/guardian of a homeless child or youth, or any unaccompanied youth, is fully informed of all transportation services and is assisted in accessing transportation services, if available and feasible.
- Ensure that school personnel receive professional development and other support.
- Assist unaccompanied youth in placement/enrollment decisions.
- Ensure that unaccompanied youth are immediately enrolled in school pending resolution of disputes that might arise over school enrollment or placement.
- Assist homeless children and youth who do not have immunizations, or immunization or medical records, to obtain necessary immunizations, or immunization or medical records
- Collaborate and coordinate with state coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youth.

Rocketship provides the following general assurances:

- Homeless children and youth shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way.
- Homeless children and youth shall be provided services comparable to those received by other students in the school, including transportation services, and education programs for which students meet eligibility criteria, such as services provided under Title 1 or similar state and local programs; programs for students with disabilities; programs for students with limited English proficiency; vocational or technical programs; gifted and talented programs; and school nutrition programs.
- Homeless children and youth will have access to district administrative level reservation of funds (set-asides) for serving homeless students.
- Rocketship shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.
- Rocketship shall provide and post notices of the educational rights of homeless children and youth.

Identification and Reporting

Rocketship will include the identification of homeless students and their unique educational needs in its targeted work to raise achievement for all students. Homeless children and youth will be identified through:

- The application process for enrollment (self-identification)
- School personnel recommendations
- Coordinated activities with other entities and agencies

Rocketship will comply with all federal, state, county, and other data collections and reporting requirements regarding homeless children and youth. Materials will be provided for students and parents in a language easily understood by families and students. If students or families are unable to read, additional support should be provided to explain student rights.

School Selection

Homeless students have a right to select from the following schools:

- The school they attended when permanently housed (School of Origin)
- The school in which they was last enrolled (School of Origin)
- The school in the attendance area in which the student currently resides (School of Residency)

A homeless child or youth's right to attend their school of origin extends for the duration of homelessness. If a child or youth becomes permanently housed during the academic year, they are entitled to stay in the school of origin for the remainder of the academic year.

Enrollment and Records

Homeless students may be identified at the time of enrollment (through self-reports). As all Rocketship schools are independent charter schools, and therefore schools of choice rather than assigned district schools, placement decisions are based solely on parent request through the application process. In order to provide equal access to its schools, the Rocketship annual student recruitment plan shall include efforts to reach homeless families, children, and youth via free public events, community centers, and local homeless service providers.

Homeless youth will not be discriminated against in the application process. Homeless children and youth will be immediately enrolled, if the student otherwise be eligible to attend, and subject to Rocketship's capacity and pursuant to the procedures in the charter document and board policies, even if the parent/guardian is unable to provide the school with the records normally required for enrollment such as previous academic records, birth certificate, medical records, proof of residency, or other documentation. The Rocketship designee shall immediately contact the school last attended by the

student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the designee shall refer the parent/guardian to the homeless liaison. The liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student.

In the case of an unaccompanied youth, the Designated Homeless Liaison shall assist in the enrollment process. Unaccompanied youth shall be immediately enrolled if space is available even if unable to provide the school with the records normally required for enrollment (as above), and despite lack of parent or legal guardian's supervision or permissions, or "power of attorney" by supervising adults.

In accordance with current Rocketship enrollment policies and state regulations regarding charter schools, if the grade level for which a homeless child or youth has applied has more applicants than spaces available, a random public lottery will take place in order to determine enrollment for the following school year. An "in-district" or "in-county" (depending on the type of school the student has applied to) priority will apply during the lottery to homeless youth who self-identify as homeless during the application process so as to not discriminate against homeless children or youth due to lack of permanent housing. If a homeless child or youth applies for admission after the annual random public lottery, they will be placed on the waitlist in the order in which the application was received, even if the application is incomplete at the time of submission.

Any confidential record ordinarily kept by the school, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, of each homeless child or youth will be maintained so that the records are available, in a timely fashion, when a child or youth enters a new school or school district.

Information about a student's living situation that is maintained by Rocketship is part of the student's record, subject to the protections of the Family Educational Rights and Privacy Act (FERPA). In general, FERPA prohibits a school from disclosing personally identifiable information ("PII) from students' educational records without parental consent. One exception to this general consent rule is for information that the school has designated as "directory information," which is information that would not generally be considered harmful or an invasion of privacy if disclosed. However, information regarding a student's living situation is not considered directory information and must be provided the same protections as other non-directory PII.

Transportation

Per the McKinney-Vento Act, Rocketship must provide services to homeless children and youth that are comparable to those received by other students in the school selected, including transportation. In addition, schools must provide transportation for homeless students to and from their school of origin, if feasible.

Rocketship, where feasible, at the request of the parent/guardian and/or in the best interest of the homeless child or youth, shall provide transportation to students experiencing homelessness to ensure the students are able to stay at the Rocketship school of their choice for the duration of their homelessness. Rocketship may work with the youth's district of residence or other agencies to provide transportation services.

Housing Questionnaire

Rocketship shall administer a housing questionnaire for purposes of identifying homeless children and youth. Rocketship shall ensure that the housing questionnaire is based on the best practices developed by the CDE. Rocketship shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at Rocketship. The housing questionnaire shall include an explanation of the rights and protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in the primary language other than English spoken by fifteen (15) percent or more of the students enrolled at Rocketship and shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. Rocketship shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled.

Transportation

Per the McKinney-Vento Act, Rocketship must provide services to homeless children and youth that are comparable to those received by other students in the school selected, including transportation. In addition, schools must provide transportation for homeless students to and from their school of origin, if feasible.

Rocketship, where feasible, at the request of the parent/guardian and/or in the best interest of the homeless child or youth, shall provide transportation to students experiencing homelessness to ensure the students are able to stay at the Rocketship school of their choice for the duration of their homelessness. Rocketship may work with the youth's district of residence or other agencies to provide transportation services.

Enrollment Dispute Resolution Process

As required by 42 USC § 11432(g)(1)(C), schools must develop and implement written procedures for the receipt and resolution of complaints alleging violations of law with regards to enrollment and school placement as covered by the McKinney-Vento Act. The State Coordinator for the Education for Homeless Children and Youth Program will provide technical assistance to interested parties as requested and as necessary.

If a dispute arises over enrollment or school placement:

- the child or youth must be immediately enrolled in the school requested by the individual or organization submitting the complaint;
- the parent/guardian of the affected student(s) must be provided a written explanation of the school's decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision;
- the child, youth, parent, or guardian must be referred to the McKinney-Vento Homeless Education Liaison for the corporation, who shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute; and
- in the case of an unaccompanied youth, the Homeless Education Liaison shall ensure that the youth is immediately enrolled in school pending resolution of the dispute.

Rocketship Dispute Resolution Process

Disputes may arise between a Rocketship school and a homeless student or homeless parent/guardian regarding, among other things, enrollment or transportation. At such a time, the Homeless Education Liaison immediately becomes involved, and Rocketship must follow a procedure that includes these steps:

- A student must be allowed to attend or enroll in the school that is challenging the student's right to attend until a final decision is made regarding the dispute. The challenging school must provide transportation and other school services as needed to the student until the dispute is resolved.
- The dispute resolution process begins at the time a school challenges the right of either a parent or guardian, or in the case of an unaccompanied youth, to enroll a child or youth in school, to continue enrollment in school, or to receive services such as transportation assistance.
- When Rocketship challenges the enrollment or services of the child or unaccompanied youth, Rocketship must:
 - Provide notice of the challenge to the parent, guardian, or unaccompanied youth, through the Homeless Education, on the day of the challenge.
 - Provide notice of the right to appeal the challenge to the parent, guardian, or unaccompanied youth. This notice must include a form to be completed by the parent, guardian, or unaccompanied youth should they decide to appeal Rocketship's decision.
- The Homeless Education Liaison will provide the parent, guardian, or unaccompanied youth with written notice in clear, easy-to-understand language detailing the dispute resolution process.
- Rocketship will have three working days to review its initial decision and make a final decision as to the position taken (i.e., whether it will continue to challenge the right of the student to be enrolled). The decision must state all factual information upon which it is based and the legal basis in support thereof.

Professional Development

All administrators, teachers and employees of Rocketship, including the Rocketship Homeless Liaison, will be provided professional development on the identification, services, and sensitivity necessary when dealing with homeless children and youth. The Rocketship Homeless Liaison will verify that Rocketship is providing the required training to school personnel providing services to youth experiencing homelessness at least annually through the CDE's verification system.

The Rocketship Homeless Liaison shall offer training to Rocketship certificated and classified employees providing services to students experiencing homelessness, including, but not limited to, teachers, support staff, and other school staff who work with pupils, at least annually relating to:

- (1) Rocketship's homeless education program policies; and
- (2) Recognition of signs that pupils are experiencing, or are at risk of experiencing, homelessness.

The Rocketship Homeless Liaison shall inform such employees of the availability of training and the services Rocketship Liaison provides to aid in the identification and provision of services to students who are experiencing, or are at risk of experiencing, homelessness.

Acceptance of Course Work

Rocketship will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

Rocketship will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, Rocketship shall not require the student to retake the portion of the course the student completed unless Rocketship, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Notice

For any homeless student who seeks enrollment at Rocketship, written notice will be provided to the parent/guardian at the time of enrollment and at least annually while the student is enrolled at Rocketship.

Annual Policy Review

Rocketship shall annually review and revise any policies that may act as barriers to the identification of homeless children and youths or the enrollment of homeless children and youths at Rocketship. In reviewing and revising such policies, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Special attention shall be given to ensuring the identification, enrollment, and attendance of homeless children and youths who are not currently attending school. Rocketship's review of its homeless education program policies shall use resources developed by the CDE and posted on the CDE's internet website and resources developed by homeless education technical assistance centers established using funding from the American Rescue Plan Act of 2021.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the General Complaint Process.

This complete policy, included within this handbook, serves as annual notice of the policy.

NOTIFICATION OF IMMIGRATION ENFORCEMENT POLICY

Rocketship Education California's comprehensive Immigration Enforcement Policy may be found on Rocketship' website. The below offers a brief overview and notice.

Rocketship's Commitment to All Students

We provide a safe, welcoming environment for all students regardless of immigration status or religious beliefs. We limit immigration enforcement activities at our facilities consistent with California law.

Your Rights and Protections

Non-Discrimination

We prohibit discrimination, harassment, intimidation, and bullying based on immigration status, nationality, race, ethnicity, citizenship status, religion, national origin, or ancestry. We promptly investigate all complaints and take appropriate action.

Enrollment

We do not request citizenship or immigration documentation for enrollment, other than documents we might review but not retain to establish a child's birthdate. We accept various documents to establish residence (utility bills, rental agreements, pay stubs, declarations of residency) and age (birth certificates, baptism certificates, passports, or affidavits). Students experiencing homelessness may enroll even without typical documentation if otherwise eligible.

Privacy of Information

We do not collect or maintain information about students' or families' citizenship or immigration status except when required by law for specific education programs. If we do, we collect such information separately from enrollment and do not use it to discriminate or prevent school attendance.

Social Security Numbers

We do not require Social Security numbers for enrollment. We may request the last four digits of an adult household member's number only to establish eligibility for free or reduced-price meals. Students can still qualify without providing this information if they meet income requirements.

Information Sharing Limits

We do not share student information that might indicate immigration or citizenship status unless authorized by the Family Educational Rights and Privacy Act (FERPA) or required by valid court orders, warrants, or subpoenas. We provide parents notice before responding to such requests (except in child abuse cases or when prohibited).

Immigration Enforcement Officers

Without written parental consent, we do not provide student information to immigration enforcement officers unless they present a valid judicial warrant, judicial subpoena, or court order signed by a judge. ICE administrative warrants do not authorize access to nonpublic school areas or student information.

Campus Access Procedures

Immigration enforcement officers carrying out immigration enforcement activities may not enter nonpublic school areas without a valid judicial warrant or court order. In the event of an enforcement activity authorized by a judicial order, our staff will:

- Request credentials and documentation from any officer
- Contact the school site administrator before granting access
- Request that officers not interrupt instruction
- Document all interactions and notify parents, staff, and students pursuant to the procedures outlined in our Comprehensive School Safety Plan
- Report attempts to access campus or students to the California Department of Justice and to the Charter School Board of Directors

Anti-Bullying and Hate Crimes

We educate students about respecting all peers and the harmful effects of bullying based on protected characteristics. We train staff to eliminate hostile environments and respond to harassment. Students who experience hate crimes have the right to report them. Review our complete Harassment, Discrimination,

Intimidation, & Bullying Policy and Uniform Complaint Procedures in the main office.

Support for Families

Emergency Contacts

You may update your student's emergency contact information anytime. We encourage you to include a trusted adult or multiple adults who can care for your child if you become unavailable. We use this information only for emergencies.

Caregivers Authorization Affidavit

We encourage families to support relative caregivers in completing a Caregivers Authorization Affidavit. We will rely on a signed, completed Affidavit to allow an authorized caregiver to enroll a student in school and to consent to school-related medical care. A parent's signature is not required on the Caregiver Authorization Affidavit.

If Parents Are Detained

We release students to emergency contacts or anyone with a Caregiver's Authorization Affidavit. We contact child protective services only if we cannot arrange care through provided contacts.

Family Safety Plans

We encourage families to develop safety plans identifying trusted adults who can care for students and locations of important documents (birth certificates, passports, medical information).

PREGNANT AND PARENTING STUDENTS

Pregnant and Parenting Students

Rocketship recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth

takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. Rocketship will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and re enrollment in courses.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the General Complaint Process.

This complete policy, included within this handbook, serves as annual notice of the policy.

MENTAL HEALTH NOTIFICATION

The mental health of our Rocketeers, families, staff and community is exceptionally important.

Mental Health Services

Rocketship is committed to providing mental health services to meet the needs of all students in the District. These services include: Special Education, Homeless & Foster Youth Services, Health Services, Counseling, Social Skills Groups, and 504 Plans to name a few.

Each school site can provide some type of counseling and intervention services to high-risk students and their families upon request. These services are accessed through our MTSS system and pre-referral process. Supplemental counseling services are available at all sites through community mental health agencies. Written permission from a parent/guardian is required for a student to participate in supplementary counseling services, unless the student is over the age of 12 and, in the professional clinical judgment of the mental health provider, is deemed mature enough to competently consent to their own treatment. The provider will generally involve a parent/guardian in the treatment unless involvement would be inappropriate or detrimental to the student .

State law provides that parent/guardian permission may not be required for a student over the age of 12 under the following conditions: the child may present a danger of harm to themselves or others or is the alleged victim of child abuse; or involvement of the parent/guardian would be detrimental to the child's welfare. In these circumstances, the community agency counselor may make a report to a children's protective agency.

SCHOOL MEALS NON-DISCRIMINATION NOTICE

Rocketship is an equal opportunity provider of student meals.

Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies prohibit Rocketship Charter School from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the state or local agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form, which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

U.S. Department of Agriculture
 Office of the Assistant Secretary for Civil Rights
 1400 Independence Avenue, SW
 Washington, D.C. 20250-9410; or
 fax: (833) 256-1665 or (202) 690-7442; or
 email: Program.Intake@usda.gov

All complaints of discrimination or harassment that do not involve allegations of Title IX violations should be made under the General Complaint Process described under the Notification of Rights and Assurances section of this Handbook. Rocketship will report complaints received about discrimination or harassment in the School Meal Programs to the appropriate state and federal agencies as required by law.

GENERAL COMPLAINT PROCESS

Rocketship values the concerns of our parents, staff, students, and community members and takes all concerns and complaints seriously. The following General Complaint Process should be employed to ensure complaints receive full consideration.

Informal Complaints

Because most difficulties can be resolved by communicating concerns, complainants are encouraged to discuss their concerns or complaints promptly and candidly with their student's teacher, the school Principal, or the school Principal's designee. However, a complainant is not required to discuss his/her complaint in any manner or for any reason prior to initiating a formal complaint.

Use of General Complaint Process

Rocketship's General Complaint Process should be used as follows:

- To deal with complaints and concerns pertaining to school staff, the educational environment or interpersonal student conflicts.
- To allege violations of state or federal law that do not fall under the purview of the Uniform Complaint Procedures (UCP), or of the school's charter.

Who May File a Complaint

The procedures set forth below may be used by complainants who are students, parents, or visitors. Employees should refer to the Employee Handbook for procedures specific to filing employee complaints.

Confidentiality

All documentation and information related to an investigation into a complaint is considered confidential and is not revealed or discussed with persons not involved in the investigation of the complaint or decision-making process.

Filing a Complaint

Complainants may file complaints verbally or in writing through four methods: in person, by phone, via email or by completing the General Complaint Form.

Complainants should follow the process outlined below when they wish to file a formal written complaint regarding school policies, procedures, and/or practices. The school will respond as outlined below.

1. Fill out a General Complaint Form available at the school's front office. The General Complaint Form should be submitted to the school Principal within 90 calendar days of encountering the issue that is the subject of the complaint.

2. Upon receiving a completed General Complaint Form, the school Principal or his/her designee will notify the Title IX Compliance and Civil Rights Officer as applicable if the complaint falls under the purview of the Title IX complaint procedures. The Title IX Compliance and Civil Rights Officer, in consultation with Legal, Compliance, and other departments, will notify state authorities of the complaint if appropriate and/or legally required.
3. If the complaint does not otherwise fall under the purview of Title IX or UCP procedures, the Principal, or his/her designee, will conduct an adequate, reliable, and impartial investigation of the complaint. This will include interviewing witnesses, obtaining any relevant documents, collecting any other pertinent evidence, and allowing parties to provide evidence. The investigation will aim to be concluded within 20 school days of receiving the General Complaint Form unless exceptional circumstances justify an extended period within which to complete the investigation. The amount of additional time granted for an exceptional circumstance will be determined on a case-by-case basis. 4. The person who conducted the investigation (either the Principal or his/her designee) will prepare a final written report with a recommendation for resolving the complaint and will provide the final report to the Title IX Compliance and Civil Rights Officer. The final report will name the party bringing the complaint, describe the nature of the complaint, summarize the investigation, recommend one or more resolutions, and provide reasons for the recommended resolutions.
5. The parties will be informed once the investigation is complete. If required by law, the parties will be provided a copy of the final written report. If either party is not satisfied with the school's determination, that party may appeal to the Executive Director and/or may pursue any other appeals provided by law. Appeals to the Executive Director must be submitted in writing by either party within ten (10) school days of the party's notification of the end of the investigation. The Executive Director will review the appeal under a preponderance of the evidence standard and render a written decision within 45 calendar days.
6. If either party is not satisfied with the Executive Director's decision, that party may appeal to the Governing Board and/or may pursue any other appeals provided by law. Appeals to the Governing Board must be made in writing addressed to the Board Chair and submitted to Compliance@rsed.org within ten (10) school days of the Executive Director's decision. The Board will review the appeal under a preponderance of the evidence standard and render a written decision within ninety 90 calendar days.

A pupil fee includes a purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity that does not otherwise fall under an applicable exception to the general prohibition against unlawful pupil fees.

A pupil fees complaint may be filed with the principal of a school or with our Executive Director or their designee. A pupil fees complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

For complaints relating to Local Control and Accountability Plans (LCAP), the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that we adopted. An LCAP complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

Complaints regarding noncompliance with Education Code section 243 or 244 may also be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with the respective applicable laws.

We advise complainants of the right to pursue civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may also be available to complainants.

Procedures for the Investigation and Resolution of UCP Complaints

The UCP complaint investigation is our administrative process for the purpose of gathering data regarding the complaint. We provide an opportunity for complainants and/or representatives to present evidence or information. Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the Allegations. Refusal by Rocketship to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the Complainant.

The Complaint shall be presented to the compliance officer, who shall maintain a log of complaints received, providing each with a code number and date stamp. Upon receiving a complaint, the compliance officer shall also promptly notify the designated Rocketship Executive Director. All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the Complainant agrees to mediation in writing, the compliance officer shall make arrangements for this process. Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with their investigation of the complaint. The use of mediation shall not extend Rocketship's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

We will thoroughly investigate the UCP complaint and issue a written Investigation Report to the complainant within 60 calendar days from the date of the receipt of the complaint, unless the Complainant agrees in writing to an extension of time.

This Investigation Report will contain the following elements:

- the findings of fact based on the evidence gathered;
- a conclusion that provides a clear determination for each allegation as to whether we are in compliance with the relevant law;
- corrective actions if we find merit in a complaint:

- for complaints regarding Pupil Fees; LCAP; Physical Education Instructional Minutes, or Course Periods without Educational Content, the remedy shall go to all affected pupils, parents, and guardians,
- for all other complaints within the scope of the Uniform Complaint Procedures the remedy shall go to the affected pupil
- With respect to a Pupil Fees complaint, corrective actions shall include reasonable efforts to ensure full reimbursement to all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint;
- a notice of the complainant's right to appeal our Investigation Report to the Department of Education (CDE); and
- the procedures to be followed for initiating an appeal to the CDE.

If an employee is disciplined as a result of the complaint, the decision shall simply state that disciplinary action was taken and that the employee was informed of Rocketship's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

An appeal is a written and signed request by the complainant to the CDE seeking review of an LEA Investigation Report that was issued in response to a properly-filed complaint. A signature may be handwritten, typed (including in an email) or electronically-generated.

The Complainant may appeal our Investigation Report of a UCP complaint to the CDE by filing a written appeal within 30 calendar days of the date. In order to request an appeal, the Complainant must specify and explain the basis for the appeal, including at least one of the following:

- Rocketship failed to follow its complaint procedures, and/or
- the Investigation Report lacks material findings of fact necessary to reach a conclusion of law, and/or
- the material findings of fact in the Investigation Report are not supported by substantial evidence, and/or
- the legal conclusion in the Investigation Report is inconsistent with the law, and/or
- in a case in which we were found in noncompliance, the corrective actions fail to provide a proper remedy.

The appeal shall be sent with: (1) a copy of the locally filed complaint; and (2) a copy of the Rocketship Investigation Report.

Complaints should be sent to:

California Department of Education
Categorical Programs Complaints Management Office
1430 N Street
Sacramento, CA 95814-5901

For questions, Complainants can also contact the CDE's Complaints Management Office at 916-319-0929.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. Complainants alleging a violation of Education Code section 220, 243, 244, 51500, 51501, or 60044, may seek civil remedies after sixty (60) calendar days have elapsed from the filing of an appeal with the CDE. before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

TEACHER QUALIFICATION INFORMATION

As Rocketship receives Title I federal funds through the Elementary and Secondary Education Act (ESEA), as reauthorized and amended by the Every Student Succeeds Act (ESSA), all parents/guardians of students attending Rocketship may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

- Whether the student's teacher:
 - Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - Is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, Rocketship will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Executive Director to obtain this information.

TITLE IX COMPLAINT PROCESS

Rocketship values the concerns of our parents, staff, students, and community members and takes all concerns and complaints seriously.

Rocketship's comprehensive Title IX Policy and Grievance Procedures, which contain the rules and procedures for reporting sexual harassment and for pursuing available remedies, may be found on Rocketship's website. The below offers a brief overview.

Complaints under Title IX

Inquiries about the application of Title IX and 34 C.F.R. Part 106 may be referred to Rocketship's Title IX Compliance and Civil Rights Officer, to the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

If a student or parent/guardian believes they or someone else has experienced sexual discrimination or harassment at school, they should report the concern as soon as possible. All complaints and reports of sex discrimination or sexual harassment should be submitted to our Title IX Coordinator, who can be reached at:

Title IX Compliance and Civil Rights Officer
2001 Gateway Place, Ste. 230E
San Jose, CA 95110
rthukral@rsed.org

An investigation of those complaints is conducted promptly and impartially.

Supportive Measures

Once an allegation of Title IX discrimination, sexual harassment, or retaliation has been received, the school designee and/or Title IX Compliance and Civil Rights Officer/designee will offer individualized supportive measures to ensure the safety of the parties involved and the safety of the educational environment, to restore or preserve equal access to Rocketship's education program or activity, and to provide support during the investigation and resolution process.

Examples of supportive measures include, but are not limited to designating a staff member to serve as that complainant's "safe" person, altering the respondent/complainant's seating or schedule to reduce access between the respondent and the complainant, creating individual safety plans, and possible consultation with the school's professional mental health service providers.

Investigation, Determination of Responsibility and Remedies

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The investigation will be conducted by the Title IX Compliance and Civil Rights Officer/designee in a prompt and equitable manner to remedy the alleged violation. Rocketship will use a preponderance of the evidence standard (i.e., more likely than not that harassment occurred) when resolving complaints. If the Title IX Compliance and Civil Rights Officer/ designee determine an incident of discrimination, sexual harassment, or retaliation has occurred, prompt and effective steps will be taken to end the unlawful conduct, eliminate its effects, prevent recurrence of an incident, and restore the safety of the complainant.

For additional information, please see Rocketship's Title IX Policy and Grievance Procedures available on Rocketship's website.

TITLE I PARENT INVOLVEMENT

Parent involvement is one of the three pillars of Rocketship. We work directly with parents, helping them become leaders at home, in the school, and in their communities. Our commitment to parent engagement is reinforced through our Title I Parent Involvement Initiatives.

Development and Review of Policy

Rocketship will take the following actions to engage parents in the joint development and review of its Title I Parent Involvement Policy:

- Gathering and disseminating to parents for review the following materials: the Title I Parental Involvement Policy and the Title I school-parent compact. These materials will be disseminated to parents during one of the school's fall community meetings or at fall parent/teacher conferences.
- Soliciting written and oral input from parents through regularly scheduled community meetings, parent/teacher conference feedback and regular written communications with parents. Schools will distribute the Title I policy through the Parent/Student Handbook and/or at community meetings throughout the school year.

Schools will distribute the Title I policy through the Parent/Student Handbook and/or at community meetings throughout the school year.

Involvement of Parents in the Title I Program

To involve parents in the Title I program at Rocketship, the following practices have been established:

- All parents are invited to participate in the annual review of the school's Title I programs. All flyers

and notices about the meetings are disseminated by classroom and school newsletters, email, calls, and website posts. Each year the school holds at least two (2) meetings to review, elaborate, edit, and add goals to school programs and plans. The plan may also be discussed at meetings of the School Site Council.

- Rocketship schools provide the necessary coordination, technical assistance, flexibility, and other support to assist Title I schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance. The school will offer monthly community meetings, workshops, and additional activities for parents. The parents will vote at community meetings held either at the end of the school year (for the following year) or at the beginning of the year (for current year) to give input on the content of community meetings and any additional workshops they would like to have. Parents who cannot attend the meetings will be invited to give input through a survey, letter, email, or call to their Title I teacher.
- If the schoolwide plan is not satisfactory to the parents of participating children, Rocketship shall submit any parent comments on the plan when the school makes the plan available.
- Rocketship schools involve parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy using the measures described above.
- Rocketship schools provide parents of Title I students with timely information about Title I programs through school and classroom newsletters, parent-teacher home visits, parent-teacher conferences, family events and exhibition nights, and community meetings and leadership training.
- Rocketship schools build the capacity of parents/guardians for strong parent involvement. Each school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. Schools will also provide parents/guardians with assistance on how to monitor their children's progress and work with educators to improve the achievement of their children. The school shall ensure that this information is communicated to parents/guardians in a format and, to the extent practicable, language that the parent/guardian can understand.
- Rocketship schools provide opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. This happens through community meetings, parent-teacher conferences, home visits, and school and classroom newsletters.
- If requested by parents, and to the extent not covered by any of the above options, Rocketship will provide opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.
- Rocketship, with the assistance of its parents, will educate its teachers, school leaders and other school staff how to reach out to, communicate with, and value parents as equal partners in their children's education. The school shall inform parents/guardians of the existence of parent

resource centers in the state that provide training, information, and support to parent/guardians.

This policy will be updated periodically to meet changing needs of parents and the school.

School-Parent Compact

Rocketship distributes to parents of all students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards.

The compact will permit parents to communicate obstacles to parental involvement, and Rocketship will consider discussing available resources with parents as required and appropriate.

Building Capacity for Involvement

As described above, Rocketship schools engage Title I parents in meaningful interactions with the school. Our schools support a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices which are undertaken during regular community meetings, home visits, parent-teacher conferences, and special school events.

- Rocketship provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children.
- Rocketship provides Title I parents with materials and training to help them work with their children to improve their children's achievement.
- Rocketship educates staff members about the value of parent contributions, and how to work with parents as equal partners. Rocketship has a Parent Leadership team, which is tasked with building parental capacity for leadership and parent involvement.
- Rocketship involves parents of all backgrounds, including those with limited English proficiency, those with disabilities, and parents of migratory students.
- Rocketship coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.
- Rocketship distributes Information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.
- Rocketship provides support for parental involvement activities requested by Title I parents.

In carrying out the parent and family engagement requirements of this policy, Rocketship shall provide opportunities for the informed participation of parents and family members, including parents and family members who have limited English proficiency, parents and families who have disabilities, and parents and

family members of migratory children. This includes providing information and school reports required under section 1111 of the ESEA, as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand.

SCHOOL-PARENT COMPACT

Rocketship has a responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating students to achieve the state's student academic achievement standards.

NOTIFICATION OF RIGHTS UNDER COPPA

Rocketship schools use several computer software applications and web-based services, operated not by schools in our network, but by third-party vendors. We use these tools to provide students with the most effective software and web-based services for learning. In accordance with the Children's Online Privacy Protection Act (COPPA), Rocketship consents to the vendors' collection, use, and disclosure of information obtained directly from students. Rocketship gives this consent on behalf of parents.

Under COPPA, each software provider or website operator must maintain the confidentiality of the information collected and must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. The law permits schools such as ours to consent to the collection of personal information on behalf of all of its students, thereby eliminating the need for individual parental consent given directly to the web site operator. For more information on COPPA,

please visit <https://www.ftc.gov/business-guidance/resources/complying-coppa-frequently-asked-questions>.

A list of the software and services used by RSED, with the privacy policy for each, can be found on our website at: <https://www.rocketshipschools.org>.

Upon request from Rocketship, vendors must provide the school a description of the types of personal information collected; an opportunity to review a child's personal information and/or have the information deleted; and the opportunity to prevent further use or online collection of a child's personal information.

Parents retain the right to request review of their child's personal information and/or have information deleted. Parents also have the right to opt out of having their child participate in educational activities that involve the collection, use, or disclosure of personal information collected from their child.

SCHOOL ACCOUNTABILITY REPORT CARD (SARC) NOTICE

Rocketship's School Accountability Report Card (SARC) is available on each of our school's websites (<https://www.rocketshipschools.org/area/ca>). You can also request a hard copy from the front office.

ARRIVAL AND DISMISSAL PROCEDURES

Car-line Drop-Off

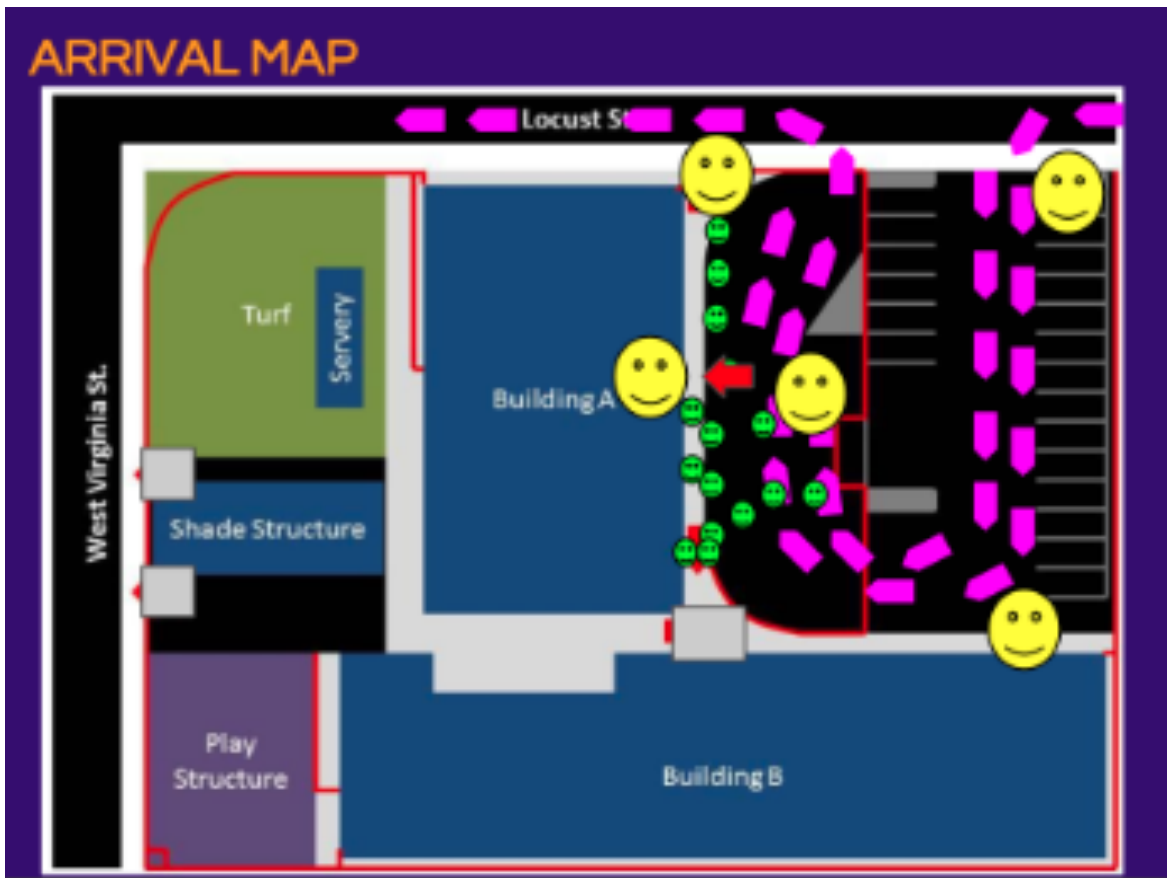

Families will turn left into the Mateo Sheedy Parking lot from Locust St. Do **not** make U-turns on Locust St. Families should use Palm St. to wrap around the neighborhood in order to keep Locust St. clutter free.

Our arrival team will be in front of the school ready to welcome students to campus. Families are not to leave their vehicles as we need to keep this process running smoothly. As they exit campus, they will make a left back onto Locust St. in order to maintain a smooth flow of traffic.

The carline is open from 7:15 am to 8:00 am. However, at 7:45 am - 8:15 am, your student is considered late and will be given a late pass as they enter the building.

Walking Drop-Off

Families able to walk up to the school must accompany their Rocketeers all the way to the back gate on West Virginia Street – students should not be walking up alone. Staff will be at the gate greeting families and students and welcoming them onto campus. Please note that families are not able to come onto campus during our arrival procedure and must wait until office hours start. The walker gate will be open from 7:15-7:40 AM.

DISMISSAL: NO PASS, NO KID, If you do not have your dismissal card you will need your ID.

Car-line Pick Up

Families will follow a similar process as drop off. They will make a left turn into the Rocketship Mateo Sheedy parking lot from Locust St. All families must have a dismissal card with them in order to pick up their Rocketeer. No card = no kid. If no card is shown at the time of pick up, families are required to park and pick up their Rocketeer from the walker gate on West Virginia St. Families must stay in their cars - staff will assist Rocketeers into their cars if needed. As families leave campus, they will make a left onto Locust St. in order to maintain a smooth flow of traffic.

Walking Pick Up

Families must have a dismissal card with them at the time of pick up. If they don't have a card, a staff member will check their ID to confirm that they are authorized to pick up a student. The walker gate will be located on the side of the school on West Virginia St. Families go straight to their student's classroom and pick up at the door. This is not the time to engage in conversation with teachers. We kindly ask that you schedule an appointment with them for after school so that our dismissal process can run smoothly. Walkers will exit out through the same gate on West Virginia St.

If a student forgets to bring a home lunch, Rocketship will provide them with a school meal.

Nut Free Zone

To ensure the safety of students with severe peanut allergies, our school is a strictly tree nut and peanut-free environment. Nut products are not allowed anywhere on campus, including lunches, snacks, and classroom activities. Items containing nuts will be removed. We appreciate your cooperation in creating a safe learning environment for all students.

Birthday Parties/Celebrations

Rocketship is committed to ensuring the safety of all of our students, staff, and families. As such, we are typically unable to allow homemade food on campus for birthday parties or other family requested on-campus celebrations. Parents/Guardians may contact their school Principal for approval to host any celebration during the school day.

We understand how important birthdays are for most of our students. We all want to celebrate and make our Rocketeers birthday feel special. We must not forget their academics have to come first. Teacher may designate a day for celebrations to occur to keep student learning top of mind.

Here are a few rules in regards to celebrating birthdays:

2. Celebrations have to be done at the end of the day or the last 15 minutes of the school day. Testing the landing needs to be taken into account.

STUDENT DRESS CODE

The Rocketship Spark Academy uniform consists of:

- Any appropriately sized khaki bottom including pants, shorts, dress, skirt, or skorts.
- A Rocketship uniform shirt or a hunter green, or dark purple collared shirt.
- Any sweaters and jackets when worn inside must be solid colored hunter green, black, or dark purple.
- Comfortable closed toe shoes that do not restrict a student's ability to participate in physical education or other activities. Shoes without laces and/or sandals, including Crocs, are not considered to be safe or appropriate for school.

Rocketship branded uniform shirts can be purchased from the school office or online <https://racustomwear.com>. For information on where to purchase Rocketship-branded uniform shirts, please contact the office or visit the Spark Family Website <https://sites.google.com/view/rocketshipspark/uniform-expectations>. Families are not required to purchase this item as long as the student otherwise complies with the dress code by wearing a dark purple-collared shirt (without the Rocketship logo).

Electronics/Toys

At all Rocketship California schools, students are not allowed to bring cell phones or personal electronic devices to school. Our focus for our students during class should be on instruction and learning. This

policy is outlined on Page 63 of the Student-Parent Handbook. This Rocketship policy applies to all students in all grades.

This is a reminder that students should not bring toys, keychains, including Labubus, or other trinkets to school. While fun at home, these items often become distractions in class and can be lost or cause conflicts.

To support a focused and safe learning environment, any toys or keychains brought to school will be given to School Leaders and returned directly to a parent/guardian the first time. If taken a second time, it will not be returned.

We appreciate your support in helping students stay focused on their learning. Please check your Sparketeer's book bag regularly to ensure it remains free of these items.

SECTION 504

To support the coordination of services and compliance with Section 504, Rocketship designates a knowledgeable Rocketship staff member as the Section 504 Coordinator. Your school's Section 504 Coordinator is:
